Pick a player in your position to focus on

You can watch everything and that will help your soccer IQ, but I think watching your own position is more beneficial

Start taking notes as you are watching the game

Ask yourself what the thinking was behind each play

Analyze their mistakes as well. Learn from other players mistakes before you end up making them

When you can take note of what your player is doing off the ball.

Take note of every minor detail

Was there something they did often?

Different positions will be asking different questions and getting different answers
