The Spider and the Shill

There's nothing like coming home late at night, tired from a frustrating day's work, to find a python in your bed. Luckily for Patty, it wasn't alive. This time. Patty never should've taken the case: her new client had been lying from the moment he stepped inside Patty's office, and she new better to take a case when she couldn't trust the man she works for. By all accounts Peter Chapman was a great guy, loved by everyone who knew him. But he surrounded himself with strange people, and all of them were hiding something. His wife Eileen, a knock-out who meticulously maintains her flawless life, hardly seems to miss Peter at all. Peter's cousin Dominic, though worried about Peter's absence, is sleeping with the man's wife. The high-dollar developer, Charlie Booker, humiliates Patty publicly, putting her hard-won career in jeopardy. It doesn't help that Patty's own parents had been lying to her for years, or that the handsome CPA next door, someone she finds herself falling for, has his own share of secrets. Even Madame Glenda, the young psychic whose insights are a little too canny, refuses to provide information that could help Patty find the killer. Instead, she insists on warning Patty of the danger to her own life, as if the python wasn't enough to show her the case was personal. When Peter turns up brutally murdered, and the threats turn from shocking to deadly, Patty has to find the killer before he kills her, or worse, someone she loves. But who can she trust? And who is the biggest liar of them all?

The Spider

Reproduction of the original: The Spider by Fergus Hume

The Sign of the Spider

Collects Web of Spider-Man #31-32, Amazing Spider-Man #293-294, and Spectacular Spider-Man #131-132.

The Sign of the Spider

Struggling actress Jane Innes is seduced by a handsome new arrival in her acting class. He makes a proposition. He admits he's a con man and needs Jane to pose as a rich, carefree heiress to fulfill her part in his intricate scam. Would you agree? Or run the other way? All goes as planned until Jane's true identity threatens to surface and their scheme begins to crack at the seams. It all leads to a tangled maze of deception, depravity and murder.

Spider-Man

Life can turn on a dime against the jagged cliffs of California's Central Coast... Bruised, battered, but determined, Jane Innes must navigate a tangled web of deception, depravity and murder, and turn the tables on cunning swindlers. Using the art of deception, this out-of-work actress embarks on a daring caper—her last chance to take down a deadly adversary. Nominated for a 2017 Anthony Award, BEWARE THE SHILL concludes this thrilling trilogy from Shamus Award-winning author John Shepphird. Praise for the Shill books: "Sly, sexy and surprising, THE SHILL is a darkly comic Hollywood

tale of a not-so-innocent out-of-work actress being groomed for larceny.” —Wallace Stroby, author of *The Devil's Share*, *Shoot the Woman First*, and *Cold Shot to the Heart* “[THE SHILL is] a fast-paced heist story filled with colorful characters and interesting plot twists.” —S.W. Lauden, author of *Crosswise* “[KILL THE SHILL is] a fast and hard ride into a con trick. Told by a writer who pulls no punches this does not disappoint.” —Richard Godwin, author of *Wrong Crowd* “Hell hath no fury like an actress duped. Revenge is the motivation, deception the means to get even in this exciting crime thriller.” —Scott Adlerberg, author of *Spiders and Flies* and *Jungle Horses*, on *KILL THE SHILL*

The Shill

After being away while suspended from the police force while under investigated for corruption, Rick Montoya returns to the city to discover someone living in his apartment, but before he can determine what is going on, the place goes up in flames.

Beware the Shill

Having been swept down a river after several days of heavy rains, a lone spider climbs ashore and finds himself in a place that is completely foreign to him. Tired and confused, he seeks shelter to rest from his ordeal. Upon waking several days later, he finds himself in a different place, then he remembered when he first arrived. When he decides to leave his shelter to start exploring the area, he finds that he is trapped and unable to move.

