Intro

The implications of AI for the realm of theology and objective meaning

AI might lead to the end of postmodernism

God as he has been conceptualized then and now, divine proximity

Approaching the sacred with humility and love

Adam, Eve, and the serpent's offer

Why the garden became the desert

Which spirit animates you? The false self gives way to the true self

Connecting Job to Jesus

Bad theology and how to break through human pride for proper worship

The spirit of play, the invitation to bear the cross, and the purpose of Mass

The power of the mustard seed, the inexhaustible potential of grace

How wealth is portrayed in the Gospels, setting up your life to be in accordance with your soul

John Paul II, the true message of the Unjust Steward

The Binding of Isaac — and why the Bible doesn't hold back

What a mother has to sacrifice

The biological justification for the biblical spirit of reciprocity

How science presupposes faith, the potential end of the New Atheist movement
