The American Pageant

Traces the history of the United States from the arrival of the first Indian people to the present day.

The American Pageant 15th Edition+ (AP* U. S. History) Student Activities Book

Kaplan's, 5-Steps, Crash Course and other review books are great resources for that last month before the exam, but Tamm's Textbook Tools student activity books are meant to be an accompaniment all year long. This AP* U.S. History companion is filled with vocab and assignments that follow the Kennedy/Cohen fifteenth edition for all 42 chapters. They can be used as regular weekly assignments or reviews. They can be used on short notice if there is a sub, or be assigned as regular homework. All you need is the textbook. Teachers can copy at will, or the book can be used as a student consumable. As publishers began putting their content online, a niche for traditional classwork was opened, a void filled by this series. And whether the textbook itself is written in ink or electrons, many students still find it more valuable to write and keep notes for themselves on paper, and portfolios still matter. The activities in this workbook challenge students to apply the concepts, give examples, and diagram every chapter. Find TTT on FB.

The American Pageant

The new edition of American Pageant, the leading program for AP U.S. history, now reflects the redesigned AP Course and Exam that begins with the 2014-2015 school year. The 16th edition helps prepare students for success on the AP Exam by 1) helping them practice historical thinking skills, pulling together concepts with events, and 2) giving them practice answering questions modeled after those they'll find on the exam. The new edition adds a two-page opener/preview to every chapter, guiding students through the main points of the chapter and using questions and elements tied to the AP Curriculum Framework to help them internalize the chapter more conceptually. Also new are

additional End-of-Part multiple-choice and short answer questions reflecting the changes to the exam. Practice DBQs and other free response essay questions will still be found at the back of the book.

Domestic Revolutions

An examination of how the concept of “family” has been transformed over the last three centuries in the U.S., from its function as primary social unit to today’s still-evolving model. Based on a wide reading of letters, diaries and other contemporary documents, Mintz, an historian, and Kellogg, an anthropologist, examine the changing definition of “family” in the United States over the course of the last three centuries, beginning with the modified European model of the earliest settlers. From there they survey the changes in the families of whites (working class, immigrants, and middle class) and blacks (slave and free) since the Colonial years, and identify four deep changes in family structure and ideology: the democratic family, the companionate family, the family of the 1950s, and lastly, the family of the '80s, vulnerable to societal changes but still holding together.

The American Pageant

The American Pageant, 15/e, International Edition enjoys a reputation as one of the most popular, effective, and entertaining texts in American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The Fifteenth edition includes markedly deeper explorations of the cultural innovations, artistic movements, and intellectual doctrines that have engaged and inspired Americans and shaped the course of American history. Additional features of The American Pageant, 15/e, International Edition help readers understand and master the content: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present primary sources, scholarly debates, and key historical figures for analysis.

The American Pageant, Volume 2

THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts in American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The Fifteenth edition includes markedly deeper explorations of the cultural innovations, artistic movements, and intellectual doctrines that have engaged and inspired Americans and shaped the course of American history. Additional pedagogical features make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Fifteenth Edition (Chapters 1-42); Volume 1: To 1877 (Chapters 1-22); Volume 2: Since 1865 (Chapters 22-42). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

We Won an Island

One of The Telegraph's Top 50 Books of 2019! When Luna's family win an island, Luna thinks it will solve everything AND she can finally get a donkey! But things don't go entirely to plan - no one expects Luna's younger brother to win a Sheep Pageant, for example - and the secret festival they hold soon spirals out of control. But the island is beautiful, and the family are happy, and maybe Luna will get her donkey after all... "...this book is definitely a bask in the sun" - Emily Bearn, Telegraph "Watching the family band together and find a new community makes for a funny, heart-warming read." - Scotsman

American Pageant, Volume 1

THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, “Contending Voices,” offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates,

and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1-41); Volume 1: To 1877 (Chapters 1-22); Volume 2: Since 1865 (Chapters 22-41). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

U.S. History

Printed in color. U.S. History is designed to meet the scope and sequence requirements of most introductory courses. The text provides a balanced approach to U.S. history, considering the people, events, and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience). U.S. History covers key forces that form the American experience, with particular attention to issues of race, class, and gender.

The Culture of Classicism

Winner of the New Scholars Book Award from the American Educational Research Association Debates continue to rage over whether American university students should be required to master a common core of knowledge. In *The Culture of Classicism: Ancient Greece and Rome in American Intellectual Life, 1780–1910*, Caroline Winterer traces the emergence of the classical model that became standard in the American curriculum in the nineteenth century and now lies at the core of contemporary controversies. By closely examining university curricula and the writings of classical scholars, Winterer demonstrates how classics was transformed from a narrow, language-based subject to a broader study of civilization, persuasively arguing that we cannot understand both the rise of the American university and modern notions of selfhood and knowledge without an appreciation for the role of classicism in their creation.

