Introduction

Know what you REALLY need

Successfully saving for retirement means knowing the target

Seven most common areas of spending

Total needs minus money coming in = the gap

Understanding the gap

Should I save for my 37 year old child's education?

Do you have areas of financial leakage?
Why paying cash instead of using a credit card saves tons of money!
What does moving into retirement mode early mean???
Nobody really says, "I really want to work longer because I can't afford to retire."
The eternal question, "should I take Social Security early or late???"
Why getting out of debt ASAP is of paramount importance!
Why downsizing is a good idea long BEFORE retirement happens...
Sell the stuff you don't need, it's more important than just the cash!
Why starting a pre-retirement side-hustle is supremely important and totally fun!
