Dragonlance Chronicles, Vol. 1: Dragons of Autumn Twilight

Adapting the mega-popular first novel in the Dragonlance Chronicles Trilogy by Margaret Weis. An age of despair has dawned for the world of Krynn. As dark forces marshal their growing strength, fear and religious fanaticism grips the land. With war on the horizon, a group of lifelong friends are reunited, all outcasts in their own way. It will fall to these eight companions to prevent a cataclysm! Collects the 8-issue series originally published by Devil's Due.

Night of the Dragons

Tanis Half-Elven... Flint Fireforge... Tasslehoff Burfoot... the classic Dragonlance characters are back! Picking up where the first book of the classic Dragonlance Chronicles left off, this tale follows the Companions of the Lance on their adventures following the rescue of the refugees of Pax Tharkas. Flint and Tanis Half-Elven travel to the dwarven kingdom of Thorbardin, while the rest of the Companions confront challenges of their own.

Dragons of the Dwarven Depths

This annotated version of "Dragons of Autumn Twilight, Dragons of Winter Night" and "Dragons of Spring Dawning" contains extensive notes by the bestselling authors, as well as commentary from the original members of the Dragonlance conceptual team.

The Annotated Chronicles

Margaret Weis and Tracy Hickman return to the unforgettable world of the New York Times bestselling Dragonlance series as a new heroine—desperate to restore her beloved father to life—sets off on a quest to change time. “I love Dragonlance and I love Margaret Weis and Tracy Hickman. Plain and simple. Their books are my favorite fantasy series of all time.”—Joe Manganiello Destina Rosethorn—as her name implies—believes herself to be a favored child of destiny. But when her father dies in the War of the Lance, she watches her carefully constructed world come crashing down. She loses not only her beloved father but also the legacy he has left her: the family lands and castle. To save her father, she hatches a bold plan—to go back in time and prevent his death. First, she has to secure the Device of Time Journeying, last known to be in the possession of the spirited kender Tasslehoff Burrfoot. But to change time, she'll need another magical artifact—the most powerful and dangerous artifact ever created. Destina's quest takes her from the dwarven kingdom of Thorbardin to the town of Solace and beyond, setting in motion a chain of disastrous events that threaten to divert the course of the River of Time, alter the past, and forever change the future.

Dragons of Deceit

The Chronicles retold--from evil's point of view. The story starts in Neraka, where Kitiara uth Matar and Emperor Ariakas hatch a plan to retrieve a dragon orb and thereby destroy Solamnia and the Companions in one fell swoop. But the guardian of the dragon orb, Highlord Feal-Thas, disagrees with this plan. Kitiara must go to Ice Wall to force him to accept Ariakas' will, but her journey does not end there. Thrown out of favor, she conceives a daring plan to enlist the aid of the most feared beings on Krynn--Lord Soth and the Dark Queen. Meanwhile, Laurana and the Companions retrieve the dragon orb and take it back to Solamnia--not knowing that they bring their allies' doom with them. The second volume of a new trilogy from celebrated authors Margaret Weis and Tracy Hickman, *The Lost Chronicles* details the famed War of the Lance from the perspective of the evil that menaces Krynn. The books are written in such a way that they will be marvelous complements to the original Chronicles, while at the same time accessible and exciting to new readers. From the Paperback edition.

Dragons of the Highlord Skies

When dragons invade the land of Krynn, a small band of heroes, including a knight, barbarian, dwarf, and half-elf, begin the search for the magical Dragon Orb and Dragonlance.

Dragonlance Chronicles

The Dragonlance Chronicles enter a new era in this thrilling installment starring the descendants of the Heroes of the Lance. The War of the Lance is long over. The seasons come and go as the pendulum of the world swings. Now it is summer—a hot, parched summer during which the uneasy balance of light and dark begins to shift. The Dark Queen has found new champions in the Knights of Takhisis. Among them is dark paladin Steel Brightblade, the son of the heroic Sturm Brightblade and the infamous Kitiara Uth Matar. He rides to attack the high Clerist's Tower, the fortress his father died defending . . . Elsewhere, other descendants of the Companions embark on their own journeys: Distraught by a grievous loss, the young Palin Majere seeks to enter the Abyss in search of his lost uncle, the archmage Raistlin. And in Palanthas, a human girl named Usha comes forward with claims that she is Raistlin's lost daughter. She has fled her home among the Irda, who have unwittingly unleashed the god Chaos upon the world in their desperation to thwart the Knights of Takhisis. The summer will be deadly. But

for whom, only the swing of the pendulum will tell. *Dragons of Summer Flame* is the fourth book in the *Dragonlance Chronicles* and the first installment that follows the *Second Generation*.

