Elizabeth I, Red Rose of the House of Tudor

In a series of diary entries, Princess Elizabeth, the eleven-year-old daughter of King Henry VIII, celebrates holidays and birthdays, relives her mother's execution, revels in her studies, and agonizes over her father's health.

Elizabeth I, Red Rose of the House of Tudor

In a series of diary entries, Princess Elizabeth, the eleven-year-old daughter of King Henry VIII, celebrates holidays and birthdays, relives her mother's execution, revels in her studies, and agonizes over her father's health.

Anastasia: The Last Grand Duchess, Russia, 1914

Award-winning author Carolyn Meyer's ANASTASIA is back in print with a gorgeous new package! Thirteen-year-old Anastasia is the youngest daughter of Czar Nicholas II, ruler of Russia. Anastasia is used to a life of luxury; her major concerns are how to get out of her detested schoolwork to play in the snow, go ice-skating, or have picnics. She wears diamonds and rubies, and every morning her mother tells her which matching outfit she and her three sisters shall wear that day. It's a fairy tale life -- until everything changes with the outbreak of war between Russia and Germany. As Russia enters WWI, hunger and poverty grows among the peasants, and soon they are not pleased with their ruler. While the czar is trying win a war and save their country, the country is turning on the royal family. When her father and the rest of the family are imprisoned by the Bolsheviks, suddenly Anastasia understands what this war is costing the people. In the pages of her diary, Anastasia chronicles the wealth and luxury of her royal days, as well as the fall from power, and her uncertain fate.

Wartime Princess

In 1939, on a royal tour of Dartmouth Naval College, Princess Elizabeth (later Queen Elizabeth II) meets the dashing Prince Philip of Greece. Immediately they begin a correspondence, as war breaks out across Europe, where Philip is sent to serve in the Navy. Elizabeth convinces her father the King, despite his reservations, to allow her to sign up to the war effort and joins the Women's Auxiliary Territorial Service. Serving her country, driving trucks and fixing cars, Elizabeth wonders, will she ever see her prince again...?

Anne Boleyn and Me

When the King came riding in on his big, black horse, a murmur went up, because his tunic was stitched with the words, DECLARE I DARE NOT. All the ladies were giggling behind their hands, and I asked Mama what it meant. Her face had turned quite pink and she said, \"Never mind,\" so I asked Rosanna later. She told me the words meant the King has a new love, but he dares not say her name. But everyone knows her name, of course. It is Anne Boleyn.

My Story: Lady Jane Grey

The tragic story of Lady Jane Grey who was Queen of England for nine days in July 1553. Jane grew up watching her cousins in training as heirs to the throne, little imagining that by a twist of fate she would one day be crowned. But this is Tudor England where nobody plays fair, and even a queen isn't safe from those who wish her harm.

Henry VIII's Wives

Vividly imagined accounts of queens and princesses from the past. The court of King Henry VIII is brought brilliantly to life in this My Story special spanning a period of 20 years. The fates of Henry's six wives are told from the perspective of two young courtiers serving at the royal palaces at different periods.

Beware, Princess Elizabeth

A “gripping historical drama” that tells the story of young Elizabeth Tudor’s journey to the throne—and her fierce rivalry with her half sister (School Library Journal). Imprisonment. Betrayal. Lost love. Murder. What more must a princess endure? Elizabeth Tudor's teenage and young adult years during the turbulent reigns of Edward and then Mary Tudor are hardly those of a fairy-tale princess. Her mother has been beheaded by Elizabeth's own father, Henry VIII. Her jealous half sister, Mary, has her locked away in the Tower of London. And her only love interest betrays her in his own quest for the throne... Told in the voice of the young Elizabeth and ending when she is crowned queen, this novel in the exciting Young Royals series explores the relationship between two sisters who became mortal enemies. New York Times-bestselling author Carolyn Meyer has written an intriguing historical tale that reveals the deep-seated rivalry between a determined girl who became Elizabeth I, one of England's most powerful monarchs—and the sister who tried everything to stop her.

Elizabeth and the Royal Pony

Young Elizabeth I gets valuable advice from her father the king when she tries to teach her pony to jump over a wall.

Elizabeth

Daughter of a fallen queen, young Princess Elizabeth lives a complicated and dangerous life. She fears her father's famous temper but loves him dearly - she would trade all her jewels just to be noticed by him! As the royal family moves palaces, court intrigue swirls around the young princess, under the threat of a French invasion...

