Gently Floating

Gently wades through a torrent of suspects when a body is found floating face down in the river. Sometimes you can have too much of a good thing - that's if you can call having too many suspects, too many potential murderers, 'a good thing'. What Gently has to work out is which of them had the cold blooded nerve to smash the victim's skull and dump him in the river.

The Original Inspector George Gently Collection

This first volume of the Inspector George Gently Collection comprises the original two novels that established Gently as one of Scotland Yard's fictional finest. These are the stories on which the hit BBC TV series was based, written with a charm that conveys Alan Hunter's love of the East Anglian setting and demonstrating his expert use of dialogue to keep the plot moving along at a cracking pace. The first of Gently's cases, Gently Does It, has him enduring the holiday from hell when he is caught up in a mysterious murder and locks horns with the local police over their handling of the affair. In the second book, Gently By The Shore, other people's holidays are disturbed when Gently is called in to investigate the discovery of a body on a pleasure beach.

Gently Down the Stream

Time spent messing about on the river isn't supposed to end with a brutal murder. The staff at Stoley's Boatyard were used to holidaymakers returning their pleasure cruisers a little late after a week or so exploring the network of waterways around Norchester. They were not used to finding their yachts burned almost beyond recognition with the charred remains of a client still aboard. Taking on the murder investigation, Chief Inspector George Gently faces an enquiry like no other he has ever handled. Somewhere beneath the lies of the victim's wife, somewhere obscured by the brittle edge of her daughter's fear, somewhere hidden by her son's hysteria, lies the truth. Gently's only hope is to sweep aside the litter of chaos and confusion to uncover the identity of the killer.

GENTLY DOES IT The last thing you need when you're on holiday is to become involved in a murder. For George Gently, it is a case of business as usual. The Chief Inspector's quiet Easter break in Norchester is rudely interrupted when a local timber merchant is found dead. His son, with whom he had been seen arguing, immediately becomes the prime suspect, although Gently is far from convinced of his guilt. Norchester City Police gratefully accept Gently's offer to help investigate the murder, but he soon clashes with Inspector Hansom, the officer in charge of the case. Locking horns with the local law is a distraction Gently can do without when he's on the trail of a killer. _____

GENTLY BY THE SHORE In a British seaside holiday resort at the height of the season, you would expect to find a promenade and a pier, maybe some donkeys. You would not expect to find a naked corpse, punctured with stab wounds, lying on the sand. Chief Inspector George Gently is called in to investigate the disturbing murder. The case has to be wrapped up quickly to calm the nerves of concerned holidaymakers. No one wants to think that there is a maniac on the loose in the town but with no clothes or identifying marks on the body, Gently has a tough time establishing who the victim is, let alone finding the killer. In the meantime, who knows where or when the murderer might strike again? _____

LANDED GENTLY: Having been invited to spend Christmas in the country, fishing for pike, Gently finds himself hunting a completely different predator when a guest at Merely Hall, a nearby stately home, is found dead at the foot of the grand staircase on Christmas morning. At first the tragedy is assumed to be a simple accident, but Gently is not one to jump to conclusions and is soon in no doubt whatsoever that this was murder. Merely produces the finest tapestries in England but the threads that Gently must unravel in his investigation are more complex than any weaver's design, with everyone from the lord of the manor to his most lowly servant falling under suspicion. Find out why readers LOVE the George Gently series 'Very descriptive . . . great fun to read' 'Witty, well-plotted, and thoroughly enjoyable' 'Charming whodunnit'

Gently Floating

When small-time gambler and petty crook Steinie Taylor turns up dead in a hopper of flour at a country bakery, Gently has to figure out not only how he got there, but also why his prime suspects all appear to have a dark secret to hide. Why had the deceased villain and his two friends been spending money like it was going out of fashion? Why had they strayed from their usual haunts? Why did Taylor's friends both disappear? The investigation becomes even more sinister when one of Taylor's cronies is also found dead.

Gently Through the Mill

The unflappable Inspector George Gently has become a household name through the hit BBC TV series starring Martin Shaw. These are the original books on which the TV series was based, although the George Gently in Alan Hunter's whodunits is somewhat different to his TV counterpart. He is more calculating, more analytical, and his investigations are even more enthralling. In this title: Gently sets out for the north of Scotland to help clear one of his oldest friends of a murder charge and reunite him with the woman he loves. A love story founders on the rocks of the wild coastline of western Scotland when a man falls to his death. Did he fall or was he pushed? The knife wounds on his body tend to suggest the latter. Although he knows his rank gives him no status in Scotland, Gently travels north to help out, the prime suspect being a close friend. Despite the fact that the evidence weighs heavily against him, Gently cannot bring himself to believe that his friend committed murder, even if the victim was a hated love rival. He must use all of his skill as a detective to find a way to prove his friend's innocence. Highland hospitality, however, doesn't always extend to cooperating with a murder investigation.

