No Dogs Allowed!

After losing her family's beloved horse, Kristine decides that she will never have another pet. When her father surprises her with a new puppy, Kristine learns to take a chance and open her heart again in this latest novel by the beloved author of "Red Dog."

Red Dog

What's a Bird Dog to Do? Everyone knows a bird dog leads with his nose. Everyone but J.C. After all, what's a pup supposed to think when he's welcomed to his new home by a cat who thwacks him on the nose with his claws...a dog who bites him on the nose...a bee sting on his you-know-what and a mad mamma bird who attacks the sorest part of his body with her beak? Poor J.C. All he wants is love...cuddling up to My Justin...a good tummy-scratching by My Bill and My Carol. J.C. wants to make his new family proud. But how can he point with a nose everyone wants to attack? There must be a better way...

The Backward Bird Dog

Afraid of dogs since he was attacked by a mad one, Ricky resists taking in a homeless pup that shows up at the farm.

Dog Called Kitty

When Jeff's girlfriend leaves a Labrador retriever puppy with his family for a week, his dog T.P. and cat Cord hope the energetic puppy does not stay any longer.

Goosed!

A mangy, half starved puppy wanders onto Ricky's family farm & changes Ricky's life forever. The compelling story of a young boy who overcomes his most terrifying fear with the help of an unlikely friend

A Dog Called Kitty

Living with his family in the rugged, often dangerous, Wyoming mountains in the 1860's, twelve-year-old Adam finds his courage put to the test when he is left in charge of the household during his stepfather's absence.

Red Dog

Tom spends his summer vacation helping with his grandfather's hunting dog business. Tom falls in love with one of the pups, a rare blue-eyed pointer, but Grandpa has promised the owner of the pup's sire the pick of the litter. What will Tom do?

Pick of the Litter

Chuck's a cat with a great life—until Katie goes away to college and his best friend moves. Left all alone, Chuck starts to venture farther and farther into the neighborhood and one fateful night finds himself face-to-face with a beast as big and black as death. His name is Rotten Willy—and he's a dog with a heart of gold.

Upchuck and the Rotten Willy

Kikki the cat and her dog and cat friends play together and protect each other from dangers in their neighborhood.

Stubby and the Puppy Pack to the Rescue

In a story told from both canine and human points of view, problems at the mine threaten to ruin Christmas for Don, his family, and the rest of their Oklahoma town, but Don's dog, Frank, is determined to make the holiday special.

The Dog Who Thought He Was Santa

Chuck is thrilled to have two new playmates, the new gray cat Roscoe and his sister Rikki. But Roscoe and Rikki think dogs are awful -- and Chuck's best friend is Willy, the Rottweiler who saved his life. Willy's wise enough to say, It's okay to have more than one friend, but things aren't quite that simple. Chuck fears he'll end up with no friends at all -- until a happy surprise promises to keep the two best pals together forever.

Running Wild

It's not so bad living a dog's life. Unless you're a cat. Most times, hanging out with Rotten Willy (the huge dog on the cover) was cool. We played chase, talked, and chowed down on spaghetti and meatballs at Luigi's restaurant. Even though he was a dog (and sometimes called me Upchuck instead of Chuck), I could handle it. He was my best friend. Then this baseball stuff started and Willy went bonkers. I never saw him act so crazy. On top of that, these two new cats moved into our neighborhood. Trouble was, tough-guy Roscoe and his cute fuzzy sister, Rikki, did not like dogs. Dogs belong with dogs and cats belong with cats, they said. I was showing them the sights when I suddenly spied the dogcatcher, just waiting to trap Willy as he raced across the field with a baseball in his mouth. But Roscoe and Rikki would never understand if they found out my best friend was a dog. How could I save Willy before it was too late? What's a cat to do when he has to choose between old friends and new -- and there's no time to lose...

Running Wild

A new calf and a ranch's loyal herding dog disagree, but eventually they learn to get along together.

That Doggone Calf

It's a dog's life for a boy when he magically turns into a hound in this classic story from the author of *Bambi*. On a routine walk through the streets of his hometown of Vienna, Lucas Grassi sees an archduke's coach. He can't help but wish he was rich and powerful and leaving the dark city behind. And when he sees the archduke's faithful dog running alongside, he wishes he could just be the dog and be free from his everyday life. And then his wish comes true: Lucas does become the dog. Every other day he switches from his normal body to that of the archduke's canine companion. Soon he learns the dog is treated badly and the archduke is not a nice man. Lucas decides he'll do anything to reverse his wish...if only he knew what to do! Felix Salten's tale of a wish gone awry is brought back to life in this beautiful repackage.