Princess of Egypt

In 1490 BC Asha, daughter of King Tuthmosis, lives a carefree life at the royal court in Thebes. But when a prophecy foretells that 'a young woman will prove to be the best man in the Two Kingdoms' she's caught up in a world of plots and danger . . .

Elizabeth Grant

Elizabeth Grant has stood at the helm of her beauty empire for more than sixty years, regaling admirers with personal stories, notably one event that nearly killed her. When a German rocket dropped soundlessly from the sky on a peaceful Sunday in wartime London, its impact and resultant bomb blast damage took her down, damaged her face and rendered her almost deaf in one ear. A young makeup artist at Ellstree Studios, she thought herself so repulsively scarred, she could no longer face acting luminaries like Vivien Leigh, Margaret Leighton, and Robert Taylor with any degree of confidence. "I honestly thought my life was over," Elizabeth says. But as readers will learn, she easily has more than nine lives. From that misfortune came salvation. With Elizabeth you will sense a wealth of wisdom and experience lurking beneath her self-deprecating wit. A more profound history - one that had lain hidden for decades - was waiting to be unearthed. Revealing the multiple sides of Elizabeth was a painstaking labour of love, and one of our most rewarding journeys. Little by little, she emerged from self-imposed shadows with shocking and disturbing accounts of her nightmarish childhood. Years of abuse and neglect had spawned crushing self-doubt, yet she soldiered on, nursing a remarkable will to survive at any cost - even daring to reach for the unreachable. The Elizabeth Grant story spins a cinematic voyage on three continents, through Heaven and Hell. Compelling, tragic, wistful and humorous, it charts a unique woman's determination to overcome every boulder in her path. Her survival is a raw and powerful testament to human perseverance and her ultimate success provides inspiration that transcends time.

My Story: Victoria

The young Queen Victoria was brought up hidden from the world that she would one day govern. In 1829, aged ten, Princess Victoria is a lonely little girl, but she is about to make a startling discovery. She is closer to the throne than she ever imagined. My Royal Story offers a fascinating insight into the childhood of a young princess.

My Story: To Kill A Queen

Available for the first time as an ebook from the bestselling My Story series, TO KILL A QUEEN is set in the 1580s. In Elizabethan London, a wild plot is aflame. The Queen is in danger, and Kitty is embroiled in a mass of secrets, spies and betrayals...

Catherine of Aragon

CATHERINE OF ARAGON is a thrilling story-diary set among the pomp, plots and political wrangling of the Tudor court. It is 1501, and Eva is making the greatest trip of her life - from Spain to London as lady-in-waiting to the Spanish bride of Arthur, Prince of Wales, Catherine of Aragon. But Prince Arthur does not have long to live. What will happen to Catherine, his new wife, then? A thrilling story-diary set among the pomp, plots and political wrangling of the Tudor court.

Young Elizabeth

The story of how Elizabeth II became queen. 'Rich with princess anecdotes... Williams's book weaves the Second World War, vast social change and the royal upheaval of abdication and celebration of coronation into energised, nostalgic storytelling' SUNDAY TELEGRAPH 'Fascinating insights into Elizabeth's relationship with her sister also make this a worthwhile, enjoyable read' DAILY TELEGRAPH We can hardly imagine a Britain without Elizabeth II on the throne. It seems to be the job she was born for. And yet for much of her early life the young princess did not know the role that her future would hold. She was our accidental Queen. As a young girl, Elizabeth was among the guests in Westminster Abbey watching her father being crowned, making her the only monarch to have attended a parent's coronation. Kate Williams explores the sheltered upbringing of the young princess with a gentle father and domineering mother, her complicated relationship with her sister, Princess Margaret, and her dependence on her nanny, Marion 'Crawfie' Crawford. She details the profound and devastating impact of the abdication crisis when, at the impressionable age of 11, Elizabeth found her position changed overnight: no longer a minor princess she was now heiress to the throne. Elizabeth's determination to share in the struggles of her people marked her out from a young age. Her father initially refused to let her volunteer as a nurse during the Blitz, but relented when she was 18 and allowed her to work as a mechanic and truck driver for the Women's Auxiliary Territorial Service. It was her forward-thinking approach that ensured that her coronation was televised, against the advice of politicians at the time. Kate Williams reveals how the 25-year-old young queen carved out a lasting role for herself amid the changes of the 20th century. Her monarchy would be a very different one to that of her parents

and grandparents, and its continuing popularity in the 21st century owes much to the intelligence and elusive personality of this remarkable woman.

