Being a Nephilim isn't everything it's cracked up to be... Between the pissed-off creatures who want demon-hunter and Nephilim Lily Marks dead and the fallen angel who just...wants her, Lily is about ready to trade in forever for a comfy job in a cubicle farm. Mortal enemies, the fact that Lily and Julian are civil to one another is enough to have her thrown out of the Sanctuary. Even Lily can build a laundry list of why getting close to Julian is career suicide, but she can't shake her not-so angelic stalker, or ignore how he brings her dangerously close to ecstasy. As if Lily doesn't have enough problems, the hits just keep coming. Blindsided when a traitor is discovered working from within the Sanctuary, Lily is shocked to find he's determined to get her kicked out. Her relationship with Julian provides the perfect fuel for suspicion, and she quickly finds herself being hunted by, well, everyone. Her only hope is to discover the real traitor before she loses everything - and she'll need Julian's help. That is, if Julian is really there to help her...or destroy her.

Unchained

Between the pissed-off creatures that want her dead and the fallen angel who just wants her, Nephilim and demon hunter Lily Marks is ready for a quiet 20 minutes with her favorite hamburger. If only her life could actually be that simple. It's bad enough that she's even civil with a fallen angel like Julian. She's supposed to kill his kind, not flirt with the possibility of daringly-hot sexy times—and he puts her job at the Sanctuary at risk. And now that she's a suspected traitor, it's just a matter of time before "my life is complicated" becomes "here's hoping I survive the night." Everything is on the line, and Lily's running out of time to uncover the real traitor—and she'll need Julian's help. That is, if he's really there to do good. Because being a Nephilim isn't everything it's cracked up to be...especially when Lily's top priority is staying alive.

Picking up where the original six failed, Zeke is tasked with locating and destroying Lucifer's sword--the first step on the path to killing him once and for all. In a world ravaged by war, where demons and Devils roam freely, where Cambion rule, and where being human is akin to a death sentence, Zeke, as a Nephil--half human and half Angel--must infiltrate those born to kill her and those like her. Forced to pretend to be loyal to Lucifer and in awe of the Cambion, Zeke struggles to maintain her facade. When suspicion of her heritage puts Zeke and Dev in a situation where they must kill or be killed, both are forced to make a decision that not only ends the life of another, but one that could shape the rest of their own and the budding relationship they are attempting to navigate. Though she is battling both great grief and great guilt, Zeke must continue on the path provided for her without hesitation. When her path takes her into a city ruled by demons on a mission to steal Lucifer's sword, she is not only required to risk her life, but to be willing to sacrifice it without hesitation, and without thought for herself or for those she loves. I will never be controlled again. A manipulative dragon shifter. A sexy phaetyn prince. Me? I shouldn't even exist. With peace established in Verald, I should be free; Lord Tyrrik is liberated from his blood oath, after all. But the freedom in Verald is an illusion. If I remain, destruction will surely follow. As soon as I come into my powers, the blood-thirsty emperor of Draecon will know. Even now, he is hunting me. When a Phaetyn prince arrives promising safety, the solution seems perfect. A little too perfect. But is the objective of our group security or something more? Because everyone is telling me what my goals should be. Who do you trust when everyone has lied to you? Should I listen with my head - or my heart? I might not get a choice.

Shadow Wings

'The game changing guitar legend gets the biography he deserves ... Diligently researched, perceptive and well-written.' 8/10, Classic Rock 'An affectionate and unflinching portrait of metal guitar's Mount Everest.' Mojo Arriving in California as a young boy in the early 1960s, Edward Van Halen and his brother Alex were ripe for the coming musical revolution. The sons of a Dutch, saxophone-playing father, the brothers discovered the Beatles, Cream and others. From the moment their hugely influential 1978 debut landed, Van Halen set a high bar for the rock 'n' roll lifestyle, creating an entirely new style of post-'60s hard rock and becoming the quintessential Californian band of the 1980s. But there was also an undercurrent of tragedy to their story, as Eddie's struggles played out in public, from his difficult relationship with the band's original singer, Dave Lee Roth, to substance abuse, divorce and his long-running battle with cancer. With unique insights, Paul Brannigan's Eruption reaches beyond the headlines to explore the cultural and social contexts that shaped this iconic guitarist, while also turning up the dial on a life lived at volume eleven.
