REPLY ALL...and Other Ways to Tank Your Career

Millions of people have improved their lives with the help of Richie Frieman, the hilariously insightful writer known as the Modern Manners Guy on the Quick and Dirty Tips network. In Reply All...And Other Ways to Tank Your Career, he interviews dozens of CEOs, entrepreneurs, celebrities, and tastemakers to get the pros' take on workplace challenges of every flavor, including: - How to make a great first impression and land the job - How to deal with the Cubicle Invader - How to navigate the office party - What to do if you encounter your boss at the gym, naked - Relationships on the job-fact or fiction? With his signature wit and unique insight, Richie reveals the best ways to handle every sticky office situation with aplomb and class. Case studies, chapter quizzes, and even cartoons help to deliver actionable, easy-to-use etiquette tips to teach young professionals to navigate the minefield of their jobs and come out on top. Reply All...And Other Ways to Tank Your Career features interviews with celebrities like Steve Guttenberg and Lisa Loeb, with business titans like Barbara Corcoran, Ken Austin, and Michael Weinstein, and with CEOs of forward-thinking companies like Neil Blumenthal of Warby Parker and Sam Tarantino of Groovespark. Spike Mendelsohn, restaurateur and Top Chef, raves: "Reply All...And Other Ways to Tank Your Career provides solutions for all of your career problems, especially the ones that you were afraid to acknowledge. Richie Frieman's unique voice gives a cheeky approach to the faux pas we inevitably encounter. With tips from the pros and enough humor to match, you're bound to absorb the wisdom mid chuckle." Rob Samuels, COO of Makers Mark, says: "If only there was a guide like this when I first entered the workplace - filled with real world anecdotes and examples from leading professionals, and broken up with quizzes and visuals - I would've made far fewer missteps along the way. Reply All...And Other Ways to Tank Your Career spells out those unspoken professional standards and expectations in an easy to understand (not to mention hilarious) fashion for anyone starting their career."

Snowballs For Severance

A law in Severance, Colorado makes it illegal to throw snowballs.

Ask a Manager

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of *The No Asshole Rule* and *The Asshole Survival Guide* 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F*ck* A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, *Ask a Manager* will help you successfully navigate the stormy seas of office life.

Make Your Career Go Boom! Not Bust

"This is one of the best self-help books I have read." That's the opinion of legendary and best-selling business author Ken Blanchard about *"Make Your Career Go BOOM! Not Bust: Practical tips to succeed in an ever-changing world."* "I love Mike Ryan's book," Blanchard said. "It contains such down-to-earth career advice that I'm giving it to my four grandchildren in their 20s. The book has not only great career advice but, to me, wonderful advice for being a caring and loving human being. Don't miss it!" Award-winning journalist and business executive Michael Ryan gives it to you straight. There's no sugar-coating here. Just solid advice that could either help make or break your career. He has seen a lot - the good and the bad - and is eager to share his experiences to help others. He details the road to success, how to take care of yourself, how to take control and what to avoid if you become a manager. *"Make Your Career Go BOOM! Not Bust"* is the sequel to Ryan's highly successful *"The BOOM! BOOM! Book: Practical tips to make sure your career doesn't go BUST."* The book proved so popular he decided to do this book with even more tips and advice to help you succeed. *"Make Your Career Go BOOM! Not Bust"* provides valuable insights for people at any stage in their careers. His first book was especially popular with college students as professors and universities throughout the country who use it to provide students with a competitive edge as they begin and move up in their careers. The conversational, easy-to-read book features 40 tips in all with each ending with a BOOM! BOOM! Takeaway you can apply in your career. The book provides tips such as: -- The person you have to keep happy in your life is YOU! -- Remember: Bosses are human, too. -- Don't beat yourself up. -- YOU control your happiness. -- Your boss isn't a mind reader and neither are YOU! -- It can't happen to me. Wanna bet? So if you are starting or want to jump start your career, then *"Make Your Career Go BOOM! Not Bust: Practical tips to succeed in an ever-changing world"* is the book for you.

