The Student's Guide to Writing Essays

Excerpt from How to Write an Essay: With Sample Essays and Subjects for Essays In all Examinations, whether in England or in India, the Essay is more and more being employed as a test of the ability of candidates to write clear, simple, and correct English. Thus we find, "All candidates will be expected to attempt the Essay, to which special importance is attached." To help the candidate to pass this test with some measure of success is the object of this book. The eighty "Sample Essays" do not aim at either originality or high literary merit; they are meant to represent the kind of Essay that a student might be expected to write in an Examination. And since necessarily no two writers are altogether alike in their mode of expressing themselves, the style of these essays has been to some extent diversified. They also vary in length, because in some examinations short, in others longer, Essays are required of the candidates. The chapter on spelling and Punctuation has for convenience been placed last; but a knowledge of these subjects is of course one of the first essentials to successful composition. Of the 1320 "Subjects for Essays," many have been set in various Public Examinations. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Good Essay Writing

A comprehensive writing text for students in all disciplines. Covers every aspect of the writing process, from coming up with an idea to the final written product, whether it be an essay, exam essay, tutorial paper, or report. Illustrates each stage of the process of writing with examples and models. Offers strategies for the "prewriting stage": thinking the question through, defining a purpose, selecting evidence, and choosing a presentation structure; for the writing stage: constructing introductions and conclusions, sustaining a line of argument, and choosing an appropriate level of technicality or generality; and for the editing stage: reworking sentences, ensuring that each paragraph has a focus, and that the argument flows well throughout the paper. Contains notes on referencing systems, bibliographies, and on punctuation and spelling. Includes many examples of good writing drawn from a wide variety of subjects.

Longlisted for the Wellcome Book Prize 2017 A moving story about transition between illness and recovery, childhood and maturity, life and death. Thirteen-year-old Frank Gold's family escaped from Hungary and the perils of WW2 to the safety of Australia, but not long after their arrival Frank is diagnosed with polio. Sent to a sprawling children's hospital called The Golden Age, he meets Elsa, the most beautiful girl he has ever seen, and a vocation for poetry. Frank and Elsa fall in love, fuelling one another's rehabilitation and facing the perils of polio and adolescence hand in hand. Meanwhile Frank and Elsa's parents must cope with their changing realities. Margaret, who has sacrificed everything to be a perfect mother, must reconcile her hopes and dreams with her daughter's illness. Frank's parents are isolated newcomers in a country they don't love. Ida, a renowned pianist in Hungary, refuses to allow the western deserts of Australia to become her home, while her husband Meyer slowly begins to free himself from the past and find his place in the Perth of the early 1950s.

Argumentative Essays: A Step-by-Step Guide

The book on essays is for you if you prefer to learn by example rather than explanation or direction. The learning method is unique because it focuses on showing you, rather than telling you, how to write an essay. Fifteen different types of essays are defined and exemplified using five-paragraph mini-essays. The examples are for Analytical, Argumentative, Cause, Comparison and Contrast, Critical Analysis, Definition (Specific), Definition (Subjective), Descriptive, Effect, Expository, Illustration/exemplification, Narration, Persuasive, Process (Information), and Process (Direction) type essays. Each mini-essay has an introduction, body, and conclusion. Simply follow and expand upon the examples provided, and you will be able to write quality essays. The book on words for college papers and presentations lists words that can be used to create papers and presentations that are more academic or professional. Complex words are listed along with their meaning for easy understanding.

Writing an amazing college admission essay is easier than you think! So you're a high school senior given the task of writing a 650-word personal statement for your college application. Do you tell the story of your life, or a story from your life? Do you choose a single moment? If so, which one? The options seem endless. Lucky for you, they're not. College counselor Ethan Sawyer (aka The College Essay Guy) will show you that there are only four (really, four!) types of college admission essays. And

all you have to do to figure out which type is best for you is answer two simple questions: 1. Have you experienced significant challenges in your life? 2. Do you know what you want to be or do in the future? With these questions providing the building blocks for your essay, Sawyer guides you through the rest of the process, from choosing a structure to revising your essay, and answers the big questions that have probably been keeping you up at night: How do I brag in a way that doesn't sound like bragging? and How do I make my essay, like, deep? Packed with tips, tricks, exercises, and sample essays from real students who got into their dream schools, *College Essay Essentials* is the only college essay guide to make this complicated process logical, simple, and (dare we say it?) a little bit fun.

College Essay Essentials

The use of essays in higher education is discussed. It is suggested that essays have two clear but always separate functions: a teaching-learning function and an assessment function. The assessment may be formal, as when essays are given a mark that contributes to the final classification, or informal, when the essay may not formally count but is part of the process whereby the tutor estimates the student's academic quality. Attention is also directed to the choice and timing of coursework essays, the phrasing and formulation of questions and titles, and practical criteria for use in determining how good a question is. A discussion on marking essays indicates the kind of simple systematic procedure for marking essays that can be used by the tutor who is too inexperienced to be able to mark each essay entirely by impression. Questions concerning standards for undergraduate essays that new examiners should consider before marking essays are posed, and the need to comment on students' essays is addressed. Some of the ways in which college teachers can give help are also briefly described. Examples of essay titles and examination questions, and a checklist for reviewing essay questions are included. Essay Writing

Award winning essayist Scott Russell Sanders once compared the art of essay writing to "the pursuit of mental rabbits"—a rambling through thickets of thought in search of some brief glimmer of fuzzy truth. While some people persist in the belief that essays are stuffy and antiquated, the truth is that the personal essay is an ever-changing creative medium that provides an ideal vehicle for satisfying the human urge to document truths as we experience them and share them with others—to capture a bit of life on paper. *Crafting the Personal Essay* is designed to help you explore the flexibility and power of the personal essay in your own writing. This hands-on, creativity-expanding guide will help you infuse your nonfiction with honesty, personality, and energy. You'll discover:

- An exploration of the basics of essay writing
- Ways to step back and scrutinize your experiences in order to separate out what may be fresh, powerful, surprising or fascinating to a reader
- How to move past private "journaling" and write for an audience
- How to write eight different types of essays including memoir, travel, humor, and nature essays among others
- Instruction for revision and strategies for getting published

with helpful examples, exercises, and sample essays, this indispensable guide will help your personal essays transcend the merely private to become powerfully universal.

Essays

'Shoot all the bluejays you want, if you can hit 'em, but remember it's a sin to kill a mockingbird' Meet Scout, the narrator of this book. Her story is one of Deep South summers, fights at school and playing in the street. The spooky house of her mysterious neighbour, Boo Radley, sags dark and forbidding nearby. Her brother, Jem, and her friend, Dill, want to make Boo come outside. Her story is about justice. When Scout's father, a lawyer, agrees to defend a black man against an accusation by a white girl, he must battle the prejudice of the whole town. It's about imagination - not just the kind you need for childhood games. Because you never really know a man until you stand in his shoes and walk around in them. Vintage Children's Classics is a twenty-first century classics list aimed at 8-12 year olds and the adults in their lives. To Kill a Mockingbird

This book gives students an answer to the question, "What does my professor want from this essay?" Using a single poem by William Carlos Williams as the basis for the process of writing a paper, it walks students through the processes of reading, brainstorming, researching secondary sources, gathering evidence, and composing and editing the paper. *Writing Essays About Literature* is designed to strengthen argumentation skills and deepen understanding of the relationships between the reader, the author, the text, and critical interpretations. Its lessons about clarity, precision, and the importance of providing evidence will have wide relevance for student writers. The second edition has been updated throughout and provides three new complete sample essays showing varying approaches to the final essay.
