American Republic Since 1877, Standardized Test Practice Workbook, Teacher's Edition

Provides test-taking tips and strategies for standardized tests; includes chapter activities correlated to social studies objectives.

American History. Activity Workbook

Based on expert review and research, this book provides an innovative standard and guide to social studies textbooks used in kindergarten through 12th grade classrooms for content, style, and design. The standards provide a foundation for individuals to select satisfactory textbooks and to help educators and school boards in the adoption of instructional materials. Chapter 1 addresses the problems of textbook content and style. Chapter 2 discusses the vast business of social studies publishing and the increased complexity of textbook packaging with the movement away from state-level adoption of

textbooks. Chapter 3 focuses on the content of social studies textbooks with a comparison of past and present textbooks, a discussion of revisionism and reality, and a look at religion in textbooks. Chapter 4 examines the style and story of textbooks and finds that although the content of past textbooks may be flawed, the prose is superior to recent textbooks. Ideas on narrative, readability, vocabulary, instructional design, history, and style provide ways for textbooks to improve. Chapter 5 addresses the issue of format and proposes clarity and simplicity in technical design of books. Chapter 6 provides an outline to review textbooks for content and style and instructional activities and teacher guidance materials for usefulness. Chapter 7 includes an annotated list of the major U.S. and world history textbooks. (CK)

American History

This handbook deals with the question of how people can best live and work with others who come from very different cultural backgrounds. Handbook of Intercultural Training provides an overview of current trends and issues in the field of intercultural training. Contributors represent a wide range of disciplines including psychology, interpersonal communication, human resource management, international management, anthropology, social work, and education. Twenty-four chapters, all new to this edition, cover an array of topics including training for specific contexts, instrumentation and methods, and training design.

American Republic to 1877, Standardized Test Practice Workbook, Teachers' Edition

Since the publication of its first edition, this textbook has become the definitive student introduction to the subject. As with earlier editions, the seventh edition gives a clear understanding of fundamental legal concepts and their importance within society. In addition, this book addresses the ways in which rules and the structures of law respond to and impact upon changes in economic and political life. The title has been extensively updated and explores recent high profile developments such as the Civil Partnership Act 2005 and the Racial and Religious Hatred Bill. This introductory text covers a wide range of topics in a clear, sensible fashion giving full context to each. For this reason An Introduction to Law is ideal for all students of law, be they undergraduate law students, those studying law as part of a mixed degree, or students on social sciences courses which offer law options.

History Textbooks

Contains some 1000 annotated entries that describe books about men. Coverage includes men's awareness, health, rights, heterosexuality and homosexuality, patriarchy and minority males. Each entry describes the book's content and, where appropriate, its political stance.

Handbook of Intercultural Training

The volume discusses the integration of peasants into the nation building project of Greater Romania with a focus on social and cultural practices. Thus, it addresses one of the key questions of the new political system in post-imperial East Central and Southeast Europe. It advocates a shift from a multiple top-down perspective (capital – province, urban political elites – rural voters) to an analysis concentrating on regionally diverse rural societies with a special interest in the predominantly ethnic Romanian population.

The Divine Comedy

Maps trace the development of the United States, showing environmental, political, social, and economic change

Teaching Ethnic Studies

The Fifth Edition of American Politics Today is designed to show students the reality of politics today and how it connects to their own lives. New features--from chapter opening cases that address the kinds of questions students ask, to full-page graphics that illustrate key political processes--show students how politics works and why it matters. All components of the learning package--textbook, InQuizitive adaptive learning tool, and coursepack--are organized around specific chapter learning goals to ensure that students learn the nuts and bolts of American government.

The Vision of Hell

A fascinating inquiry into Jean-Baptiste Colbert's collection of knowledge

EI-Hi Textbooks & Serials in Print, 2000

This groundbreaking book focuses on Alfred Dreyfus the man, with emphasis placed on his own writings, including his recently published prison workbooks and his letters to his wife Lucie. Through close reading of these documents, a much more sensitive, intellectual, and Jewish man is revealed than was previously suspected. He and Lucie, through their family connections and mutual loyalty, were interested in and supported the artistic, scientific, philosophical and historical movements that formed their Parisian milieu. But as an Alsatian Jew, Alfred was also critical of many aspects of technological and ideological developments, making his mentality one of skepticism as well as idealism. Norman Simms addresses the way Dreyfus perceived the world, challenged many of its assumptions and contextualized it in the style of a rabbinical midrash, a process that created what Alfred called a "phantasmagoria" of the Affair that bears his name, and also interprets the man, his milieu and his mentality in the style of a midrash, a creative, transformative reading.

An Introduction to Law

Politics and Peasants in Interwar Romania

Hoodoo, voodoo, and conjure are part of a mysterious world of African American spirituality that has long captured the popular imagination. These magical beliefs and practices have figured in literary works by such authors as Toni Morrison, Alice Walker, and Ishmael Reed, and they have been central to numerous films, such as *The Skeleton Key*. Written for students and general readers, this book is a convenient introduction to hoodoo, voodoo, and conjure. The volume begins by defining and classifying elements of these spiritual traditions. It then provides a wide range of examples and texts, which illustrate the richness of these beliefs and practices. It also examines the scholarly response to hoodoo, voodoo, and conjure, and it explores the presence of hoodoo, voodoo, and conjure in popular culture. The volume closes with a glossary and bibliography. Students in social studies classes will use this book to learn more about African American magical beliefs, while literature students will enjoy its exploration of primary sources and literary works.

Historical Atlas of the United States

Encyclopedia of Vampire Mythology

Zora Neale Hurston(1891 -- 1960) Of the various signs that the study of literature in America has been transformed, none is more salient than is the resurrection and canonization of Zora Neale Hurston. Twenty years ago, Hurston's work was largely out-of-print, her literary legacy alive only to a tiny, devoted band of readers who were often forced to photocopy her works if they were to be taught ... Today her works are central to the canon of African-American, American, and Women's literatures ... The author of four novels, *Jonah's Gourd Vine* (1934), *Their Eyes Were Watching God* (1937), *Moses, Man of the Mountain* (1939), and *Seraph on the Suwanee* (1948); two books of folklore -- *Mules and Men* (1935) and *Tell My Horse* (1938); an autobiography, *Dust Tracks On a Road* (1942); and over 50 short stories, essays, and plays, Hurston was one of the most widely acclaimed Black authors for the two decades between 1925 and 1945. -- from the Preface by Henry Louis Gates, Jr.

The Information Master

Connect today's students to the people and places from around the world with integrated print and digital middle school world geography curriculum grounded in solid pedagogy with a full suite of teaching and learning tools for a flexible, customized learning experience."--Publisher.

New Grub Street

Most English translations of INFERNO are full of colorful, but meaningless language based on today's modern standards. Some translations are so elaborate that they are as difficult to read as the original Italian version. This translation uses the Longfellow translation as a base, but replaces the obscure or antiquated verbiage with the language of Modern English. This translation could easily be read and understood by today's reader. Adding the illustrations by Gustave Dore brings this classic work to life.

History of Money and Banking in the United States: The Colonial Era to World War II, A

To provide students taking the 11th-grade New York State course in U.S. history and government and the Regents examination, as well as others taking a similar course, with a concise and comprehensive text.