The Spider

Spider-Man's life takes a grave turn! He's about to encounter Tombstone -the highest priced killer in the business -and the whispering hitman will make a big noise in the life of the wall-crawler. Who is Tombstone? Why is Joe Robertson of all people investigating him? What devastating action will Tombstone take to put a stop to that? And how will it all end with Joe on trial?! Whatever the answers, the albino assassin is about to get Spider-Man's attention -and the Punisher's too! Meanwhile, Boomerang makes his comeback, an Evolutionary War breaks out, Inferno rages and the Hobgoblin goes demonic. COLLECTING: SPECTACULAR SPIDER-MAN (1988) 137-150, MATERIAL FROM SPECTACULAR SPIDER-MAN ANNUAL 8.

"When the student of medicine, Richard Bracquemont, decided to move into room #7 of the small Hotel Stevens, Rue Alfred Stevens (Paris 6), three persons had already hanged themselves from the cross-bar of the window in that room on three successive Fridays." The last of them was a police sergeant who had volunteered to sleep in the room to learn what happens that might explain the hangings, and somehow he met with the same fate. The medical student was aware of these incidents, but... "There was one detail about which he knew nothing because neither the police inspector nor any of the eyewitnesses had mentioned it to the press. It was only later, after what happened to the medical student, that anyone remembered that when the police removed Sergeant Charles-Maria Chaumie's body from the window cross-bar a large black spider crawled from the dead man's open mouth. A hotel porter flicked it away, exclaiming, 'Ugh, another of those damned creatures.'" Thus begins this bizarre mystery of "The Spider." The Spider's Mysterious Friends

The Spider is an unusual story, illusional and spooky and surreal as a dream, or a nightmare. Three men-a Swiss travelling salesman, a high wire cyclist, and a police officer-are found dead in the hotel room on consecutive Fridays, hanging by the cross-bar of the window and their legs dragging on the floor.

Spider-Man

Hume was born in England, the second son of James Hume. When he was three the family emigrated to Dunedin, New Zealand, where he was educated at Otago Boys' High School and studied law at the University of Otago. He was admitted to the New Zealand bar in 1885. Shortly after graduation Hume relocated to Melbourne, Australia, where he obtained a job as a barristers' clerk. He began writing plays, but found it impossible to persuade the managers of Melbourne theatres to accept or even to read them. This is one of Fergus Hume's better works. This is a Green Bird Publication of a quality soft cover.

The Spider

A very refreshing story of love and friendship in the Rodeo world. A tale of compassion and love for a crippled bucking horse and the events surrounding his destined Slaughter House appointment. The rekindling of an old romance. A hard luck aging cowboy and the bitter future ahead for a Champion Barrel Racing, but pregnant Cowgirl. These events taking place with a realistic inside look at Professional Rodeo and the horses they use. A heart warming, and satisfying adventure for all horse lovers.

The Spider

A man works as a shill at a religious cult institute to lure in members.

The Spider Illustrated

The exciting second volume of the wondrous wall-crawler's long-running newspaper strip by Stan Lee, John Romita, and Larry Lieber, with all Sundays in color and integrated with the dailies—just as they originally appeared in newspapers worldwide. Edited by Bruce Canwell, this book includes more than 700 sequential comics—the complete run from January 1979 through the January 1981!

The Spider

Scotland's survival hangs on an outlaw king on the run. James Douglas vows to avenge his father's murder. Isabelle MacDuff prays to escape a fate worse than death. As the 14th century dawns, their fellow Scots scrap over the empty throne. Seizing the opportunity to enlarge his kingdom, the brutal Edward Longshanks of England invades his weakened neighbor to the north. Yet one young warrior—who will become feared by his enemies as the Black Douglas—stands in the path of three Plantagenet monarchs. Their clans are sworn rivals, but James pursues the ravishing Isabelle, whose forefathers for centuries have inaugurated kings on the hallowed Stone of Destiny. Their world is upturned when James befriends Robert Bruce, a bitter foe of the MacDuffs. Both James and Isabelle must make agonizing decisions that will draw the armies to the bloody field of Bannockburn. Here is the story of the remarkable events following the execution of William Wallace of Braveheart fame. Set during the Bruce wars of independence, The Spider and the Stone is the unforgettable saga of the star-crossed love, religious intrigue, fierce friendship in arms, and heroic sacrifice that preserved Scotland's freedom during its time of greatest peril. **START READING THE STIRRING STORY OF THE BLACK DOUGLAS TODAY.** *** Chaucer Award First-Place Historical Fiction ***** Foreword Finalist Book-of-the-Year Historical Fiction ***** indieBRAG Medallion ***** BTS Magazine Reader's Choice Honorable Mention *** What Readers Are Saying: "The best book I've read this year. Touched my Scottish-American warrior's heart." -- JOHN GRAHAM, SENESCHAL, SOCIETY OF CREATIVE ANACHRONISM "Many a tale of Robert the Bruce has been told. This is the best of historical fiction.... I suspect my greatest great uncle Gilbert Hay would spin an equal tale but doubtfully one so enchanting.