Mr. & Mrs. American Pie

In the vein of *Where'd You Go, Bernadette*, this whip-smart romantic comedy is as incisive as it is funny—and refuses to be thwarted by convention. After getting dumped by her husband, a woman sets out to prove her worth by entering a 'best housewife' pageant in 1970 Palm Springs.

The American Pageant, Volume 1

THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts in American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The Fifteenth edition includes markedly deeper explorations of the cultural innovations, artistic movements, and intellectual doctrines that have engaged and inspired Americans and shaped the course of American history. A People's History of the United States

Since its original landmark publication in 1980, *A People's History of the United States* has been chronicling American history from the bottom up, throwing out the official version of history taught in schools -- with its emphasis on great men in high places -- to focus on the street, the home, and the workplace. Known for its lively, clear prose as well as its scholarly research, *A People's History* is the only volume to tell America's story from the point of view of -- and in the words of -- America's women, factory workers, African-Americans, Native Americans, the working poor, and immigrant laborers. As historian Howard Zinn shows, many of our country's greatest battles -- the fights for a fair wage, an eight-hour workday, child-labor laws, health and safety standards, universal suffrage, women's rights, racial equality -- were carried out at the grassroots level, against bloody resistance. Covering Christopher Columbus's arrival through President Clinton's first term, *A People's History of the United States*, which was nominated for the American Book Award in 1981, features insightful analysis of the most important events in our history. Revised, updated, and featuring a new afterword by the author,

this special twentieth anniversary edition continues Zinn's important contribution to a complete and balanced understanding of American history.

Cosmos Crumbling

Others offered programs of physiological and spiritual self-reform: phrenology, vegetarianism, the water-cure, spiritualism, and miscellaneous others. "Even the insect world was to be defended," Emerson mused, "and a society for the protection of ground-worms, slugs, and mosquitoes was to be incorporated without delay."

American History Connecting with the Past

While some see the Miss American Pageant as hokey vestige of another era, many remain enthralled by the annual Atlantic City event. And whether you love it or hate it, no one can deny the impact the contest has had on American popular culture—indeed, many reality television shows seem to have taken cues from the pageant. Founded in 1921, the Miss America Pageant has provided a fascinating glimpse into how American standards of femininity have been defined, projected, maintained, and challenged. At various times, it has been praised as a positive role model for young American women, protested as degrading to women by feminists, and shamed by scandals, such as the one caused by the Penthouse photos of Vanessa Williams in 1984. In this first interdisciplinary anthology to examine this uniquely American event, scholars defend, critique, and reflect on the pageant, grappling with themes like beauty, race, the body, identity, kitsch, and consumerism. "There She Is, Miss America" provides a fascinating examination of an enduring American icon.

The Shi King, the Old Poetry Classic of the Chinese

Unforgettable tale of an orphan in Victorian London, based on the boy whose plight inspired Dr Barnardo to found his famous children's homes.

"There She Is, Miss America"

THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts in American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The Fifteenth edition includes markedly deeper explorations of the cultural innovations, artistic movements, and intellectual doctrines that have engaged and inspired Americans and shaped the course of American history. Street Child

Frederick Douglass recounts early years of abuse, his dramatic escape to the North and eventual freedom, abolitionist campaigns, and his crusade for full civil rights for former slaves. It is also the only of Douglass's autobiographies to discuss his life during and after the Civil War, including his encounters with American presidents such as Lincoln, Grant, and Garfield.

The American Pageant, Volume 2

The daughters of a ruthlessly ambitious family, Mary and Anne Boleyn are sent to the court of Henry VIII to attract the attention of the king, who first takes Mary as his mistress, in which role she bears him an illegitimate son, and then Anne as his wife. Reprint. 250,000 first printing. (A Columbia Pictures film, written by Peter Morgan, directed by Justin Chadwick, releasing Fall 2007, starring Natalie Portman, Scarlett Johansson, Eric Bana, and others) (Historical Fiction)

Life and Times of Frederick Douglass

THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts in American history. The colorful anecdotes, first-person quotations, and trademark wit bring

American history to life. The Other Boleyn Girl (Movie Tie-In)

A New York Times Bestseller Instagram. Whisper. YouTube. Kik. Ask.fm. Tinder. The dominant force in the lives of girls coming of age in America today is social media. What it is doing to an entire generation of young women is the subject of award-winning Vanity Fair writer Nancy Jo Sales's riveting and explosive *American Girls*. With extraordinary intimacy and precision, Sales captures what it feels like to be a girl in America today. From Montclair to Manhattan and Los Angeles, from Florida and Arizona to Texas and Kentucky, Sales crisscrossed the country, speaking to more than two hundred girls, ages thirteen to nineteen, and documenting a massive change in the way girls are growing up, a phenomenon that transcends race, geography, and household income. *American Girls* provides a disturbing portrait of the end of childhood as we know it and of the inexorable and ubiquitous experience of a new kind of adolescence—one dominated by new social and sexual norms, where a girl's first crushes and experiences of longing and romance occur in an accelerated electronic environment; where issues of identity and self-esteem are magnified and transformed by social platforms that provide instantaneous judgment. What does it mean to be a girl in America in 2016? It means coming of age online in a hypersexualized culture that has normalized extreme behavior, from pornography to the casual exchange of nude photographs; a culture rife with a virulent new strain of sexism and a sometimes self-undermining notion of feminist empowerment; a culture in which teenagers are spending so much time on technology and social media that they are not developing basic communication skills. From beauty gurus to slut-shaming to a disconcerting trend of exhibitionism, Nancy Jo Sales provides a shocking window into the troubling world of today's teenage girls. Provocative and urgent, *American Girls* is destined to ignite a much-needed conversation about how we can help our daughters and sons negotiate unprecedented new challenges.