Gently with Love

You'll find plenty of bodies stretched out on a summer beach - but they're not usually dead... In a British seaside holiday resort at the height of the season, you would expect to find a promenade and a pier, maybe some donkeys, 'Kiss-Me-Quick' hats, candy floss and kids building sandcastles. You would not expect to find a naked corpse, punctured with stab wounds, lying on the sand. Chief Inspector George Gently is called in to investigate the disturbing murder. The case has to be wrapped up quickly to calm the nerves of concerned holidaymakers. No one wants to think that there is a maniac on the loose in the town but with no clothes or identifying marks on the body, Gently has a tough time establishing who the victim is, let alone finding the killer. In the meantime, who knows where or when the murderer might strike again?

Gently By The Shore

The unflappable Inspector George Gently has become a household name through the hit BBC TV series starring Martin Shaw. These are the original books on which the TV series was based, although the George Gently in Alan Hunter's whodunits is somewhat different to his TV counterpart. He is more calculating, more analytical, and his investigations are even more enthralling. In this title: Who has been murdered? Where is the crime scene? Where is the body? All Gently has to go on is an anonymously delivered photograph of a corpse. The photograph of the corpse, shot in the head and lying in a forest clearing, comes with no explanation or identification other than the East Anglian postmark on the envelope. The first thing that Gently has to find out is whether a crime has actually been committed. Is it some kind of cruel hoax or has a hideous murder been committed at a woodland beauty spot? Exactly where is the crime scene, where is the body and who is the victim? The camera never lies, but it seldom tells the whole truth, either.

Gently Where the Birds Are

When a timber merchant is found stabbed in Norchester, the local police find an obvious suspect in his son, a stunt rider in a circus. But Inspector Gently realises there is more to it than appears on the surface.

Gently Does it

Chief Superintendent George Gently investigates the disappearance of a young accountant, Thorpe and the death of his mistress. Then Thorpe is found battered to death and there is no trace of the money he stole from his office before absconding.

Gently Mistaken

When a dilapidated cargo ship sinks, killing the illegal immigrants packed in below decks, the man responsible goes free, but not for long. Two weeks later, he is found dead with a knife in his back. Human trafficker Thomas Blackburn lived and died in the heart of London's West Indian community and, when the attitude of the local murder squad Chief Superintendent is deemed likely to aggravate race relations, George Gently is called in to oversee the case.

The Whole Story

If a tiger mauled a man to death, would he bother burying the corpse? An escaped tiger that terrorizes a little market town is shot dead by a police marksman, having caused nothing more than a minor panic. A year later, a man is found mauled to death and neatly buried in his own back garden. The only thing Gently can be sure of is that the tiger didn't bury the body, so who did?

Gently Sinking

With the help of DS John Bacchus, Inspector George Gently spends his days bringing to justice members of the criminal underworld who are unfortunate enough to have the intrepid investigator assigned to their cases.

Gently Sahib

If a tiger mauled a man to death, would he bother burying the corpse? An escaped tiger that terrorizes a little market town is shot dead by a police marksman, having caused nothing more than a minor panic. A year later, a man is found mauled to death and neatly buried in his own back garden. The only thing Gently can be sure of is that the tiger didn't bury the body, so who did?

George Gently

Suddenly, inexplicably, the murderer strikes again. Now Gently goes alone to Harrisons in the dead of night, at last discovering its secret in a blood-curdling confrontation with sheer terror.

Gently where the Roads Go

Gently Coloured

Detective Superintendent George Gently investigates the murder of an adulterous businessman.

Gently Sahib

Scotland Yard's most incorruptible detective, George Gently is an old-time copper in a rapidly changing world. Set in rural Northumberland during the mid-1960s, based on Alan Hunter's detective novels, this series has been compared to Foyle's War and Midsomer Murders. GENTLY NORTHERN SOUL - In Durham, the haven of equality found at the Carlton all-nighter is destroyed when a young black girl, Dolores Kenny, is murdered. GENTLY WITH CLASS- A beautiful young girl is found dead in a car owned by prominent local aristocrats. THE LOST CHILD - When an adopted child is kidnapped, suspicion falls upon the baby's birth mother. GENTLY IN THE CATHEDRAL - A vicious career criminal who Gently sent down years ago is released.

