

## My Brother Sam Is Dead

[#My Brother Sam Is Dead](#) [#James Lincoln Collier](#) [#Christopher Collier](#) [#American Revolutionary War](#) [#Young Adult Literature](#)

My Brother Sam Is Dead is a historical fiction novel that explores the complexities of the American Revolutionary War through the eyes of a young boy named Tim Meeker. He struggles with divided loyalties as his brother, Sam, joins the Continental Army while his father remains a Tory. The story vividly portrays the hardships, moral dilemmas, and devastating consequences of war on families and communities during a pivotal period in American history, ultimately examining themes of freedom, sacrifice, and the cost of conflict.

## Che, My Brother

On 9 October 1967, Ernesto Che Guevara, Marxist guerrilla leader and hero of the Cuban Revolution, was captured and executed by Bolivian forces. When the Guevara family learned from the front pages that Che was dead, they decided to say nothing. Fifty years on, his younger brother, Juan Martin,

breaks the silence to narrate his intimate memories and share with us his views of the character behind one of history's most iconic figures. Juan Martin brings Che back to life, as a caring and protective older brother. Alongside the many practical jokes and escapades they undertook together, Juan Martin also relates the two extraordinary months he spent with the Comandante in 1959, in Havana, at the epicentre of the Cuban Revolution. He remembers Che as an idealist and adventurer and also as a committed intellectual. And he tells us of their parents - eccentric, cultivated, bohemian - and of their brothers and sisters, all of whom played a part in his political awakening. This unique autobiographical account sheds new light on a figure who continues to be revered as a symbol of revolutionary action and who remains a source of inspiration for many who believe that the struggle for a better world is not in vain.

### My Life With Che

He stayed to talk that day for some time. Eventually Lucila left the room. Then we turned to more personal matters, the disagreement completely forgotten. I confessed that I had been deeply moved by what he had written in the book 'Che Guevara's first wife, Hilda Gadea, was with him during a tumultuous period in his life, the period which turned him from an intellectual theorist to a dedicated revolutionist. After 5 years of marriage and the birth of their daughter, Hildita, Hilda Gadea paints an intimate and extraordinary portrait of this legendary figure; one who is a romantic wanderer, a philosopher and doting suitor and father. Ernesto Guevara and Hilda Gadea met in Guatemala as members of the political-exile community. Later they were forced to flee Mexico, where their friendship grew stronger and where, stimulated by the intelligence and knowledge of Hilda, Che's vista's broadened and his convictions hardened. Hilda's account of their life together in Mexico is filled with joy but at times is terribly strained. They found it difficult to make a living and Che suffered from severe asthmatic attacks. Nevertheless the excitement of involvement with the Castros and other Cuban refugees infuses every page. Gradually the character of this great leader is revealed by the woman who knew him best, providing a vital key to a comprehension of Che's legendary qualities.

### Fidel and Che

A unique dual portrait shines new light on two of the most dramatic figures of the twentieth century. Drawing on sources in Cuba, Latin America, the United States, Europe, and Russia, and on material not available to previous biographers, Simon Reid-Henry has crafted a compelling portrait of a revolutionary era and the two men whose names and deeds personify it: Fidel Castro and Che Guevara. What began as an association of convenience would fundamentally shape their political visions, propelling them further than either had dared imagine. Ironically, though, their jointly conceived vision of revolution would ultimately force them to choose between friendship and their beliefs. At a momentous turning point in Cuban history, Simon Reid-Henry offers a fascinating and original chronicle of two of the most powerful personalities in recent memory.

### Brother of the More Famous Jack

Stylish, suburban Katherine is eighteen when she is propelled into the centre of Professor Jacob Goldman's rambling home and his large eccentric family. As his enchanting yet sharp-tongued wife Jane gives birth to her sixth child, Katherine meets the volatile, stropky Jonathan and his older, more beautiful brother Roger, who wins her heart. First love quickly leads to heartbreak and sends her fleeing to Rome but, ten years on, she returns to find the Goldmans again. A little wiser and a lot more grown-up, Katherine faces her future. Brother of the More Famous Jack is Barbara Trapido's highly acclaimed and much loved debut; a book that redefined the coming-of-age novel.

### Best-Ever Big Brother

Babies sure have a lot of growing up to do! They can't eat with a fork, sleep in a real bed, poop on a potty, ride a trike, or read a book. On every sweet lift-the-flap spread, Karen Katz's illustrations celebrate the varied accomplishments of older siblings who may be in need of a little ego-stroking after a new baby's arrival! Each book ends on a warm, loving note with the older child reassuring the baby that "one day you'll be big like me."

### My Brother Stevie

An unmanageable younger brother makes life difficult for his sister until a sympathetic school teacher befriends and helps them both.

### The Brothers Karamazov

The Brothers Karamazov, also translated as The Karamazov Brothers, is the final novel by the Russian author Fyodor Dostoyevsky. Dostoyevsky spent nearly two years writing The Brothers Karamazov, which was published as a serial in The Russian Messenger and completed in November 1880. The author died less than four months after its publication. The Brothers Karamazov is a passionate philosophical novel set in 19th century Russia, that enters deeply into the ethical debates of God, free will, and morality. It is a spiritual drama of moral struggles concerning faith, doubt, judgement, and reason, set against a modernizing Russia, with a plot which revolves around the subject of patricide. Dostoyevsky composed much of the novel in Staraya Russa, which inspired the main setting. Since its publication, it has been acclaimed as one of the supreme achievements in world literature.

### Dream Brother

When Jeff Buckley drowned in 1997, the music world was shaken to its foundations, not least because of the echoes of his father Tim's demise. He too had been a brilliant and innovative musician with an extraordinary five-octave voice; and he too had died young, 28 in fact, after an accidental drugs overdose. But there the similarities end. Jeff hardly knew Tim, spending little more than a few weeks with him as a boy. Their careers were very different, Tim releasing eight albums in his lifetime, including the beautiful HappySad and the extraordinary and still out-there Starsailor, while Jeff released just one - the brilliant Grace, generally acknowledged as one of the great albums of the 90s. More than just a biography of two musicians, Dream Brother is the story of what happens when The Business hooks up with The Artist, ultimately to neither's benefit.

### My Brother Ron

America started a grand experiment in the 1960s: deinstitutionalization of the mentally ill. The consequences were very destructive: homelessness; a degradation of urban life; increases in violent crime rates; increasing death rates for the mentally ill. My Brother Ron tells the story of deinstitutionalization from two points of view: what happened to the author's older brother, part of the first generation of those who became mentally ill after deinstitutionalization, and a detailed history of how and why America went down this path. My Brother Ron examines the multiple strands that came together to create the perfect storm that was deinstitutionalization: a well-meaning concern about the poor conditions of many state mental hospitals; a giddy optimism by the psychiatric profession in the ability of new drugs to cure the mentally ill; a rigid ideological approach to due process that ignored that the beneficiaries would end up starving to death or dying of exposure.

### Systems of Consanguinity and Affinity of the Human Family

Modern anthropology would be radically different without this book. Published in 1871, this first major study of kinship, inventive and wide-ranging, created a new field of inquiry in anthropology. Drawing partly upon his own fieldwork among American Indians, anthropologist Lewis Henry Morgan examined the kinship systems of over one hundred cultures, probing for similarities and differences in their organization. In his attempt to discover particular types of marriage and descent systems across the globe, Morgan demonstrated the centrality of kinship relations in many cultures. Kinship, it was revealed, was an important key for understanding cultures and could be studied through systematic, scientific means. Anthropologists continue to wrestle with the premises, methodology, and conclusions of Systems of Consanguinity and Affinity. Scholars such as W. H. R. Rivers, Robert Lowie, Meyer Fortes, Fred Eggan, and Claude Lévi-Strauss have acknowledged their intellectual debt to this study; those less sympathetic to Morgan's treatment of kinship nonetheless do not question its historical significance and impact on the development of modern anthropology.

### My Brother's Book

Sendak's last complete work which he based on Shakespeare's Winter's Tale.

### Systems of Consanguinity and Affinity of the Human Family

One January morning in 1734, cloth merchant Peter Collinson hurried down to the docks at London's Custom House to collect cargo just arrived from John Bartram in the American colonies. But it was not bales of cotton that awaited him, but plants and seeds... Over the next forty years, Bartram would send hundreds of American species to England, where Collinson was one of a handful of men who would foster a national obsession and change the gardens of Britain forever: Philip Miller, author of the bestselling *Gardeners Dictionary*; the Swede Carl Linnaeus, whose standardised botanical nomenclature popularised botany; the botanist-adventurer Joseph Banks and his colleague Daniel Solander who both explored the strange flora of Tahiti and Australia on Captain Cook's *Endeavour*. This is the story of these men - friends, rivals, enemies, united by a passion for plants. Set against the backdrop of the emerging empire and the uncharted world beyond, *The Brother Gardeners* tells the story how Britain became a nation of gardeners.

### The Brother Gardeners

Until now, the true story of John Lennon's childhood has never been told. John's sister Julia has herself been on a personal journey that has made it possible only now to reveal the full extent of the pain and difficulties - as well as the happier times - living inside John Lennon's family brought. Julia reveals the various strong, self-willed and selfish women who surrounded John as he grew up. John was removed from his mother at the age of 5 to live with his Aunt Mimi, and here Julia shows for the first time the cruelty of this decision - to both mother and son, she sheds a new light on his upbringing with Mimi which is often at dramatic odds with the accepted tale. John's frequent visits to his mother and sisters gave him the liveliness, freedom and love he sought and allowed him to develop his musical talents. The tragic death of their mother, knocked down outside Aunt Mimi's house by a speeding car when John was 17, meant that life for him and his sisters would never be the same again. Poignant, raw and beautifully written, *IMAGINE THIS* casts John Lennon's life in a new light and reveals the source of his emotional fragility and musical genius. It is also one family's extraordinary story of how it dealt with fame and tragedy beyond all imagining.

### Imagine This

An older brother shows what his younger brother does during a day.

