Indira Gandhi

This book recounts the life of Indira Gandhi, who served as India's prime minister from 1966-1977 and from 1980-1984.

Indira Gandhi

A definitive, incisive and no-holds-barred account of the life and times of one of India's most charismatic and prominent leaders who has left a distinctive stamp on history. For almost two decades, Indira Gandhi stood out the world's most powerful woman. In India, there is hardly a neutral opinion about her. She is either adored or abused. Inder Malhotra's biography explores objectively this highly complex and very private person – right from her childhood to her last days – who lived under constant public gaze and learnt to adjust her demeanour to the occasion, rigorously concealing her true self and real feelings. This comprehensive work recounts her unusual and unhappy 'love marriage' to Feroze Gandhi and examines the ambivalent influence of her father, Jawaharlal Nehru, on her career. It also focuses on her relationship with her sons: Sanjay, her chosen heir, and his elder brother Rajiv, who, ironically, succeeded her as the prime minister of India. The author traces Indira Gandhi's own evolution from a 'dumb doll' to the 'empress of India' and her downfall, the seeds of which were sown when she imposed the Emergency on 25 June 1975. This phase marked a dark period in the post-independence era. Her party (the Congress) lost the March 1997 general election and she was out of power for nearly three years. The author also describes the later revival in her fortunes, when she returned as prime minister in January 1980. During her second term, she had to order the Indian Army to enter the Golden Temple in Amritsar (the holiest shrine of the Sikhs) to flush out the militants hiding there. This move led to her being assassinated by her own Sikh bodyguards on 31 October 1984. In the revised and updated edition, Inder Malhotra throws light on the impact that Indira Gandhi had (and continues to have) on Indian politics after her death when her mantle fell on members of her family, including Rajiv Gandhi first and Sonia Gandhi later. This is not only a compulsive and gripping narrative about a remarkable personality but also a fascinating study of India after independence. E41

Indira Gandhi

Indira Gandhi's life was part of the unfolding history of India, intricately woven with India's past and future. It became inevitable, therefore, that politics formed a backdrop to her public and often private actions. Indira Gandhi's life spanned over two-thirds of a century. By the time of her brutal assassination in 1984, she had established herself as the most significant political leader India had seen since the death of her father, Jawaharlal Nehru. In this book, written with the close cooperation of her subject, Pupul Jayakar seeks to uncover the many personalities that lay hidden within Mrs Gandhi. Much more than a political biography, the book reveals the complex personality of Indira Gandhi—her thoughts and feelings, her hates and prejudices, her insights and her faults, her loves and emotional entanglements. Full of startling insights, *Indira Gandhi: A Biography* paints a magnificent portrait—at once empathetic and unprejudiced—of one of the twentieth century's most remarkable women.

Indira Gandhi

A penetrating examination of Indira Gandhi's personality as well as an analysis of the factors leading to the Emergency Rule Declaration, by an American expert which provides insight into contemporary Indian politics. Carras traveled with the then prime minister throughout 1975, interviewing her in depth before and after the declaration of the Emergency.

Mother India

The first major biography of Indira Gandhi covers the breadth and scope of 20th-century India and the woman who left her indelible mark on that troubled country. Both widely supported and bitterly opposed, she was eventually removed from office, only to make a stunning comeback.

Two Alone, Two Together

Remarkable for their sensitivity and humour, and replete with vivid descriptions of major personalities and events of their times, the letters chart Indira Gandhi's developments from a shy school girl into a charismatic political leader.

Indira Gandhi's Leadership

Transcript of interviews with various Indian political leaders.