GUIDE TO A WINNING INTERVIEW

Looking for a way to excel at your next interview? Want to appear more confident in the interview room? Then keep reading this. The truth of the matter is, going through an interview is much harder than it actually looks. No matter what others say, when it comes to being inside the room with the interviewer, everyone falters. If you want to be a success at your interviews, then you need to inculcate or develop a certain frame of mind. This will depend mostly on your pre-interview preparations. If you are aware of what are some of the basic questions that all interviews basically boil down to, then you have much of the territory covered. So, what are these questions that you need to know about that will get you in prime position for the job? This is precisely what is covered in *Guide to a Winning Interview*. The ultimate aim of the book is to disclose all the properly guarded secrets of being a success at interviews without trying to be someone else. All you need is a little self-confidence and the technical know-how that is associated with the job. Through this book, you will learn: How to determine your career goals and strategies How to go about answering the most common job interview questions in the context of case examples A list of things that you should ask the interviewer to know more about the job What to say, if anything, after the interview is over A list of Dos and Don'ts in a job interview, explaining why they need to be followed How to make the best of your body language and its importance All about your dress code The secret to remain calm, which will end up making a positive impression on the interviewer *Guide to a Winning Interview* will be your bible until you are able to find the job that you have always dreamed of. Not only it will teach you a variety of things that will enable you to crack every interview that you give, but it will also help you build certain habits that will stick with you for the entirety of your professional career. Even if you are just starting out and have no idea as to how to go about preparing for an interview, you can still have an edge over others after reading this book. Preparing for

interviews is not rocket science, but it does require a certain guideline that, if you follow it religiously, will guarantee you success at every stage of your career. Are you interested in knowing more? Get this book and start preparing for your dream job today.

The No Asshole Rule

The definitive guide to working with -- and surviving -- bullies, creeps, jerks, tyrants, tormentors, despots, backstabbers, egomaniacs, and all the other assholes who do their best to destroy you at work. "What an asshole!" How many times have you said that about someone at work? You're not alone! In this groundbreaking book, Stanford University professor Robert I. Sutton builds on his acclaimed Harvard Business Review article to show you the best ways to deal with assholes...and why they can be so destructive to your company. Practical, compassionate, and in places downright funny, this guide offers: Strategies on how to pinpoint and eliminate negative influences for good Illuminating case histories from major organizations A self-diagnostic test and a program to identify and keep your own "inner jerk" from coming out The No Asshole Rule is a New York Times, Wall Street Journal, USA Today and Business Week bestseller.

Klara and the Sun

Longlisted for the Booker Prize 2021 The #1 Sunday Times Bestseller Featured in Barack Obama's Summer Reading List 2021 'This is a novel for fans of Never Let Me Go . . . tender, touching and true.' The Times 'The Sun always has ways to reach us.' From her place in the store, Klara, an Artificial Friend with outstanding observational qualities, watches carefully the behaviour of those who come in to browse, and of those who pass in the street outside. She remains hopeful a customer will soon choose her, but when the possibility emerges that her circumstances may change for ever, Klara is warned not to invest too much in the promises of humans. In Klara and the Sun, his first novel since winning the Nobel Prize in Literature, Kazuo Ishiguro looks at our rapidly-changing modern world through the eyes of an unforgettable narrator to explore a fundamental question: what does it mean to love? 'Beautiful' Guardian 'Flawless' The Times 'Devastating' FT 'Another masterpiece' Observer

Dark Matter

In this world he's woken up to, Jason's life is not the one he knows. His wife is not his wife. His son was never born. And Jason is not an ordinary college physics professor, but a celebrated genius who has achieved something remarkable. Something impossible. Is it this world or the other that's the dream? And even if the home he remembers is real, how can Jason possibly make it back to the family he loves? The answers lie in a journey more wondrous and horrifying than anything he could've imagined - one that will force him to confront the darkest parts of himself even as he battles a terrifying, seemingly unbeatable foe.

The Psychology of Selling

Double and triple your sales--in any market. The purpose of this book is to give you a series of ideas, methods, strategies, and techniques that you can use immediately to make more sales, faster and easier than ever before. It's a promise of prosperity that sales guru Brian Tracy has seen fulfilled again and again. More sales people have become millionaires as a result of listening to and applying his ideas than from any other sales training process ever developed.

