## The Great Santini

"Conroy takes aim at our darkest emotions, lets the arrow fly and hits a bull's-eye almost every time." —Milwaukee Journal Sentinel This is the story of Bull Meecham, the epitome of the Marine officer. Demanding, authoritarian, as tough a disciplinarian at home as at the base, Bull is a difficult man to please, and even harder to love. This is also the story of Ben Meecham, Bull's oldest son. A gifted athlete whose best never satisfies his father, Ben must balance his own ambition with his father's expectations – and decide what course he will chart for himself and what kind of man he will become. Piercing, bittersweet, and unforgettable, The Great Santini is Pat Conroy's semi-autobiographical lens into fathers and sons, and the powerful legacy one man can leave behind. "Robust and vivid...full of feeling." – Newsday "Few novelists write as well, and none as beautifully." – Lexington Herald Leader

## The Great Santini

This new paperback edition is the moving drama of a family torn apart by a headstrong father-- Bull Meecham, a Marine fighter pilot-- who demands loyalty, courage and obedience from his wife and children. Copyright © Libri GmbH. All rights reserved.

## The Death of Santini

NEW YORK TIMES BESTSELLER • "A brilliant storyteller, a master of sarcasm, and a hallucinatory stylist whose obsession with the impress of the past on the present binds him to Southern literary tradition."—The Boston Globe Pat Conroy's great success as a writer has always been intimately linked with the exploration of his family history. As the oldest of seven children who were dragged from military base to military base across the South, Pat bore witness to the often cruel and violent behavior of his father, Marine Corps fighter pilot Donald Patrick Conroy. While the publication of The Great Santini brought Pat much acclaim, the rift it caused brought even more attention, fracturing an already battered family. But as Pat tenderly chronicles here, even the oldest of wounds can heal. In the final years of Don Conroy's life, the Santini unexpectedly refocused his ire to defend his son's honor. The Death of Santini is a heart-wrenching act of reckoning whose ultimate conclusion is that love can soften even the meanest of men, lending significance to the oft-quoted line from Pat's novel The Prince of Tides: "In families there are no crimes beyond forgiveness." Praise for The Death of Santini "A painful, lyrical, addictive read that [Pat Conroy's] fans won't want to miss."—People "Conroy's conviction pulls you fleetly through the book, as does the potency of his bond with his family, no matter their sins."—The New York Times Book Review "Vital, large-hearted and often raucously funny."—The Washington Post

“Conroy writes athletically and beautifully, slicing through painful memories like a point guard splitting the defense.”—Minneapolis Star Tribune

### The Great Santini

The piercing, iconic semi-autobiographical novel of a domineering father and ambitious son, from the #1 New York Times bestselling author of *The Prince of Tides*. Step into the powerhouse life of Bull Meecham. He's all Marine—fighter pilot, king of the clouds, and absolute ruler of his family. Lillian is his wife—beautiful, southern-bred, with a core of velvet steel. Without her cool head, her kids would be in real trouble. Ben is the oldest, a born athlete whose best never satisfies the big man. Ben's got to stand up, even fight back, against a father who doesn't give in—not to his men, not to his wife, and certainly not to his son. Bull Meecham is undoubtedly Pat Conroy's most explosive character—a man you should hate, but a man you will love. Praise for *The Great Santini* “Stinging authenticity . . . a book that won't quit.”—*The Atlanta Journal* “[Pat] Conroy has captured a different slice of America in this funny, dramatic novel.”—*Richmond News-Leader* “Conroy takes aim at our darkest emotions, lets the arrow fly and hits the bull's-eye almost every time.”—*Milwaukee Journal Sentinel* “Robust and vivid . . . full of feeling.”—*Newsday* “God preserve Pat Conroy.”—*The Boston Globe*

### The Great Santini

Moving drama of a family torn apart by a headstrong father-- Bull Meecham, a Marine fighter pilot--who demands loyalty, courage and obedience from his wife and children.