Indira Gandhi, Her Road to Power

How did Indira Gandhi reach the pinnacle of Indian politics? Did India move away from freedom under her leadership? What kind of woman was she? Indira Gandhi made unorthodox use of power and possessed a highly individual style of functioning. In this book, Nayantara Sahgal persuasively argues that authoritarianism was the inevitable outcome of Indira's personality and temperament. Her leadership marked a drastic break with the democratic tradition of her family and of Indian politics. During her regime, the political landscape of India underwent profound changes. The Emergency of 1975-77 was used to promote her son Sanjay as her ultimate successor. The entry of her elder son, Rajiv, into politics after Sanjay's death, and his immediate political prominence showcased Indira's essential belief in her family's right to rule. Nayantara Sahgal's personal knowledge of her cousin, in combination with her unparalleled access to letters exchanged between Nehru and her mother, Vijayalakshmi Pandit, makes for an unusually penetrating psychological and political portrait from an intimate family viewpoint.

Indira

Presents the life of the first woman prime minister of India, from her childhood to her assassination.

Impact of Indira Gandhi on Indian Political System

****This is the chapter slice "Indira Gandhi (India) Gr. 5-8" from the full lesson plan "World Political Leaders"***** Get the scoop on twelve of the most interesting World Political Leaders from the past century. Bush and Ronald Reagan. Compare Bush's war on terrorism with Reagan's arms race during the Cold War.

Journey down south with a stop in Mexico, where Vicente Fox acted as mediator between George W. Bush and Fidel Castro during an international summit. Cross the pond on your way to the United Kingdom. Learn about Margaret Thatcher's role in ending apartheid in South Africa. Read about how Mikhail Gorbachev went from being the leader of the Soviet Union to winning the Nobel Peace Prize. Learn how Nelson Mandela fought to bring equal rights for all citizens of South Africa. Journey to Tibet and explore the reincarnated spirit of the Dalai Lama, now head of state and spiritual leader of the Buddhist religion. Aligned to your State Standards and written to Bloom's Taxonomy, additional writing tasks, crossword, word search, comprehension quiz and answer key are also included.

Indira Gandhi

Indira Gandhi is admired globally as the most charismatic political leader of India. Elected four times as the Prime Minister of India. She was the first woman elected to lead a democracy and the world's longest serving woman Prime Minister from 1966 to 1984 when she was assassinated. During her days as the Prime Minister, displaying extraordinary political skills and tenacity. Gandhi showed an ability to win elections and outmanoeuvre opponents. She introduced more left-wing economic policies and promoted agricultural productivity. Also, she was the only Indian Prime Minister to have declared a state of emergency in order to 'rule by decree' and the only Indian Prime Minister to have been imprisoned after holding that office. She had remarkable endurance and ambition whilst building a formidable international reputation. Thus, she was listed as one of the "Most Powerful Women of the Century." Indira's style of functioning was criticized much and she was also accused of not having "Principles or human approach."

World Political Leaders: Indira Gandhi (India) Gr. 5-8

About Book: -The book "Indira Gandhi-Harbinger of Peace" is a result of my life's inspirational true story. It's an amazing book about World Leader, Prime Minister of India and an Iron Lady of India of that time due to her strong personality, after the Independence of India in 1947. She took historical decisions as the Prime Minister of India. Indira Gandhi was famous around the World due to her leadership quality & Politics. That's why she was famous as World Leader. I was also inspired by these qualities and decided to write a Book about her life & achievements. I was inspired by her famous slogan "Garibi Hatao" not in India but around the World. She took various political decisions in her regime as Prime Minister of India like "Emergency\

Indira Gandhi -Iron Lady of India

The author is an Assistant Professor of Political Science at Chandernagore Government College, West Bengal, India. She received her Ph.D. in International Relations from Jadavpur University in 2014 and is a Gold medallist in her M.A. programme from the same university. She has also served as an instructor of German language at the Ramakrishna Mission Institute of Culture, Kolkata and translated several English and Bengali texts and songs into German language. Her areas of interest include: international politics, defence and strategic studies, comparative politics and international law. Since the Second World War, there have been very few women politicians to have come to lead their nations and dominate the world politics. Out of them, Indira Gandhi, Margaret Thatcher and Golda Meir are regarded as powerful women leaders of the world. These three Premiers were the first and only women leaders to have assumed political leadership in their respective countries till date. They were universally recognised as Iron Ladies because of their command and control over their respective governments, their conviction mindset and their capability to transform and implement their visions and ideas into practical policies. They were surrounded by male colleagues and there was hardly any woman in their respective Cabinets or governments; nor did they portray themselves as representatives of womenfolk. Also, their policies bore no reflection of women-friendly approaches; neither were they supporters of womens rights, nor did they encourage womens participation in politics or promote womens empowerment. They were successful in maintaining domestic peace and resisted external

