Shadows on the Seine

A family saga: M. Latille, multi-millionaire and CEO of the family business, dies plunging his young mistress (and their love child) into a desperate situation. The family conspires to "wipe the family name clean" by intimidation, blackmail and attempted murder.

One Man's Revenge

THEY'RE HERE! Terrorists are in southeastern Florida. The plan is to blow up certain bridges along the Intracoastal Waterway from Jacksonville to Miami. Their goal is to arouse fear in every person in the United States. When will they strike? What bridges? Is anyone safe from these nonreligious, Middle Eastern mercenaries who worship only money? Characters aren't always who they seem to be. Greed, mistrust and hatred surprise the reader. Sex is sometimes used for exploitation, yet true love exists. Suspense surges--to the last page.

Baron Trigault's Vengeance (1913)

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.

Resistance and Revenge

Initially published in French under the title Operation Nemesis, this revealing work is now available to the English-speaking public for the first time. It ranks as a major revision in the historic study of the Armenian resistance to the Ottoman genocide of Armenians. Operation Nemesis is a study of the Armenian Revolutionary Federation (the Tashnak Party) and the individuals responsible for the execution of Turkish leaders. Until Derogy's book, it had been assumed that the assassins were acting out of personal and emotional motives. But through an amazing amount of detective work, it becomes clear that they were in fact part of a disciplined effort to seek retribution for historic crimes against the Armenian people. The work richly details Turkish plans for the liquidation of the Armenian people, the individuals selected to liquidate the genocidists, and above all, and most complex, to document for the first time the role of the organized Armenian political opposition to Turkish rule. In doing so, Derogy

brings to light the relation between the legal party and its extra-legal arm; the mechanisms needed to implement the daring plan of assassination; and the special postwar circumstances in which the Armenian nation found itself - torn asunder by a Turkish-Soviet detente in which the independence of Armenia became the sacrificial pawn. Derogy worked closely with scholars around the world, and interviewed firsthand remaining survivors who had direct contact with the events described. His is a detective story of the first rank, no less than a piece of historical reconstruction with obvious portent for current Armenian efforts to recapture political legitimacy and personal pride.

Free To Love Again

Free to Love Again, begins with Peter and Megan leaving on their sailing adventure from Puerto San Luis, Mexico to Paris, France, to be married. After finding each other, both Peter and Megan have over-come their unbearable sadness, realizing that they were now free to love again. Their saga takes them through the South Pacific, the Suez Canal, Tarifa Spain and Morocco. Unbeknownst to them, Megan's former lover Michael, had survived the shooting and was hot on their trail, still wanting to kill her. Murder, intrigue, revenge, money and greed take them on a run-for-their-lives journey into the waiting arms of fate.

Bourgeois Europe, 1850-1914

Now in its second edition, *Bourgeois Europe, 1850–1914* is a general history of Europe from the middle of the nineteenth century to the outbreak of the First World War, a successor to *Revolutionary Europe: 1780–1850*, also available from Routledge. The book offers wide geographic coverage of the European continent, from the Arctic Circle to the Mediterranean and from the Atlantic to the Urals. Topical coverage is equally broad, including major trends and events in international relations and domestic politics, in social and gender structures, in the economy, and in the natural and social sciences, the humanities, religion and the arts. For this second edition, the text has been completely revised, the latest directions in historical research considered, the further reading brought up to date and special attention has been paid to Europe's global interactions with the rest of the world and the structures and norms of gender relations. Tables, charts, maps and other explanatory features help students explore further in the areas that interest them. Written in sprightly, jargon-free clear prose, the book is ideal for use as a text in secondary school or university courses, as well as for general readers wishing to gain an overview of a crucial era of modern European history.