Elizabeth & Margaret

The first in-depth dual-biography of Elizabeth & Margaret, written by the bestselling royal biographer, Andrew Morton. They were the closest of sisters and the best of friends. But when, in a quixotic twist of fate, their uncle Edward VIII decided to abdicate the throne, the dynamic between Elizabeth and Margaret was dramatically altered. Forever more, Margaret would have to curtsy to the sister she called 'Lilibet'. And bow to her wishes. Elizabeth would always look upon her younger sister's antics with a kind of stoical amusement but Margaret's struggle to find a place and position inside the royal system - and her fraught relationship with its expectations - was often a source of tension. Famously, the Queen had to inform Margaret that the Church and government would not countenance her marrying a divorcee, Group Captain Peter Townsend, forcing Margaret to choose between keeping her title and royal allowances or her divorcee lover. From the idyll of their cloistered early life, through their hidden wartime lives, into the divergent paths they took following their father's death and Elizabeth's ascension to the throne, this book explores their relationship over the years. Andrew Morton, renowned bestselling author of *Diana: Her True Story*, offers unique insight into these two drastically different sisters - one resigned to duty and responsibility, the other resistant to it - and the lasting impact they have had on the Crown, the royal family and the way it has adapted to the changing mores of the twentieth century.

Marie Antoinette

Young Marie Antoinette has a recurring nightmare, in which the broken head of her porcelain doll is her own. Marie Antoinette doesn't know her fate, but she knows her destiny to one day be queen of France. But all the preparation in the world cannot equip her for the adventure she is about to embark upon.

Princess

In November 2017 the Queen and the Duke of Edinburgh celebrated their 70th wedding anniversary. As a 13-year-old Princess, she fell in love with Prince Philip of Greece, an ambitious naval cadet, and they married when she was 21; when she suddenly became Queen at 25, their lives changed forever. Philip has been her great support, but fortunately she also had a solid foundation that helped prepare her for a life dedicated to duty. With previously unpublished material and unique memories from friends and relatives who have known her since childhood, this book looks afresh and in richer depth at her life as Princess, glittering yet isolating. Vivid detail and anecdotes reveal more about her, the era in which she grew up and the people who shaped her life. The archives of royal confidante Lady Desborough and Private Secretary Sir Alec Hardinge reveal unseen letters from the Princess and the royal family, giving intimate insights into their lives and minds. Here is her sadness at the death of her nanny, Alah; her joy in her children; her melancholy as a young wife when Philip returns to his ship; the sensitivities of her father. Here too is the Princess with the aristocratic Bowes Lyons, her mother's family, who featured significantly in her life, yet rarely appear in books. The author sheds new light on anomalies surrounding the birth of her mother who, it has been asserted, was the daughter of the family's cook. The strain of wartime on the royal family is highlighted in new material contrasting the stance of the Princess's uncles, the Duke of Windsor and David Bowes Lyon. In contrast with her upbringing, Philip's early life was turbulent, although their lives shared some interesting parallels. Lady Butter, a relation of Philip and friend of the Princess, recalls time spent with each of them; and unpublished documents show how intelligence agencies considered the socialist influence of the Mountbattens on Philip and thus on the royal court. More importantly, Princess traces how an "ordinary country girl" suddenly found herself in the line of succession to the crown at age ten when her Uncle, the Duke of Windsor, abdicated the throne to his brother Albert ("Bertie" to family and friends), the once and future King George VI. Breaking new ground for a future English monarch, she became the first female member of the royal family to serve on active duty during World War II, and broke tradition by sending her children away to school rather than having them privately tutored. Indeed, by the time of her coronation in 1953, she had already achieved a "broad and solid background from which she could draw during the rapidly changing times of her long reign. Out of a little princess they made a Queen."