The Hound of Florence

Shotguns have a long, rich history in the United States. They were used by both Union and Confederate cavalymen during the Civil War, and helped defend the Alamo during the Mexican-American War. Soldiers during WWI preferred shotguns for trench warfare, and many heroes of the Wild West were rarely seen without their double-barrels. Today, shotguns are used by target sports enthusiasts, law enforcement, and armed forces. Discover the fascinating history of the shotgun in this wide-ranging new book. Shotguns explores the exciting history and development of the shotgun with engaging text and more than 200 full-color photographs of guns, including iconic models by Winchester. Best used for hitting smaller targets at closer range, shotguns became the weapon of choice for soldiers, hunters, and sportsmen. Learn about key innovations, including double-barrels, interchangeable chokes, and subguage inserts. Learn about different shotgun mechanisms, including breech-loading, double-barrel, pump-action, bolt-action, semi-automatic, and fully automatic weapons.

Snot Stew

Some dogs have a bark bigger than their bite. But Sweetie, The Great Dane, can't afford to bark -- or bite. After three little nips and three masters, the next stop is the pound. So when the burglar comes calling, he waves his tail. When coyotes come prowling, he tries to make peace -- as they howl in scorn. They promise they'll return -- to eat his food, his friends, Red the Irish Setter, Poky the Beagle, and Sweetie for dessert! If Sweetie can't protect them they'll all perish! How can he outfox twelve hungry coyotes?

Watchdog and the Coyotes

Despite his uncourageous name, Mewkiss proves to be a strong and brave kitten during a crisis in which his mistress's life is threatened.

Totally Disgusting!

A roadrunner, embarrassed when he is named "Thunderfoot" because his feet swelled due to a rattlesnake bite, is determined to prove his worth and becomes a legend when his family hears about his accidental feats of cunning and strength.

The Legend of Thunderfoot

Kent doesn't believe in monsters. But he knows he saw two gleaming yellow eyes beneath the surface of Cedar Lake when he and his buddies were camping at the lake. When he sneaks out alone a few nights later to investigate, the eyes return -- and they seem to be following him. Kent and his friends are determined to solve the mystery of the Cedar Lake monster. But what they discover one dark summer night is just as surprising as a monster -- and just as dangerous.

Skinny-Dipping at Monster Lake

After moving to the country, thirteen-year-old Brad, who has always wanted a dog, adopts a motherless coyote.

The Legislative Record: Containing the Debates and Proceedings of the Pennsylvania Legislature

After being abandoned, Freddie helps a mild-tempered dog named Spike escape from a cruel junkyard owner and the two manage to survive on their own until they find a loving home.

Coyote Autumn

Here I am, a self-respecting kitten just trying to survive in a rat-eat-cat world, when the humans in my life start acting crazy. Something about the kids, and grandkids, coming to visit for Christmas. I would have run away had I known what that meant! Mama accusing me of tearing up the presents. Noisy voices and grabby little hands. I tell you, it's a dog's world. Bite my tongue! If the grandkids are bad, they're nothing compared to the gift the kids gave Mama for Christmas...a puppy!

The Meanest Hound Around

Grampa warned Luke to be careful with Beauty because she was an old horse, but Luke didn't listen.

Journal

Who ever heard of a cat that didn't eat birds? The house people had picked me out of my litter to be a mouser. Callie was getting too old for the job. So it was mine. But I didn't plan on getting dive-bombed by a mockingbird building her nest...or adopting the baby who fell out. No joke! I'm a cat, but I do not eat birds. Mice, yes. Birds, no. Flea -- that's what I named her -- couldn't even fly. She was so scared when she toppled onto my head that she said, "Eat me...it's quicker than starving to death." She was pathetic. I had to help her. The first step was protecting Flea -- and me -- from the monster rats in the barn (that's saying a mouthful!) and Bullsake under the woodpile. Next, Callie and I had to teach Flea to fly. After all, how could she stay up North with us when her bird family was flying to Florida. I'm not a Florida kind of cat. It's just too hot for us furry types. I know I'll miss my Flea. But she'll come back -- after she's seen the world!

Get young readers hooked on some of the best titles in juvenile literature, ranging from humor to mystery to fantasy, with unusual and effective methods like games. Getting students to want to read is one of the greatest challenges facing middle school teachers and librarians. Determining which are the "right books" that can spark a child's mental awakening is also difficult. This book from prolific author Nancy Polette furnishes interesting and fun games to pique students' interest in junior novels that are worth reading—carefully selected titles that will contribute to their educational and emotional growth. Gateway to Reading: 250+ Author Games and Booktalks to Motivate Middle Readers is a powerful tool for luring middle-school students away from the distractions of 21st-century media and introducing them to junior or 'tween novels that they won't be able to put down. By presenting children with a challenge to engage their minds—racing to decode book titles, or using their creativity to come up with titles of their own, for example—students are naturally drawn towards reading these books from well-known children's authors.