### The Prince of Tides

In his most brilliant and powerful novel, Pat Conroy tells the story of Tom Wingo, his twin sister, Savannah, and the dark and violent past of the family into which they were born. Set in New York City and the lowcountry of South Carolina, the novel opens when Tom, a high school football coach whose marriage and career are crumbling, flies from South Carolina to New York after learning of his twin sister's suicide attempt. Savannah is one of the most gifted poets of her generation, and both the cadenced beauty of her art and the jumbled cries of her illness are clues to the too-long-hidden story of her wounded family. In the paneled offices and luxurious restaurants of New York City, Tom and Susan Lowenstein, Savannah's psychiatrist, unravel a history of violence, abandonment, commitment, and love. And Tom realizes that trying to save his sister is perhaps his last chance to save himself. With passion and a rare gift of language, the author moves from present to past, tracing the amazing history of the Wingos from World War II through the final days of the war in Vietnam and into the 1980s, drawing a rich range of characters: the lovable, crazy Mr. Fruit, who for decades has wordlessly directed traffic at the same intersection in the southern town of Colleton; Reese Newbury, the ruthless, patrician land speculator who threatens the Wingos' only secure worldly possession, Melrose Island; Herbert Woodruff, Susan Lowenstein's husband, a world-famous violinist; Tolitha Wingo, Savannah's mentor and eccentric grandmother, the first real feminist in the Wingo family. Pat Conroy reveals the lives of his characters with surpassing depth and power, capturing the vanishing beauty of the South Carolina lowcountry and a lost way of life. His lyric gifts, abundant good humor, and compelling storytelling are well known to readers of *The Great Santini* and *The Lords of Discipline*. *The Prince of Tides* continues that tradition yet displays a new, mature voice of Pat Conroy, signaling this work as his greatest accomplishment.

### The Boo

The #1 New York Times–bestselling author's story about life at the Citadel in the 1960s, a profound exploration of what it means to be a man of honor. Lt. Col. Nugent Courvoisie, known to the cadets as “the Boo,” is an imposing and inspiring leader at the South Carolina military academy, the Citadel. A harsh disciplinarian but a compassionate mentor, he guides and inspires his young charges. Cadet Peter Cates is an anomaly. He is a gifted writer, a talented basketball player, and a good student, but his outward successes do little to impress his abusive father. The Boo takes Cates under his wing, but their bond is threatened when they're forced to confront an act of violence on campus. Drawn from Pat Conroy's own experiences as a student at the Citadel, *The Boo* is an unforgettable story about duty, loyalty, and standing up for what is right in the face of overwhelming circumstances.

### My Losing Season

In 1954, in Orlando, Florida, nine-year-old Pat Conroy discovered the game of basketball. Orlando was another new hometown for a military kid who had spent his life transferring from one home to another; he was yet again among strangers, still looking for his first Florida friends, but when the 'new kid' got his hands on the ball near the foul line of that unfamiliar court, the course of his life changed dramatically. From that moment until he was twenty-one, the future author defined himself through the game of basketball. In *My Losing Season*, Conroy takes the reader through his last year playing basketball, as point guard and captain of The Citadel Bulldogs, flashing back constantly to the drama of his coming of age, presenting all the conflict and love that have been at the core of his novels. He vividly re-creates his senior year at that now-famous military college in Charleston, South Carolina, but also tells the story of his heartbreaking childhood and of the wonderful series of events that conspired to rescue his spirit. With poignancy and humour Conroy reveals the inspirations behind his unforgettable characters, pinpoints the emotions that shaped his own character as a young boy, and ultimately recaptures his passage from athlete to writer.

### The Water Is Wide

"A powerfully moving book . . . You will laugh, you will weep, you will be proud and you will rail."  
—Charleston News and Courier  
Yamacraw Island was haunting, nearly deserted, and beautiful. Separated from the mainland of South Carolina by a wide tidal river, it was accessible only by boat. But for the handful of families that lived on Yamacraw, America was a world away. For years these families lived proudly from the sea until waste from industry destroyed the oyster beds essential to their very existence. Already poor, they knew they would have to face an uncertain future unless, somehow, they learned a new life. But they needed someone to teach them, and their rundown schoolhouse had no teacher. *The Water Is Wide* is Pat Conroy's extraordinary memoir based on his experience as one of two teachers in a two-room schoolhouse, working with children the world had pretty much forgotten. It was a year that changed his life, and one that introduced a group of poor Black children to a world they did not know existed. "A hell of a good story." —The New York Times "[Pat] Conroy cuts through his experiences with a sharp edge of irony. . . . He brings emotion, writing talent and anger to his story."  
—Baltimore Sun

### Beach Music

With the spectacular worldwide success of his unforgettable novel *The Prince of Tides*, Pat Conroy established himself as a major international writer. He is known for his anguished and painfully honest insights into families and the human heart. He now returns with *Beach Music*, a story which tells of a family haunted by dark memories that reach back into the unutterable terrors of the Holocaust. Jack McCall, an American living in Rome with his young daughter, is trying to find peace after the recent trauma of his wife's suicide. But his solitude is disturbed by the appearance of his sister-in-law, who begs him to return home, and of two school friends, who want his help in tracking down another classmate who went underground as a Vietman protester and never resurfaced. These requests launch Jack on a journey that encompasses the past and the present in both Europe and the American South: a quest that leads him to shocking and ultimately liberating truths.