My Husband and I

For more than 70 years, the marriage of Queen Elizabeth II and Prince Philip was at the centre of the nation's life. Now, in *My Husband and I*, Ingrid Seward reveals the real story of their loving and enduring relationship. When a young Princess Elizabeth met and fell in love with the dashing Naval Lieutenant Prince Philip of Greece and Denmark, it wasn't without its problems. The romance between the sailor prince and the young princess brought a splash of colour to a nation still in the grip of post-war austerity. When they married in Westminster Abbey in November 1947, there were 3000 guests, including six kings and seven queens. Within five years, as Queen Elizabeth II, she would ascend to the throne and later be crowned in front of millions watching through the new medium of television. Throughout her record-breaking reign until Prince Philip's death on 9 April 2021, she relied on the formidable partnership she had made with her consort. Now, acclaimed royal biographer Ingrid Seward sheds new light on their relationship and its impact on their family and on the nation. In *My Husband and I*, we discover the challenges faced by Prince Philip as he had to learn to play second fiddle to the Queen in all their public engagements, but we also get a revealing insight into how their relationship operated behind closed doors. As the years went by, there were rumours of marital troubles, fierce debates over how to bring up their children, and they had to deal with family traumas - from scandalous divorces to shocking deaths - in the full glare of the public eye. But somehow, their relationship endured and provided a model of constancy to inspire all around them. This book is not only a vivid portrait of a hugely important marriage, it is a celebration of the power of love.

Before the Crown

Before the crown there was a love story...

Monarch

For more than fifty years, Elizabeth Alexandra Mary Windsor -- who became Elizabeth II, Queen of England on February 6, 1952 -- has been loved and loathed, revered and feared, applauded and criticized by her people. Still she endures as a captivating figure in the world's most durable symbol of political authority: the British monarchy. In *Monarch*, a meticulously detailed portrait of Elizabeth II as both a human being and an institution, bestselling author Robert Lacey brings the queen to life as never before: as baby "Lilibet" learning to wave to a crowd in the Royal Mews; as a child "ardently praying for a brother" so as to avoid her fate; as a young woman falling in love with and marrying her cousin Philip; and as the mother-in-law of the most complicated royal of all, Princess Diana. Updated with new material to reflect the 2002 Golden Jubilee and the passing of the Queen Mum -- and featuring dozens of photographs, a family tree of the Hanoverian-Windsor-Mountbatten families, and a map that charts the location of royal castles -- *Monarch* is an engaging, critical, and celebratory account of Elizabeth's half-century reign that no reader of popular history should be without.

Queen Elizabeth II and the Royal Family

A magnificent tribute to the life and reign of Queen Elizabeth II, and a celebration of the British royal family. This book is a stunning visual guide to the world's most famous royals, from the Queen's Norman predecessors to her great-grandchildren. It features events such as the royal wedding of Prince William and Kate Middleton, and profiles on key people such as Princess Diana and Prince Harry. This new edition is revised to include the most recent events and milestones, such as the retirement of the Duke of Edinburgh, the birth of Charlotte, Louis, Archie, and other new family members, Harry and Meghan's wedding, and their decision to step back as senior members of the royal family. Including rare, restricted, and exclusive photos, this book examines the Queen's life in detail from her childhood to today, but also goes back through more than 1,000 years of history to tell the story of the House of Windsor and the entire succession of kings and queens of England and Scotland. With dazzling galleries of royal artefacts and photographic tours of sumptuous royal residences, this is the perfect book for fans of the Queen and royal family, fans of the Netflix series *The Crown*, or anyone interested in the history of the British monarchy.

The Queen's Governess

'Fans of *The Crown* will enjoy this poignant look behind the royal curtain' GEORGIE BLALOCK A crown princess. Her childhood nanny. A shocking betrayal... Marion Crawford is just twenty-two years old when she becomes governess to the little Princesses Elizabeth and Margaret Rose in 1931. As their beloved 'Crawfie', she is instantly confided in, trusted and immersed in the lives of the royal family. As World War II finally comes to an end, it's clear that Princess Elizabeth has fallen in love. Now heiress

presumptive to the British throne, no one believes that Prince Philip of Greece is a suitable husband for the future Queen of England. No one, that is, except for Crawfie. For Crawfie, too, has fallen in love - and has convinced her fiancé George that they must wait for Elizabeth and Philip to receive the King's blessing before she leaves the service of the Crown. Yet soon she finds herself torn between her loyalty to Princess Elizabeth and losing the man she loves. But no one ever anticipated the betrayal that will sever her bond with the royal family forever...

My Story: Mary Queen of Scots

At just 11 years old, the young princess Mary Stuart is sent from her native Scotland to live in the court of her future father-in-law, King Henry II of France. She knows one day she will have to embark on the serious business of being queen of France. My Royal Story offers a fascinating glimpse into the life of a sixteenth-century princess.

