

The Reason For God Belief In An Age Of Skepticism

Timothy Keller

[#Timothy Keller](#) [#Christian apologetics](#) [#faith in skeptical age](#) [#reason for God](#) [#belief in God](#)

In an increasingly skeptical world, Timothy Keller's profound work, 'The Reason For God,' offers compelling intellectual arguments and deeply personal insights for belief in God. This essential resource addresses common doubts, providing a robust framework for Christian apologetics and demonstrating how faith can thrive even amidst modern challenges and disbelief.

The Reason for God

As the pastor of an inner-city church in New York City, Timothy Keller has compiled a list of the most frequently voiced 'doubts' skeptics bring to his church, as well as the most important reasons for faith. In THE REASON FOR GOD, he addresses each doubt and explains each reason. Keller uses literature, philosophy, real-life conversations, and reasoning to explain how faith in a Christian God is a soundly rational belief, held by thoughtful people of intellectual integrity with a deep compassion for those who truly want to know the truth.

The Reason for God

A New York Times bestseller people can believe in—by "a pioneer of the new urban Christians" (Christianity Today) and the "C.S. Lewis for the 21st century" (Newsweek). Timothy Keller, the founding pastor of Redeemer Presbyterian Church in New York City, addresses the frequent doubts that skeptics, and even ardent believers, have about religion. Using literature, philosophy, real-life conversations, and potent reasoning, Keller explains how the belief in a Christian God is, in fact, a sound and rational one. To true believers he offers a solid platform on which to stand their ground against the backlash to religion created by the Age of Skepticism. And to skeptics, atheists, and agnostics, he provides a challenging argument for pursuing the reason for God.

To true believers he offers a solid platform on which to stand their ground against the backlash

to religion created by the Age of Skepticism. And to skeptics, atheists, and agnostics, he provides a challenging argument for pursuing the reason for God.

The Reason for God

"This discussion guide will help you and your group learn how to engage others in dialogue on six common objections to Christianity"--Page 4 of cover.

Making Sense of God

We live in an age of scepticism. Our society places such faith in empirical reason, historical progress, and heartfelt emotion that it's easy to wonder: why should anyone believe in Christianity? What role can faith and religion play in our modern lives? In this thoughtful and inspiring book, pastor and New York Times bestselling author Timothy Keller invites sceptics to consider that Christianity is as relevant now as ever. As human beings, we cannot live without meaning, satisfaction, freedom, identity, justice and hope - and Christianity provides us with unsurpassed resources to meet all these needs. Written for both sceptic and believer, Making Sense of God shines a light on the profound value and importance of Christianity in our lives.

The Reason for God

Although a vocal minority continues to attack religious faith, for most Americans, faith is a large part of their lives: 86% of Americans refer to themselves as religious, and 75% of all Americans consider themselves Christians. So how should they respond to these passionate, learned, and persuasive books that promote science and secularism over religion and faith? For years, Tim Keller has compiled a list of the most frequently voiced "doubts" skeptics bring to his Manhattan church; here, he dismantles each of them. Written with atheists, agnostics, and skeptics in mind, Keller also provides an intelligent platform on which true believers can stand their ground when bombarded by the backlash. This book challenges such ideology at its core and points to the true path and purpose of Christianity.--From publisher description

The Reason for God Discussion Guide

This discussion guide will help you learn how to dialogue with those who share common doubts and objections to Christianity. In the video sessions (DVD/digital video sold separately), Timothy Keller and six panelists hold candid and unscripted discussions about the broad scope of people's discomforts with God, the Bible, and Christianity in general: Discussion 1: Is the Bible a myth? Has science disproved Christianity? Discussion 2: Is there only one way to God? Are other religions as valid? Discussion 3: Clashes with Christian morality and ethics – why are there so many rules? Discussion 4: Why would God allow suffering and evil. Discussion 5: Injustice and hypocrisy in the church. Discussion 6: Objections to God's wrath and judgement. The Reason for God small group discussion guide can be used individually or in a group setting by anyone engaging with friends who don't share his or her beliefs. For each discussion, the study guide includes: An opening thought on the topic. A summary of the objection to the topic. Related Bible verses. Space for notetaking. Questions for group discussion. In his New York Times bestselling book, The Reason for God, Timothy Keller established himself as a modern-day C. S. Lewis who brings together faith and intellect, theology and popular culture, modern-day objections and historic Christian beliefs. Using literature, philosophy, and Scripture, Keller explores the truth and challenge of Christianity in this six-session small group conversation starter. You and your group will be challenged to wrestle with your friends' and neighbors' hardest questions and engage those questions in ways that will spark honest, enriching, and humbling dialogue. Designed for use with Reason for God Video Study (sold separately).