### My Reading Life

The author reviews a lifetime of reading, acknowledging the books that shaped his literary life and sharing anecdotes about how reading saw him through his most challenging periods and helped him to retain his grasp on sanity.

### South of Broad

The number one New York Times bestseller *Leopold Bloom King* is the son of an amiable, loving father who teaches science at the local high school. His mother, a former nun, is the high school principal and a respected Joyce scholar. He has had an unremarkable, happy family life. But after Leo's ten-year-old brother commits suicide, the family struggles with the shattering effects of his death, and Leo, lonely and isolated, searches for something to sustain him. Eventually, he finds his answer when he becomes part of a tight knit group of older high school students that includes Sheba and Trevor Poe - glamorous twins with an alcoholic mother and a prison-escapee father - hard-scrabble mountain runaways Niles and Starla Whitehead; socialite Molly Huger and her boyfriend, Chadworth Rutledge X. It's an ever-widening circle whose liaisons will ripple across two decades, from 1960s counterculture through to the dawn of the AIDS crisis in the 1980s. The ties among them endure for years, surviving marriages happy and

troubled, unrequited loves and unspoken longings, hard-won successes and devastating breakdowns, as well as the American South's dark legacy of racism and class divisions. But the final test of friendship that brings them to San Francisco is something no one is prepared for.

### The Lords of Discipline

"The Lords of Discipline is, simply, an American classic." -- Larry King The Lords of Discipline is a novel about coming of age, brotherhood, betrayal, and a man's forging of his own personal code of honor. Will McLean, a senior on the cadets' honor court, is an outsider by nature: a basketball star at a school that prizes military prowess above athletics, a military man in training who dares to question the escalating Vietnam war. And yet his greatest struggle will be with the corrupt institution of which he is a part. Rich in humor and suspense, abounding in a rare honesty and generosity of feeling, this novel established Pat Conroy as one of the strongest fictional voices in a generation. "A work of enormous power, passion, humor, and wisdom." – Washington Star "God preserve Pat Conroy." – Boston Globe

### The Great Santini

Eighteen-year-old Ben's attempts to stand up for himself, his mother, and his sister are resisted by his intolerant father, a fighter pilot and inflexible disciplinarian.

### Pat Conroy

"Bernie Schein is the funniest man alive, or so he has dogmatically maintained during the burdensome decades I have known him. . . . [He is] by turns hysterically funny, wildly neurotic, uniquely sensitive, and heartbreakingly honest."—Pat Conroy Pat Conroy, the bestselling author of *The Prince of Tides* and *The Great Santini* among many other books, was beloved by millions of readers. Bernie Schein was his best friend from the time they met in a high-school pickup basketball game in Beaufort, South Carolina, until Conroy's death in 2016. Both were popular but also outsiders as a Jew and a Catholic military brat in the small-town Bible-Belt South, and they bonded. Wiseass and smart aleck, loudmouths both, they shared an ebullient sense of humor and romanticism, were mesmerized by the highbrow and reveled in the low, and would sacrifice entire evenings and afternoons to endless conversation. As young teachers in the Beaufort area and later in Atlanta, they were activists in the civil rights struggle and against institutional racism and bigotry. Bernie knew intimately the private family story of the Conroys and his friend's difficult relationship with his Marine Corps colonel father that Pat would draw on repeatedly in his fiction. A love letter and homage, and a way to share the Pat he knew, this book collects Bernie's cherished memories about the gregarious, welcoming, larger-than-life man who remained his best friend, even during the years they didn't speak. It offers a trove of insights and anecdotes that will be treasured by Pat Conroy's many devoted fans.