aggressions with strong hands, for which, they were universally recognised as tough leaders and were personified with their respective countries as well. This book intends to look at their electoral politics, modes of functioning and the power-sharing patterns, makes a comparative study of the nature of their leadership, along with the personal and institutional factors in their access to power, mitigating domestic discontents as well as their individual roles in the Indo Pak War of 1971, the Falklands Island dispute of 1982 and the Yom Kippur War of 1973.

Indira Gandhi

India, credited with the best institutionalized democracy of the Third World, changed in 1975, apparently overnight and at the decision of one individual, to a quasi-dictatorship. A transformation so remarkable prompted eight scholars of Indian politics to reexamine the sectors of the system they know well, seeking explanations. They reappraise the carry-over of colonial institutions and procedures, the distribution of power in the ruling party, business influence, the roles of the divided Communist parties, the position of the administrative corps and of the army, and unrest among the rural poor at its most volatile, in the state of Bihar. An introduction shows just what Mrs. Gandhi changed, the situation that triggered her action, and the justification she advances. A concluding chapter tests the facts of the Indian transformation against four major theories of political change in the developing world: projection into politics of personality conflicts of the leader, agrarian class conflict, social mobilization, and cultural assimilation and institutionalization.

Indira Gandhi-Harbinger of Peace

This biography of a great person is an adventurous academic venture. The present book is devoted to the great personality of Indira Gandhi, who was the Prime Minister of India for several consecutive terms and for the last term until her assassination — a total of fifteen years. She was India's first and to date the only, female prime minister. Her greatest achievement was that she led the nation to the decisive victory in the 1971 Indo-Pak war. This comprehensive Biography, in an interesting manner, has culminated into an exhaustive work on the subject. Beyond normal parameters, it is bound to serve all its users. I am indebted to all scholars, authors and compilers, whose valuable contributions, I have benefited from while preparing this book. I am also thankful to the publishers and website operators, whose works, I have referred to, during the compilation of this book. And last but not the least, the undersigned expresses wholehearted gratitude to all the associates, who extended their full cooperation in shaping and finalizing this project. This book is destined to be acknowledged by all academic circles. Enlightening comments and suggestive remarks are solicited very cordially. This book is an exclusive, compact and comprehensive account of the above-mentioned great life, which is bound to attract the attention of scholars, researchers, students and of course, the general readers. Contents:-

- The Profile
- A Great Life
- Making of a Leader
- Prime Minister of India
- Versatile Personality
- Treasure of Thoughts
- The Indira Cult
- Quotable Quotes

Women, Power and Leadership:

Sonia Gandhi's story represents the greatest transformational journey made by any world leader in the last four decades. Circumstance and tragedy, rather than ambition, paved her path to power. Born into a traditional, middle-class Italian family, Sonia met and fell in love with Rajiv Gandhi, son of future Indian prime minister Indira Gandhi and grandson of Jawaharlal Nehru, while studying English in Cambridge. Cruelly tested by the assassinations of her mother-in-law and of her husband, Sonia grew into a strong, authoritative but always private figure, now president of a coalition ruling over a billion people in the world's largest democracy. Through exclusive interviews with members of Sonia's party, political opponents and family friends, Rani Singh casts new light on Sonia. In the first mainstream biography of this inspirational figure, the author's compelling narrative retraces the path of the brave and beautiful Sonia Gandhi, examining what her life and legacy mean for India.

