

Measure Of Meter Conservation In Music Based On Piagets Theory

[#music meter conservation](#) [#Piaget theory music](#) [#rhythmic perception development](#) [#auditory cognitive development](#) [#music education research](#)

Explore the critical concept of meter conservation in music, analyzing how individuals perceive and maintain rhythmic structures. This study integrates principles from Piaget's theory of cognitive development to understand the progressive stages of rhythmic perception, offering valuable insights for music education and auditory cognitive development research.