### The Great Santini [video recording].

"I really enjoyed this book. In fact, I could go for a second helping!"—Amy Sedaris "Entrepreneurs will learn a thing or two about translating a dream into thoughtful business growth, and everyone will laugh, cry, and nod along with a woman who has chosen to live an extraordinary life amidst many piles of dishes." —Danny Meyer, CEO of Union Square Hospitality Group, founder of Shake Shack, author of the New York Times bestseller *Setting the Table* In this charming graphic memoir, the founder of an iconic housewares shop recounts the ups and downs—and ups again—of starting a family business, starting a family, and staying true to one's path while trying to make it in the Big City. Whether it's a set of vintage plates from a 1920s steamship, a mug with a New Yorker cartoon on it, a tin of sprinkles designed by Amy Sedaris, or a juice glass from a Jazz Age hotel, Fishs Eddy products are distinctly recognizable. A New York institution, Fishs Eddy also remains a family business whose owners endured

the same challenges as many family businesses—and lived to write about it in this tale filled with humorous characterizations of opinionated relatives, nosy neighbors, quirky employees, and above all the eccentric foibles of the founders themselves. Readers come to know author Julie Gaines and her husband, with whom she founded the store, and because this is a family business, the illustrations are all in the family, too: their son Ben Lenovitz's drawings bring Fishs Eddy to life with a witty style à la Roz Chast and Ben Katchor. Over the years the store has collaborated with artists and celebrities such as Charley Harper and Todd Oldham, Alan Cumming, and many others to produce original designs that are now found in thousands of stores throughout the country, and Fishs Eddy has garnered a huge amount of media coverage. A great gift for anyone who has ever dreamed of opening a little business—or anyone with any kind of dream—*Minding the Store* offers wisdom, inspiration, and an exceedingly entertaining story.

### Minding the Store

Final words and heartfelt remembrances from bestselling author Pat Conroy take center stage in this winning nonfiction collection, supplemented by touching pieces from Conroy's many friends. This new volume of Pat Conroy's nonfiction brings together some of the most charming interviews, magazine articles, speeches, and letters from his long literary career, many of them addressed directly to his readers with his habitual greeting, "Hey, out there." Ranging across diverse subjects, such as favorite recent reads, the challenge of staying motivated to exercise, and processing the loss of dear friends, Conroy's eminently memorable pieces offer a unique window into the life of a true titan of Southern writing. With a beautiful introduction from his widow, novelist Cassandra King, *A Lowcountry Heart* also honors Conroy's legacy and the innumerable lives he touched. Finally, the collection turns to remembrances of "The Great Conroy," as he is lovingly titled by friends, and concludes with a eulogy. The inarguable power of Conroy's work resonates throughout *A Lowcountry Heart*, and his influence promises to endure. This moving tribute is sure to be a cherished keepsake for any true Conroy fan and remain a lasting monument to one of the best-loved masters of contemporary American letters. Praise for *A Lowcountry Heart* "A fascinating look into the mind of one of the South's greatest authors . . . something to remember him by and cherish for years to come."—*The Clarion-Ledger* "Fans of Conroy . . . will relish the chance to spend more time with him in this glowing valedictory to his life and writing . . . Eloquent, folksy, and sometimes brutally honest."—*Publishers Weekly* "A moving and proper tribute to a true Southern icon."—*The Florida Times-Union* "Elegant essays [that] will not disappoint."—*The Washington Post* "Resplendent . . . As always, his storytelling, word choice and rhythm are gorgeous, almost lyrical."—*USA Today*