The Prodigal God

In THE PRODIGAL GOD, New York pastor Timothy Keller uses the story of the prodigal son to shine a light on the central, beautiful message of Jesus: the gospel of grace, hope and salvation. Keller argues that the parable of the prodigal son, while Jesus' best-known parable, is also his least understood. He introduces the reader to all the characters in this timeless story, showing that it concerns not just a wayward son, but also a judgemental older brother and, most importantly, a loving father. This short but powerful book is a reminder to the faithful, an explanation to the seeker, and finally an invitation to all –

both older and younger brothers – to enter in to the ‘unique, radical nature of the gospel’: the reckless, spendthrift love of God.

Walking with God through Pain and Suffering

The problem of pain is a perennial one; and for those who undergo particular sufferings it can often be the largest obstacle for trusting in a good and loving God. If such a God exists, why is there so much suffering in the world? And how do we deal with it when it comes into our lives? In his most fullest and most passionately argued book since 2008's bestseller *THE REASON FOR GOD*, New York pastor and church planter Tim Keller brings his authoritative teaching, sensitivity to contemporary culture and pastoral heart to this pressing question, offering no easy answers but giving guidance, encouragement and inspiration.

Preaching

'It is an unexpected delight to read a book on preaching that makes you want to preach. Tim Keller has given us such a book... Here is an extremely readable book founded on sound scholarship... buy it. This is the most practical and inspirational book on preaching that I have read for years!' - The Methodist Recorder 'In Preaching, Keller has made an invaluable contribution to the homiletic task. I would recommend that this book be placed in the hand of the preaching veteran and novice, and should be found in the homiletic section of all theological colleges.' - Christianity magazine New York pastor and acclaimed author Timothy Keller is widely known and respected for his compelling preaching, described by The New York Times as what has 'helped turn Dr Keller... into the pastor many call Manhattan's leading evangelist'. In this book he shares his wisdom on communicating the Christian faith from the pulpit as well as from the coffee shop. Most Christians - including pastors - struggle to talk about their faith in a way that applies the power of the Christian gospel to change people's lives. Timothy Keller is known for his insightful, down-to-earth sermons and talks that help people understand themselves, encounter Jesus and apply the Bible to their lives. In this accessible guide for pastors and laypeople alike, Keller helps readers learn to present the Christian message of grace in a more engaging, passionate and compassionate way.

The Reason for God

In this six-session small group Bible study, *The Reason for God*, captures live and unscripted conversations between Tim Keller and a group of people to address their doubts and objections to Christianity. Pack includes one Discussion Guide and one DVD.

My Rock; My Refuge

New York pastor Timothy Keller is known for his ability to connect a deep understanding of the Bible with contemporary thought and the practical issues we all face in our lives. *My Rock; My Refuge* - his first devotional, consisting of all new material - offers inspiration for every day of the year, based on the book of Psalms. Here Keller helps readers apply the principles he laid out in his book *Prayer: Experiencing Awe and Intimacy with God*. He walks them verse by verse through the entire Psalter, the one biblical book designed to teach us how to pray, how to spiritually handle every possible life situation, and how to actually know God. This title is published in the US as *The Songs of Jesus*.

Every Good Endeavor

New York Times bestselling author of *The Prodigal Prophet* Timothy Keller shows how God calls on each of us to express meaning and purpose through our work and careers. "A touchstone of the [new evangelical] movement." —The New York Times Tim Keller, pastor of New York's Redeemer Presbyterian Church and the New York Times bestselling author of *The Reason for God*, has taught and counseled students, young professionals, and senior leaders on the subject of work and calling for more than twenty years. Now he pulls his insights into a thoughtful and practical book for readers everywhere. With deep conviction and often surprising advice, Keller shows readers that biblical wisdom is immensely relevant to our questions about work today. In fact, the Christian view of work—that we work to serve others, not ourselves—can provide the foundation of a thriving professional and balanced personal life. Keller shows how excellence, integrity, discipline, creativity, and passion in the workplace can help others and even be considered acts of worship—not just of self-interest.