The Queen's Wardrobe

The story of Queen Elizabeth II, who famously said 'if I wore beige, no one would know who I was', told through her clothes and jewellery. The Queen's Wardrobe is a gorgeous gift to treasure, celebrating a long life devoted to service. This book tells the story of a young princess who grew into one of the world's best-loved and longest-serving royals, touching on wartime truck-fixing, ration-book wedding dress making, splendid gowns, the Crown Jewels, and her trusty wellies. Includes a foreword by Michele Clapton, costume designer for series one of Netflix's *The Crown*, giving a peek behind the scenes at the recreation of some of the Queen's most famous outfits. Written by the Waterstones Children's Book Prize-winning Julia Golding, *The Queen's Wardrobe* is full of fascinating stories from the long life of our record-breaking Queen. The detailed and colourful artwork from bestselling Kate Hindley shows what it's really like to grow up as a princess.

My Story: The Great Plague

A time of horror has come to London. In one terrible summer, more than 15% of its population will perish. As the bubonic plague ravages London's streets, mercilessly plucking up victims and filling the plague pits with corpses, 13-year-old Alice Paynton records the outbreak in her diary. "It seems that in the past week 700 people have died of the plague. So the plague has well and truly come to London... One of the houses in the next street had a red cross painted on the door. Above the cross someone had chalked Lord Have Mercy Upon Us." Alice's chilling diary brings alive one of the darkest moments in British history: the Great Plague of 1665-1666.

The First Queen Elizabeth

The biography of Henry VII's queen, and mother of Henry VIII, the true story of the 'White Princess'

Elizabeth of York

The gripping true story of a plucky princess and her wartime romance! In 1939, on a royal tour of Dartmouth Naval College, Princess Elizabeth meets the dashing Prince Philip of Greece. When war breaks out across Europe, Philip is sent to serve in the Navy. Meanwhile Elizabeth convinces her father, the King, to let her sign up to the war effort. But as she serves her country, driving trucks and fixing cars, Elizabeth wonders - will she ever see her prince again...? A gripping royal romance from the real life of the current Queen Elizabeth II.

My Story: Wartime Princess

An abused child, yet confident of her destiny to reign, a woman in a man's world, passionately sexual -- though, as she maintained, a virgin -- Elizabeth I was to be famed as England's most successful ruler. This brilliant new biography, by concentrating on the formative early years -- from her birth in 1533 to her accession in 1558 -- shows how her experiences of danger and adventure formed her remarkable character and shaped her opinions and beliefs. A uniquely absorbing tale of one young woman's turbulent, courageous and seemingly impossible journey towards the throne, it is the story of the making of a queen. In growing up, Elizabeth experienced every vicissitude of fortune and every extreme of condition. She was three years old at the time of her mother's execution; when she was a young woman, her step-father cut her dress off of her with a knife. She had been Princess and inheritor of England -- then bastardized and disinherited. At sixteen she was the head of a great

princely household. Yet she was also an accused traitor on the verge of execution. Amid all this, she had mastered the most advanced classical curriculum of the day. But it was her lessons in the school of life that mattered more -- and that taught her her humanity. David Starkey re-creates a host of extravagant characters, madcap schemes and tragic plots, while using original documents to point up the importance of the rituals of power and life at court. He writes with exceptional clarity about religion and constitutional history. Elizabeth, whose own Protestant faith was personal and sophisticated, was extremely judicious in her handling of Reform, as in her choice of advisors and councilors. Here, too, is a fresh view of the famous rivalry between the daughters of Henry VIII: the pious Catholic Mary and her clever sister. While Elizabeth remained utterly devoted to her father, she was also determined not to lose her opportunity for power -- and not to make the same mistakes as Mary. The skill with which she achieved her goal proved to be a sign that England had reached a watershed moment in its history. Starkey's close attention to detail and vivid storytelling ability combine to produce a narrative of these extraordinary years that reads like a novel. Meticulously researched and enormously compelling, Elizabeth is a masterpiece of biography.

Elizabeth

Harry Woods joins the RAF during WWII, battling the Luftwaffe during the Battle of Britain. England, 1941. Sometimes I can't remember a time when I didn't have the roar of engines or rattle of machine-guns ringing in my ears. Sometimes it feels as though I've been a fighter pilot all my life -- that I had no life before the RAF, before the War, before the Battle of Britain. But I did. Of course I did. Once I was just Harry Woods, a kid like any other kid. And I suppose that's when my story really begins... Harry joins the RAF to protect his country, only to be called a coward by those who do not understand the battles raging in the air above. He loses friends and nearly loses his life when his plane goes down in the Channel.