American Pageant, Volume 2

"I too am not a bit tamed--I too am untranslatable / I sound my barbaric yawp over the roofs of the world."--Walt Whitman, "Song of Myself," Leaves of Grass The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students--an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

American Slavery as it is

The first 50-year retrospective of the most tumultuous year the 1960s for activism and radical politics The assassinations of Martin Luther King Jr and Robert Kennedy. Gay rights, women's rights and civil rights. The Black Panthers and the Vietnam War. The New Left and the New Right. 1968 was a tumultuous year for US politics. 50 years on, Reframing 1968 explores the historical, political and social legacy of 1968 in modern protest movements. The contributors look at how protest has changed in the US, from Students for a Democratic Society and the Civil Rights Movement in the late 1960s, to the Women's Movement in the 1970s, through to the contemporary visibility of the Tea Party and the Occupy movement.

American Girls

Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.

The American Pageant 16th Edition+ (AP* U. S. History) Activities Workbook

The founder and executive chairman of the World Economic Forum on how the impending technological revolution will change our lives We are on the brink of the Fourth Industrial Revolution. And this one will be unlike any other in human history. Characterized by new technologies fusing the physical, digital and biological worlds, the Fourth Industrial Revolution will impact all disciplines, economies and industries - and it will do so at an unprecedented rate. World Economic Forum data predicts that by 2025 we will see: commercial use of nanomaterials 200 times stronger than steel and a million times thinner than human hair; the first transplant of a 3D-printed liver; 10% of all cars on US roads being driverless; and much more besides. In The Fourth Industrial Revolution, Schwab outlines the key technologies driving this revolution, discusses the major impacts on governments, businesses, civil society and individuals, and offers bold ideas for what can be done to shape a better future for all.

The American Yawp

THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, "Contending Voices," offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1-41); Volume 1: To 1877 (Chapters 1-22); Volume 2: Since 1865 (Chapters 22-41). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Reframing 1968

As tourists increasingly moved across the United States in the late nineteenth and early twentieth centuries, a surprising number of communities looked to capitalize on the histories of Native American people to create tourist attractions. From the Happy Canyon Indian Pageant and Wild West Show in Pendleton, Oregon, to outdoor dramas like Tecumseh! in Chillicothe, Ohio, and Unto These Hills in Cherokee, North Carolina, locals staged performances that claimed to honor an Indigenous past while depicting that past on white settlers' terms. Linking the origins of these performances to their present-day incarnations, this incisive book reveals how they constituted what Katrina Phillips calls "salvage tourism"—a set of practices paralleling so-called salvage ethnography, which documented the histories, languages, and cultures of Indigenous people while reinforcing a belief that Native American societies were inevitably disappearing. Across time, Phillips argues, tourism, nostalgia, and authenticity converge in the creation of salvage tourism, which blends tourism and history, contestations over citizenship, identity, belonging, and the continued use of Indians and Indianness as a means of escape, entertainment, and economic development.

The American Pageant

THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts in American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 14th edition places an even greater emphasis on the global context of American history through a new feature, Thinking Globally. Revised primary source features excite student interest and help them learn to examine documents the way historians do. Additional pedagogical features make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present primary sources, scholarly debates, and key historical figures for analysis. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Giver

Barron's, 5-Steps and the others are great resources for reviewing at the end of the year, but Tamm's Textbook Tools workbooks accompany students all year long. They are filled with assignments that follow the regular text throughout the year, all 40 chapters. They can also be used as reviews. All you need is the textbook, physical or online. Teachers can copy at will, and parents can use the book as a student consumable. The rationale for having this workbook is that publishers now put so much of their extra content online, traditional classwork is left lacking. No matter if the textbook itself is written in ink or electrons, many students still find it valuable to write and keep notes for themselves on paper, and portfolios still matter. The activities in this workbook challenge students to apply the concepts, give examples, diagram every chapter, and think things through with the authors. Find TTT on FB, or click author name at the top of this page for other titles in this series.

The American Pageant

Moving to New York to pursue creative ambitions, four former classmates share decades marked by love, loss, addiction, and haunting elements from a brutal childhood.

The Fourth Industrial Revolution

American Pageant, Volume 2