### A Lowcountry Heart

America's favorite storyteller, Pat Conroy, is back with a unique cookbook that only he could conceive. Delighting us with tales of his passion for cooking and good food and the people, places, and great meals he has experienced, Conroy mixes them together with mouthwatering recipes from the Deep South and the world beyond. It all started thirty years ago with a chance purchase of *The Escoffier Cookbook*, an unlikely and daunting introduction for the beginner. But Conroy was more than up to the task. He set out with unwavering determination to learn the basics of French cooking—stocks and dough—and moved swiftly on to veal demi-glace and *pâte brisée*. With the help of his culinary accomplice, Suzanne Williamson Pollak, Conroy mastered the dishes of his beloved South as well as the cuisine he has savored in places as far away from home as Paris, Rome, and San Francisco. Each chapter opens with a story told with the inimitable brio of the author. We see Conroy in New Orleans celebrating his triumphant novel *The Prince of Tides* at a new restaurant where there is a *contretemps* with its hardworking young owner/chef—years later he discovered the earnest young chef was none other than Emeril Lagasse; we accompany Pat and his wife on their honeymoon in Italy and wander with him, wonderstruck, through the markets of Umbria and Rome; we learn how a dinner with his fighter-pilot father was preceded by the Great Santini himself acting out a perilous night flight that would become the last chapters of one of his son's most beloved novels. These tales and more are followed by corresponding recipes—from Breakfast Shrimp and Grits and Sweet Potato Rolls to Pappardelle with Prosciutto and Chestnuts and Beefsteak Florentine to Peppered Peaches and Crème Brûlée. A master storyteller and passionate cook, Conroy believes that "A recipe is a story that ends with a good meal." "This book is the story of my life as it relates to the subject of food. It is my autobiography in food and meals and restaurants and countries far and near. Let me take you to a restaurant on the Left Bank of Paris that I found when writing *The Lords of Discipline*. There are meals I ate in Rome while writing *The Prince of Tides* that ache in my memory when I resurrect them. There is a shrimp dish I ate

in an elegant English restaurant, where Cuban cigars were passed out to all the gentlemen in the room after dinner, that I can taste on my palate as I write this. There is barbecue and its variations in the South, and the subject is a holy one to me. I write of truffles in the Dordogne Valley in France, cilantro in Bangkok, catfish in Alabama, scuppernong in South Carolina, Chinese food from my years in San Francisco, and white asparagus from the first meal my agent took me to in New York City. Let me tell you about the fabulous things I have eaten in my life, the story of the food I have encountered along the way. . . ”

### The Pat Conroy Cookbook

“In *The Lost Prince* Michael Mewshaw sets down one of the most gripping stories of friendship I’ve ever read.” —Daniel Menaker, author of *My Mistake: A Memoir* Pat Conroy was America’s poet laureate of family dysfunction. A larger-than-life character and the author of such classics as *The Prince of Tides* and *The Great Santini*, Conroy was remembered by everybody for his energy, his exuberance, and his self-lacerating humor. Michael Mewshaw’s *The Lost Prince* is an intimate memoir of his friendship with Pat Conroy, one that involves their families and those days in Rome when they were both young—when Conroy went from being a popular regional writer to an international bestseller. Family snapshots beautifully illustrate that time. Shortly before his forty-ninth birthday, Conroy telephoned Mewshaw to ask a terrible favor. With great reluctance, Mewshaw did as he was asked—and never saw Pat Conroy again. Although they never managed to reconcile their differences completely, Conroy later urged Mewshaw to write about “me and you and what happened . . . i know it would cause much pain to both of us. but here is what that story has that none of your others have.” *The Lost Prince* is Mewshaw’s fulfillment of a promise.

### The Lost Prince

When *Columbo* hit the airwaves in 1971, it quickly became the hottest TV detective series of the decade. Series creators Richard Levinson and William Link received an Emmy Award for their work; Peter Falk received three. *The Columbo Phile* offers fascinating behind-the-scenes information about the creation of the character, the writing of the devious mystery plots, and the altercations between perfectionist Peter Falk and the bottom-line concerns of Universal Studios. Originally published in 1989 and long out-of-print, this 30th Anniversary Edition of the essential *Columbo* book features a new preface by author Mark Dawidziak, an overview of post-1989 *Columbo* developments, including the twenty-four new ABC mysteries, and a personal remembrance of Peter Falk. It remains today the definitive guide to the rumpled Lieutenant *Columbo* and his career.

### The Columbo Phile: A Casebook

*AND ALL THE QUEEN'S MEN* is a frank, poignant reading experience, an ambitious memoir that explores the psychological profile of a woman throughout her life with husbands, boyfriends and acquaintances. It is a story of promiscuity and forgiveness, of the secrets she keeps and the situations in which she finds herself over the course of five decades. Sessa speaks to the hearts and lives of women of all ages in conflict with a controlling father. She puts a face to women in relationships that have become scarred by sexual domination or verbal abuse or to those smothered by a soundless partner who refuses to communicate, all of which she has experienced and chosen to share in her debut book. For this author, there has always been the muddling chasm between anticipation and reality in all of her relationships. She falls in love serially with the prospect of a man rather than with the man himself, holding on for long stretches of time waiting for these men to fulfill her expectations. However, each liaison is more complicated than the one that came before. As the author writes, every step forward begins with a foot firmly planted in the past. She returns to her roots to investigate what went so terribly wrong.