Reasons for Faith (Foreword by Lee Strobel)

Many Christians want to witness for their faith, but they are afraid they will not be able to answer questions that others may ask of them. First Peter 3:15 reminds believers to always be prepared to "make a defense to anyone who asks you for a reason for the hope that is in you." Norman Geisler and Chad Meister realize the fear of facing questions about the Christian faith. Their book *Reasons for Faith* gives believers grounded biblical apologetics to help them defend their faith. By covering the importance of apologetics and then applying apologetics to popular culture and theological issues, these authors give all Christians the tools they need to stand firm in their faith and to be able to share that faith in today's society.

Gospel in Life Discussion Guide

Through this eight-week small group Bible study, *Gospel in Life*, Timothy Keller explores with participants how gospel can change hearts, communities, and how we live in the world. This pack includes one softcover 230-page Participant Guide and one DVD.

The Reason for God Study Guide with DVD

Captured live and unscripted, pastor and author Timothy Keller meets with a group of people over six sessions to address their doubts and objections to Christianity. Using literature, philosophy, real-life experiences, and the Bible, Keller and the group explore the truth of Christianity.

No Other Gospel

As fallen human beings we are quick to deviate from the true gospel, for, as Pastor Josh Moody writes, "we tend toward human gospels." Believers must constantly battle to maintain the purity and simplicity of the gospel. Paul was acutely aware of this as he wrote his letter to the Galatians. He was writing to an established church—experienced believers who had started to slip in their gospel witness. Moody finds in Galatians particular relevance and parallels to many churches today. Stemming from a series of sermons delivered to his church, he examines thirty-one reasons Paul gives for this gospel. Moody writes this book with a pastor's heart, addressing important topics such as "The Gospel Not Moralism" and "The Use of Gospel Freedom." Paul's message is foundational to the Christian faith, and thoughtful readers will benefit from Moody's exposition.

Encounters With Jesus

What is my purpose in life? Who am I meant to be? How can I live a successful life? Why is there so much wrong with our world today? Am I part of the problem? What can I do to help change that? These are the big, seemingly unanswerable questions that everyone must ask and then answer in life. In *Encounters With Jesus*, New York Times-bestselling author and renowned pastor Timothy Keller explores Jesus' answers to life's biggest questions by showing what happened to those who met Jesus personally. Jesus changed the lives of nearly every person he met in the Gospels. These were powerful experiences that can have a profound effect on us today and help explain not only different aspects of Christianity, but the deep questions of life itself. Timothy Keller highlights ten of these encounters, including his meeting a sceptical student, a religious insider, an outcast, even Satan himself, and proves how invaluable the lessons from these encounters are for contemporary readers.

Hope in Times of Fear

The Resurrection accounts of Jesus in the Gospels are the most dramatic and impactful stories ever told. One similarity unites each testimony--that none of his most loyal and steadfast followers could "see" it was him, back from the dead. The reason for this is at the very foundation of the Christian faith. She turned around and saw Jesus standing there, but she did not realize that it was Jesus. (John 20:14) *Hope in the Time of Fear* is a book that unlocks the meaning of Jesus's resurrection for readers. Easter is considered the most solemn and important holiday for Christians. It is a time of spiritual rebirth and a time of celebrating the physical rebirth of Jesus after three days in the tomb. For his devoted followers, nothing could prepare them for the moment they met the resurrected Jesus. Each failed to recognize him. All of them physically saw him and yet did not spiritually truly see him. It was only when Jesus reached out and invited them to see who he truly was that their eyes were open. Here the central message of the Christian faith is revealed in a way only Timothy Keller could do it--filled with unshakable

belief, piercing insight, and a profound new way to look at a story you think you know. After reading this book, the true meaning of Easter will no longer be unseen.

Jesus the King

Previously published in hardcover as *King's Cross* The most influential man to ever walk the earth has had his story told in hundreds of different ways for thousands of years. Can any more be said? Now, Timothy Keller, New York Times bestselling author of *The Prodigal Prophet* and the man *Newsweek* called a "C. S. Lewis for the twenty-first century," unlocks new insights into the life of Jesus Christ as he explores how Jesus came as a king, but a king who had to bear the greatest burden anyone ever has. *Jesus the King* is Keller's revelatory look at the life of Christ as told in the Gospel of Mark. In it, Keller shows how the story of Jesus is at once cosmic, historical, and personal, calling each of us to look anew at our relationship with God. It is an unforgettable look at Jesus Christ, and one that will leave an indelible imprint on every reader.