Thank you for a grand read. You are blessed in storyteller's craft!" -- WILLIAM HAY, DESCENDANT OF SCOTTISH POET GILBERT HAY "The battle scenes are detailed and vivid, giving the reader a ringside seat at Scotland's desperate fight for freedom.... Spider will hold readers in suspense." -- IND'TALE MAGAZINE "[B]est historical fiction I have read in years." -- TO READ, OR NOT TO READ "Sons of Scotland, sweep me away! [The story] will stay burning in my mind for days to come." -- AS THE FINAL PAGE TURNS "[Craney] has woven a well-crafted, interesting tale." -- HISTORICAL NOVEL SOCIETY "One of the best historical fiction novels I have read in a long time....a wonderful weaving of history, adventure, love, conflict and more." -- 2READANDREVIEWED

BLACK SPIDER !

Collects Amazing Spider-Man (1963) #68-85 and material from Amazing Spider-Man Annual (1964) #5, 6. Two of the fiercest crime lords in New York City are on a quest to decipher an ancient petrified tablet — whose secrets promise great power! It's an indisputable classic by two of Marvel's greatest creators, Stan Lee and John Romita Sr. — and that's not all they have in store! J. Jonah Jameson has the Daily Bugle working overtime to brand Spider-Man as public enemy number one, the Prowler hits the scene, the Black Widow debuts her sultry new spy gear — and the origin of Peter's parents is revealed! Plus: The Kingpin comes back for more, and this time it's a family affair! Also featuring Gwen Stacy and the gang -whose heads are really going to turn when an ill Peter Parker strolls into a party in his Spider-Man costume!

The Shill

Looting, murdering bands of desperadoes roamed the streets of New York like wanton jackals who destroyed what they could not devour. An underworld Juggernaut had been unleashed upon Manhattan, turning it into a place of desolation and terror. The Thuggees of the East, those masters of murder, the cruel minions of Tang-akhmut, held the city in a state of siege. One man could save New York-Richard Wentworth, the avenging Spider, and Richard Wentworth, hunted by the police, hated by the underworld he fought, had been ordered shot on sight!

Spider-Man

Now available in this softbound edition. The complete story of the elegant Boano-designed Coupe, timeless Pininfarina-styled Spider, and Abarths hard-charging 124 Spider-based rally car. Follow the evolution of the 124 from drawing board to the end of production. All the background you need to purchase, restore and maintain any of the Spiders built from 1966-1985. Filled with history, production, evolution and motorsport data. Foreword by Dante Giacosa.

The Spider and the Stone

Richard Wentworth was playing the most dangerous game in the world-a man-hunter outside the law; a righteous lone-wolf avenger of the weak; a scourge of the evil, the wicked and the corrupt! Loathed by the organized armies of the underworld, hunted ruthlessly by the forces of the law, he was ever between two raking cross-fires? Seldom, however, had the Spider, Master of men, faced the odds which challenged him when the man called Aronk Dong summoned all the underworld to serve him in the most ghastly campaign of rampant crime and wholesale slaughter this country had ever experienced. Armed with a weapon which struck through stone walls at victims sleeping peacefully in their beds, it was small wonder that criminals everywhere hailed the new leader-and flocked in evil glee to his dark banner!