### Me and My Brother

Jamaica Kincaid's brother Devon Drew died of AIDS on January 19, 1996, at the age of thirty-three. Kincaid's incantatory, poetic, and often shockingly frank recounting of her brother's life and death is also a story of her family on the island of Antigua, a constellation centered on the powerful, sometimes threatening figure of the writer's mother. *My Brother* is an unblinking record of a life that ended too early, and it speaks volumes about the difficult truths at the heart of all families. *My Brother* is a 1997 National Book Award Finalist for Nonfiction.

### My Brother

Sam Waver's life has always been pretty quiet. A bit of a loner, he struggles to make friends, and his busy parents often make him feel invisible. Luckily for Sam, his older brother, Jason, has always been there for him. Sam idolises Jason, who seems to have life sorted - he's kind, popular, amazing at football, and girls are falling over themselves to date him. But then one evening Jason calls his family together to tell them that he's been struggling with a secret for a long time. A secret which quickly threatens to tear them all apart. His parents don't want to know and Sam simply doesn't understand. Because what do you do when your brother says he's not your brother at all? That he thinks he's actually . . . your sister?

### My Brother's Name is Jessica

"A masterpiece."-- The Guardian "Superb."-- The New York Times Review of Books Older brother is a driver for an app-based car service. Closed off for eleven hours every day in his cab, constantly tuned in to the radio, he ruminates about his life and the world that is waiting just on the other side of the windshield. Younger brother set out for Syria several months ago, full of idealism. Hired as a nurse by a Muslim humanitarian organization, he has recently stopped sending any news back home. This silence eats away at his father and brother, who ask themselves over and over again: why did he leave? One evening, the intercom rings. Little brother has come home. In this incisive first novel, Mahir Guven

alternates between lively humour and the gravity imposed by the threat of terrorism. He explores a world of Uberized workers, weighed down by loneliness, struggling to survive, but he also describes the universe of those who are actors in the global jihad: indoctrination, combat, their impossible return . . . This is the poignant story of a Franco-Syrian family whose father and two sons try to integrate themselves into a society that doesn't offer them many opportunities.

### Older Brother

The international success of the film *The Motorcycle Diaries* and of the books it is based on makes clear our deep and continuing fascination with the young Che Guevara. Now, this landmark book offers a rich and wider perspective. It constitutes the definitive insider portrait of Che from his birth to the moment he joined Castro to train for the invasion of Cuba - an episode which changed his life - and the course of history - for ever. This volume is assembled from two separate books never previously published in English - *My Son Che* and *A Soldier of the Americas*, both written by Che's father, Ernesto Guevara Lynch. It also includes, for the first time anywhere, Che's diary of his bicycle journey around Northern Argentina. In a unique and wonderfully vivid narrative, we are shown Che's bourgeois but nonconformist childhood, the people and books that shaped him and the political events that rocked his teenage years, including the Spanish Civil War and the emergence of Nazism. Drawing on Che's letters as he travels further and further afield on his journeys into Latin America, the book charts his excitement at what he sees, the spontaneous empathy he feels for those he meets and the humour with which he conveys his feelings - all of which sheds new light on the development of an intrepid, compassionate and adventurous boy who grew to become an iconic hero throughout the world.

### me and my brother

Featuring children's own words and heart-warming pictures, this book is the perfect gift for a brother, or for children expecting a new sibling. 'I love my brother because...' 'Everyone's brother is the best. And who better to tell the world than children themselves?' This charming book combines endearing things said by children about their brothers with gentle illustrations of familiar animals. The text is amusing and insightful, with reasons why brothers are loved by their siblings. With beautiful pictures and charming words from children all about brothers it's just right to give to your brother and to read together!

### The Young Che

Every Move You Make. . . Surveillance expert Seth Mackey knows everything about the women that his millionaire boss toys with--and tosses aside. Raine Cameron is something different. Night after night, Seth watches her on a dozen different video screens. Her vulnerable beauty haunts him and her fresh innocence stirs a white-hot passion that he can barely control. Raine is pure temptation, but Seth has something more important to take care of first. He's convinced that his boss, Victor Lazar, is responsible for his half-brother's murder. He cannot put his secret investigation at risk, but he can't stop wanting her--craving her--and soon he knows he can't let Victor have her. For Raine may be Victor's next victim. . . Every Breath You Take Raine knows she's being watched--but no one can see the secrets in her heart. She has reasons of her own to seek revenge on Victor Lazar, and she will, despite her fear--and the distracting presence of Seth Mackey. Though Raine has little experience with men, Seth's fiercely masculine good looks and animal sensuality stir her most erotic fantasies when she's alone. . . and lead her to a bold plan. Offering her body to him, surrendering totally to his ruthless desire might well push her beyond all emotional limits--and beyond fear itself.

### Smithsonian Contributions to Knowledge

An updated edition of the bestselling autobiography of Charlie Kray, elder brother of the Kray twins, Ronnie and Reggie, who are brought to the screen this autumn in a major motion picture.

### Why I Love My Brother

From the bestselling author of *The Reinvention of Love*, a heartbreaking memoir of grief and a profound examination of the meaning of life. Helen Humphreys' younger brother was gone before she could come to terms with the fact that he was terminally ill. Diagnosed with stage 4B pancreatic cancer at the age of forty-five, he died four months later, leaving behind a grieving family. Martin was an extraordinary pianist who debuted at the Royal Festival Hall in London at the age of twenty, later becoming a piano teacher and senior examiner at the Royal Conservatory of Music. The two siblings, though often living far apart,

were bonded on many levels. Now Humphreys has written a deeply felt, haunting memoir both about and for her brother. Speaking directly to him, she lays bare their secrets, their disagreements, their early childhood together, their intense though unspoken love for one another. A beautifully articulated testament to the power of human connection, this poetic, candid and intimate book is an offering not only to the memory of Martin but to all those who are living through the loss of family and friends.

### Behind Closed Doors

Sworn Brother by Tim Severin is the thrilling second volume in the Viking trilogy - an epic adventure in a world full of Norse mythology and bloodthirsty battles. London, 1019: a few months have passed since Thorgils has escaped the clutches of the Irish Church only to find himself at the centre of a capricious love affair with Aelfgifu, wife of Knut the Great, ruler of England, and one of the most powerful men of the Viking empire. A passionate relationship between two unlikely lovers begins to unfold, which forebodes uncontrollable consequences... When Thorgils is finally on the run again, he meets Grettir, an outlaw who is feared by most for his volatile and brooding behaviour. The two men become travel companions and sworn brothers – which binds them together beyond death, but at the gates of Byzantium Thorgils' loyalty is put to the ultimate test . . .

### Me and My Brothers

Che on My Mind is an impressionistic look at the life, death, and legacy of Che Guevara by the renowned feminist poet and activist Margaret Randall. Recalling an era and this figure, she writes, "I am old enough to remember the world in which [Che] lived. I was part of that world, and it remains a part of me." Randall participated in the Mexican student movement of 1968 and eventually was forced to leave the country. She arrived in Cuba in 1969, less than two years after Che's death, and lived there until 1980. She became friends with several of Che's family members, friends, and compatriots. In Che on My Mind she reflects on his relationships with his family and fellow insurgents, including Fidel Castro. She is deeply admiring of Che's integrity and charisma and frank about what she sees as his strategic errors. Randall concludes by reflecting on the inspiration and lessons that Che's struggles might offer early twenty-first-century social justice activists and freedom fighters.

### Nocturne

Emmy-award winning humorist Jack Douglas takes us back to the golden age of late-night TV with this collection of cleverly absurd vignettes. This 1959 bestseller by an irrepressible wise guy will keep comedy fans laughing from start to finish.

### My Brother's Wife

THE BOOK: As Germany dissolved into the nightmare of Nazism, Thomas Mann was at work on this epic recasting of the the great Bible story. Joseph, his brothers and his father Jacob, are at the prototypes of all humanity and their story is the story of life itself. Mann has taken one of the great simple chronicles of literature and filled it with psychological scope and range: its men and women are not remote figures in the Book of Genesis, but founders of states in a fresh, realistic world akin to our own .

### My Brother and Me 6-Pack

This novel concerns Wednesford Cottage Hospital, which had been founded by Sir Joseph Hingston. The hospital has become a private nursing home run by unscrupulous doctors, and Jonathan, a young physician, successfully opposes them so that the poor can once again benefit from it. Place and atmosphere play an essential part in the story, with the opposition of Higgin's buildings and Wolverbury Road, where the middle-class lives.

### Sworn Brother

In 1971, Eddie Conway, Lieutenant of Security for the Baltimore chapter of the Black Panther Party, was convicted of murdering a police officer and sentenced to life plus thirty years behind bars. Paul Coates was a community worker at the time and didn't know Eddie well – the little he knew, he didn't much like. But Paul was dead certain that Eddie's charges were bogus. He vowed never to leave Eddie – and in so doing, changed the course of both their lives. For over forty-three years, as he raised a family and started a business, Paul visited Eddie in prison, often taking his kids with him. He and Eddie shared

their lives and worked together on dozens of legal campaigns in hopes of gaining Eddie's release. Paul's founding of the Black Classic Press in 1978 was originally a way to get books to Eddie in prison. When, in 2014, Eddie finally walked out onto the streets of Baltimore, Paul Coates was there to greet him. Today, these two men remain rock-solid comrades and friends – each, the other's chosen brother. When Eddie and Paul met in the Baltimore Panther Party, they were in their early twenties. They are now into their seventies. This book is a record of their lives and their relationship, told in their own voices. Paul and Eddie talk about their individual stories, their work, their politics, and their immeasurable bond.

#### Che on My Mind

A Suquamish Indian chief describes his people's respect and love for the earth and concern for its destruction.

#### My Brother Was an Only Child

The multi-award winning Dickman twins are from America's outstanding generation of younger poets. Their poetry lives take different expression. Matthew writes with the ebullience of Frank O'Hara, Allen Ginsberg and Jack Kerouac; Michael with the control of William Carlos Williams and Emily Dickinson. But they are unified by the unflinching, remarkable verse they wrote when their older brother took his own life. It is these moving, grieving but life-affirming poems that solely comprise this dual-authored volume.