Generous Justice

It is commonly thought in secular society that the Bible is one of the greatest hindrances to doing justice. Isn't it full of regressive views? Didn't it condone slavery? Why look to the Bible for guidance on how to have a more just society? But Timothy Keller, pastor of New York City's Redeemer Presbyterian Church, sees it another way. In *GENEROUS JUSTICE*, Keller explores a life of justice empowered by an experience of grace: a generous, gracious justice. Here is a book for believers who find the Bible a trustworthy guide, as well as those who suspect that Christianity is a regressive influence in the world. Keller's church, founded in the 80s with fewer than 100 congregants, is now exponentially larger. Over 5,000 people regularly attend Sunday services, and another 25,000 download Keller's sermons each week. A recent profile in *New York* magazine described his typical sermon as 'a mix of biblical scholarship, pop culture, and whatever might have caught his eye in *The New York Review of Books* or on *Salon.com* that week.' In short, Timothy Keller speaks a language that many thousands of people understand. In *GENEROUS JUSTICE*, he offers them a new understanding of modern justice and human rights.

Hidden Christmas

The New Testament begins not with a dramatic narrative or lofty poetry but with a genealogy. Provocatively, Matthew's gospel includes women in Jesus' family line - something that wasn't customary in an ancient culture, where women were largely powerless and uninfluential. In this surprising take on the Christmas story, Tim Keller reveals how, by focusing on the women in Jesus' birth narratives, a colourful, scandalous, and refreshing tale of grace emerges.

On Death

If life is a journey, there are few events as significant as birth, marriage and death. These are the moments in which we experience our greatest happiness and our deepest grief. And so it is profoundly important to understand these events and their significance in the course of our lives. In a culture that often refuses to acknowledge death, Timothy Keller - brilliant theologian and bestselling author - brings to light the Christian tradition of facing death and celebrating what comes after. With wisdom and compassion, Keller teaches us to understand death through the lessons embedded within the Bible. A short, powerful book, *On Death* gives us the tools to understand the meaning of death within God's vision of life. 'A Christian intellectual who takes on the likes of Nietzsche, Marx, and Freud.' *The Wall Street Journal*

The Case for Christ

The book consists primarily of interviews between Strobel (a former legal editor at the *Chicago Tribune*) and biblical scholars such as Bruce Metzger. Each interview is based on a simple question, concerning historical evidence (for example, "Can the Biographies of Jesus Be Trusted?"), scientific evidence, ("Does Archaeology Confirm or Contradict Jesus' Biographies?"), and "psychiatric evidence" ("Was Jesus Crazy When He Claimed to Be the Son of God?"). Together, these interviews compose a case brief defending Jesus' divinity, and urging readers to reach a verdict of their own.

The Free Market Buddhist

A Buddhist case for individual liberty and free markets.

The Making of an Atheist

The new atheists are on the warpath. They come armed with arguments to show that belief in God is absurd and dangerous. In the name of societal progress, they promote purging the world of all religious practice. And they claim that people of faith are mentally ill. Some of the new atheists openly declare their hatred for the Judeo-Christian God. Christian apologists have been quick to respond to the new atheists' arguments. But there is another dimension to the issue which begs to be addressed--the root causes of atheism. Where do atheists come from? How did such folks as Richard Dawkins, Sam Harris, Daniel Dennett, and Christopher Hitchens become such ardent atheists? If we are to believe them, their flight from faith resulted from a dispassionate review of the evidence. Not enough rational grounds for belief in God, they tell us. But is this the whole story? Could it be that their opposition to religious faith has more to do with passion than reason? What if, in the end, evidence has little to do with how atheists arrive at their anti-faith? That is precisely the claim in this book. Atheism is not at all a consequence of intellectual doubts. These are mere symptoms of the root cause--moral rebellion. For the atheist, the missing ingredient is not evidence but obedience. The psalmist declares, "The fool says in his heart there is no God" (Ps. 14:1), and in the book of Romans, Paul makes it clear that lack of evidence is not the atheist's problem. *The Making of an Atheist* confirms these biblical truths and describes the moral and psychological dynamics involved in the abandonment of faith.

King's Cross

Unpredictable yet reliable, gentle yet powerful, authoritative yet humble, human yet divine.' At a time when interest in Jesus has never been higher, respected pastor and bestselling author Tim Keller takes a deep and thought-provoking look at the life of Christ. Drawing from Mark's gospel, he explains how Jesus' identity as king and his purpose in dying on the cross have meaning and significance on a cosmic scale as well as for the individual. *THE REASON FOR GOD* gave a passionate and intellectually compelling case for God, while *THE PRODIGAL GOD* explored the gospel's central message of grace. Now *KING'S CROSS* gives a captivating account of the person at the heart of it all: Jesus. Written in Keller's trademark authoritative yet inviting style, this book will unlock new insights for believers and unbelievers alike.