Amazing Spider-Man Epic Collection

The great action hero The Spider returns in two roller-coaster novels guaranteed to thrill and chill. In *Slaves of the Laughing Death*, green gas seeps through the streets of New York City, turning smiling faces into leering skulls. And in *Satan's Murder Machines*, The Spider battle the super-criminal Iron Man and his giant robots.

Spider-Woman Masterworks

In the heart of New York's Chinatown, on his imperial throne, guarded by swordsmen and gunmen and a labyrinth of death traps, sat the Arch-Criminal of all time. Master of life and death, of disease, of horrible, crawling things-the Emperor of Vermin released destruction over city and nation. The Spider,

Master of Men, champion of humanity, fought with every ounce of his cunning, against the monster who personified evil incarnate-while one faithful servant gave his life in this, the Spider's most bitter, hopeless battle, and Nita herself was faced with a doom more ghastly than any criminal mind had conceived before!

Death and the Spider

When an American steel magnate commits suicide in public...when a senator's secretary blows his head off in the Senate Chamber...when Rick Wentworth, alias the Spider, is forced to watch in silence while the prince of an Oriental Underworld tortures Nita van Sloan...when indeed has the Master of Men met an adversary to test his brilliant courage to the utmost!

The Spider #38

Mysterious death, suicide, and madness took uncanny toll of New York's most prominent citizens. Only the Spider sensed the presence of the criminal genius whose tentacles were strangling the city-and the Spider was next on the crime monster's death list!

Fiat & Abarth 124 Spider and Coupé

This new anthology has original, never-before-told stories featuring one of the world's most enduring heroes, beginning with an unforgettable novella cowritten by Spider-Man's creator himself. Other authors include David Michelinie, Craig Shaw Gardner, Peter David, and many more.

The Spider #20

A classic British adventure novel that turns the imperialistic genre on its head, with an anti-hero protagonist and a monster arachnid.

The Spider

Looting, maiming, slaughtering, El Gaucho launched his colossal plot to unite the Underworld-to make himself King of America! No torture was too cruel for him to employ; no deed too bloody; no life too precious, except his own. Richard Wentworth-the Spider, who exacts justice when the Law fails-realized he alone could save America from wanton butchery, in spite of the grim reward posted for his head-its own weight in the purest gold!

The Spider #22

In a bitter 2092 winter, the mystery of why someone would hijack a hearse in a snowstorm leads detectives Janna Brill and Mama Maxwell first to evidence of smuggling and then to a space station with secrets. Hundreds of miles from Earth, minus weapons or communication with Earth, they face a killer who could be the very person inviting them there

SPIDER EBOOK #80

Collects Invincible Iron Man (2015) #1-14. One of the most popular super heroes in the world soars to new heights - and devastating lows! Tony Stark has a new armor, a new supporting cast and a new purpose! But his life is just as surprising and eventful as ever - beginning with the return of one of his biggest nemeses, and the quest to find his biological parents! Tony must pursue Madame Masque as her actions threaten to rip all of reality apart, then delve deep into his international organization to find out what's rotten in the House of Stark. But when tragedy sets the Marvel Universe spiraling into conflict, Tony will face an emotional confrontation with some of his closest and dearest friends! What will CIVIL WAR II mean for the future of Iron Man?

The Spider #2

Collects Spider-Man/Deadpool (2016) #1-14, 17-18, 1.MU. Spider-Man and Deadpool - teaming up?! That's right - and the web-slinger and the Merc with a Mouth are the double act of your dreams! Legendary DEADPOOL creative team Joe Kelly and Ed McGuinness reunite to make this team-up everything you ever hoped for. But will a fledgling friendship turn sour when Wade Wilson's next target turns out to be Peter Parker?! Someone is messing with our wascally wisecrackers, and they've blended the genes of our heroes to create one murderous, mixed-up miss named Itsy Bitsy. She's Spidey and

'Pool's "daughter" - and she has seriously creepy daddy issues! Plus: More big-name creators join the fun as Deadpool goes Hollywood, our duo shares a retro adventure, Wade & Peter meet Penn & Teller, and Spidey and 'Pool are the only ones who can save Christmas!