The Battle of Britain

Elizabeth I was born into a world of women. As a child, she was served by a predominantly female household of servants and governesses, with occasional visits from her mother, Anne Bolyen, and the wives who later took her place. As Queen, Elizabeth was cons

Elizabeth's Women

Our bestselling series is fit for a queen! The life of Queen Elizabeth I was dramatic and dangerous: cast out of her father's court at the age of three and imprisoned at nineteen, Elizabeth was crowned queen in 1558, when she was only twenty-five. A tough, intelligent woman who spoke five languages, Elizabeth ruled for over forty years and led England through one of its most prosperous periods in history. Over 80 illustrations bring 'Gloriana' and her court to life.

Who Was Queen Elizabeth?

The Tower of London is the greatest castle in England. It is a palace and a fortress, but also a prison. And tomorrow, a former Queen will be executed there: Lady Jane Grey, Queen for just nine days, sentenced to a traitor's death at the age of sixteen. Many say she does not deserve to die, but the Bloody Tower will have no mercy on her...

My Story: Bloody Tower

She was the mother of Henry VIII and wife of Henry VII, but who was Elizabeth of York? Raised as the precious eldest child of Edward IV, Elizabeth had every reason to expect a bright future until Edward died, and her life fell apart. When Elizabeth's uncle became Richard III, she was forced to choose sides. Should she trust her father's brother and most loyal supporter or honor the betrothal that her mother has made for her to her family's enemy, Henry Tudor? The choice was made for her on the field at Bosworth, and Elizabeth the Plantagenet princess became the first Tudor queen. Did Elizabeth find happiness with Henry? And did she ever discover the truth about her missing brothers, who became better known as the Princes in the Tower? Lose yourself in Elizabeth's world in Plantagenet Princess Tudor Queen. This novel has been selected by the Historical Novel Society as an Editors' Choice and long-listed for the 2016 HNS Indie Award.

Plantagenet Princess, Tudor Queen

In *Royal Sisters*, Anne Edwards, author of the best-selling *Vivien Leigh: A Biography* and *Matriarch: Queen Mary and the House of Windsor*, has written the first dual biography of Elizabeth, the princess who was to become Queen, and her younger sister, Margaret, who was to be her subject. From birth to maturity, they were the stuff of which dreams are made. "I'm three and you're four," the future Queen, then a child, imperiously informed her sister. The younger girl, not understanding this reference to their position in the succession, proudly countered, "No, you're not. I'm three, you're seven." The royal sisters had no choice in their historic positions, but behind the palace gates and within the all-too-human confines of their personalities, they displayed tremendous individuality and suffered the usual symptoms of sibling rivalry. *Royal Sisters* provides an unprecedented and intimate portrait of these most famous siblings during their formative and dramatic youthful years. It is also one of the twentieth century's most fascinating stories of sisterly loyalty. Edwards's book is an honest look at how the royal sisters feel toward each other, their parents, their close relations and the men whom they have loved. It openly discusses, with new insights and information, the romance of Elizabeth and Philip and the tragic aborted love affair between Margaret and Group Captain Peter Townsend, and it has a cast of characters ranging from the youthful sisters' suitors to Winston Churchill and the entire Royal Family. It is also the story of the making of a queen, of the high drama of her situation in the Townsend affair, of the real effect their uncle's abdication had on the sisters' lives, and of the internecine feuds that have brewed within the Royal Family since that time. Brought vividly to life through the many personal interviews of close royal associates, filled with new facts, previously unpublished anecdotes and photographs, *Royal Sisters* is a never-before-glimpsed look at the relationship of the Queen and Princess Margaret.

Royal Sisters

_____ 'Scintillating, provocative... An elegant synthesis of royal biography and political thriller.' *Daily Telegraph* A *Times* History Book of the Year: a story which inspired the Hollywood film *MARY QUEEN OF SCOTS* Mary, Queen of Scots & Elizabeth I of England. Two powerful monarchs on a single island. Threatened by voices who believed no woman could govern. Surrounded by sycophants, spies and detractors. Accosted for their dominion, their favour and their bodies. Besieged by secret plots, devastating betrayals and a terrible final act. Only one queen could survive to rule all. _____ 'Brings us a fresh Mary, set in a gloriously rich context, a tragic heroine - irresistibly real and relevant... There isn't a line wasted in this taut, dramatic and utterly beguiling biography.' Charles Spencer author of *Killers of the King: The Men Who Dared to Execute Charles I* 'The perfect combination of scholarship and storytelling, meticulous research and emotional insight, Kate Williams brings Mary vividly to life in all her complexities and contradictions.' Kate Mosse, author of *The Burning Chambers* 'It takes a special kind of historian to turn an old story on its head. Eye-opening, provocative, this is the great rivalry re-imagined for the #MeToo generation.' Lucy Worsley