The Phoney Victory

Was World War II really the 'Good War'? In the years since the declaration of peace in 1945 many myths have sprung up around the conflict in the victorious nations. In this book, Peter Hitchens deconstructs the many fables which have become associated with the narrative of the 'Good War'. Whilst not criticising or doubting the need for war against Nazi Germany at some stage, Hitchens does query whether September 1939 was the right moment, or the independence of Poland the right issue. He points out that in the summer of 1939 Britain and France were wholly unprepared for a major European war and that this quickly became apparent in the conflict that ensued. He also rejects the retroactive claim that Britain went to war in 1939 to save the Jewish population of Europe. On the contrary, the beginning and intensification of war made it easier for Germany to begin the policy of mass murder in secret as well as closing most escape routes. In a provocative, but deeply-researched book, Hitchens

questions the most common assumptions surrounding World War II, turning on its head the myth of Britain's role in a 'Good War'.

Seeing Like a State

"One of the most profound and illuminating studies of this century to have been published in recent decades."—John Gray, New York Times Book Review
Hailed as "a magisterial critique of top-down social planning" by the New York Times, this essential work analyzes disasters from Russia to Tanzania to uncover why states so often fail—sometimes catastrophically—in grand efforts to engineer their society or their environment, and uncovers the conditions common to all such planning disasters. "Beautifully written, this book calls into sharp relief the nature of the world we now inhabit."—New Yorker
"A tour de force."—Charles Tilly, Columbia University

The Episodic Career

"A practical guide to the ways in which work in America is changing and how you can navigate today's volatile job market"--

The Journal of Gas Lighting, Water Supply & Sanitary Improvement

Max is a German schoolboy, when he first meets Lili, a trapeze artist from a travelling circus that performs every year in Berlin. Lili is a Romani and her life and customs are very different from those of Max and his family. Their friendship turns into love, but love between a German and a Romani is definitely forbidden. As Max is conscripted into the SS and war tears them apart, can their love survive? Set against the backdrop of the Second World War, *A Berlin Love Song* is a love story of passion, unexpected friendship, despair, loss and hope.

A Berlin Love Song

How our collective intelligence has helped us to evolve and prosper Humans are a puzzling species. On the one hand, we struggle to survive on our own in the wild, often failing to overcome even basic challenges, like obtaining food, building shelters, or avoiding predators. On the other hand, human groups have produced ingenious technologies, sophisticated languages, and complex institutions that have permitted us to successfully expand into a vast range of diverse environments. What has enabled us to dominate the globe, more than any other species, while remaining virtually helpless as lone individuals? This book shows that the secret of our success lies not in our innate intelligence, but in our collective brains—on the ability of human groups to socially interconnect and learn from one another over generations. Drawing insights from lost European explorers, clever chimpanzees, mobile hunter-gatherers, neuroscientific findings, ancient bones, and the human genome, Joseph Henrich demonstrates how our collective brains have propelled our species' genetic evolution and shaped our biology. Our early capacities for learning from others produced many cultural innovations, such as fire, cooking, water containers, plant knowledge, and projectile weapons, which in turn drove the expansion of our brains and altered our physiology, anatomy, and psychology in crucial ways. Later on, some collective brains generated and recombined powerful concepts, such as the lever, wheel, screw, and writing, while also creating the institutions that continue to alter our motivations and perceptions. Henrich shows how our genetics and biology are inextricably interwoven with cultural evolution, and how culture-gene interactions launched our species on an extraordinary evolutionary trajectory. Tracking clues from our ancient past to the present, *The Secret of Our Success* explores how the evolution of both our cultural and social natures produce a collective intelligence that explains both our species' immense success and the origins of human uniqueness.