The Meaning of Marriage

In previous books respected New York pastor and bestselling author Timothy Keller has looked at such diverse and topical subjects as the existence of God, our need to do justice, the meaning of Jesus' life, and the human temptation to make idols - all through the twin lenses of a biblical framework and an engagement with contemporary culture. In this new book, co-authored with his wife, Kathy, he turns his attention to that most complex of matters: our need for love, and its expression in marriage. Beginning with the biblical narrative, and its pictures of marriage that span the original ideal to the broken to the redemptive, he looks at themes of friendship and commitment; the completion of men and women in each other; singleness, sex and divorce; and ministry and discipleship within the context of marriage. This is a profound and engaging work that will challenge and inspire people in all stages of life - single, newlywed and married.

A Seal Upon the Heart

Tim and Kathy Keller's bestseller *THE MEANING OF MARRIAGE* looked at the human need for love and its expression in marriage. This new devotional, drawing on that book but consisting of all-new material, is a day-by-day devotional to help couples find God's wisdom as they navigate the complexities of married life. Each day includes a quotation from Scripture, a comment from the Kellers, and a prayer to help you ground your married life in God. Covering friendship and commitment, the completion of men and women in each other, and ministry and discipleship within the context of marriage, alongside many other themes, this is a profound resource to help you connect God's wisdom with your marriage.

Counterfeit Gods

The issue of idolatry has been with the human race for thousands of years; the subtle temptation is always to take what is good and turn it into the ultimate good, elevating it above all other things in the search for security and meaning. In this timely and challenging book, New York pastor Timothy Keller

looks at the issue of idolatry throughout the Bible -- from the worship of actual idols in the Old Testament, to the idolatry of money by the rich young ruler when he was challenged by Jesus to give up all his wealth. Using classic stories from the Bible Keller cuts through our dependence on the glittering false idols of money, sex and power to uncover the path towards trust in the real ultimate -- God. Today's idols may look different from those of the Old Testament, but Keller argues that they are no less damaging. Culturally transforming as well as biblically based, COUNTERFEIT GODS is a powerful look at the temptation to worship what can only disappoint, and is a vital message in today's current climate of financial and social difficulty.

How to Be an Atheist (Foreword by J. P. Moreland)

Atheists love to challenge the beliefs of Christians, emphasizing the importance of skepticism for all truly "free-thinking" people. However, more often than not, atheists actually aren't skeptical enough. In this book, philosopher Mitch Stokes demonstrates that atheists' confidence in the supposed God-killing "facts" of science, math, and their own reason all too often lulls them into a mind-set that leaves their own worldview largely unquestioned. Making the case for a more complete skepticism that questions the assumptions of Christians and non-Christians, this book winsomely shows how Christianity offers the best explanation for the world, humanity, and morality.

God's Wisdom for Navigating Life

From pastor and New York Times bestselling author Timothy Keller comes a beautifully packaged, yearlong daily devotional based on the Book of Proverbs. Proverbs is God's book of wisdom, teaching us the essence and goal of a Christian life. In this 365-day devotional, Timothy Keller offers readers a fresh, inspiring lesson for every day of the year based on different passages within the Book of Proverbs. With his trademark knowledge, Keller unlocks the wisdom within the poetry of Proverbs and guides us toward a new understanding of what it means to live a moral life. God's Wisdom for Navigating Life is a book that readers will be able to turn to every day, year after year, to cultivate a deeper, more fulfilling relationship with God. This makes a perfect companion to Keller's devotional on the Psalms, The Songs of Jesus.

Freedom of Self Forgetfulness

What are the marks of a supernaturally changed heart? This is one of the questions the Apostle Paul addresses as he writes to the church in Corinth. He's not after some superficial outward tinkering, but instead a deep rooted, life altering change that takes place on the inside. In an age where pleasing people, puffing up your ego and building your resume are seen as the methods to make it, the Apostle Paul calls us to find true rest in blessed self forgetfulness. In this short and punchy book, best selling author Timothy Keller, shows that gospel humility means we can stop connecting every experience, every conversation with ourselves and can thus be free from self condemnation. A truly gospel humble person is not a self hating person or a self loving person, but a self forgetful person. This freedom can be yours...