Indira Gandhi's India

The first comprehensive study on late Mrs. Indira Gandhi's political personality. Deals extensively with the different phases of the illustrious personality of Mrs. Gandhi beginning her early shaping in the specific family conditions till the climax that was marred by her ferocity during the internal emergency proclaimed by her. It also examines the different facets of her personality which ushered India into an era of new political culture. Review Shri L.K.Advani released the book Indira Gandhi and Congress party

written by Dr Ram Avtar Sharma. He mentioned that nowadays there is no such leader in Congress Party who can criticise the wrong policies of Mrs. Gandhi. Hindustan Times, 8 March, 1988.

Rajiv Gandhi, the Brave New Leader

Such A Fusion Of The Public And Private Worlds Confers On These Letters A Distinctive Quality. Sonia Gandhi Jawaharlal Nehru And His Daughter Indira Gandhi Were Eloquent And Prolific Letter Writers. The Letters In This Volume, Selected From The Extensive Correspondence Between The Two Over More Than Forty Years, Are Like Conversation On Paper But More Revealing , As Sonia Gandhi Observes. Intimate, Articulate And Unreserved, They Provide Illuminating New Insights Into The Character And Personality Of Two Of The Most Towering Figures Of Modern India. Remarkable For Their Honesty, Sensitivity And Humour, And Replete With Vivid Descriptions Of Major Personalities And Events Of Their Times, The Letters Chart Indira Gandhi S Development From A Shy, Frail Schoolgirl Into A Charismatic Political Leader; They Reflect The Love Of Nature And Books That Father And Daughter Shared, And Reveal Their Candid Views On A Variety Of Subjects, Ranging From Family And Friends To Issues Of Political And National Importance. Above All, This Volume Reflects The Depth And Tenderness Of The Relationship Between Jawaharlal And Indira, And The Formidable Moral And Physical Courage That Was The Hallmark Of Both Personalities.

Indira Gandhi

Over the past several years, the fields of Leadership Studies and of Women's Studies have grown tremendously. This book, which is a series of case studies of women who have headed governments across the globe, will discuss the conditions and situations under which women rose to power and give a brief biography of each woman . A special chapter on why no U.S. woman has risen to the top, and a review of the political campaigns of Hillary Clinton, Michele Bachmann and others will be included. This book will be of interest for courses in women and leadership, global politics and gender studies.

Sonia Gandhi

The book showcases an retrospective view primarily on Indira Gandhi and later on, our successors like Rajiv Gandhi and Sonia Gandhi, and counts her shades of personality as PM and her contributions to meet the national demands. Her controversial figure, her attributes etc. have been discussed in length.

Indira Gandhi and Congress Party

This Is The Study Of Mrs. Gandhi`S Period Of Power (1966-77), The Unorthodox Uses She Made Of It, And The Distinctive And Highly Individual Style She Injected Into The Indian Polity.

India

Indira Gandhi's life, from her birth in 1917 through partition and up to her assassination in 1984, was dominated by the politics of her country. Always directly involved in India's turbulent 20th-century history, once she accepted the mantle of power, she became one of the world's most powerful and significant women. This biography focuses on Gandhi's role as a female leader of men in one of the most chauvinistic, complex and politicized cultures in the world.

Two Alone, Two Together: Letters Between Indira Gandhi And Jawaharlal Nehru 1922-1964

Rajiv Gandhi represented a certain ideology and principles. These were rooted in India s glorious traditions of international movement as espoused by Mahatam Gandhi, Jawaharlal Nehru and later by Indira Gandhi. It was on these principles that rested the foundation of a democratic, secular and united India. India is today at the crossroads. Has Rajiv left behind both a fragile nation and a Party split more than ever by internal rivalries? Does the Congress party want to get a majority in Parliament by riding a sympathy wave instead of attracting voters of its policies and programmes? There is no alternative to the Congress if secular nationalism has to be safeguarded and the Congress itself revolved around the personality of Rajiv Gandhi. The departed leader in his death has posed a test for the people of India . Do they prefer the legacy which Tilak and Gandhi and Nehru bequeathed or the views of imperialist sociologists which the reactionary parties are advocating as nationalism? Rajiv s reforms could not produce the desired results as his colleagues and bureaucrats failed to understand his world view. His demise provides the opportunity for a new beginning. But the road will be long. The light that the

