Helen insists that they accept the gypsies' help and leaves a note for Tom. Unknown to the two girls, the gypsies remove the note, leaving no clue as to where the girls went. Soon after the girls join the gypsy caravan, they realize that they are in danger. The gypsies intend to keep them captive and demand ransom from their families. He pushed Ruth roughly back into her seat. While captive, Ruth sees the valuable necklace which is in possession of the queen of the gypsies. Later, Helen and Ruth escape from the gypsies and return to Briarwood Hall. Upon their arrival at the school, Ruth learns that a five-thousand dollar reward has been offered for the recovery of a valuable necklace that was stolen from the aunt of a new student. Ruth sorely wants to become independent of her Uncle Jabez, whose allowance is offered so grudgingly. Ruth's thoughts center upon the necklace and her desire to locate it and claim the reward.

Idlers halted to wait for the appearance of the wedding party, which was about to come forth. Some of the younger spectators ran up the steps and peered in at the door, for there was only a lame, old, purblind sexton on guard, and he, too, seemed vastly interested in what was going on inside. One glance down the main aisle of the great edifice revealed a much more elaborate scheme of decoration than usually appears at a church wedding. Its main effect was the intertwining of French and American flags, and as the bridal party turned from the altar the horizon blue uniform of the soldier-bridegroom was a patch of vivid color that could not be mistaken. The bride in her white gown and veil and wreath made, it may be, even a more prominent picture than did her husband. But that was only to be expected perhaps, for a girl on her wedding day, and in the church, is usually the focus of all eyes. It must be confessed (even her dearest friends must confess it) there was another reason why she who, only a moment before had been Jennie Stone, quite filled the public eye.

Wonota and her father, Chief Totantora, are now under contract to Mr. Hammond and plan to appear in Ruth's next film, which is to be filmed in the Thousand Islands. An unscrupulous rival filmmaker, Horatio Bilby, tries to break Wonota and Totantora's contract with Mr. Hammond. In order to thwart Bilby, the two flee over the border to Canada, and their disappearance adds to the cost of Ruth's film and threatens to halt production completely.

"The sudden joyous pealing of the organ could be heard upon the sidewalk before the stately church. As there was a broad canopy from the door to the curb, with a carpet laid down and motor-cars standing in line, it took no seer to proclaim that a wedding was in progress within. Idlers halted to wait for the appearance of the wedding party, which was about to come forth. Ruth Fielding At Sunrise Farm; Or, What Became of the Raby Orphans

Alternating chapters of historical background and literary analysis, this study argues that postbellum series books inspired young women by illustrating the ways in which girls could participate in social change, whether through church societies, benevolent organizations, educational institutions or political groups. By 1900, however, the socialization of series heroines had shifted to the consumer marketplace, where girls could develop personality and taste through their purchases. Both models had benefits: Religious faith and political activism gave young women moral power within their communities; consuming gave them opportunities to indulge individual desires and often to socialize in public without adult oversight. This work adds to the existing scholarship on girls' culture not only by examining the beginnings of series fiction for girls and the models of womanhood it presented but also by tracing the shifting social ideologies of girlhood throughout the 19th and early 20th centuries.

Ruth Fielding in Moving Pictures

During World War I, as young men journeyed overseas to battle, American women maintained the home front by knitting, fundraising, and conserving supplies. These became daily chores for young girls, but many longed to be part of a larger, more glorious war effort--and some were. A new genre of young adult books entered the market, written specifically with the young girls of the war period in mind and demonstrating the wartime activities of women and girls all over the world. Through fiction, girls could catch spies, cross battlefields, man machine guns, and blow up bridges. These adventurous heroines were contemporary feminist role models, creating avenues of leadership for women and inspiring individualism and self-discovery. The work presented here analyzes the powerful messages in such literature, how it created awareness and grappled with the engagement of real girls in the United States and Allied war effort, and how it reflects their contemporaries' awareness of girls' importance.