### And All the Queen's Men

“An under-read and engaging show-biz memoir.” —*The New Yorker* “If I had a talent for anything, it was a talent for knowing who was talented.” Mike Medavoy is a Hollywood rarity: a studio executive who, though never far from controversy, has remained well loved and respected through four decades of moviemaking. What further sets him apart is his role in bringing to the screen some of the most acclaimed Oscar-winning films of our time: *Apocalypse Now*, *One Flew Over the Cuckoo's Nest*, *Amadeus*, *The Silence of the Lambs*, *Philadelphia*, and *Sleepless in Seattle* are just some of the projects he green-lighted at United Artists, Orion, TriStar, his own Phoenix Pictures. “The ultimate

lose-lose situation for a studio executive: to wind up with a commercial bomb and a bad movie." Of course, there are the box office disasters, and the films, as Medavoy says, "for which I should be shot." They, too, have a place in his fascinating memoir -- a pull-no-punches account of financial and political maneuvering, and of working with the industry's brightest star power, including Steven Spielberg, Martin Scorsese, Francis Ford Coppola, Kevin Costner, Robert De Niro, Jodie Foster, Sharon Stone, Michael Douglas, Meg Ryan, and countless others. "Putting together the elements of a film is a succession of best guesses." Medavoy speaks out on how movie studio buyouts have stymied the creative process and brought an end to the "hands-off" golden age of filmmaking. An eyewitness to Hollywood history in the making, he gives a powerful and poignant view of the past and future of a world he knows intimately.

### You're Only as Good as Your Next One

"Tell Me A Story is breathtakingly tender, heartbreakingly true...The best memoir I've read." — Mary Alice Monroe, New York Times bestselling author of *The Beach House* Reunion Bestselling author Cassandra King Conroy considers her life and the man she shared it with, paying tribute to her husband, Pat Conroy, the legendary figure of modern Southern literature. Cassandra King was leading a quiet life as a professor, divorced "Sunday wife" of a preacher, and debut novelist when she met Pat Conroy. Their friendship bloomed into a tentative, long-distance relationship. Pat and Cassandra ultimately married, ending Pat's long commutes from coastal South Carolina to her native Alabama. It was a union that would last eighteen years, until the beloved literary icon's death from pancreatic cancer in 2016. In this poignant, intimate memoir, the woman he called King Ray looks back at her love affair with a natural-born storyteller whose lust for life was fueled by a passion for literature, food, and the Carolina Lowcountry that was his home. As she reflects on their relationship and the eighteen years they spent together, cut short by Pat's passing at seventy, Cassandra reveals how the marshlands of the South Carolina Lowcountry ultimately cast their spell on her, too, and how she came to understand the convivial, generous, funny, and wounded flesh-and-blood man beneath the legend—her husband, the original Prince of Tides.

### Tell Me a Story

In the aftermath of World War II, Fritz and Joe Stoddard marry and fly off into the wild blue yonder, where he becomes a test pilot and Fritz the quintessential Air Force Wife. Along the way, Fritz gives birth to four children--two girls and two boys--while Joe moves up in rank and pays his dues as a pilot and officer. For a few short years, the Stoddards are a shiny, adventurous American Air Force family, living wherever Joe's career takes them and blooming wherever they are planted. When they are transferred to a base in Italy, the Stoddards revel in the opportunity to explore Europe together. During the fireworks of an Italian festival, tragedy strikes, plunging the family into a free-fall of denial and grief. How will they navigate a future none of them ever imagined? "McCarthy populates this often moving story with a cast of fully drawn, authentic characters, shifting the narrative perspective seamlessly to see the world through each of their eyes. Fritz, in particular, is a captivatingly complex figure who's defiantly independent but also endearingly vulnerable...this novel offers an insightful look into the rigors of military life and some moments of powerful emotion." -- Kirkus Review "Beneath the Wild Blue provides us with a stunning portrait of a family of six under the constant stress that is such a key element of military life. Temporary assignments (TDY) can suddenly drop out of nowhere, requiring the family's service member to abandon his or her family without any notice, often for weeks at a time. The family is under so much stress that older children are routinely drafted as surrogate parents. The spouse of the service member is expected to accomplish the impossible, and if that doesn't happen, the resulting snafu is recorded on the member's 'efficiency report,' the key document that leads to promotions, plum assignments and higher pay." - James Kenney

