Romancing the Ordinary

By treating yourself to citrus-scented baths, a thrilling novel, rich moist brownies, deep crisp snow, freshly-laundered linen, glamorous high heels, cashmere socks, heart-breaking old films, red wine in front of the fire . . . ROMANCING THE ORDINARY will show you how to seduce the most important person in your life - yourself. Women are endowed not with five senses but with seven, writes Sarah Ban Breathnach. With the help of ROMANCING THE ORDINARY readers can rediscover sight, sound, scent, taste and touch, and come to cherish their sense of 'knowing' - a woman's intuitive sense - and 'wonder', her sense of rapture and reverence. Writing in the style so beloved by her millions of readers, Ban Breathnach encourages each woman to discover what moves her to tears, makes her heart skip a beat, and her soul sigh. ROMANCING THE ORDINARY is organised as a saunter through the year and laced with seasonal indulgences intended to restore weary feminine souls - flamboyant recipes, pampering beauty treatments, sensuous treats and household hints. By encouraging her to delight in the often overlooked gifts of every day - from the secret pleasure of wearing sexy seamed tights under sensible trousers to the sensation of lying in a warm bed listening to the rain - ROMANCING THE ORDINARY is sure to help every woman fall passionately in love with Life.

Romancing the Ordinary

ROMANCING THE ORDINARY is organised as a yearbook, celebrating a spirituality of the senses seasonally, monthly and weekly. Sarah Ban Breathnach introduces the concept that women are endowed with not five, but seven senses: Sight, Hearing, Taste, Touch, Scent, Knowing and Wonder. Each day's reflection, each week, will highlight one of the senses drawing on the natural and supernatural worlds. By exulting in the ecstatic experience of daily life, by romancing your soul - working out what excites or moves you to tears, what makes your heart miss a beat, your knees shake and soul sigh - Sarah Ban

Breathnach shows you how to embrace your magical, mystical, sensitive and spiritual Essential Self, restoring weary and jaded feminine souls.

Romancing the Ordinary

The latest book from the author of phenomenal bestsellers "Simple Abundance" and "Something More" takes readers on the next step of their spiritual journey and shows them how to "come to their senses" and indulge in the splendor of the ordinary. Organized according to the calendar year, "Romancing the Ordinary" celebrates the spirituality of the senses seasonally, monthly, and weekly.

Peace and Plenty

As featured on Oprah's podcast, SuperSoul Conversations "When money is plentiful, this is a man's world. When money is scarce, it is a woman's world." Unearthed in a 1932 Ladies Home Journal, this quote is the call to arms that begins Peace and Plenty, Sarah Ban Breathnach's answer to the world's-- and her own personal-- financial crisis. As only Ban Breathnach can, she culls together this compendium of advice, deeply personal anecdotes, and excerpts from magazines, books, and newspapers-- particularly those of the Great Depression-- to inspire readers who are mired in today's financial difficulties. Focusing on her own personal path, Sarah Ban Breathnach will relate never-before revealed details about how she fell from the financial top to the bottom. Readers will immediately see how deeply she understands the plight of those trying to maintain a happy and comfortable home, while at the same time not even knowing if they will be able to make the mortgage to keep that home. Sarah has proved to be the voice of comfort for years to women who are spiritually bankrupt, and now she will reach to those who are financially strapped, showing them how to pull themselves out of their psychic and fiscal crises while providing deep comfort and reassurance throughout.

Moving on

The author offers an inclusive, inspirational guide to help readers understand themselves and use their insights to accept change and move on after life-changing events.

The Best Part of The Day

In her international bestseller Simple Abundance, Sarah Ban Breathnach inspired millions of women to find happiness in each day of their lives. Now Breathnach is back with her first children's book, The Best Part of the Day. Beautifully illustrated and lyrically written, this "good night" story encourages children to find at least one moment in each day that is worthy of celebration. The Best Part of the Day is the perfect addition to any family's nighttime routine.