In *Upright Women Wanted*, award-winning author Sarah Gailey reinvents the pulp Western with an explicitly antifascist, near-future story of queer identity. "That girl's got more wrong notions than a barn owl's got mean looks." Esther is a stowaway. She's hidden herself away in the Librarian's book wagon in an attempt to escape the marriage her father has arranged for her—a marriage to the man who was previously engaged to her best friend. Her best friend who she was in love with. Her best friend who was just executed for possession of resistance propaganda. The

future American Southwest is full of bandits, fascists, and queer librarian spies on horseback trying to do the right thing. Praise for Upright Women Wanted "A good old-fashioned horse opera for the 22nd century. Gunslinger librarians of the apocalypse are on a mission to spread public health, decency, and the revolution."—Charles Stross "A dazzling neo-western adventure. . . . Gailey's gorgeous writing and authentic characters make this slim volume a pure delight."—Publishers Weekly, starred review At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Secret of Our Success

LONGLISTED FOR THE BAILEY'S WOMEN'S PRIZE FOR FICTION 'A quietly profound, humane tour de force' Guardian The beloved debut novel that will restore your faith in humanity #SmallAngryPlanet When Rosemary Harper joins the crew of the Wayfarer, she isn't expecting much. The ship, which has seen better days, offers her everything she could possibly want: a small, quiet spot to call home for a while, adventure in far-off corners of the galaxy, and distance from her troubled past. But Rosemary gets more than she bargained for with the Wayfarer. The crew is a mishmash of species and personalities, from Sissix, the friendly reptilian pilot, to Kizzy and Jenks, the constantly sparring engineers who keep the ship running. Life on board is chaotic, but more or less peaceful - exactly what Rosemary wants. Until the crew are offered the job of a lifetime: the chance to build a hyperspace tunnel to a distant planet. They'll earn enough money to live comfortably for years... if they survive the long trip through war-torn interstellar space without endangering any of the fragile alliances that keep the galaxy peaceful. But Rosemary isn't the only person on board with secrets to hide, and the crew will soon discover that space may be vast, but spaceships are very small indeed. PRAISE FOR THE WAYFARERS 'Never less than deeply involving' DAILY MAIL 'Explores the quieter side of sci-fi while still wowing us with daring leaps of imagination' iBOOKS 'So much fun to read' HEAT 'Chambers is simply an exceptional talent, quietly and beautifully redefining the space opera' TOR.COM 'The most fun that I've had with a novel in a long, long time' iO9

And a big bonus: Melissa gives guidance on the best non-toxic, eco-conscious cleaning products and offers natural cleaning solution recipes you can make at home using essential oils to soothe and refresh. With

Melissa's simple, groundbreaking method you can truly live in a cleaner, more cheerful, and calming home all the time.

The 10 Laws of Career Reinvention

Create a personal "power grid" of influence to spark professional and personal success "Other people have the answers, deals, money, access, power, and influence you need to get what you want in this world. To achieve any goal, you need other people to help you do it." -- JUDY ROBINETT As anyone in business knows, strategic planning is critical to achieving long-term success. In *How to Be a Power Connector*, super-networker Judy Robinett argues that strategic relationship planning should be your top priority. When you combine your specific skills and talents with a clear, workable path for creating and managing your relationships, nothing will stop you from meeting your goals. With high-value connections, you'll tap into a dynamic "power grid" of influence guaranteed to accelerate your personal and professional success. Robinett uses her decades of experience connecting the world's highest achievers with one another to help you build high-value relationships. She reveals all the secrets of her trade, including proven ways to: Find and enter the best network "ecosystem" to meet your goals Reach even the most unreachable people quickly and effectively Get anyone's contact information within 30 seconds Create a "3-D connection" that adds value to multiple people at the same time Access key influencers through industry and community events Subtly seed conversation with information about interests and needs Use social media to your best advantage Robinett has based her methods on solid research proving that social groups begin to break up when they become larger than 150 people, and that 50 members is the optimal size for group communication. As such, she has developed what she calls the "5+50+100" method: contact your top 5 connections daily, your Key 50 weekly, and your Vital 100 monthly. this is your power grid, and it will work wonders for your career. Nothing will stop you when you learn *How to Be a Power Connector*. PRAISE FOR HOW TO BE A POWER CONNECTOR: "Unlike many books in this genre, this one is written by a woman who has lived it. . . . Judy Robinett offers guidance on how to form authentic relationships that bring mutual benefits." -- ADAM GRANT, Wharton professor and New York Times bestselling author of *Give and Take* "How to Be a Power Connector is like an MBA in networking: an advanced course in finding and developing quality relationships with the people who can make the biggest difference in your professional success." -- IVAN MISNER, founder and chairman of BNI "Talk about power! Follow Judy Robinett's logical, straightforward, and helpfully detailed advice, and you can be a 'Power Connector' yourself! Great ideas, well presented, with no 'wasted space' in her argument!" -- DON PEPPERS, coauthor of *Extreme Trust: Honesty as a Competitive Advantage* "Absolutely brilliant. A step-by-step guide to building a network that will be both invaluable to you and just as valuable to those whose lives you will now have the opportunity to touch. I can't imagine a more powerful book for one who truly desires to be a Power Connector." -- BOB BURG, coauthor of *The Go-Giver* and author of *Adversaries into Allies* "In the C-Suite or in your personal life everything comes down to the quality of your relationships. Judy's book helps you attract and maintain the relationships that will get you what you want most. Be a super connector now!" -- JEFFREY HAYZLETT, TV host and bestselling author of *Running the Gauntlet*

