Thoreau's Walden Enterprise

Walden Pond

Why Exactly Did Henry Thoreau Go to Walden Pond on One Level

But He Did Start Worrying about It He Wrote I Find I CanNot Fish without Falling a Little in My Own Self-Respect so He's Fretting Write Always I Feel It Would Have Been Better if I Had Not Fished over the Years His Deliberations Evolved into His Conflicted Defense of Vegetarianism in Walden's Chapter on Higher Laws and Then There Were the Arrowheads the Arrowheads That Rattled against the Blade of His Hoe as He Worked His Bean Field They Told Him that the Corn He Planted Was Seeding Furrows Originally Opened by Indians in a Real and Literal Way His Act of Creation Displaced They Told Him that the Corn He Planted Was Seeding Furrows Originally Opened by Indians in a Real and Literal Way His Act of Creation Displaced Even the Memory of a People Who Had Been Violently Forced off Their Homelands in the Open and Simplified Setting of Walden Woods Not Only Was Thoreau More Visible to Himself As Well as His Neighbors but His Neighbors Were More Visible to All His Neighbors Non-Human As Well as Human Past and Future As Well as Present as the Nature and Extent of His Relations thoreau His Questions Multiplied What Are these Pines in these Birds about He Asked What Is this Pond

A Working Survey That Accurately Mapped Walden Pond to the Inch in Three Dimensions Length Breadth and Depth and I Would Say Accurately Not Only in His Terms but the Survey Has Been Redone a Couple of Times and Modern Instrumentation and Modern Surveyors Have Confirmed that It's Accurate Basically to the Inch He Said that He Did It To Prove the Pond Had a Bottom Four Legend Had It that the Town's Favorite Lake Was Bottomless in Fact It Had a Measurable Depth 102 Feet Making Walden the Deepest Inland Body of Water in Massachusetts Thank Goodness He Wrote this Pond Was Made Deep and Pure for a Symbol

It Is the Heart in Man It Is the Sun in the System Draw Lines through the Length and Breadth of the Aggregate of a Man's Particular Daily Experiences and Volumes of Life into His Coves and Inlets and Where They Intersect Will Be the Height or Depth of His Character Walden Took Shape Here in these Two Key Discoveries First that the Pond Had a Hard Bottom as He Said and Rocks in Place Which We Can Call Reality and Say this and no Mistake the Rose Quest for the Bottom of the Pond Was Also His Quest for a Bedrock Truth a Face-to-Face Confrontation with Reality underneath All the Fake News the Mud and Slush of Opinion
