The Christmas Donkey

More than anything else, Michel wants to get his grand'maman a donkey for Christmas. Though short of money, he has plenty of courage and determination. Amidst the mountainous country of southeastern France, Michel finds himself delivering bread, herding goats, and making business deals. For all his efforts—some of which tumble him headlong into trouble—his funds grow slowly, and Christmas is coming quickly. With Grand'maman's growing concern about Michel's apparent sudden avarice and his friend Julie's continuing belief in him, Michel's own hopes and desires unexpectedly come together for a truly unforgettable Christmas Eve.

The Donkey Christmas

The true story of a loveable rescue donkey who becomes a hero, perfect for animal lovers everywhere. Tracy Garton had run the Radcliffe Donkey Sanctuary for twenty years, creating a safe haven for more than sixty sick, unwanted and mistreated donkeys. But after a devastatingly difficult winter, with sky high bills, she didn't know if she could afford to carry on - or if she had the physical strength to keep going. Then, in the first week of January, the phone rang. A donkey had been abandoned 130 miles away. Rushing to his rescue Tracy found Alan - forlorn, balding and shivering - tethered up tightly in a supermarket car park. Barely able to walk on his painfully overgrown hooves, he had been left to die. Tracy ran her hands gently over Alan's protruding ribs, and whispered in his ear: 'Don't worry boy, I won't give up on you.' Over the next twelve months, as Tracy grappled with attacks from vandals and perilous flash floods and desperately tried to raise money, Alan gradually recovered - turning into a loveable rogue. As Christmas rolled around, Tracy was too worried about the future to enjoy the festive

season. She had no idea that the shy skinny animal she'd rescued was going to give her the greatest gift of all . . . Alan The Christmas Donkey is a funny, warm and inspiring read.

Alan The Christmas Donkey

The people and animals present during the birth of Christ each explains what happened during the Nativity, from their own point of view.

The Donkey in the Living Room

A very special baby is born in a stable under a star, surrounded by friendly farmyard animals. The donkey wants to be the first to welcome the baby, but he is too shy. So the doves welcome him with their "Coo-coo," the cow with her "Moo-moo," and all the other animals in turn. Then, the baby welcomes the shy donkey with his own sweet smile. The donkey brays - "Hee-aw!" - and the baby laughs with joy! Then all snuggle around the baby and settle into sleep. This warm presentation of the first Christmas celebrates the wonder of a baby's birth and welcomes all into the spirit of holiday joy.

The Donkey's Christmas Song

The Christmas Story as Told by Assellus the Christmas Donkey

Daniel is a long-eared miniature donkey who is bullied by the much older and stronger donkeys, which causes him to stay by himself. Then one day, a man named Joseph comes along and buys him from his kindly owner. On his new adventure, he gets to help carry Joseph's wife, Mary, to Bethlehem so she can have her baby. In the manger, he meets the animals that live there, and they quickly become friends. Together they discover new things about themselves and the new baby. They also learn what his birth means for the world through hope, peace, joy, and love.

Ruby the Christmas Donkey

In this gentle retelling of the Christmas story, a little donkey sets out on the long journey to Bethlehem. Along the way he is sneered at by a camel and laughed at by the other animals. Feeling worthless, he begins to stumble and lose heart until a great light guides him to his destination. There he is rewarded for his courage and faith, and learns that the new king loves all creatures. Bernadette Watts' evocative illustrations bring the message of Christmas to life. "This story stresses that Jesus welcomes even the most lowly, and Watts' watercolors overlaid with crayon-like texture are appealing and rustic." –School Library Journal
