Blackwood's Magazine, 1817-25, Volume 1

Widely regarded as the greatest German literary figure of the modern era, Johann Wolfgang von Goethe was a prolific author of novels, epic and lyric poetry, prose, plays, scientific treatises and autobiography. A literary celebrity by the age of 25, Goethe achieved enormous success with his first novel, 'The Sorrows of Young Werther'. Inspiring the imagination of a generation, it was the first novel of the Sturm und Drang movement, which exalted nature, feeling, and human individualism, seeking to overthrow Rationalism. 'Faust', Goethe's two-part dramatic masterpiece, is regarded as the supreme work of his later years and is often cited as Germany's greatest contribution to world literature. Based on the traditional theme of the eponymous scholar making a pact with the demon Mephistopheles, the drama explores themes that encapsulate the fullest expression of the European Romantic movement, to which Goethe was an early and major contributor. This comprehensive eBook presents Goethe's complete fictional works, with numerous illustrations, rare texts, informative introductions and the usual Delphi bonus material.