### The Great Santini

"Writer Pat Conroy passed away in 2016 at age 70. He was the author of *The Water is Wide*, *The Great Santini*, *The Prince of Tides*, and *Beach Music*, among other works. Several of his books have been made into movies starring actors including Robert Duvall, Barbra Streisand, and Jon Voight. This book collects in one volume seventy entries from people who all knew a different facet of Pat Conroy: writers, poets, editors, musicians, friends, classmates. Contributors include Rick Bragg, Kathleen Parker, Nikky Finney, Mary Alice Monroe, Dori Sanders, Ron Rash, Janis Ian, Tony Grooms, Patti Callahan Henry, Connie May Fowler, Sandra Brown, Jonathan Carroll, Jonathan Galassi, Nathalie Dupree, and Wendell

Minor, as well as several members of the Conroy family. Additionally, the book includes a gallery of photos of Conroy, many never seen by the public before"--

### Beneath The Wild Blue

An oral biography that reveals the Southern author's true voice Pat Conroy's memoirs and autobiographical novels contain a great deal about his life, but there is much he hasn't revealed to readers—until now. *My Exaggerated Life* is the product of a special collaboration between this great American author and oral biographer Katherine Clark, who recorded two hundred hours of conversations with Conroy before he passed away in 2016. In the spring and summer of 2014, the two spoke for an hour or more on the phone every day. No subject was off limits, including aspects of his tumultuous life he had never before revealed. This oral biography presents Conroy the man, as if speaking in person, in the colloquial voice familiar to family and friends. This voice is quite different from the authorial style found in his books, which are famous for their lyricism and poetic descriptions. Here Conroy is blunt, plainspoken, and uncommonly candid. While his novels are known for their tragic elements, this volume is suffused with Conroy's sense of humor, which he credits with saving his life on several occasions. The story Conroy offers here is about surviving and overcoming the childhood abuse and trauma that marked his life. He is frank about his emotional damage—the depression, the alcoholism, the divorces, and, above all, the crippling lack of self-esteem and self-confidence. He also sheds light on the forces that saved his life from ruin. The act of writing compelled Conroy to confront the painful truths about his past, while years of therapy with a clinical psychologist helped him achieve a greater sense of self-awareness and understanding. As Conroy recounts his time in Atlanta, Rome, and San Francisco, along with his many years in Beaufort, South Carolina, he portrays a journey full of struggles and suffering that culminated ultimately in redemption and triumph. Although he gained worldwide recognition for his writing, Conroy believed his greatest achievement was in successfully carving out a life filled with family and friends, as well as love and happiness. In the end he arrived at himself and found it was a good place to be.

### Our Prince of Scribes

Presents a collection of the critic's most positive film reviews of the last four decades, arranged alphabetically from "About Last Night" to "Zodiac."

### My Exaggerated Life

Military brats' childhoods are often scarred by alcoholism, abuse, and an ever-present threat of a parent's loss to war. This eye-opening, sometimes shocking exploration tells what life is really like for the stepchildren of Uncle Sam. A new recovery group, Adult Children of Military Personnel, Inc., has been formed as a direct result of this book's publication.

### Conroy's World Sampler

Married for 20 years to the Reverend Benjamin Lynch, a handsome, ambitious minister of the prestigious Methodist church, Dean Lynch has never quite adjusted her temperament to the demands of the role of a Sunday wife. When her husband is assigned to a larger and more demanding community in the Florida panhandle, Dean becomes fast friends with Augusta Holderfield, a woman whose good looks and extravagant habits immediately entrance her. As their friendship evolves, Augusta challenges Dean to break free from her traditional role as the preacher's wife. Just as Dean is questioning everything she has always valued, a tragedy occurs, providing the catalyst for change in ways she never could have imagined.

### Roger Ebert's Four Star Reviews--1967-2007

Inside the most controversial issue in sports Traumatic brain injury in football is not incidental, but an inevitable and central aspect of the sport. Starting in high school, through college, and into the NFL, young players face repeated head trauma, and those sustained injuries create lifelong cognitive and functional difficulties. Muchnick's Concussion Inc. blog exposed the decades-long cover-up of scientific research into sports concussions and the ongoing denial to radically reform football in North America. This compilation from Muchnick's no-holds-barred investigative website reveals the complete head injury story as it developed, from the doctor who played fast and loose with the facts about the efficacy of the state-mandated concussion management system for high school football players, to highly touted solutions that are more self-serving cottage industry than of any genuine benefit.