Something More

From the author of the bestselling "Simple Abundance" comes a provocative and powerful life "bible" for women around the world. In this insightful and eloquent book, Sarah Ban Breathnach explores the nine stages necessary to living authentically: Sensing, Surviving, Settling, Stumbling, Selling Out, Starting Over, Searching, Striving, and finally, Something More.

Manipulation

Relationships can be tough, and none of us are experts. Add the challenges of falling victim to manipulation to the normal complexities of our connection with others, and many of us may find we are tired of struggling to make our relationships work. A solitary life is rarely a satisfying one, however. Learning to identify and cope with manipulation can reintroduce us to the pleasure we were meant to experience when sharing our lives. Authentic relationships require us to honor our own needs and truths as well as those of others. This book encourages us to take back the power we may have relinquished by being manipulated, allowing us to regain the joy that can be found in healthy interdependence.

The 48 Laws of Power

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

The seeds for the ground-breaking *Simple Abundance*, Sarah Ban Breathnach's hugely successful bestseller, were first planted in *Mrs. Sharp's Traditions*. Mrs. Sharp's Traditions

Esther Supernault put her life on the line for her beliefs. In *Blue Diamond Journey*, she shares her secret gift of insight and guidance from the world of spirit. Born of a Celtic and Native American heritage of seers, she narrates how she received incredibly detailed, sometimes humorous messages from her dreams, visions, and meditations—messages that she then validated with solid medical research. Day by day she was guided to specific foods, helpers, therapists, doctors, and books to heal her breast cancer—without chemo or radiation. Every person is part of an interconnected web as vast as this universe, rather than a collection of parts. Our innate, inner soul contains incredible healing wisdoms. Real healing honours this web of interaction—far beyond scientific logic or fact. What causes an illness will also help heal it. All the answers we need to heal are within us, and Esther demonstrates how to listen to those answers. Her journey slowly uncovers a rare diamond in the rough—the dawning evolution of a seer, visionary, and wisdom keeper. With her gifted, gentle healing messages, Esther weaves a marvelous, magical, true tale in *Blue Diamond Journey*.

Beneath the social mask we wear every day, we have a hidden shadow side: an impulsive, wounded, sad, or isolated part that we generally try to ignore, but which can erupt in hurtful ways. As therapists Connie Zweig and Steve Wolf show in this landmark book, the shadow can actually be a source of emotional richness and vitality, and acknowledging it can be a pathway to healing and an authentic life. "Romancing the shadow"--meeting your dark side, beginning to understand its unconscious messages, and learning to use its powerful energies in productive ways--is the challenging and exciting soul work that Zweig and Wolf offer in this practical, rewarding guide. Drawing on the timeless teachings of Carl Jung and compelling stories from their clinical practices, Zweig and Wolf reveal how the shadow guides your choices in love, sex, marriage, friendship, work, and family life. With their innovative method, you can uncover the unique patterns and purpose of your shadow and learn to defuse negative emotions; reclaim forbidden or lost feelings; achieve greater self-acceptance; heal betrayal; reimagine and re-create relationships; cultivate compassion for others; renew creative expressions; and find purpose in your suffering. The shadow knows why good people sometimes do bad things. Romancing the shadow and learning to read the messages it encodes in daily life can deepen your consciousness, imagination, and soul.

Mrs. Sharp's Traditions

'A wonderfully personal evocation of the joys, hard work and meaning of creating a wood for wildlife, written with sensitivity and care. A delightful read.' Stephen Moss, author of *The Robin: A Biography*
Over twenty years ago, Ruth Pavey bought four acres of scrub woodland above the Somerset Levels and set out to improve the lush haven for birds, insects and all manner of wildlife. Beneath the shade of the trees she spent two decades planting, she now reflects on the fate of her wood. As steward, she has witnessed nature's forces shifting and the abundance of species dwindling rapidly. When the rabbits suddenly vanished, she knew it was time to take a closer look at the undergrowth and what she could do to preserve the legacy of the wood for generations to come. *Deeper Into the Wood* recounts a year in the life of an amateur naturalist working with wildlife experts to interpret the language of the land. Ruth's hand-drawn illustrations accompany her lyrical prose, which demonstrates an appreciation for the local people and their history. This is one woman's story of inspiration, conservation, and a love of place.