#### Joseph and His Brothers

No, My Brother, I am My Brother by Collen Plummer

#### My Brother Jonathan

A renowned German novelist's memoir of his brother, who joined the SS and was killed at the Russian front. Uwe Timm was only two years old when in 1942 his older brother, Karl Heinz, announced to his family he had volunteered for service with an elite squadron of the German army, the SS Totenkopf Division, also known as Death's Heads. Little more than a year later Karl Heinz was injured in battle at the Russian front, his legs amputated, and a few weeks after that he died in a military hospital. To their father, Karl Heinz's death only served to immortalize him as the courageous one, the obedient one, the one who upheld the family honor. His childhood was marked by the mythology of his brother's lost life; his absence-the hole he left in the family-just as palpable as if he were still alive. His mother's sadness and his father's rage over the loss of Karl Heinz ultimately defined Uwe's relationship with his parents. But while they eulogized the boy, Uwe wondered: who really had his brother been? The life and death of his older brother has haunted Uwe Timm for more than sixty years. His parents' silence was one of the most painful aspects of his family history. Not even after the war ended, and details of unspeakable horrors emerged, did his parents ever acknowledge Germany's guilt and Karl Heinz's role in it. They simply said: We didn't know. After the deaths of his parents and older sister Timm set out in search of answers. Using military reports, letters, family photos and cryptic entries from a diary his brother kept during the war, he began to piece together the picture, discovering his brother's story is not just that of one man, but the tragedy of an entire generation. In the Shadow of My Brother is a meditation on German history and guilt, one that is both nuanced and measured.

#### The Brother You Choose

From the acclaimed author of *Black Flies* and *Into the Savage Country* and co-creator of top-ten Netflix hit *Outer Banks*, a powerful new novel of class striving and the precarious dynamics of brotherhood in the Chicago suburbs of the late 1970s. In our family, there was none of this crap about everyone being a winner, says Willie, the narrator, who looks back on his teen years--and his nearly mortal combat with his domineering older brother, Coyle. In the Brennan house four kids sleep in a single room, and are indoctrinated into The Methods, a system of achievement and relentless striving, laced with a potent, sometimes violent version of sibling rivalry. The family is overseen by a raging bull of a father, a South Side tough guy who knocks them sideways when they don't perform well or follow his dictates. Rivals, enemies, and allies, the siblings contend with one another and their wealthy self-satisfied peers at New Trier, the famous upscale high school where the family has struggled to send them. Evoking their crucible of class struggle and peer pressures, Burke balances comedy, tragedy, and a fascinating cast of characters, delivering a book that reads like an instant classic--an unforgettable story of the

intertwining of love and family violence, and of triumphant teen survival that echoes down through the years.

## My Brother Ron

America started a grand experiment in the 1960s: deinstitutionalization of the mentally ill. The consequences were very destructive: homelessness; a degradation of urban life; increases in violent crime

rates; increasing death rates for the mentally ill. My Brother Ron tells the story of deinstitutionalization from two points of view: what happened to the author's older brother, part of the first generation of those who became mentally ill after deinstitutionalization, and a detailed history of how and why America went down this path. My Brother Ron examines the multiple strands that came together to create the perfect storm that was deinstitutionalization: a well-meaning concern about the poor conditions of many state mental hospitals; a giddy optimism by the psychiatric profession in the ability of new drugs to cure the mentally ill; a rigid ideological approach to due process that ignored that the beneficiaries would end up starving to death or dying of exposure.

### My Brother Ron

My Brother Ron is based on the true-life events of Todd and Ron Santos. This story is rooted in emotion, and coupled with motivation and inspiration. While Ron Santos recovers from a horrific hit and run, Todd ascends to NCAA history.

### My Brother's Keeper

John McKenzie was born and raised in the small town of Winslow, Kentucky. He and his family have lived their lives in a cloud of secrets. Now his secrets are coming back to haunt him. It's up to John, with the help of his friends, to look for the answers that have eluded him his entire life. But the answers he seeks lie within his family... both past and present. Can he get the answers he needs before the ghosts of his past come for them all?

### The Boys

INSTANT NEW YORK TIMES BESTSELLER "This extraordinary book is not only a chronicle of Ron's and Clint's early careers and their wild adventures, but also a primer on so many topics—how an actor prepares, how to survive as a kid working in Hollywood, and how to be the best parents in the world! The Boys will surprise every reader with its humanity." — Tom Hanks "I have read dozens of Hollywood memoirs. But The Boys stands alone. A delightful, warm and fascinating story of a good life in show business." — Malcolm Gladwell Happy Days, The Andy Griffith Show, Gentle Ben—these shows captivated millions of TV viewers in the '60s and '70s. Join award-winning filmmaker Ron Howard and audience-favorite actor Clint Howard as they frankly and fondly share their unusual family story of navigating and surviving life as sibling child actors. "What was it like to grow up on TV?" Ron Howard has been asked this question throughout his adult life. In The Boys, he and his younger brother, Clint, examine their childhoods in detail for the first time. For Ron, playing Opie on The Andy Griffith Show and Richie Cunningham on Happy Days offered fame, joy, and opportunity—but also invited stress and bullying. For Clint, a fast start on such programs as Gentle Ben and Star Trek petered out in adolescence, with some tough consequences and lessons. With the perspective of time and success—Ron as a filmmaker, producer, and Hollywood A-lister, Clint as a busy character actor—the Howard brothers delve deep into an upbringing that seemed normal to them yet was anything but. Their Midwestern parents, Rance and Jean, moved to California to pursue their own showbiz dreams. But it was their young sons who found steady employment as actors. Rance put aside his ego and ambition to become Ron and Clint's teacher, sage, and moral compass. Jean became their loving protector—sometimes over-protector—from the snares and traps of Hollywood. By turns confessional, nostalgic, heartwarming, and harrowing, THE BOYS is a dual narrative that lifts the lid on the Howard brothers' closely held lives. It's the journey of a tight four-person family unit that held fast in an unforgiving business and of two brothers who survived "child-actor syndrome" to become fulfilled adults.

### My Brother Sammy

My Brother's Keeper tells the behind-the-scenes story of how the American President and the Israeli Prime Minister clashed about peace, war, and the future of the region. Barack Obama and Benjamin Netanyahu viewed the world—and especially the Middle East—differently. The US president wanted to end what he saw as America's perpetual war against the Muslim and Arab worlds, use diplomacy to bring about a Palestinian state coexisting peacefully with Israel, and apply his signature foreign policy vision to reward the Islamic Republic of Iran in exchange for the scaling back of their nuclear pursuits. The Israeli premier wanted his country to thrive without the senseless bloodshed of terror and violence, and he was determined to protect the Jewish state from threats of annihilation by a member of the axis of evil that would one day be armed with nuclear weapons. Netanyahu wanted peace for peace, as well as the acceptance of Israel as a full-fledged part of the Middle East. In 2014, during a pivotal

summer of terrorist violence, a war in Gaza, and the advancement of a nuclear deal with Iran, the two men clashed, threatening the US-Israeli strategic alliance and the future of the region. The Middle East would never be the same.

#### My Brother's Keeper

Many books and movies have been created by telling the story of my brother, Muhammad Ali. However, before I am called home, I want to share some of my life stories and memories with this book so people can learn more about my family, my brother, and me through the eyes of a member of the Clay/Ali family. I was there from the beginning and witnessed first-hand how our family's lives were changed as 'The Greatest of all Time' emerged from being a fun-loving kid on the streets of Louisville, Kentucky, to becoming an icon recognized around the world. The memories I share in this book are ones that I will treasure forever. Living through these experiences helped shape my life and made me the man I am today. I can say for a fact that no other man took as many punches from the champ as I did as a result of the training and sparring sessions that we had over the years together. It is my hope that after reading my story and accounts of key events in my family's life, you will walk away with an even greater appreciation of the Clay/Ali family name, history and legacy. I encourage you to treasure each day and strive for your own personal greatness. Peace be upon you (As-salamu alaykum) Rahaman Ali a.k.a. Rudolph Arnett Clay

#### That's Muhammad Ali's Brother! My Life on the Undercard

Comedian Lewis Black unleashes his trademark subversive wit while recounting his own life story in his New York Times bestselling memoir. You've seen him on The Daily Show with Jon Stewart offering up his trademark angry observational humor on everything from politics to pop culture. You've seen his energetic stand-up performances on HBO, Comedy Central, and in venues across the globe. Now, for the first time, Lewis Black translates his volcanic eruptions into book form in *Nothing's Sacred*, a collection of rants against stupidity and authority, which oftentimes go hand in hand. With subversive wit and intellectual honesty, Lewis examines the events of his life that shaped his antiauthoritarian point of view and developed his comedic perspective. Growing up in 1950s suburbia when father knew best and there was a sitcom to prove it, he began to regard authority with a jaundiced eye at an early age. And as that sentiment grew stronger with each passing year, so did his ability to hone in on the absurd. True to form, he puts common sense above ideology and distills hilarious, biting commentary on all things politically and culturally relevant. "No one is safe from Lewis Black's comic missiles." (New York Times) You have been warned....

#### Nothing's Sacred

This book is for the children who can't read as for the ones who can. The pictures can tell a story without words. When my brother and I were seven to eight years old, we lived in a small MO town of two hundred people and were related to one-fourth of them. This story is from my brother and me running around this small town. We had fun and hope that the kids who read this do too.