Clean My Space

When Fallon and aspiring novelist Ben meet and fall in love the day before Fallon's cross-country move, they vow to meet on the same date every year, until Fallon suspects Ben is fabricating their relationship to create the perfect plot twist.

How to Be a Power Connector: The 5+50+100 Rule for Turning Your Business Network into Profits

This 6x9 Monthly Planner with 100 pages inside: Goal Action Plan, Future Goal, Goals Checklist, This Year's Goals, Vision Board, Monthly Goal Progress, Monthly Overview and more. (January 2019-December 2020)

9-Nov

Celebrity gossip meets history in this compulsively readable collection from BuzzFeed reporter Anne Helen Peterson. This guide to film stars and their deepest secrets is sure to top your list for movie gifts and appeal to fans of classic cinema and hollywood history alike. Believe it or not, America's fascination with celebrity culture was thriving well before the days of TMZ, Cardi B, Kanye's tweets, and the #metoo allegations that have gripped Hollywood. And the stars of yesteryear? They weren't always the saints that we make them out to be. BuzzFeed's Anne Helen Petersen, author of *Too Fat, Too Slutty, Too Loud*,

is here to set the record straight. Pulling little-known gems from the archives of film history, Petersen reveals eyebrow-raising information, including: • The smear campaign against the original It Girl, Clara Bow, started by her best friend • The heartbreaking story of Montgomery Clift's rapid rise to fame, the car accident that destroyed his face, and the "long suicide" that followed • Fatty Arbuckle's descent from Hollywood royalty, fueled by allegations of a boozy orgy turned violent assault • Why Mae West was arrested and jailed for "indecent charges" • And much more Part biography, part cultural history, these stories cover the stuff that films are made of: love, sex, drugs, illegitimate children, illicit affairs, and botched cover-ups. But it's not all just tawdry gossip in the pages of this book. The stories are all contextualized within the boundaries of film, cultural, political, and gender history, making for a read that will inform as it entertains. Based on Petersen's beloved column on the Hairpin, but featuring 100% new content, Scandals of Classic Hollywood is sensationalism made smart.

Burn Book

The inspiration for *The Comey Rule*, the Showtime limited series starring Jeff Daniels premiering September 2020 The sensational Sunday Times #1 Bestseller about taking on the mafia, the Clintons and Trump. 'An urgent clarion call.' - The Financial Times In *A Higher Loyalty*, his massive Number One bestselling memoir, former FBI director James Comey shares his never-before-told experiences from some of the highest-stakes situations of his career in the past two decades of American government, exploring what good, ethical leadership looks like, and how it drives sound decisions. His journey provides an unprecedented entry into the corridors of power, and a remarkable lesson in what makes an effective leader. Mr. Comey served as director of the FBI from 2013 to 2017, appointed to the post by President Barack Obama. He previously served as U.S. attorney for the Southern District of New York, and the U.S. deputy attorney general in the administration of President George W. Bush. From prosecuting the Mafia and Martha Stewart to helping change the Bush administration's policies on torture and electronic surveillance, overseeing the Hillary Clinton e-mail investigation as well as ties between the Trump campaign and Russia, Comey has been involved in some of the most consequential cases and policies of recent history.