Gandhi-Nehru family lit are shining bright and should lead the masses into the future. Protecting these lights is the task of every Indian.

Women as Political Leaders

A loving daughter, a caring mother, an affectionate grandmother a confident globetrotter and finally prime minister, Indira slipped into each role with ease.' The story of India's first woman prime minister is no ordinary story. It is the story of a girl for whom sacrifice and loss came early. For whom growing up meant seeing her father drift in and out of jail and a mother in and out of hospital. Wearing khadi and organizing her own band of troops. Combating loneliness and giving up the things she loved for a bigger cause. With the freedom struggle playing out in the background Indira Gandhi's life was inextricably linked to the politics and destiny of her country. In this compelling biography, Sreelata Menon vividly recreates the life and times of a young girl who goes on to become one of the most powerful and charismatic leaders of the world. Filled with little-known facts about Indira Gandhi's life this book is a fascinating read that brings to light the different facets of her personality.

India

Olof Palme (Sweden), Olusegun Obasanjo (Nigeria), and Indira Gandhi (India) achieved the pinnacle of political power, fell from or relinquished power, and then, after a period in the political wilderness, regained it. By placing greater emphasis than that customarily accorded by biographers on the "interment" that followed their "fall" and preceded their "resurrection," the book describes how what they did, the lessons they learned, and the mistakes made by their successors facilitated their reentry.

Indira Gandhi

The 1970s were a tumultuous decade in the Indian subcontinent. Indira Gandhi dominated the political arena like Colossus. Bangladesh came into existence and Sikkim merged with India. India and Pakistan fought a decisive war that we followed by a peace agreement at Simla which had all the appearance of permanence. Zulfikar Ali Bhutto, Mujibur Rehman, Indira Gandhi, Jayaprakash Narayan - the subcontinent's leading politicians - all reached towering heights of success and depths of defeat at about this time. P N Dhar was head of Prime Minister Indira Gandhi's secretariat for most of the momentous years. In this book he provides an insider's account of the major political events, decisions and personalities that make up the 1970s. This is the first book to carry a detailed account of confidential negotiations between Indira Gandhi and Jayaprakash Narayan during the 'Emergency'. It also deals with the economic and political developments that fed into Indira Gandhi's infamous declaration of an 'Emergency'. It provides a close picture of Mrs Gandhi's emotional trauma in relation to the Bangladesh refugee problem and the Bangladesh war, and later in relation to her son Sanjay Gandhi. In its account of the confidential negotiations between Indira Gandhi and Zulfikar Ali Bhutto over the Simla Agreement, it offers unrecorded information which is hugely controversial and hotly disputed. Its delineation of Sikkim's relations with India since Nehru's time, culminating in the Indian takeover of that state, is the most lucid, comprehensive and cogent account of that controversial political event. Its analysis of the nature of Indian democracy - from the secularism linked to the Nehru dynasty to the Mandal issue associated with VP Singh to the Hindu religiosity of the BJP under AB Vajpayee - is similarly marked by clarity, learning and reasoned argument. As an economist and intellectual who strayed into the highest level of Indian political life after an academic career in Kashmir, Peshawar and Delhi, Professor Dhar's recollections also have much to offer on Sheikh Abdullah's Kashmir, undivided India's north-west, and Indian academic life and culture. He has an unerring eye for the hidden fact - the buried detail which alters the received history. His political memories are marked by a combination of historical knowledge, analytic insight, and literary flair that is rare in Indian political literature.