#### The Adventures of Fred and Riskers

New York Times-bestselling author Ron Powers offers a searching, richly researched narrative of the social history of mental illness in America paired with the deeply personal story of his two sons' battles with schizophrenia. From the centuries of torture of "lunatics" at Bedlam Asylum to the infamous eugenics era to the follies of the anti-psychiatry movement to the current landscape in which too many families struggle alone to manage afflicted loved ones, Powers limns our fears and myths about mental illness and the fractured public policies that have resulted. Braided with that history is the moving story of Powers's beloved son Kevin -- spirited, endearing, and gifted -- who triumphed even while suffering from schizophrenia until finally he did not, and the story of his courageous surviving son Dean, who is also schizophrenic. A blend of history, biography, memoir, and current affairs ending with a consideration of where we might go from here, this is a thought-provoking look at a dreaded illness that has long been misunderstood. "Extraordinary and courageous . . . No doubt if everyone were to read this book, the world would change." -- New York Times Book Review

#### No One Cares About Crazy People

'That's the one!' she cried. 'That's the bottom I'm after. Darling, you have the most gorgeous bottom!' Nicholas's dad has a plan to make some fast cash. Nappies! Some disposable-nappy people are looking for a beautiful botty for their new advert – and all Nicholas's baby brother has to do is pass the audition. What could possibly go wrong?

#### My Brother's Famous Bottom

The story of Leilani Muir, whose abusive mother had her institutionalized at the age of 11 as mentally defective. She was questioned by the Alberta Eugenics Board and was subsequently sterilized. She discusses her attempts to have that operation reversed and the lawsuit she eventually launched against the Alberta government.

#### A Whisper Past

A heartfelt addition to McFarlane's epic canon of hockey writing From its moving introductory homage to the late Jean BŽliveau, to its subtle, remarkable considerations of how the sport was shaped by legends like Newsy Lalonde, Gordie Howe, Dick Irvin Sr., Ted Kennedy, and Hobey Baker, to its poignant lament for the untimely death of American hockey hero "Badger" Bob Johnson, Golden Oldies is the product of a lifetime love of hockey and a career in the game that spans six decades. Golden Oldies explores the life of Sprague Cleghorn, a pioneer tough guy who went from the bright lights of Broadway to a boondock in the Ottawa Valley to stardom before and during the first years of the NHL. It follows the trail of Patsy Guzzo and his RCAF mates in 1948, ridiculed at home but rewarded with Olympic gold in Europe. And it chronicles the career-ending injuries to Ace Bailey, the last Leafs NHL scoring leader, the shameful treatment of the Canucks' Mike Robitaille, and the horrific and near fatal injury suffered by Buffalo goalie Clint Malarchuk. The lighter side of the game is also well represented, with laughs aplenty supplied by men like the irrepressible Frank "King" Clancy and the unpredictable Eddie "Clear the Track" Shack.

#### Golden Oldies

"This will be the third edition of this title, heavily updated from the 1999 second edition"--

#### Dying at Home

Tell your brother how much you love him in this sweet and fun book with the characters from Mr. Men Little Miss! Whether your brother's games and tickles make you happy or his silly tricks make you giggle, he's always there to make life more fun. Mr. Tickle, Happy, Mischief, and many more Mr. Men friends are here to show your brother how much you love him. The perfect book for your brother's birthday, a new baby brother or big brother, or for sharing any time you want to say, "I love you, too." Children can also add their own words about their brother at the end of the book to make it a special, personalized gift.

#### My Brother and Me

Rising from poor and loveless childhood homes, Weldon Munter successfully fought his way through good times and bad, to become a successful pilot in both the military and civilian fields, amassing over 10,000 hours of flight time.

#### My Downside Up Life

I have thought over the years trying to think of ways to let other parents whose child is born with a special need. Our baby was adopted at birth. Against all odds, Becka was not supposed to survive the first 24 hours of her life. With a lot of love and prayers I would not take no for an answer. Rebecca has brought so much happiness, joy and most of all, love to her father and myself. She is the life that I LIVE and she is EVERY breath that I take and I breathe. For all of you who feel that God has done you wrong, you CAN make it RIGHT by having all of the joy, love and happiness that your child will bring you. Each and every day, any accomplishment the Becka makes, is HUGE. The doctors said that she would be a vegetable, and her life would not have any meaning. IT DOES!

#### For The Love Of Becka

Every person's journey through life has seasons of challenge and times of great change. But knowing what scripture says about the true reality of our existence provides us with joy, strength and faith to go through the struggle and rise above it. Read how a man with great faith journeys through a seemingly hopeless situation with peace for the day and great hope for the future. It is not an easy journey, but one well worth the eternal reward. Whatever your situation, you will be challenged and encouraged.

#### Walking Through the Valley - Dealing with the Prospects of Death with Bulbar A.L.S. (Lou Gehrig's Disease)

Follows fifteen years of travel and music making of a three man acoustic guitar band from dirt-hippiedom to heavy-ish regional radio airplay, including a six week period when they left one car in Rhode Island and another in California while following the Grateful Dead spring tour of 1987.

#### Fingers and Sunshine: Sic Itur Ad Astra

Don't tell her she needs to find closure. Don't ask her to forgive and forget. When Kim Goldman was just 22, her older brother, Ron, was brutally killed by O.J. Simpson—a horrifying event that led to one of the most public trials in American history. Ron and Kim were very close, and her devastation was compounded by the shocking not-guilty verdict that allowed a smirking Simpson to leave as a free man. Not only did Kim have to live with the painful knowledge that her brother's killer walked free, but she also struggled to keep her grief private from the media frenzy and outpouring of public opinion. Counseled by friends, strangers, and even Oprah to "find closure," Kim chose a different route. She chose to fight—not just for her brother and her family, but for others, as she found her calling working with victims' families in pursuit of justice and peace. From her parents' devastating divorce and a life-changing car accident to living life as one of America's most famous victims and dating as a single mother, *Can't Forgive* tells of an ordinary person thrown into extraordinary circumstances at a very young age who had the courage—despite the discouragement of so many—to ignore conventional wisdom and never give up her fight for justice.

#### Can't Forgive

When I arrived at the plantation, I had no idea how my world was about to change. It seemed like the old place was waiting on me to get here. I have come back to my childhood home to sell it. It has been many years since I was last at the plantation. Coming back opened a Pandora's box of memories, and it seems that all the demons I had never faced were waiting on me also. The events that followed my arrival would turn my world upside down. "Learning to Live Again" The Lesson book 2 will be out next year.

#### The Lesson

The true story of a 1984 murder and the lengths one man went to in order to achieve justice for his brother's killing. The moment he found out his brother was missing and presumed dead, Ted Kergan launched a relentless effort to bring two suspected killers—a teenage prostitute and her much older grifter boyfriend—to justice and find Gary Kergan's body. Little did he know his quest would consume a fortune and take thirty years to reach its conclusion. Thwarted at first by the fact that his brother's body could not be located and a new district attorney was therefore reluctant to prosecute, Kergan had to keep track of the killers from New Orleans's notorious French Quarter to Las Vegas and points in between, waiting for a break in the case that seemed like it would never come. Then nearly thirty years later, science, detective work, and a brother's love and tenacity would combine for a resolution that would end in a dramatic trial in which a killer's diary would be a star witness. "A tremendous story of love and murder, faith and tenacity."—Steve Jackson, *New York Times*—bestselling author of *A Clockwork Murder* "A deeply moving story of powerful devotion."—Anthony Flacco, *New York Times*—bestselling author of *A Checklist for Murder*

#### My Brother's Keeper

Eighteen year old Matthew has always been a dreamer living an ordinary life and yet, he sensed a special calling that he never fully understood. But everything changed the day he noticed a flash of light across the sky while working on his grandfather's Indiana farm. Compelled to investigate, Matthew finds a mysterious metallic oval object has landed in the adjacent field. Later that night, Matthew begins to have bizarre dreams within which he encounters a guide named Samuel. Driven to discover his

destiny and unlock the secret of The Oval, Matthew is thrust into a quest filled with adventure containing powerful lessons that become more personal and challenging as the path unfolds. The young man embarks on this journey having no idea how important unlocking his true potential is to the future of humankind and what awaits him if he succeeds. Nor does Matthew realize how his progression can only go so far until he must finally face himself and the darkness deeply buried within his soul.

### Triumph of the Spirit

Sitting in the quiet morning, his mind flashed back to his grandson, Ethan, and his stubborn display of determination to have his way. Yes indeed, he had to admit, he was like his grandson. He was also determined and perhaps that was the reason he couldn't escape that memory. But he had so many times before relived memories of changes in his life. Why? Because he always felt great comfort in recalling the many difficult times he had been blessed. Times when he had prayed for help like the 23rd mile incidents and had found something deep inside to help him through. Though he considered himself a problem solver, he felt like he knew his limitations. Perhaps that's where he developed the attitude that he could deal with anything with the Lord's help, but there were many, many things he could not handle unless God helped. Still this was uncharacteristic and he was drawn to problem solve.

### Running with Jesus

Coming of age at the Berkeley School of Criminology -- Life as a young criminologist -- Academic activism -- Doing public criminology -- Doing newsmaking criminology -- Doing multidisciplinary criminology -- Academic praxis -- Integrating criminology -- Globalizing criminology.

### Chronicles of a Radical Criminologist

Culture involves all knowledge, beliefs and customs of a people; undergoing enlightenment and refinement often through formal and/or informal education. Cultures die, advance, regress, clash, change, assimilate or are assimilated, are sometimes obliterated through genocide and often survive despite over-whelming adversities. Ray Simm provides some aspects of a spectrum of cultures ranging from his childhood in depression time Hants County through the years of World War 2 to his experience as a teacher and educator in Halifax (Africville), to North End Winnipeg and to First Nations of Turtle Island including the Inuit

### Hants Hills To Arctic Tundra

This is not a gentle story. I have not lived a gentle life. If while you're reading my story you become uncomfortable when I speak very openly about my sexual feelings, or if you get pissed at me for cussing all the time, or if it offends you when I curse God, that's perfectly okay. You have a right to your own feelings and opinions, and so do I. If I had tried to "pretty it up," it wouldn't be how it really happened.