Rival Queens

Against the pomp and pageantry of turbulent seventeenth-century England, Elizabeth Goudge weaves the poignant tale of Lucy Walter, the proud and beautiful secret wife of Charles II. Here is a subtle portrait of a deeply good and fascinating woman. From her early childhood in a castle by the sea in Wales evoked as only Elizabeth Goudge can evoke the joys and pangs of childhood to her tragic estrangement from the king and her death in Paris at the age of twenty-eight, Lucy Walter lived to the full a life of intense joy and equally intense drama. Miss Goudge portrays brilliantly a young love almost too ecstatic to bear. Equally moving is her characterization of Lucy a spirited woman caught up in the cataclysmic wars and disruptive revolution of a tumultuous era. London at the time of the Great Fire, Paris when British royalty fled to the sanctuary of the Louvre, Brussels and The Hague against this rich panoramic background a master storyteller traces the life and loves of an extraordinary woman. "The Child from the Sea" is a superbly colorful and romantic historical novel alive with brilliant cameos and infused with a spiritual essence rare in our times."

Child from the Sea

Perfect for fans of Philippa Gregory, this is the wonderfully atmospheric, enthralling and vivid depiction of Elizabeth I's ardent and emotional love affair with Robert Dudley from international multi-million copy bestseller Jean Plaidy. 'Full-blooded, dramatic, exciting' -- *Observer* 'Outstanding' -- *Vanity Fair* 'It is hard to better Jean Plaidy when she is in form' -- *Daily Mirror* 'I couldn't put it down' -- ***** Reader review

'A compelling read' -- ***** Reader review 'I was gripped from the first page' -- ***** Reader review
***** In the grim recesses of the Tower of London, two captives begin a passionate love affair that will last years but is destined to destroy them; one is Robert Dudley, the other is the future Queen of England, Elizabeth I. Pardoned by Queen Mary, Dudley and Elizabeth are freed, but their mutual longing must be from a distance: Dudley is married, and as the next heir to the throne, Elizabeth must tread carefully...

The Master's Memoirs Vol. II, Recovery

This is the second humorous and poignant edition of the master's memoirs. The master is still sampling intergalactic cuisine while performing errands for God. He is still traveling the vastness of the universe, while trying to solve the mystery of why he was chosen for this very important assignment. Join the master in his search across the galaxies for clues to solve this monumental problem.

The Master's Memoirs Vol. II: Recovery: (Large Print Edition)

"This is the second humorous and poignant edition of the master's memoirs. The master is still sampling intergalactic cuisine while performing errands for God. He is still traveling the vastness of the universe, while trying to solve the mystery of why he was chosen for this very important assignment. Join the master in his search across the galaxies for clues to solve this monumental problem."

The Master's Memoirs Vol. III

This is the third edition of the Master's Memoirs Series. In New Beginnings, The Master finally solved the mystery that had been bugging him for thousands of years. Join the Master as he continues to travel the vastness of the universe and let him entertain you with his humorous and unique observations of mankind and intergalactic cuisine.

The Works of Henry Fielding Complete in One Volume with Memoir of the Author by Thomas Roscoe

Addiction is seemingly inexplicable. From the outside, it can look like wilful, arrogant self-destruction; from the inside, it can feel as inevitable and insistent as a heartbeat. It is possible to describe, but hard to explore. Yet in *The Recovering*, Leslie Jamison draws on her own life and the lives of addicts of extraordinary talent - John Cheever, John Berryman, Jean Rhys and Amy Winehouse among them - to take us inside the experience of addiction, exposing the contours, edges and wholes of an intoxicated life. Part memoir, part group biography, part literary history and part definitive analysis of cultural and social considerations of addiction, *The Recovering* is a significant moment in the history of post-war narrative non-fiction.