Indira Gandhi's Emergence and Style

Indira Gandhi remains the only female that ever served as Prime Minister of India. She was considered a hero by her supporters and used her power and influence to direct the course of major political events and spearheaded social change on an international scale. This humanitarian leader introduced programs that helped to make India self-sufficient in food grains and provided refuge for ten million Pakistani civilians who fled their country. This book examines Ms. Gandhi's childhood, education, early influences and reviews their goals and achievements. A timeline of events is included along with a glossary of terms which defines history-specific terms. This important volume includes primary source photos, quotes and excerpts about highly influential and worldly individual.

Indira

Here, then, is a book which gives an insider's account of Indira Gandhi's second innings as India's Prime Minister. It is rare for Indian civil servants to write about the events they have observed during their career. To quote Dr Alexander, he has chosen to depart from this tradition because "I have been greatly impelled by sense of history and of duty to record the events relating to the most critical years of Indira Gandhi's life. I happened to have been the only witness to some of them...."

Rajiv Gandhi

A 1974 biography of Indira Gandhi, written when she still held office as the Prime Minister of India. Includes a section of photographs, and a list of references.

Indira Gandhi

On the life and work of Feroze Gandhi, 1912-1960, activist in the Indian freedom movement.

The Fall and Rise of Political Leaders

A biography of India's first and only female prime minister covering the period from her childhood to the early 1970s.

Indira Gandhi, the Emergency\

Memoir of one of Indira Gandhi's closest confidants One day, soon after M.L. Fotedar had joined Indira Gandhi as political secretary in July 1980, she told him to sit at 1 Akbar Road. This would enable him to meet the people who came to her with various requests. She suggested a small room to serve as his workspace. But it was one she was emotionally attached to -- it was used by her son Sanjay, who had recently died in an air crash. For the rest of Indira Gandhi's final term in office, this room would be the nerve centre of Fotedar's work. Ordinary people and senior party leaders would come there for him to filter their requests and complaints. From assessing future leaders -- be it V.P. Singh, Pranab Mukherjee or Ahmed Patel -- with remarkable foresight, to straightening up those who were being difficult, he did it all. The Chinar Leaves paints a portrait of a six-decade-long political career that began in Kashmir and gives insights into the murky world of national politics. Here are the stories of many careers that were made and unmade in the Congress. Among these are the saga of Narasimha Rao's no-holds-barred effort to stay in power, Amitabh Bachchan's falling out of favour with the Gandhi family, the machinations of succession after Indira Gandhi's death, Giani Zail Singh's tiff with Rajiv, and many more. Fotedar, for long the voice of political wisdom in the party, also passes his verdict on the current crop of Congress leadership and searches Indira Gandhi's will, to which he was a signatory, for the true successor to her legacy. As a record of Indian politics at a time of momentous events, this is a frank and sometimes shocking look at recent history from the man who exercised immense influence from behind the scenes and whose impact continues to this day.

Indira Gandhi

How did Indira Gandhi reach the pinnacle of Indian politics? Did India move away from freedom under her leadership? What kind of woman was she? Indira Gandhi made unorthodox use of power and possessed a highly individual style of functioning. In this book, Nayantara Sahgal persuasively argues that authoritarianism was the inevitable outcome of Indira's personality and temperament. Her leadership marked a drastic break with the democratic tradition of her family and of Indian politics. During her regime, the political landscape of India underwent profound changes. The Emergency of

1975–77 was used to promote her son Sanjay as her ultimate successor. The entry of her elder son, Rajiv, into politics after Sanjay's death, and his immediate political prominence showcased Indira's essential belief in her family's right to rule. Nayantara Sahgal's personal knowledge of her cousin, in combination with her unparalleled access to letters exchanged between Nehru and her mother, Vijayalakshmi Pandit, makes for an unusually penetrating psychological and political portrait from an intimate family viewpoint.

My Years with Indira Gandhi

Indira