Scandals of Classic Hollywood

The Snowflake Method-ten battle-tested steps that jump-start your creativity and help you quickly map out your story.

A Higher Loyalty

This guide features 14 chapters covering the critical areas that can help people succeed in the climb up the corporate ladder. From the basics of getting off on the right foot during the job interview to handling office politics, to dining etiquette, this book covers the things today's businessperson needs to know.

How to Write a Novel Using the Snowflake Method

Taking the literary world by storm, Eimear McBride's internationally praised debut is one of the most acclaimed novels in recent years; it is "subversive, passionate, and darkly alchemical. Read it and be changed" (Eleanor Catton). Eimear McBride's debut tells, with astonishing insight and in riveting detail, the story of a young woman's relationship with her brother, the long shadow cast by his childhood brain tumour, and her harrowing sexual awakening. Not so much a stream-of-consciousness, as an unconscious railing against a life that makes little sense, and a shocking and intimate insight into the thoughts, feelings and chaotic sexuality of a vulnerable and isolated protagonist, *A Girl Is a Half-formed Thing* plunges inside its narrator's head, exposing her world firsthand. This isn't always comfortable—but it is always a revelation. Touching on everything from family violence to religion to addiction, and the personal struggle to remain intact in times of intense trauma, McBride writes with singular intensity, acute sensitivity, and mordant wit. *A Girl Is a Half-formed Thing* is moving, funny, and alarming. It is a book you will never forget.

The Essential Guide to Business Etiquette

Find God's vision for your job. Reclaim God's vision for your life. Many Christians fall victim to one of two main problems when it comes to work: either they are idle in their work, or they have made an idol of it. Both of these mindsets are deadly misunderstandings of how God intends for us to think about our employment. In *The Gospel at Work*, Sebastian Traeger and Greg Gilbert unpack the powerful ways in

which the gospel can transform how we do what we do, releasing us from the cultural pressures of both an all-consuming devotion and a punch-in, punch-out mentality—in order to find the freedom of a work ethic rooted in serving Christ. You'll find answers to some of the tough questions that Christians in the workplace often ask: What factors should matter most in choosing a job? What gospel principles should shape my thinking about how to treat my boss, my co-workers, and my employees? Is full-time Christian work more valuable than my job? Is it okay to be motivated by money? How do you prioritize—or balance—work, family and church responsibilities? Solidly grounded in the gospel, *The Gospel at Work* confronts both our idleness at work and our idolatry of work with a challenge of its own—to remember that whom we work for is infinitely more important than what we do.

A Girl is a Half-Formed Thing

Wool introduced the world of the silo. Shift told the story of its creation. Dust will describe its downfall.

The London Journal: and Weekly Record of Literature, Science, and Art

"DLP, Developmental Leadership Program; Australian Aid; Oxfam."

The Gospel at Work

'As gripping as any spy thriller, Hastings's achievement is especially impressive, for he has produced the best single volume yet written on the subject' *Sunday Times* 'Authoritative, exciting and notably well written' *Daily Telegraph* 'A serious work of rigorous and comprehensive history ... royally entertaining and readable' *Mail on Sunday*

Dust

Cal Newport's clearly-written manifesto flies in the face of conventional wisdom by suggesting that it should be a person's talent and skill - and not necessarily their passion - that determines their career path. Newport, who graduated from Dartmouth College (Phi Beta Kappa) and earned a PhD. from MIT, contends that trying to find what drives us, instead of focusing on areas in which we naturally excel, is ultimately harmful and frustrating to job seekers. The title is a direct quote from comedian Steve Martin who, when once asked why he was successful in his career, immediately replied: "Be so good they can't ignore you" and that's the main basis for Newport's book. Skill and ability trump passion. Inspired by former Apple CEO Steve Jobs' famous Stanford University commencement speech in which Jobs urges idealistic grads to chase their dreams, Newport takes issue with that advice, claiming that not only is this advice Pollyannish, but that Jobs himself never followed his own advice. From there, Newport presents compelling scientific and contemporary case study evidence that the key to one's career success is to find out what you do well, where you have built up your 'career capital,' and then to put all of your efforts into that direction.