### My Name Is Harriet

Will the Angels entrusted to watch over men punish anyone because of the sins of their grandparents or great grandparents? Levi, a young man of 23 years, the only son of humble parents, was killed by stray bullets in an encounter between the terrorists and the militants. His Spirit was guided by the Angels. The Spirit met with the Wailing Angels. They told him the reason why they were taking his life. Levi's great grandfather had tortured Saints and burnt alive Christian Missionaries. The Spirit begged to go back to earth to convey the message of the Wailing Angels. The Angels gave him a series of different kinds of tests. The spirit overcame the tests and passed the entire series. The Wailing Angels found no fault with Levi or his parents, so they reincarnated him to convey their special message to human beings. Life is uncertain. Death is unavoidable; parting takes its own course. Be it death or parting while living, the Angels of the Lord watch and judge it fairly and lead the way for good -Kh. Khongsai, Asst. Professor, Moirang College, Manipur. Such an effort coming to fruition is awesome -Mangcha Touthang, Asst. Prof., Martin Luther Christian University, Shillong. Unique, lucid, a fiction depicting a romantic story emanating from lovers belonging to two different religions—Judaism and Christianity. Beautifully and logically describes from romance to life after death, reincarnation through the Wailing Angels -Paokholen Misao, Income Tax Officer, Hyderabad.

### The Wailing Angels

Even a single person can change the world. Kathy is an epitome of that. Kathy Elmore, narrates the story of her childhood, her marriage to her soul mate, coping with the death of her husband and her illness of HIV, and getting through with her life as she tried to accept her gifts while discovering more of life. In this autobiography, Kathy shares her experiences with honesty. She opens up how she coped with all her life's struggles. Despite the trauma and scars, she manifested strength and acceptance. Her painful past did not hinder her from living a normal life. Even when she was a victim of rape, she continued to live life and helped herself to stand up again. As a woman who was scarred too many times by life, she did not give up and she never will. Soul Mates will inspire you to be a person of change. Read on and be empowered to be an instrument of adversity.

### Soul Mates

Miracles still happen today and can happen to you just as they have for over 70 individuals in the pages of this amazing book. God is actively involved and sending His angels to help people everywhere.

### Extraordinary Miracles in the Lives of Ordinary People

Following the standard progression of introductory study, the chapters of this book identify and discuss issues in tension between faith and psychology. Faw suggests that Christian perspectives bring needed diversity to the study of mind and behavior.

### Psychology in Christian Perspective

The official biography of an NHL legend By the time he retired, Brad Park had surpassed the great Bobby Orr in career assists by a defenseman. Inducted into the Hockey Hall of Fame the first year he was eligible, and later named one of the Top 100 NHL players of all time by The Hockey News, Park will forever be remembered as one of the greatest men ever to take the ice. The first and only authorized biography of Park's life and career, *Straight Shooter: The Brad Park Story*, delves deeper into his legendary success than any book has before, bringing together exclusive, candid insights from Park himself, as well as interviews with dozens of players, family members, and key figures from the hockey world. Covering Park's early years growing up in Toronto, to his first exposure to the NHL with the New York Rangers and his stellar performance with the Boston Bruins, through the twilight of his career and retirement, the book examines every aspect of his remarkable life in unprecedented detail. Giving hockey fans a full, frank look at the career of an NHL legend—including the challenges Park faced in his personal life, including caring for his physically handicapped son—*Straight Shooter* is a fascinating look at one of the game's true greats. Offers a fascinating insight into the life of Brad Park, one of the greatest defensemen the NHL has ever seen Covers Park's life in detail, from his time with the Rangers and Bruins to his experiences with Team Canada in the 1972 Summit Series Features a Foreword from hockey legend Don Cherry Working closely with Park himself, writer and researcher Thom Sears has created a thorough, authorized biography of one of the NHL's greatest legends and an essential read for hockey fans everywhere.

### Straight Shooter

When I think back about the history that happened while I was growing up to graduate in the class of '68 in small-town America, I was more thinking about relationships, dating, muscle cars, movies, TV shows, drive-ins and family events. I heard of some events while they happened but didn't realize the full extent of how our country and the world changed with the history that took place at the same time. I took a look back and now I want to share with you every day, country and world events that shaped our lives.

### AS LUCK WOULD HAVE IT

This is Chicken Soup for the Soul's first book about the growing world of twins and multiples. Twins, parents of multiples, relatives of twins, or anyone interested in twins, triplets, and more will enjoy these inspirational, humorous, and touching stories. Twins and multiples are all over the news these days. Co-author Susan M. Heim, a well-regarded expert on twins, has collected stories that highlight the special bond twins share, the joys and challenges of raising multiples, the multiple blessings of being a twin or having them in the family, and adventures in raising triplets and quadruplets, too! Anyone interested in twins, triples, and more, will enjoy these inspirational, humorous, and touching stories.

## Chicken Soup for the Soul: Twins and More

"Not only a memoir, but a love letter to rich and memorable relationships that gives hope that there can be sweetness after loss, humor in remembrance, and stories to hold our joys past and present." – Melissa Febos, author of *Whip Smart*, *Abandon Me*, and *Girlhood*. *My Father Called Me Bobby* is an intriguing memoir detailing Bobby's experiences growing up in an Italian family in the '50s and exploring the sexual revolution a few decades later. The first-person narrative welcomes readers into his childhood and his initial experiences with God, faith, and religion, all tied in with the influences and antics of his Italian family. His initial decision to join the seminary and become a priest will not come as a surprise. Determined to be a priest, he spends almost four years in the seminary until the sexual revolution of the 60s turns his world upside down and he leaves the Church. He begins to experiment with his sexuality with women and then with men during one of the most infamous times in New York City. His descriptive writing style paints a vivid picture for his readers, allowing them to relive his experiences at his side, maintaining their attention page after page. His relationship with Beryl will warm the hearts of the readers and as events unfold, will shake them to their core. *My Father Called Me Bobby* will remind readers to live their lives to the fullest – full of love and passion and laughter – and is sure to leave readers enthralled until the very last page.

## My Father Called Me Bobby

In Jestens study from Bible college to seminary, and serving in local churches and ministries for over forty years, she has observed many Christians who have not been able to grow in their faith and walk with the Lord. This book is a call back to the basics of Christian life. Jesten begins by laying a foundation of the Word, precept upon precept, and line upon line which she calls connecting the dots. Jesten also covers how we can get our hearts and minds ready to receive the Word. And finally, she teaches on taking the keys of the Word and applying them in our everyday lives.

## Running to Win the Race

My name is George Watson. I am 24 years old from Portland, Maine. It is late summer 1968 and although I have been accepted to a Ph.D. program at The Catholic University of America in Washington D.C., I am about to be drafted. How did I get in this situation? And what do I do now? This book provides my personal account of the difficult choices that confronted the U.S. Vietnam War generation. Faced with the dilemma of whether or not to serve in an unpopular, undeclared war, my generation was forced to make choices that were not in tune with those made by our parents' generation. The so-called "Greatest Generation" of World War II veterans had returned to reap their deserved rewards from the GI Bill and the burgeoning post-war economy. They insisted that we follow in their footsteps and step up to the war demands of the nation. But the times and the issues and the stakes were different. My memoir portrays the realities of those choices, depicting the time and values that caused the generations to clash head on. I track the evolution of my value system beginning in Catholic elementary and high school through college and graduate school, giving insight into the choices I faced and the decisions I made. My personal confrontation with choices during a turbulent era should resonate with members of the Vietnam War generation. Much has been written about the generation that struggled during the Depression and fought in World War II, referred to by former NBC announcer Tom Brokaw and others as "The Greatest Generation." I felt compelled to write about the generation it spawned. Ironically, it was the progeny of the World War II survivors who would be confronted with the choice of whether to fight in an ambiguous war that was really an unfinished product of the allied victory of World War II. How did we get involved in Vietnam in the first place? Following the "Greatest Generation's" war, independence movements confronted European colonialism all over the world. Vietnam was but one example of the war's unfinished business. After the Japanese defeat, the returning French made critical mistakes. They retained the former Japanese police infrastructure for a time and denied university-educated Vietnamese citizens proper opportunities in their own civil service, reserving the key positions for themselves. Because they were reluctant to give up control, the French were confronted with a Nationalist movement that happened to have Communist affiliations. The French lost their war and Vietnam was split in two, between a Communist north under the inspirational leadership of Ho Chi Minh and a supposedly capitalist and Catholic south controlled by the Diem family. Political corruption and nepotism in the south did not inspire widespread allegiance to the Diem regime. With the French defeat at Diem Bien Phu in 1954 the United States, which had recently fought the North Koreans and Chinese to a draw, became more involved with the south at first diplomatically and then militarily. Simply stated, our initial advisory role of the late fifties and early sixties soon expanded.

We gradually assumed control of the war and committed more and more troops; by 1968 the nation found itself in Vietnam with a force of 543,000 soldiers fighting a still undeclared war. Who fought in the Vietnam War? What class of American society did they represent? Could I be categorized as the norm? The Vietnam generation born during the years 1940 to 1954 was brought up believing in the greatness of this country. Their fathers had sacrificed during World War II and with their allies had defeated two major powers in several theatres of war. Many of these same veterans were called again to fight during the Korean War, a bloody conflict fought to a draw after three years. Ours was the generation that was raised to believe that the United States had a worldwide mission. We couldn't revert to isolationism, as our predecessors had done during the period between the t

### Privacy, Identity Theft, and the Protection of Your Personal Information in the 21st Century

AACN Protocols for Practice: Healing Environments discusses the benefits of creating a healing environment for critically ill patients and their families and how changes to a patient's environment can promote healing. Family needs, visitation, complementary therapies, and pain management are also covered.

### Choices: The Crisis of Conscience of the Vietnam Generation

This book is not about O.J. Simpson or his "Dream Team." This book is not another rehash of the "Trial of the Century." It is about Ron Golman and his blended family. Overnight and through tragedy, this quiet, closely knit family became enmeshed in one of the ugliest and most controversial crimes in recent history. The Goldmans provide a wrenching account, in their own words, of the ripple effect that occurs when a beloved family member is murdered, and the extra burdens that develop when grief becomes a public spectacle. But, more important, the family puts a name, a face, a soul, to the young man referred to in the press only as "a friend of..." or "a part-time waiter and sometime model." The Goldmans are a family with whom all of us can identify. They share memories of happier times and recount, moment by moment, learning of Ron's untimely death and the nightmare that followed. They share their reactions throughout the criminal trial up to and including the heart-stopping verdict. And they reveal the details of the civil trial that were never before allowed to be made public, due to the gag order imposed on all participants. And finally, they reveal their determination to bring much-needed reforms to the criminal justice system and to give voices to other victims of violent crimes. Much of what Ron's family has to say will surprise you... will enrage you... And most of all will break your heart.