Revenge I Will Have

Mired in grief over the recent murder of his girlfriend, Alice, at the hands of his psychotic ex-lover, Jessica, former Navy SEAL turned Wall Street banker Jake Logan is suddenly called back into action. While his team's primary target is internationally known terrorist financier Asyd Omar Batdadi, a.k.a. "the Bat," the mission soon becomes personal for Jake when he learns that Jessica—a dangerous woman with dissociative identity disorder—is wrapped up in the plot. In fact, Jake's connection to Jessica is the very reason he has been reactivated as a SEAL. Their efforts to capture or kill Batdadi and his associates soon take Jake and his fellow SEALs to various locations in Europe and the United States, but the wily terrorist manages to elude them at every turn. In the midst of their hunt, they learn that, with Jessica's help, Batdadi is plotting a bold terrorist strike on American soil. For Batdadi, it is an act of revenge for America's interference in the lives of his Middle Eastern brethren, a chance to put himself in the "terrorist hall of fame" alongside names like Osama Bin Laden. For Jessica, it is the ultimate form of payback against the journalists whom she holds responsible for ruining her life and her future with Jake. Battling a ticking clock, international criminal masterminds, and his own grief, Jake strives to transform his troubled relationship with Jessica from a liability into an asset, his only hope of saving thousands of innocent lives—not to mention his soul.

The King's Revenge

When Charles I was executed, his son Charles II made it his role to search out retribution, producing the biggest manhunt Britain had ever seen, one that would span Europe and America and would last for thirty years. Men who had once been among the most powerful figures in England ended up on the scaffold, on the run, or in fear of the assassin's bullet. History has painted the regicides and their supporters as fanatical Puritans, but among them were remarkable men, including John Milton and Oliver Cromwell. Don Jordan and Michael Walsh bring these remarkable figures and this astonishing story vividly to life an engrossing, bloody tale of plots, spies, betrayal, fear and ambition.

The Hollywood Reporter

Based on newly-discovered, secret documents from German archives, diaries and newspapers of the time, *Gun Control in the Third Reich* presents the definitive, yet hidden history of how the Nazi regime made use of gun control to disarm and repress its enemies and consolidate power. The countless books on the Third Reich and the Holocaust fail even to mention the laws restricting firearms ownership, which rendered political opponents and Jews defenseless. A skeptic could surmise that a better-armed populace might have made no difference, but the National Socialist regime certainly did not think so—it ruthlessly suppressed firearm ownership by disfavored groups. *Gun Control in the Third Reich* spans the two decades from the birth of the Weimar Republic in 1918 through Kristallnacht in 1938. The book then presents a panorama of pertinent events during World War II regarding the effects of the disarming policies. And even though in the occupied countries the Nazis decreed the death penalty for possession of a firearm, there developed instances of heroic armed resistance by Jews, particularly the Warsaw ghetto uprising.

Gun Control in the Third Reich

Provides a comprehensive survey of the key events and personalities of this period.

A History of the World from the 20th to the 21st Century

Peter Sellers was a genius, whose unique mastery created enduring comic characters. But behind the man that could make the world laugh was a tragic sadness. Employing his creations as masks to hide behind, Sellers was convinced his own life was meaningless and empty. Acclaimed (*On Sunset Boulevard* - the story of Billy Wilder) biographer Ed Sikov has spoken to many who knew and worked with Sellers, including Sophia Loren, Goldie Hawn, and Roman Polanski. Sikov reveals how Sellers was a casualty of his own insecurities and used his public persona to mask his tormented private life, littered with four marriages (and three divorces), countless affairs, and drug and alcohol abuse. This is the authoritative and touching story of a majestic comedian, showing the very private face of a man whose world was lived through the public arena. 'An authoritative biography and a compulsive page turner.' Michael Palin, *New York Times* 'Sikov's book is often melancholy, but always informative, and entertaining... They don't really make 'em like that any more - you can't get the wood you know' Simon Louvish, *Guardian*