How Change Happens

World-renowned WWE Hall of Famer turned fitness guru Diamond Dallas Page wants to transform your life. After decades of helping others make radical transformations in health and fitness, Diamond Dallas knows what is really holding you back from profound life change. He has watched countless people take ownership of their lives, physically, mentally, and emotionally—and he has witnessed, time and again, the precise instant when a real and massive shift occurs in a person's attitude. In *Positively Unstoppable*, he brings his understanding of what really moves people to change and own their lives. It begins when we discover what we really want, and then commit to follow the steps that will turn that goal into a reality. Regardless of where we are at in our lives, it's possible to have a breakthrough. Filled with lessons from Page's life that share his own struggle to find his calling, overcoming one obstacle after another, *Positively Unstoppable* is a bible for anyone who needs to be re-inspired to follow their dreams and take real action towards the things that matter most to them. Page's gift of authenticity has helped him motivate those who may have lost hope, because he truly understands the incredible power of self-belief. Page includes powerful transformation stories, goal-setting guides, as well as a sample workout, eating plans and delicious gluten-free, non-GMO recipes from his wildly popular fitness program, DDPY. *Positively Unstoppable* is your roadmap to getting "unstuck" and taking the steps needed to create a healthy, magnificent life.

The Secret War: Spies, Codes and Guerrillas 1939–1945

The year is 2454. The sun is setting on a hard-won golden age. For three centuries, humanity has enjoyed peace and prosperity fuelled by technological abundance, oracular data analytics, careful censorship... and just a little blood. In a world dominated by seven factions, or 'Hives', the price of peace has been a few secret murders, mathematically planned to ensure political and economic balance. But now the secret is out, the balance is slipping and war beckons. Convict Mycroft Canner knew this war was coming – he committed his terrible crimes to forestall it. Now, he has just one card left, a wild card no degree of statistical genius could have predicted: a thirteen-year-old child with the power to work miracles. Turning thought into matter, matter in life, this child has the power to save the world, or to doom it.

So Good They Can't Ignore You

For fans of David Sedaris and Nora Ephron, here is a humorous, irreverent, and poignant look at the gifts, stereotypes, and inevitable challenges of aging, based on the wildly popular New York Times essay from award-winning journalist Steven Petrow. Soon after his 50th birthday, Steven Petrow began assembling a list of “things I won’t do when I get old”—mostly a catalog of all the things he thought his then 70-something year old parents were doing wrong. That list, which included “You won’t have to shout at me that I’m deaf,” and “I won’t blame the family dog for my incontinence,” became the basis of this rousing collection of do’s and don’ts, wills and won’ts that is equal parts hilarious, honest, and practical. The fact is, we don’t want to age the way previous generations did. “Old people” hoard. They bore relatives—and strangers—with tales of their aches and pains. They insist on driving long after they’ve become a danger to others (and themselves). They eat dinner at 4pm. They swear they don’t need a cane or walker (and guess what happens next). They never, ever apologize. But there is another way . . . In *Stupid Things I Won’t Do When I Get Old*, Petrow candidly addresses the fears, frustrations, and stereotypes that accompany aging. He offers a blueprint for the new old age, and an understanding that aging and illness are not the same. As he writes, “I meant the list to serve as a pointed reminder—to me—to make different choices when I eventually cross the threshold to ‘old.’” Getting older is a privilege. This essential guide reveals how to do it with grace, wisdom, humor, and hope. And without hoarding.

Positively Unstoppable

Tales from Ruun collects eight stories of titans, mages, and warriors from the world of *The Power Yet Wielded*. From the sky serpent, Tahk, to the wild cactus, Osirian, these titans exist in the natural world and occasionally wreak havoc on the mortals that are unfortunate enough to cross their paths. *Tales from Ruun* collects eight stories that span the three major continents of Ruun: Masaneen, Nuliya, and Gojeer. These stories follow mortals and titans alike through adventures, mysteries, battles, and more.

Seven Surrenders

Stupid Things I Won't Do When I Get Old