Making Sense of God

We live in an age of skepticism. Our society places such faith in empirical reason, historical progress, and heartfelt emotion that it's easy to wonder: Why should anyone believe in Christianity? What role can faith and religion play in our modern lives? In this thoughtful and inspiring new book, pastor and New York Times bestselling author Timothy Keller invites skeptics to consider that Christianity is more relevant now than ever. As human beings, we cannot live without meaning, satisfaction, freedom, identity, justice, and hope. Christianity provides us with unsurpassed resources to meet these needs. Written for both the ardent believer and the skeptic, Making Sense of God shines a light on the profound value and importance of Christianity in our lives.

Counterfeit Gods

New York Times bestselling author of The Prodigal Prophet and nationally renowned minister Timothy Keller exposes the error of making good things "ultimate" in this book, and shows readers a new path toward a hope that lasts. Success, true love, and the life you've always wanted. Many of us placed our faith in these things, believing they held the key to happiness, but with a sneaking suspicion they might not deliver. No wonder we feel lost, alone, disenchanted, and resentful. There is only one God

who can wholly satisfy our cravings—and now is the perfect time to meet Him again, or for the first time. In *Counterfeit Gods*, Timothy Keller shows how a proper understanding of the Bible reveals the unvarnished truth about societal ideals and our own hearts. This powerful message cements Keller's reputation as a critical thinker and pastor, and comes at a crucial time—for both the faithful and the skeptical.

The Sceptical Student eBook

The Gospels are full of encounters that made a profound impact on those who spoke with Jesus Christ. In the first essay of his new series, Timothy Keller, pastor of New York's Redeemer Presbyterian Church and New York Times bestselling author of *The Reason for God*, shows how those encounters can still have a deep effect on us today. Through a lively examination of the biblical passage where Nathanael, the sceptical student, meets with Jesus, Keller reveals how this interaction is about life's deep questions: Who are we? Why are we here? Why be a good person? Why love instead of hate? This first essay in the ten-part *Encounters with Jesus* series also includes an exclusive look at Timothy Keller's book on faith and work: *Every Good Endeavour: Connecting Your Work to God's Work*. This and the other nine in the series make up the complete *Encounters With Jesus: Unexpected Answers to Life's Biggest Questions*.

The Songs of Jesus

Renowned pastor and New York Times bestselling author Timothy Keller writes the book his readers have been asking for: A year-long daily devotional, beautifully designed with gilt edges and a gold ribbon marker. The Book of Psalms is known as the Bible's songbook—Jesus knew all 150 psalms intimately, and relied on them to face every situation, including his death. Two decades ago, Tim Keller began reading the entire Book of Psalms every month. *The Songs of Jesus* is based on his accumulated years of study, insight, and inspiration recorded in his prayer journals. Kathy Keller came to reading the psalms as a support during an extended illness. Together they have distilled the meaning of each verse, inviting readers into the vast wisdom of the psalms. If you have no devotional life yet, this book is a wonderful way to start. If you already spend time in study and prayer, understanding every verse of the psalms will bring you a new level of intimacy with God, unlocking your purpose within God's kingdom.

The Dawkins Letters

David Roberson wanted there to be an intelligent Christian response to *The God delusion*--so he wrote an open letter to Richard Dawkins, posted on his church website. This, somehow, found its way onto Dawkin's own website--where it generated the largest response, before or since. The ferocity of some of the responses spurred David to write further letters, which form the basis of this book. --From publisher's description.

Unbelievable?

Conversations matter. Yet, recently, good conversations about faith have been increasingly squeezed out of the public sphere. Seeking to reopen the debate, Justin Brierley began to invite atheists and sceptics on to Premier Christian Radio to air arguments for and against the Christian faith. But how has ten years of discussion with atheists affected the presenter's faith? Reflecting on conversations with Richard Dawkins, Derren Brown and many more, Justin explains why he still finds Christianity the most compelling explanation for life, the universe and everything. And why, regardless of belief or background, we should all welcome the conversation. 'Beautifully written, brilliantly argued, Justin's book will thrill Christians and challenge atheists.' R. T. Kendall, author and pastor 'Justin has that happy knack of being able to get people of diametrically opposed opinions debating the big issues.' John Lennox, Professor of Mathematics, University of Oxford

King's Cross

The best-selling author of *The Reason for God* presents a revelatory examination of the life of Christ as told in the Gospel of Mark, inviting readers to review their personal relationships with God with a greater understanding of historical events.