Mr Strangelove

In 1938, after four years in hiding in Switzerland, journalist Hannah Vogel believes the coast is clear and takes the opportunity for a holiday with her 13-year-old son Anton. Traveling again under the name of Adelheid Zinsli, they arrive in Poland to cover the St. Martin festival, only to learn of the deportation of 12,000 Polish Jews from Germany. Hannah drops everything to get the story on the refugees, soon discovering that the wife of a friend of among them. Running headlong into danger, she agrees to help find the woman's missing daughter—a promise which leads her straight into the arms of the SS, as well as those of Lars Lang, the lover she had presumed dead two years before. Injured, she and Anton are trapped in Berlin with Lars days before Kristallnacht—the Night of Broken Glass—where she is torn between ensuring their escape, and keeping her promise. But she can't turn her back on this one little girl, even if it plunges her and her family into danger. Praise for *A City of Broken Glass*: "In this fourth novel in a superbly written historical mystery series, Rebecca Cantrell once again tells a fast-paced story about the indomitable Hannah Vogel, a journalist, mother and fervent anti-Nazi Berliner... Set against the haunting backdrop of Kristallnacht, the Night of Broken Glass, the novel holds many surprises for Vogel, who becomes trapped in Berlin with Anton and a former lover. Cantrell drops you into 1930s Berlin, and the fear and chaos swirl around you." — *USA Today* "Cantrell's

fourth historical featuring journalist Hannah Vogel (after *A Game of Lies*) is compulsively readable. A palpable sense of dread builds, as we know that Kristallnacht, the Nazi pogrom of November 1938, is imminent. This award-winning series succeeds at weaving a very personal story into a well-researched historical survey. In an increasingly crowded genre period, Cantrell's series stands tall." — Library Journal (starred) "With compelling characters and a narrative which makes it hard to put down, *A City of Broken Glass* combines romantic thriller with historical tragedy." — Historical Novel Society "The opening of Cantrell's gripping fourth novel featuring journalist Hannah Vogel (after 2011's *A Game of Lies*) finds Vogel and her 13-year-old son, Anton, in 1938 Poland...Cantrell poignantly conveys the plight of Nazi Germany's Jews through the story of one child." — Publishers Weekly

Frederick the Great and His Family; A Historical Novel

Reprint. Originally published: Princeton, New Jersey: Princeton University Press, A 2013.

The Lives of the Novel

A remarkable story of a forgotten seventeen-year-old Jew who was blamed by the Nazis for the anti-Semitic violence and terror known as the Kristallnacht, the pogrom still seen as an initiating event of the Holocaust. After learning about Nazi persecution of his family, Herschel Grynszpan (pronounced Greenspan) bought a small handgun and on November 7, 1938, went to the German embassy and shot the first German diplomat he saw. When the man died two days later, Hitler and Goebbels made the shooting their pretext for the state-sponsored wave of anti-Semitic terror known as Kristallnacht, still seen by many as an initiating event of the Holocaust. Overnight, Grynszpan, a bright but naive teenager, was front-page news and a pawn in a global power struggle.

Hitler's Pawn

Miss Dior is a wartime story of freedom and fascism, beauty and betrayal and 'a gripping story' (Antonia Fraser). 'Exceptional . . . Miss Dior is so much more than a biography. It's about how necessity can drive people to either terrible deeds or acts of great courage, and how beauty can grow from the worst kinds of horror.' DAILY TELEGRAPH Miss Dior explores the relationship between the visionary designer Christian Dior and his beloved younger sister Catherine, who inspired his most famous perfume and shaped his vision of femininity. Justine Picardie's journey takes her to wartime Paris, where Christian honed his couture skills while Catherine dedicated herself to the French Resistance and the battle against the Nazis, until she was captured by the Gestapo and deported to the German concentration camp of Ravensbrück. Tracing the wartime paths of the Dior siblings leads Picardie deep into other hidden histories, and different forms of resistance and sisterhood. She discovers what it means to believe in beauty and hope, despite our knowledge of darkness and despair, and reveals the timeless solace of the natural world in the aftermath of devastation and destruction. 'Extraordinary . . . Picardie uses her investigative reporting skills . . . the result is Netflix-worthy and the pace page-turning . . . Catherine's story shines - the quiet Dior who preferred flowers to fashion, the unsung heroine who survived the abuse of the Third Reich to help liberate France.' SUNDAY TIMES

Miss Dior

'Smart, sophisticated and suspenseful.' HARLAN COBEN 'Sleek, cunning and breakneck.' MEGAN ABBOTT 'Thriller writing at its absolute best.' JEFFREY DEAVER 'Top-tier.' New York Times From the top ten bestselling author of *The Expats*: Kate Moore is back in a pulse-pounding thriller which takes place over the course of one nail-biting day. Kate Moore - a mother with an interesting past - is living the quiet life in another European city, or trying to. On her way to drop her children off at school in the city centre, the cafes and streets of Paris start to come alive around her. Kate's husband Dex, meanwhile, charged with finding a particular present for their son's birthday, is struggling to focus on the job in hand

as a financial matter at work seems to be playing on his mind. As worrying reports begin to circulate from key locations around the city, and the sound of wailing sirens becomes increasingly hard to ignore, could their day and, indeed, their lives be about to change forever?