PRAISE FOR DEEPER INTO THE WOOD 'A rare treat of a book that warms as it informs and leads us deep into the character of one small pocket of England. Ruth Pavey writes with wit, passion and precious little sentimentality.' Tristan Gooley, author of *The Secret World of Weather* 'Wonderful... how love for a small woodland and respect for its local history can enhance wildlife and enrich the human spirit.' Nick Davies, author of *Cuckoo: Cheating by Nature* 'Ruth Pavey spins a delicate web between the many branches of her little Somerset wood. Her closely observed changes of wildlife and the changing seasons, echo a growing awareness and concern for life on Earth itself. The author's growth and metamorphosis into an amateur naturalist who has learnt to read the language of trees is profoundly inspirational.' Gabriel Hemery, author of *The New Sylva* 'Inquisitive and generous. Pavey shares the love of her wood, past and present, through a fascinating weave of its natural and cultural histories. This book is as companionable as it is interesting. Patrick Baker, author of *The Unremembered Places*

The famous classic Scottish tale based on the true story of a dog's lifetime devotion to his master, first published in 1912, loved and widely read the world over. Bobby, a sparky silver-haired Skye terrier, adopts lonely shepherd Auld Jock, for his master and the two become inseparable. When Jock is dismissed by the farmer he tries to find work in the city, but sinks into poverty and dies, having suffered one cold winter too many. The farmer tries to reclaim Bobby as a pet for his daughter but the little dog remains faithful only to Auld Jock, guarding his master's grave in Greyfriars Kirkyard in the heart of Edinburgh's old town. By day, he plays with the local orphans and eats at a nearby tavern but, in spite of anything even the Lord Provost himself can do, Bobby returns each night to sleep by his master. Bobby's devotion changes the lives of those around him and ultimately the conditions of the poor in Edinburgh. And as the years go by, the little dog's loyalty is rewarded in a very special way.

Jeff Herman's Guide to Book Publishers, Editors & Literary Agents

Prayers of Honoring was written for sharing from the heart in community. In western culture, we keep many things to ourselves. Prayer, among other things, has become a private practice for those of us who don't congregate for spiritual purposes. Our language for connection to something greater than ourselves has become truncated to basic iterations and generalized affirmations. These prayers were written to honor the things which are easy to celebrate, and also those things which require more practice. It was written as a reminder of the process of honoring, which is to show high respect. It's my thought that respect and reverence have all but gone missing from western culture. To cultivate these things through the rhythm of prayer is to demonstrate devotion to the unfathomable energies which suspend us between the divine energies of Earth and Sky every day and night. It's my belief that creating our own family practice of prayerfulness brings us closer as we travel forth. "Prayers of Honoring has supported my personal practice and allowed me to ground in an entirely new way." - Trace K. "Prayers of Honoring was a gift from a fellow yoga teacher in Montana. I've carried it with me around the world and continually seek comfort in the beautiful words and phrases. I am so grateful that you are sharing your heart song, it's beautiful." - Emily S. "Love Prayers of Honoring. As I entered my shamanic path, these prayers really helped with all of the energy I was calling in, and the energy I was letting go. I felt it was one of my strongest tools, especially when my closest cousin left earth side during it all. Thank you." - Leigh

"What are the heart's necessities? It's a question Jane Tyson Clement asked herself over and over, both in her poetry and in the way she lived. The things that make life worth living she found in joy and grief, love and longing, and, most importantly, something to believe in. Her observation of the seasons of the soul and of the natural world have made her poems beloved to many readers, most recently jazz artist Becca Stevens. Clement's poetry has gained new life - and a new audience - as lyrics in the songs of this pioneering musician of another century"--