Gently with the Innocents

I hungered to be seen. There were three things I knew about Capo Macchiavello: He was gorgeous. He was reclusive. He was considered one of New York's most savage animals. And he wanted me as his wife. A simple arrangement - you do for me, I do for you. Nothing owed, no expectations. Except for one: never leave. Life was never that simple, though. By the age of twenty-one, I was parentless, jobless, and homeless, and I had come to learn the hard way that nothing was ever free. Even kindness comes with strings. Capo might've been the only man to ever see me, but I had made a vow to myself: I would never owe anyone anything. Most of all, the man I called boss. I killed to stay hidden. Mariposa Flores thought she owed nothing to no one, but she owed everything...to me, the ghost the world had once called The Machiavellian Prince of New York. Machiavellian is the first of three books set in the savage world of the Gangsters of New York series.

Gently Down the Stream

As you work through each personal reflection and guided meditation, you'll regain the strength to live fully, regardless of the changes and challenges that come.

Gently Scandalous

Previously published as The Bar on the Seine A forgotten crime comes to light in the Parisian summer in Georges Simenon's twisted tale. Book eleven in the new Penguin Maigret series. 'A radiant late afternoon. The sunshine almost as thick as syrup in the quiet streets of the Left Bank . . . there are days like this, when ordinary life seems heightened, when the people walking down the street, the trams and cars all seem to exist in a fairy tale.' A story told by a condemned man leads Maigret to a bar by the Seine and into the sleazy underside of respectable Parisian life. In the oppressive heat of summer, a forgotten crime comes to light. Penguin is publishing the entire series of Maigret novels in new translations. This novel is a revised translation, previously published as The Bar on the Seine. 'Compelling, remorseless, brilliant' John Gray 'One of the greatest writers of the twentieth century . . . Simenon was unequalled at making us look inside, though the ability was masked by his brilliance at absorbing us obsessively in his stories' Guardian 'A supreme writer . . . unforgettable vividness' Independent

Gently Does It.... : The Collected Rob Miller

From Onjali Q. Rauf, the award-winning and best-selling author of *The Boy at the Back of the Class*, comes another incredible story, told with humour and heart. 'The boy's an absolute menace.' 'He's a bully. A lost cause!' 'Why can't he be more like his sister?' 'I've been getting into trouble for as long I can remember. Usually I don't mind 'cos some of my best, most brilliant ideas have come from sitting in detention. But recently it feels like no one believes me about anything - even when I'm telling the truth! And it's only gotten worse since I played a prank on the old man who lives in the park. Everyone thinks I'm just a bully. They don't believe I could be a hero. But I'm going to prove them all wrong...' Told from the perspective of a bully, this book explores themes of bullying and homelessness, while celebrating kindness, friendship and the potential everyone has to change for the good.

The Two-Penny Bar

How to use design as a tool to create not only things but ideas, to speculate about possible futures. Today designers often focus on making technology easy to use, sexy, and consumable. In *Speculative Everything*, Anthony Dunne and Fiona Raby propose a kind of design that is used as a tool to create not only things but ideas. For them, design is a means of speculating about how things could be—to imagine possible futures. This is not the usual sort of predicting or forecasting, spotting trends and extrapolating; these kinds of predictions have been proven wrong, again and again. Instead, Dunne and Raby pose "what if" questions that are intended to open debate and discussion about the kind of future people want (and do not want). *Speculative Everything* offers a tour through an emerging cultural landscape of design ideas, ideals, and approaches. Dunne and Raby cite examples from their own design and teaching and from other projects from fine art, design, architecture, cinema, and photography. They also draw on futurology, political theory, the philosophy of technology, and literary fiction. They show us, for example, ideas for a solar kitchen restaurant; a flypaper robotic clock; a menstruation machine; a cloud-seeding truck; a phantom-limb sensation recorder; and devices for food foraging that use the tools of synthetic biology. Dunne and Raby contend that if we speculate more—about everything—reality will become more malleable. The ideas freed by speculative design increase the odds of achieving desirable futures.

The Night Bus Hero

This new edition, which is reproduced from a first printing of the book, is introduced by the author Martin Edwards, archivist of the Detection Club, and includes a never-before-published Preface by Agatha Christie, 'Detective Writers in England', in which she discusses her fellow writers in the Detection Club.

Gently Between Tides

The shattering novel of underground life the New York Times called “a cry of rapture and horror . . . the purest lyrical genius.” Jean Genet’s debut novel *Our Lady of the Flowers*, which is often considered to be his masterpiece, was written entirely in the solitude of a prison cell. A semi- autobiographical account of one man’s journey through the Paris demi-monde, dubbed “the epic of masturbation” by no less a figure than Jean-Paul Sartre, the novel’s exceptional value lies in its exquisite ambiguity.