The Paris Diversion

This book traces the origins of a faith--perhaps the faith of the century. Modern revolutionaries are believers, no less committed and intense than were Christians or Muslims of an earlier era. What is new is the belief that a perfect secular order will emerge from forcible overthrow of traditional authority. This inherently implausible idea energized Europe in the nineteenth century, and became the most pronounced ideological export of the West to the rest of the world in the twentieth century. Billington is interested in revolutionaries--the innovative creators of a new tradition. His historical frame extends from the waning of the French Revolution in the late eighteenth century to the beginnings of the Russian Revolution in the early twentieth century. The theater was Europe of the industrial era; the main stage was the journalistic offices within great cities such as Paris, Berlin, London, and St. Petersburg. Billington claims with considerable evidence that revolutionary ideologies were shaped as much by the occultism and proto-romanticism of Germany as the critical rationalism of the French Enlightenment. The conversion of social theory to political practice was essentially the work of three Russian revolutions: in 1905, March 1917, and November 1917. Events in the outer rim of the European world brought discussions about revolution out of the school rooms and press rooms of Paris and Berlin into the halls of power. Despite his hard realism about the adverse practical consequences of revolutionary dogma, Billington appreciates the identity of its best sponsors, people who preached social justice transcending traditional national, ethnic, and gender boundaries. When this book originally appeared The New Republic hailed it as "remarkable, learned and lively," while The New Yorker noted that Billington "pays great attention to the lives and emotions of individuals and this makes his book absorbing." It is an invaluable work of history and contribution to our understanding of political life.

Fire in the Minds of Men

Jack Christie is back with an explosive mission - can a teenage time-traveller stop the Second World War going nuclear? Travelling back to the 1940s, Jack finds the world at a crucial turning point as the Nazis threaten world domination. Risking everything, Jack must protect the past to save the world as we know it. High octane and high speed - the third of the JACK CHRISTIE ADVENTURES takes Jack on the ride of his life.

Day Of Vengeance

The gripping, true story of a brutal serial killer who unleashed his own reign of terror in Nazi-Occupied Paris. As decapitated heads and dismembered body parts surfaced in the Seine, Commissaire Georges-Victor Massu, head of the Brigade Criminelle, was tasked with tracking down the elusive murderer in a twilight world of Gestapo, gangsters, resistance fighters, pimps, prostitutes, spies, and other shadowy figures of the Parisian underworld. But while trying to solve the many mysteries of the case, Massu would unravel a plot of unspeakable deviousness. The main suspect, Dr. Marcel Petiot, was a handsome, charming physician with remarkable charisma. He was the "People's Doctor," known for his many acts of kindness and generosity, not least in providing free medical care for the poor. Petiot, however, would soon be charged with twenty-seven murders, though authorities suspected the total was considerably higher, perhaps even as many as 150. Petiot's trial quickly became a circus. Attempting to try all twenty-seven cases at once, the prosecution stumbled in its marathon cross-examinations, and Petiot, enjoying the spotlight, responded with astonishing ease. Soon, despite a team of prosecuting attorneys, dozens of witnesses, and over one ton of evidence, Petiot's brilliance and wit threatened to win the day. Drawing extensively on many new sources, including the massive, classified French police file on Dr. Petiot, *Death in the City of Light* is a brilliant evocation of Nazi-Occupied Paris and a harrowing exploration of murder, betrayal, and evil of staggering proportions.

Death in the City of Light

Discloses the Israeli plan to assassinate the known terrorist leaders responsible for the Munich massacre of Israeli athletes and chronicles the story of the hit-squad's leader, a man morally destroyed by his mission.

