It will also help you to clear ...

invite the energy from the spirit of positivity

begin this meditation by observing your inhales

inhale through your nose

move across your body with your inner vision

find any tension or emotion within the body

direct your attention onto your fingers

visualize and feel a breath filling up your torso

creating a gentle vortex

begin to feel little tingles across the body

visualize and feel the spirit placing its hands above your whole body

release all of this energy

visualize your aura radiating with clear and vibrant colors

feel your calm breath writing gently through your body
