

the origins of international investment law empire environment and the safeguarding of capital cambridge studies

[#international investment law](#) [#history of investment law](#) [#capital safeguarding](#) [#empire and investment](#) [#colonial investment law](#)

This study delves into the historical origins of international investment law, exploring its foundational links to the era of empire and the evolving imperative of safeguarding capital. It examines how early geopolitical landscapes and economic motivations shaped the legal structures designed to protect cross-border investments.

Every paper is peer-reviewed and sourced from credible academic platforms.