Memoirs of the reign of Charles the First. 2 vols

Fifty Years of Deer-Stand Reflections, a Memoir of a Michigan Master Deer Hunter is the culmination of author Joe Lunkas' fascinating experiences over many years of hunting deer. Artfully presented, organized, and integrated, these stories strongly convey the messages, and their true meanings, derived from his outdoor journey of learning. This is a book that will ignite the flame in the hearts and minds of hunters, both newcomers and veterans of the sport, infusing a deep appreciation, respect, and love for nature. The healing and rejuvenating solitude, thought provoking atmosphere, and the pure personal enjoyment experienced in the deer-stand can be the sources of inspirations, satisfaction, and success. About the Author: Joe Lunkas lives in Mesick, Michigan. He worked for over forty years at General Motors Corporation, the last twenty spent as a salaried problem solver and senior vehicle development noise and vibration engineer at GM's Milford Proving Ground. As an accomplished and nationally recognized Master Deer Hunter throughout the 1980s, Mr. Lunkas has had many of his freelance outdoor-related articles published. He is working on his next book, *Fifty Years of Strange but True Encounters of a Michigan Outdoorsman*. Publisher's website: <http://SBPRA.com/JoelLunkas>

The Recovering

The eighth volume in the Recovering the U.S. Hispanic Literary Heritage series, which focuses on the literary heritage of Hispanics in the geographic area that has become the U.S. from the colonial period to 1960.

Fifty Years of Deer-Stand Reflections, a Memoir of a Michigan Master Deer Hunter - MFE-C

Reprint of the original, first published in 1883.

Memoirs, Correspondence and Private Papers of Thomas Jefferson, Late President of the United States

Women in comedy have traditionally been pegged as either "pretty" or "funny." Attractive actresses with good comic timing such as Katherine Hepburn, Lucille Ball, and Julia Roberts have always gotten plum roles as the heroines of romantic comedies and television sitcoms. But fewer women who write and perform their own comedy have become stars, and, most often, they've been successful because they were willing to be funny-looking, from Fanny Brice and Phyllis Diller to Lily Tomlin and Carol Burnett. In this pretty-versus-funny history, women writer-comedians—no matter what they look like—have ended up on the other side of "pretty," enabling them to make it the topic and butt of the joke, the ideal that is exposed as funny. *Pretty/Funny* focuses on Kathy Griffin, Tina Fey, Sarah Silverman, Margaret Cho, Wanda Sykes, and Ellen DeGeneres, the groundbreaking women comics who flout the pretty-versus-funny dynamic by targeting glamour, postfeminist girliness, the Hollywood A-list, and feminine whiteness with their wit and biting satire. Linda Mizejewski demonstrates that while these comics don't all identify as feminists or take politically correct positions, their work on gender, sexuality, and race has a political impact. The first major study of women and humor in twenty years, *Pretty/Funny* makes a convincing case that women's comedy has become a prime site for feminism to speak, talk back, and be contested in the twenty-first century.

The Works of Rufus Choate, with a Memoir of His Life: Speeches in the Senate of the United States. Miscellaneous speeches. Appendix

Reproduction of the original: The History of England Part D by David Hume

Recovering the U.S. Hispanic Literary Heritage, Volume VIII

A Brain of My Own is about slavery, about brains stolen in childhood and before; brains that have been intruded upon, stopped, shrunk, paralyzed. We know about the history of people whose bodies were enslaved; but we know barely anything about the victims who appear free but whose brains are invisibly chained. Nor do we know about the international collusion, silence, and apathy that surround this kind of slavery. *A Brain of My Own* describes Wendy Hoffman's final years of attempting escape from the criminal mind control cult into which she had the misfortune of being born. This is her third memoir, and chronicles the final years of reclaiming her brain, including the ongoing abuse and torture during her recovery process. Hoffman describes the ways in which perpetrators manipulate the brain to create amnesiac barriers, methods held secret for generations. She exposes the duplicity of perpetrators functioning as normal people in the ordinary world and what is under their masks. She gives advice about how to spot seemingly helpful people who are actually out to destroy victims of mind control. This kind of dissociation is difficult to overcome, but the path back to full humanity is possible and happening.

The Court of Requests ... With a Memoir

This publication is a biographical account of the founder of Singapore, Sir Stamford Raffles, through a study of the lives of his closest friends and contemporaries. Some of the personalities featured include William Brown Ramsay, John Leyden and Thomas Horsfield.

Some Account of My Life and Writings. An Autobiography

Covers Anglo-American-Canadian relations and the politics and economy of trans-atlantic supply in wartime.