Known for extensive reporting on the tragic story of the Chris Benoit murder-suicide, Muchnick turns his investigative analysis to traumatic brain injury and probes deep into the corporate, government, and media corruption that has enabled the \$10-billion-a-year National Football League to trigger a public health crisis.

### Military Brats

An insightful look at the life and work of the extraordinary popular Southern writer. Pat Conroy's novels and memoirs have indelibly shaped the image of the South in the American imagination. His writing has rendered the physical landscape of the South Carolina lowcountry familiar to legions of readers, and has staked out a more complex geography as well—one defined by domestic trauma, racial anxiety, religious uncertainty, and cultural ambivalence. In *Understanding Pat Conroy*, Catherine Seltzer engages in a sustained consideration of Conroy and his work. The study begins with a sketch of Conroy's biography, which, while fascinating in its own right, is employed here to illuminate many of the motifs and characters that define his work and to locate him within southern literary tradition. Seltzer then explores each of Conroy's major works, tracing the evolution of the themes within and among each of his novels, including *The Great Santini*, *The Lords of Discipline*, *The Prince of Tides*, *Beach Music*, and *South of Broad*, and his memoirs, among them *The Water Is Wide* and *My Losing Season*. Seltzer's insightful close readings of Conroy's work are supplemented by interviews and archival material, shedding new light on the often-complex dynamics between text and context in Conroy's oeuvre. More broadly, *Understanding Pat Conroy* explores the ways that Conroy delights in troubling the boundaries that circumscribe the literary establishment—and links his work to existing debates about the contemporary American canon.

### The Sunday Wife

A representative selection of John Simon's film criticism.

### Concussion Inc.

In the first of Muddy Ford Press's Laureate Series, edited by Columbia, SC poet laureate Ed Madden, Tim Conroy writes of pain, loss, and going forward in beauty, and love. Conroy is a founding board member of the Pat Conroy Literary Center established in his brother's honor.

### Understanding Pat Conroy

In 1951, John Case made his arrival as the fifth of six children born to an Irish Catholic mother and Marine Corps father. What he had no way of knowing was that his father had not wanted a fifth or sixth child and openly resented their presence. John would spend most of his childhood living in fear of a repeat of a terrifying display of anger that occurred when he was seven years old. That fear would continue until he reached a personal epiphany and escaped the constant state of implied threat that had defined his childhood in so many ways. His story also traces the ups and downs of his parent's relationship, and how the phases of that relationship impacted their parenting abilities, interest and competency. Set against the backdrop of 1950s and 60s middle class America, from California to Hawaii to Michigan, *My Own Santini* also reflects the changes in American culture from the relative calm of the post war years to the volatility of the late sixties. At times both heartbreaking and heartwarming, *My Own Santini* is the story of a personal journey that proves that one's past does not dictate one's future and, as importantly, even life lessons learned through pain and fear can be used to craft a positive result.

### Reverse Angle

Richard Russo's slyly funny and moving novel follows the unexpected workings of grace in a deadbeat town in upstate New York - and in the life of one of its unluckiest citizens, Sully, who has been doing the wrong thing triumphantly for fifty years. Divorced from his own wife and carrying on halfheartedly with another man's, saddled with a bum knee and friends who make enemies redundant, Sully now has one new problem to cope with: a long-estranged son who is in imminent danger of following in his father's footsteps. With its sly and uproarious humour and a heart that embraces humanity's follies as well as its triumphs, *Nobody's Fool* is storytelling at its most generous.

### Theologies of Terrain

A record of one man's journey to find his "true masculinity" and his way out of co-dependent and addictive relationships. It's a book for all men and women who grew up in dysfunctional families and are now ready for some fresh insights into their past and their pain. It's a story about feelings - losing them, finding them and finally expressing them. Here you will find people you know; will discover a way out of the pain and see that it really is OK to express yourself without fear. The book is about grieving, a very misunderstood process often confused with self-pity. Open the doors to understanding - men will understand themselves and each other, and women will more deeply understand men, learn how to be with wounded men and still take care of themselves.