## Yakuza My Brother

Yakuza, My Brother is a story based on true events. Raz, an Israeli scholar, befriends Yuki, a young, intelligent, well-educated but marginal man. Yuki disappears one day under mysterious circumstances, apparently because of his involvement with the Yakuza, the Japanese organized crime syndicate. Raz is perplexed. Along with his scholarly interest in Japan, he embarks on a personal quest to find and perhaps save his young friend. He knows the trail to Yuki leads through the Yakuza. He finally manages to penetrate one of the most important crime families by employing some uncommon methods. While pursuing his scholarly interest in the Yakuza, Raz never forgets Yuki, his lost friend. Ultimately, after dramatic and harrowing travels around East Asia, he finds a man who might be Yuki. But then again, he might not

## Oyabun

Cid, a Filipino musician who defied being away from a loving and protective family, dared to go to Japan during the time when the story of Maricris, a Filipina entertainer who was allegedly killed by a yakuza by plunging his sword to her vagina, was all over the news back home. He just wanted to work and earn his own money. What better way of doing it than to get paid doing what he enjoyed doing the most — singing." With another singer, Maria, they went to Japan as a duo and performed in cities from Tokyo to Chiba and Nagoya. Japan was flowing with money! The place had a way of entertaining you! The delicious foods, the drinks, the drugs (if you're into it), and of course, the tips! But without intending it, he got involved with Filipinas who had relations with yakuza. His life changed. He listened to stories told by another yakuza about his boss and his brothers. Every story left him with fear and the urge to get away as far as he could go. But he has to save Maria, who got herself involved with the boss. He won't be able to live with himself if he just left without taking her. But the task was not an easy one. How can a musician who hasn't learned any martial arts and instead spent his days playing his keyboard outsmart an evil man?

## The Face of the Wicked

In a dark and dangerous world... Yuli, an assassin, finds himself uncontrollably drawn to Ren Hirokazu, a notorious criminal and murderer. Despite the obedience collar that forces him to carry out orders for the powerful Yakuza organization, Yuli cannot resist the allure of Ren's dangerous charm. He kills for pay, accepting the poison that keeps him delirious as a necessary evil. But when a mysterious discovery leads him to defect and become a hunted traitor, Yuli's world is turned upside down. Hunted by the Yakuza and other powerful enemies, Yuli has nowhere left to turn until Ren offers him a way out, a chance for freedom. But at what cost? As they navigate a world filled with danger, secrets, and betrayal, their forbidden love becomes a liability. Will they survive and trust each other enough to make it out alive? Or will their enemies destroy them? Warning: this a dark MM romance, gay sci-fi romance, mm cyberpunk romance, mm enemies to lovers romance which includes gore, violence, mentions of sexual abuse, dystopia, short story, novella, mm sci-fi fantasy, mm possessive romance, mm second chance romance with a HEA ending.

### Discourses of the Vanishing

Japan today is haunted by the ghosts its spectacular modernity has generated. Deep anxieties about the potential loss of national identity and continuity disturb many in Japan, despite widespread insistence that it has remained culturally intact. In this provocative conjoining of ethnography, history, and cultural criticism, Marilyn Ivy discloses these anxieties—and the attempts to contain them—as she tracks what she calls the vanishing: marginalized events, sites, and cultural practices suspended at moments of impending disappearance. Ivy shows how a fascination with cultural margins accompanied the emergence of Japan as a modern nation-state. This fascination culminated in the early twentieth-century establishment of Japanese folklore studies and its attempts to record the spectral, sometimes violent, narratives of those margins. She then traces the obsession with the vanishing through a range of contemporary reconfigurations: efforts by remote communities to promote themselves as nostalgic sites of authenticity, storytelling practices as signs of premodern presence, mass travel campaigns, recallings of the dead by blind mediums, and itinerant, kabuki-inspired populist theater.

### Irish Throne

Two brothers at war. A spy in the ranks. And one last effort at peace... Connor and Liam survived the deadly fire that nearly claimed them and their men, but there's still danger at every turn. Someone wants their war to come to an end—and that someone doesn't seem to care who dies in the process. And as for the war on our home front? Connor wants me. I want him. But our marriage is a never-ending standoff, both of us too proud to admit that the one thing that could make us truly happy is the one thing we already have. As I struggle to give him the heir he so badly wants, every night we spend together in bed brings us closer to admitting that truth—that there's love here, whether he wants it or not. The war for the Boston Kings is speeding towards a climax, and every plan that we made—me, my father, my husband—all seem to be for nothing. If Connor is going to take back the legacy he returned to claim, he'll have to make a choice—and risk burning it all to the ground. I never meant to fall for my husband. But as the fires of conflict threaten us all, there are only two questions left to answer. Will the man I married be the man I love? And when the ashes settle—who will sit on the Irish Throne? Irish Throne is book six in the Irish King series. The series is complete. The reading order is as follows: Irish Savior, Irish Promise, Irish Vow, Irish Betrayal, Irish Princess, Irish Throne.

### Broken Evolution

Broken Evolution is the ground-breaking biotech thriller for our time. On the verge of retirement, a Congressional Senator is murdered in his home. Struggling CIA biotech analyst Joshua Harker finds himself assigned to unravel the mysterious murder. Harker's hunt for evidence leads him across the globe, into the highest levels of a Japanese cartel engaged in covert, unethical genetic research. When he discovers Tokiko - a lover from his own past - married to the tycoon behind the assassination, Harker begins to suspect he is being used - but by which side? His new territory of black ops espionage leads Harker on into the darkest depths of a criminal underworld; a world where nothing is as it first appears. Together with Tokiko, they must confront their past and are forced to make decisions for all our futures. When they discover the ultimate truth of the assassin's identity, the secret rips apart all their lives. This technothriller, charged with espionage and intrigue, races toward a heart-stopping climax and a heart-breaking conclusion that will shatter our society ... for generations to come.

## Twelve Months of Kristal

A lot can elfin' happen in 12 days... On the eleventh day of Christmas, a Japanese billionaire's perfect date is ruined by a deliciously curvy woman, claiming to be an elf. When he challenges this supposed elf to replace the date he lost, they share a magical night that he can't forget. Literally. Over the next year, the billionaire becomes more and more obsessed with the elf who disappeared the next morning, leaving behind no trace of who she really was. He can't find her anywhere, but he also can't stop thinking about her. And this obsession is threatening to destroy both his playboy lifestyle and his sanity. But then he sees a picture of the curvy elf on an American work colleague's computer, which is why.... On the first day of the next Christmas, the Japanese billionaire flies back to San Francisco in his private plane to track down the elf who got away. And this is the magical and epic story of what happens next. This steamy, heartwarming novel is perfect for fans of omakase sushi experiences, PEOPLE magazine, spooky mysteries, and watching magical love stories unfold. NOTE: TWELVE MONTHS OF KRISTAL will only stick around until Valentine's Day. So get it now, while the magical lovin' is still warm!

## The American Black Yakuza

its about three friends working as security guards in newyork for a yakuza boss name alex lien and one of his security guards is having sex with his wife and teenage daughter. the three friends are kidnap and bought oversea to japan .to work in a drug warehouse selling cocaine and women on the back market of the Philippines and the street of japan and Hong Kong and Tokyo and the main character is base on my life between my real friends. the story is about a black American rise to power in the yakuza world and empire . who fights for the people of Bataan. cedric john Hopkins was just a ordinary brother from Hartford ct. who bought into a life of crime he would be coming a million over time

## The Bushido Way/a Sam Phillips Mystery

M. Anthony Phillips presents the debut of his hot new Private Detective series. Vietnam veteran Sam Phillips follows in the footsteps of his father into the world of private investigations. It's the end of the Vietnam War in 1976 during the Fall of Siagon and a battle-worn Sam has just taken over his father's company after his death. With his office above a seedy bar off Hollywood and Vine, Sam and his new assistant Constance Turner go weeks before they land their first case. With the help of his troubled friend Armstrong Jones—fresh out of prison for nearly killing two men, they are paid by an old friend Michelle Yamada of protecting her little brother Ken, a Yakuza gang member being hunted by a rival gang, the Yokohama Black Rebels who killed their father—a crime boss. Chasing Ken is the notorious boss Hiroshi Ito, a sadistic killer like no other who has killed nearly all the Yakuza bosses in Little Tokyo. In the meantime Sam finds out he's the father of a five-year-old Amerasian kid from Vietnam—dropped off at his doorstep in the middle of the afternoon. In protecting Ken, people close to Sam are getting killed off, including detective friends who are trying to capture Hiroshi for murder. When things start to not add up about Ken, Sam and Armstrong begin to wonder if they're being played the fool. With the body count adding up and Hiroshi getting closer to his target, Sam and Armstrong must go on the offensive before it's too late.

He just wanted to work and earn his own money. What better way of doing it than to get paid doing what he enjoyed doing the most -- singing." With another singer, Maria, they went to Japan as a duo and performed in cities from Tokyo to Chiba and Nagoya. Japan was flowing with money! The place had a way of entertaining you! The delicious foods, the drinks, the drugs (if you're into it), and of course, the tips! But without intending it, he got involved with Filipinas who had relations with yakuza. His life changed. He listened to stories told by another yakuza about his boss and his brothers. Every story left him with fear and the urge to get away as far as he could go. But he has to save Maria, who got herself involved with the boss. He won't be able to live with himself if he just left without taking her. But the task was not an easy one. How can a musician who hasn't learned any martial arts and instead spent his days playing his keyboard outsmart an evil man?