The American Film Institute Catalog of Motion Pictures Produced in the United States

Deeply involved in the Holocaust as Heinrich Himmler's deputy for administration, Karl Wolff personally arranged for the transportation of 300,000 Jews from Poland to the Treblinka death camp in 1943. He went to trial in Germany and received a short prison sentence in 1964. But Wolff, even more than Reinhard Heydrich, could claim to enjoy Adolf Hitler's complete confidence. He was appointed SS police chief in northern Italy in 1943-1945 and ordered by the Führer himself to kidnap the Pope and the cardinals and take them to Germany. Wolff managed to talk Hitler out of the wild scheme and escaped hanging at Nuremberg by negotiating the surrender of the German armies in Italy with Allen Dulles in Switzerland.

Top Nazi

The story of the Palestinian terrorist who with his henchmen has committed over 100 acts of terrorism.

Fire in the Minds of Men

The first genocide of the 20th century was the slaughter of 1.5 million Armenians by Turkish troops in 1915. Yet even now, the world will not acknowledge this tragic event. A Crime of Vengeance tells the story of Soghomon Tehlirian, a young survivor of the massacres, who in 1921 tracked down and murdered the high-ranking Turkish official who ordered the killings. Will be published on the official day of Remembrance for the Armenian genocide.

The American Film Institute Catalog of Motion Pictures

An essential history of the May 1968 upheaval in France--and how it changed the world. Prelude to Revolution is the indispensable study of May 1968. Generations have looked to this book for inspiration. Singer, who died in 2000, was widely considered the most adept interpreter of European politics for American audiences. He shows here how change happens--and why it is needed

The Master Terrorist

Offers a transnational perspective on 17th-century English republicanism, focusing on the lived experiences of English republican exiles.

A Crime of Vengeance

Is your month-by-month, day-by-day guide to recognizing and observing the people, events, and institutional practices of multicultural significance.

Revenge of the Creature Features Movie Guide

While much attention has focused on society, culture, and the military during the Algerian War of Independence, *Law, Order, and Empire* addresses a vital component of the empire that has been overlooked: policing. Samuel Kalman examines a critical component of the construction and maintenance of a racial state by settlers in Algeria from 1870 onward, in which Arabs and Berbers were subjected to an ongoing campaign of symbolic, structural, and physical violence. The French administration encouraged this construct by expropriating resources and territory, exploiting cheap labor, and monopolizing government, all through the use of force. Kalman provides a comprehensive overview of policing and crime in French Algeria, including the organizational challenges encountered by officers. Unlike the metropolitan variant, imperial policing was never a simple matter of law enforcement but instead engaged in the defense of racial hegemony and empire. Officers and gendarmes waged a constant struggle against escalating banditry, the assault and murder of settlers, and nationalist politics—anti-colonial violence that rejected French rule. Thus, policing became synonymous with repression, and its brutal tactics foreshadowed the torture and murder used during the War of Independence. To understand the mechanics of empire, Kalman argues that it was the first line of defense for imperial hegemony. *Law, Order, and Empire* outlines not only how failings in policing were responsible for decolonization in Algeria but also how torture, massacres, and quotidian colonial violence—introduced from the very beginning of French policing in Algeria—created state-directed aggression from 1870 onward.

Prelude to Revolution

Bella Lawrence can't hide her disappointment after she loses the auction for a painting that she wanted to get for her grandmother's birthday present. Instead the work went to a man with a hard face and a confident smile. So she is pleased when the same man, Olivier, shows up at her grandmother's birthday party. When he asks Bella to go on a date, she is enthralled by his magical words. How could she possibly know that this is all part of Olivier's plan for revenge on the Lawrence family.

The English Republican Exiles in Europe during the Restoration

This was the first bibliography and guide to the American mass market paperback book, and it remains one of the most definitive. The major index is by author, and lists: author, title, publisher, book number, year of publication, and cover price. The title index lists titles and authors only. The publisher index provides a history of that imprint, with addresses, number ranges, and general physical description of the books issued. This is the place that all study of the American paperback must begin.