## Mahu Blood: A Mahu Investigation (Mahu Investigations Book 5)

Openly gay Honolulu homicide detective Kimo Kanapa'aka and his partner, Ray Donne, are on duty at a rally in downtown Honolulu organized by Kingdom of Hawai'i, one of many competing groups which seek reparations from the US for the loss of land and independence. An elderly woman is shot dead there, only a few feet from where Kimo's mother and nephews are taking part in the demonstration, and Kimo and Ray take the case. At the same time, Kimo's dealing with domestic difficulties, having just moved in with his partner, fire investigator Mike Riccardi. Since both are alpha males, the transition to shared living space isn't easy, especially because Mike's parents live next door. As Kimo and Mike struggle to adapt to living together, they begin to forge their own ohana—a Hawaiian term which means family, as well as community. The theme of ohana resonates through both Kimo's personal life and his investigation of the murder as Kimo and Ray follow clues through a labyrinth of competing groups, uncovering a trail of gambling, money laundering, and mental illness. The title refers both to the blood spilled in three murders, as well as the blood ties that link native Hawaiians to each other. People come together in many ways here—through native heritage and family ties as well as love and fellowship. "Plakcy's storytelling is tight, flawlessly executed, eminently interesting and inspiring." George Seaton, Out in Print. "Neil S. Plakcy's Mahu series is one of my favorites." Melanie M, reviewer at Joyfully Jay. "To the mystery genre, Kimo Kanapa' aka is a refreshing tropical breeze." Janie Franz, MyShelf Books in the Mahu series have reached the finalist stage for the Lambda Literary Awards as well as winning mystery fan awards and acclaim from mainstream publications such as Kirkus Reviews and Library Journal.

### The Book of Voltaire 0: Prequel

### The Yakuza Path: Blood Stained Tea

2017 Rainbow Award honorable mention A bloody past haunts him. A devastating present calls him back... Nao hides from his violent past in the Japanese mob by opening a teahouse in Japan's cultural center, Kyoto. His past comes flooding back when he discovers a gravely injured man with a tattooed chest, a bloody knife, and a Korean business card. Saehyun would've died if not for Nao's help. He knows nothing of his savior's connection with the local mafia, but Saehyun has his own secrets. He commands the Korean mafia, the mortal enemy of Nao's former syndicate. As Nao and Saehyun grow closer, so does the strength of the Korean mob. A shocking murder pulls Nao back into a past he'd all but abandoned. War is looming, and Nao must choose between protecting Saehyun or avenging the honor of his old mafia family.. The Yakuza Path: Blood Stained Tea is the first book in a series of Japanese mafia thrillers. If you like complex characters, blood-soaked violence, and twists you won't see coming, then you'll love Amy Tasukada's gritty crime masterpiece. Buy Blood Stained Tea to dive deep into the Asian mafia tale today!

### The Unlikely Detective

After a successful investigation in the resort town of Kanazawa in Ishikawa Prefecture, Matt Kelly receives a request to go to Shinjuku and interview an exotic dancer who has had a personal item stolen from her. As Kelly investigates, he eventually uncovers evidence that indicates that the exotic dancer and the wife of a prominent professor both had a personal item stolen the same way. But the question before Kelly isn't necessarily who, or how, but why. Many of the leads Kelly is chasing help him solve parts of the case, but others turn out to be phantoms. How can Kelly find out why someone is robbing these two women. One thing leads to another and Kelly determines what the why is and he doesn't like it. This second installment of this thrilling Japanese series finds Matt Kelly embroiled in a conflict between an old adversary and a new one. At stake: Japan, Asia, and the world. Are these criminals part of the local yakuza or just lone wolf criminals or SOMETHING ELSE?

### Odo Yakuza Tokyo

"Odo Yakuza Tokyo" is an intimate personal account of a Belgian photographer documenting the inaccessible subculture of Japanese organized crime: the Yakuza. Anton Kusters teams up with his brother Malik and documents the inside of the Shinseikai family, who control Kabukicho, the infamous

red light district, in the heart of Tokyo. From funerals to covert training camps, business meetings to full on tattoo displays, the modern day enigma that is "Yakuza" in Japan is shown. The feeling of subtlety and massive underlying tension is present throughout the images, constantly reminding us that this world we live in is not black versus white, not good versus evil ..."--Cover flap.

#### A Love Like Sakura and Autumn Sky

Lilah's heart has been broken by betrayal, and she's looking for a fresh start. She goes looking in Japan where she accepts a position at a prestigious school, only to find more emotional turmoil and physical threat.

#### Confessions of a Yakuza

This is the true story, as told to the doctor who looked after him just before he died, of the life of one of the last traditional yakuza in Japan. It wasn't a "good" life, in either sense of the word, but it was an adventurous one; and the tale he has to tell presents an honest and oddly attractive picture of an insider in that separate, unofficial world. In his low, hoarse voice, he describes the random events that led the son of a prosperous country shopkeeper to become a member, and ultimately the leader, of a gang organizing illegal dice games in Tokyo's liveliest entertainment area. He talks about his first police raid, and the brutal interrogation and imprisonment that followed it. He remembers his first love affair, and the girl he ran away with, and the weeks they spent wandering about the countryside together. Briefly, and matter-of-factly, he describes how he cut off the little finger of his left hand as a ritual gesture of apology. He explains how the games were run and the profits spent; why the ties between members of "the brotherhood" were so important; and how he came to kill a man who worked for him. What emerges is a contradictory personality: tough but not unsentimental; stubborn yet willing to take life more or less as it comes; impulsive but careful to observe the rules of the business he had joined. And in the end, when his tale is finished, you feel you would probably have liked him if you'd met him in person. Fortunately, Dr. Saga's record of his long conversations with him provides a wonderful substitute for that meeting.

#### Yakuza Lover, Vol. 10

Oya and Yuri must overcome one last obstacle if they hope to escape the Shéxi 's underwater lair—Oya's older brother Mao. Just as Oya gains the upper hand, nostalgia for the better days with his estranged brother gets the best of him. Can Oya find it in himself to pull the trigger and end this threat once and for all? -- VIZ Media

#### Yakuza

Novel: An author's investigation into the life and death of an insular Bay Haven resident reveals a tangle of occult mystery, mischief, diabolical adventure and the more-than-vicarious pleasures of literally sharing the lives of strangers.

#### Smudge

Based on hundreds of interviews with directors such as Coppola, Scorsese, Hopper and Spielberg, as well as producers, stars, studio executives, writers, spouses, ex-spouses, and girlfriends, this is the story of the crazy world that the directors ruled.

#### Easy Riders, Raging Bulls

LAW AND DISORDER Feeling sentimental, Kirishima pays a visit to the graveyard carrying a bouquet of kalanchoe, his mother's favorite flower. On top of that, there's a raid from big boss Takamatsu, a yakuza-style no-holds-barred game of baseball—and Kaede's dad turns out to be a policeman?!

#### The Yakuza's Guide to Babysitting Vol. 6

From the best-selling author of the Supervillainy Saga comes the sequel to Agent G: Infiltrator. Agent G has left the service of the International Refugee Society, the world's biggest provider of murder for hire, in order to work for the US government. Unfortunately, they are sending him after his former employers, and they know him as well as he knows them. The clock is ticking, though, until the Society's remaining leadership starts eliminating their opponents and attempts to seize control of the presidency. A traitor

is also providing them with all the information they need to survive until their puppet is in power. Will G and his allies survive the purge? Sometimes it doesn't pay to be a cyborg spy.

#### Agent G: Saboteur

Dose of Insanity is a sweeping thriller about a promising new drug that goes horribly wrong when greed and denial trump scientific judgment. An exciting new discovery finds its way into the hands of giant Apex Pharmaceuticals following the death of a young scientist. Despite the many red flags, Apex's tyrannical CEO Maxwell Hall sees only the multibillion dollar potential of the product and rushes it into development. Once Medulin is announced to the world, only a small Connecticut biotechnology company called Genplex is successful at discovering a viable alternative. Genplex and its young research director, Jerrod Wesley, become locked in a battle of David-and-Goliath proportions as they struggle to reach the market first. But more is at stake than market share. Medulin causes patients to become violently insane, and Maxwell Hall leaves a trail of corruption and murder as he covers his tracks. When Jerrod's daughter, Courtney, is touched by the effects of Medulin, she seeks her own revenge. The conclusion is dramatic, terrifying, and satisfying. About the Author Davis L. Temple, Jr. is an established scientist and scientific writer. He is also the author of three previous novels, Two Letters Then Booger Den (for which he received the Mississippi Author of the Year Award in 2004), Preacherman, and Voodoo Storm. He lives with his wife, Patty, in Bonita Springs, Florida, and Greensboro, Georgia.

#### Dose of Insanity

David Chadwick, a Texas-raised wanderer, college dropout, bumbling social activist, and hobbyhorse musician, began his study under Shunryu Suzuki Roshi in 1966. In 1988 Chadwick flew to Japan to begin a four-year period of voluntary exile and remedial Zen education. In Thank You and OK! he recounts his experiences both inside and beyond the monastery walls and offers insightful portraits of the characters he knew in that world—the bickering monks, the patient abbot, the trotting housewives, the ominous insects, the bewildered bureaucrats, and the frustrating English-language students—as they worked inexorably toward initiating him into the mysterious ways of Japan. Whether you're interested in Japan, Buddhism, or exotic travel writing, this book is great fun. To learn more about the author, David Chadwick, visit [www.cuke.com](http://www.cuke.com).

#### Thank You and OK!

From The Big Sleep to Babette's Feast, from Lawrence of Arabia to Drugstore Cowboy, The Movie Guide offers the inside word on 3,500 of the best motion pictures ever made. James Monaco is the president and founder of BASELINE, the world's leading supplier of information to the film and television industries. Among his previous books are The Encyclopedia of Film, American Film Now, and How to Read a Film.

#### The Movie Guide

Men speak of sacrifice, but only a woman who has lost everything truly knows what the word means. It is said that the gods become offended when mere humans try to usurp their supremacy in directing earthly affairs. Keiko learns this in a way that leaves her with nothing but crushing grief. To catch a traitor, Keiko must lower herself to serve the man who betrayed her, forced to become his slave. When she loses the thing that has come to mean more to her than anything else in the world, she does not know if she can—or should—continue fighting. If life is only suffering, she would rather die an honorable death. She is alone, abandoned by the world, and it is only by the strangest twist of fate that a figure from her past returns and promises to help her turn disaster into triumph. But will the cost be worth it?

#### Scorpion

Twin fifteen-year-old New Yorkers Tom and Mitch like to spend their free time skateboarding and reading comics, until one day they are attacked by a thug in ninja gear. They then learn that their father and live-in-butler are members of a crime-fighting organization called R.O.N.I.N., that their father is in danger, and that they have been recruited to join their father's clan. This sets the brothers off on the adventure of a lifetime.

#### The Getaway

Collects Spider-Woman (1978) #39-50, Avengers (1963) #240-241, Avengers Annual (1967) #10. Jessica Drew (A.K.A. Spider-Woman) has migrated up the left coast to San Francisco, and her adventures are about to escalate to a whole new level! The Yakuza have infiltrated the SFPD and marked Spider-Woman for death, while the mystic Morgan Le Fay seeks out Jessica with revelations about her connection to the demonic Darkhold! And things get personal in a saga featuring the Silver Samurai and Viper that has shocking implications for our hero's parentage! Chris Claremont and Steve Leialoha then make way for the new creative team of Ann Nocenti and Brian Postman. Their run closes out Spider-Woman's original series with her untimely demise - but death is not the end when you have the Avengers as friends!

#### Spider-Woman Masterworks Vol. 4

Shot, stabbed, and beaten, Miyazaki Manabu somehow emerged intact from his first fifty years to put his astonishing life story down on paper. Born the son of a yakuza boss in 1945, he grew up in a household of gang members and social misfits before his conversion to Marxism launched him into the violent world of 1960s student radicalism. After dropping out of university and spending a brief sojourn in South America, he became a reporter on a fast-rising weekly magazine. Called back home to Kyoto to take over the family demolition business, he was plunged into a maelstrom of bankruptcy and debt, forcing him to raise funds however he could. Along the way, he became the chief suspect in one of Japan's most sensational criminal cases---still unsolved---before getting caught up in the crazy years of Japan's bubble economy, when land speculators tipped their favorite bar hostesses millions of yen and Dom Perignon flowed like water. More than just one man's incredible story, unflinchingly told, Toppamono is a sophisticated analysis of Japan's postwar half-century that will astound and enlighten. Devastatingly critical of banks and bureaucrats, questioning of Japan's understanding of democracy, and cogent on the role played by the yakuza in Japanese society, this underground best-seller, first published in 1996, will keep you enthralled until the very last page. toppamono n: a person with a devil-may-care attitude, who pushes ahead regardless.

#### Toppamono

First came video and more recently high definition home entertainment, through to the internet with its streaming videos and not strictly legal peer-to-peer capabilities. With so many sources available, today's fan of horror and exploitation movies isn't necessarily educated on paths well-trodden — Universal classics, 1950s monster movies, Hammer — as once they were. They may not even be born and bred on DAWN OF THE DEAD. In fact, anyone with a bit of technical savvy (quickly becoming second nature for the born-clicking generation) may be viewing MYSTICS IN BALI and S.S. EXPERIMENT CAMP long before ever hearing of Bela Lugosi or watching a movie directed by Dario Argento. In this world, H.G. Lewis, so-called “godfather of gore,” carries the same stripes as Alfred Hitchcock, “master of suspense.” SPINEGRINDER is one man's ambitious, exhaustive and utterly obsessive attempt to make sense of over a century of exploitation and cult cinema, of a sort that most critics won't care to write about. One opinion; 8,000 reviews (or thereabouts).

#### Labor Violence and the Hobbs Act

The Directors, Take Three offers dozens of masterful insights on the craft of directing from such renowned filmmakers as Robert Altman, Wes Craven, Alan Parker, Tim Burton, Steven Spielberg, and Barry Levinson. Here are details of their experiences making a variety of classic films from Nashville to Nightmare on Elm Street, Rain Man to Raging Bull, and Pee Wee's Big Adventure to Schindler's List. You'll discover directors' earliest reactions to scripts for films that became classics; how legendary scenes were staged and shot; behind-the-scenes stories of the unknown actors who landed major roles and went on to become superstars; the underdog films that confounded expectations; directors' unique approaches to their art; and much, much more. This magnificent series also includes each director's filmography, complete listings of major awards, and cast credits for every film discussed. A fabulous source of insights, anecdotes, and industry secrets for film buffs everywhere!

#### Spinegrinder

Blood ceremonies, obscure symbols, elaborate codes, brutal executions: the arcane remnants of a defunct culture? The Mafia, this book suggests, is not nearly as bizarre as all that, not nearly as remote as we might think. In fact, as Diego Gambetta's analysis unfolds, the Mafia begins to resemble any other business. In a society where trust is in short supply, this business sells protection,

a guarantee of safe conduct for commercial and social transactions. It grudgingly shares the market with other concerns like itself, of which it is merely the most successful. The author develops his elegant economic theory with ample evidence, much of it based on the remarkable work done by Judge Giovanni Falcone and his colleagues in Palermo and Agrigento in the 1980s. Drawing on the confessions of eight Mafiosi and the trials their revelations triggered, Gambetta is able to explain all manner of peculiar Mafia marketing strategies that have been endlessly misinterpreted in the past. He makes illuminating - and unexpected - comparisons between the business of protection and ordinary industries, such as automotive insurance, and advertising. And he teases out the subtle distinctions between protection and extortion, in which the protector himself poses a threat. This new approach reshapes traditional interpretations of the Mafia - its origins, functions, and social consequences. Applying informal economic analysis, Gambetta shows how such a recognized evil can perform a real service, and how such a recognizable service can inflict great harm on a society.

### The Directors

How Serendipity Shaped the Life of Author Boyé Lafayette De Mente This is the personal memoir of author Boyé Lafayette De Mente, the 4th of ten children born to poor parents in an isolated valley in the Ozark Hills of southeast Missouri, and raised during the Great Depression of the 1930s. He went on to have a remarkable life which he attributes to the incredible power of serendipity. As editor of The IMPORTER magazine in Tokyo in the late 1950s and early 1960s and as the author of numerous pioneer books on the mindset and business practices of the Chinese, Japanese and South Koreans he made major contributions to the initial rise of Japan, South Korea, Taiwan, Hong Kong and China as economic superpowers. He played a leading role in helping to launch the career of Thunderbird School of Global Management alumnae brother Merle Hinrichs who became the largest trade magazine publisher in Asia, a major financial donor to Thunderbird and member of the board of directors. And he launched the publishing career of Kentucky hillbilly Larry Flynt who achieved great wealth and notoriety as the publisher of HUSTLER magazine and champion of freedom of speech. [On the day De Mente met Flynt he told his wife that he had just met a 26-year old man who had the intelligence and drive to become president of the United States by the time he was old enough to qualify for the office.] De Mente's encounters and relationships with such extraordinary individuals as Admiral Chester W. Nimitz, America's ranking naval officer during World War II; Akio Morita, co-founder and leading light of what was to become the Sony empire; Toshio Karita, former protocol officer for the Imperial Family of Japan; and Daisetsu Suzuki, Japan's leading Zen master, plus many more, were experiences he could not have even dreamed about before they happened. His story is an example of the potential of ordinary individuals to achieve significant things when life presents opportunities and they follow up on them.

### The Sicilian Mafia

Harry Niles, a disreputable American businessman with an unknown agenda, seeks to abandon his life in Tokyo while fleeing to the west on the last flight out before the Pearl Harbor attack.

### The Incredible Power of Serendipity!

This book is about the perception of Japan in the sixty films set there by gaijin (foreigners) —outsiders who almost always do not speak or read Japanese. My area of attention is directed to films depicting post World War II Japan and the Japanese, and, in many cases, films showing how foreigners in the same time frame respond to Japan. Why have a substantial number of films been set there by strangers? As a body of work, what do they tell us about contemporary Japan and about cinema? These films certainly provide a new cultural history of the West's reaction to Japan, but, even more, they are constructions that demonstrate how the West gazes at Japan. As such, more information can often be derived about the onlookers as on those looked-upon.

### December Six

A breathtaking, exquisitely crafted memoir about a trans person's singular journey through breaching the boundaries of gender—across generations, cultures and borders—to become his truest, most authentic self. Nearing the age of forty, with an entire life already lived as a woman—half in Colombia, half in the US—Miles Borrero comes face to face with his father's impending death. Suddenly realizing that he has been stalling his transition for fear of losing his family's love, this moment catalyzes Miles's determination to be fully known as his father's son before it is too late. In Beautiful Monster, Miles chronicles his unusual childhood, by turns riveting and hilarious, in '80s and '90s Colombia during the

Pablo Escobar years, as well as his move to Salt Lake City to pursue acting and the winding trajectory that eventually lands him in the New York City yoga scene. Within these very different cultures, the realities of being queer and trans echo poignantly through the triumphs, heartbreaks, family dynamics, spiritual pursuits, and relationships that propel Miles along his path. Sublimely nuanced and written in ravishing prose that is as unique and irresistible as its subject, *Beautiful Monster* is one person's story of navigating the pressures to perform femininity while becoming a gender outlaw. Brimming with wonder, humor, and mythos, entertaining and enlightening in equal measure, this book offers a compelling case for embracing one's true nature.

#### Corporate Wars

"Why are you doing all this?" Ellis asked. "Once you told me that I couldn't buy it, " Vittorio recalled, holding out his pen to Ellis. "Well, look what I just did: I bought the lady for half a million dollars." All Ellis Barker was longing for was to pay the last mortgage payment on the house she and her brother, Jason, inherited, and thus close her brother's debts. At least until the young woman arrived at the bank and her destiny crossed paths with Vittorio Amorielle, a mobster who will spare no effort to get what he wants, and from that moment on, that was Ellis. And it was thanks to Jason's debts that Vittorio was able not only to buy Ellis, but to marry her. But will they be able to deal with the consequences of this union?

#### Under Foreign Eyes

*Beautiful Monster*