Dragons of Summer Flame

A sorcerous swordsmith desperate to achieve true power. His stubbornly nonmagical sword. His princely runaway lover. His hungry new fire elemental. Put them all together, and what can possibly go wrong?... Herewiss is the only man in centuries to possess the Power of the blue Flame, but he can't use or control it — not even to help his friend and lover Freelorn, prince of Arlen, banished from his native land and pursued across the Middle Kingdoms by the usurpers' allies. Invoking perilous sorceries and the even more dangerous assistance of the fire elemental Sunspark, Herewiss manages to free Freelorn and his little band of followers from their pursuers. Together they flee eastward to seek brief refuge in the mysterious lands near the edge of the world they know. But now Herewiss faces a devastating choice. His time to master the blue Fire is running out. Should he abandon his fruitless search and join Freelorn in his fight to regain his kingdom? Or should he seek out the ancient keep in the Waste where countless doors lead into other worlds—among them, perhaps, the door that when opened will show Herewiss how to break through into the Power he must master or die?... *The Door Into Fire*, first novel set in Diane Duane's award-winning Middle Kingdoms universe, opens a fantastic saga of magic, adventure and love that has become a cult classic for its uniquely inclusive take on epic fantasy and its unforgettable characters. "Good strong stuff with the right light touch." (Terry Pratchett) "Expands the limits of the swords and sorcery genre. Exciting, magical, intelligent." (Publishers Weekly)

The Door Into Fire

In the realms of *Dragonlance*, the tale of one knight is legendary. The dark goddess Takhisis has unleashed evil on the world of Krynn, and only the Knights of Solamnia stand in her way. From amongst their ranks comes Huma, a man destined to be the greatest hero of this world.

Raistlin Majere has become a Black Robe wizard and travels to Neraka, the lord city of the Dark Queen, ostensibly to work for her, though in reality he means to further his own quest for power. But Takhisis finds out that the dragon orb has entered her city and sends her draconians to find and destroy the wizard who has it in his possession. Before her agents can strike, though, Raistlin finds out that Takhisis means to take control of all wizardly magic. She has ordered Kitiara to set a trap for the Gods of Magic on the Night of the Eye, when all the high-ranking wizards will be in Neraka to celebrate. As the forces of light, with help from the good dragons, are turning the tide of battle, Raistlin is forced to flee, for his foes are closing in on him. As the Dragon Highlords vie for the Crown of Power in the Temple of the Dark Queen, Raistlin Majere wages his own desperate battle against Takhisis in the dungeons below and meets again the brother he betrayed. The fate of the world hangs in the balance.

Dragons of the Hourglass Mage

That time is gone. The friendship that helped win the first real battle against the force of darkness is now split, torn apart by conflict, and a long, bitter winter will pass before they are reunited. But, the dragon armies of the evil goddess Takhisis are leaving a trail of devastation across the land and a small group of companions is the only thing that stands against her. But now, in the dawn of a new day, the dark secrets that have long shadowed the hearts of the Companions come to light. If they are to truly defeat the five-headed dragon goddess, they must find a way to overcome their own personal conflicts and doubts. From betrayal and treachery to fragility and weakness, the greatest battle now lies within each of them. Dragons of Spring Dawning is the third book in the Dragonlance Chronicles.

Dragons of Spring Dawning

The third Dragonlance title ever published, now available for the first time in hardcover.

Dragons of Spring Dawning

Ages ago, sorcerers of unmatched power sundered a world into four realms—sky, stone, fire, and water—then vanished. Over time, magicians learned to work spells only in their own realms and forgot the others. Now only the few who have survived the Labyrinth and crossed the Death Gate know of the presence of all four realms—and even they have yet to unravel the mysteries of their severed world. . . . In Arianus, Realm of Sky, humans, elves, and dwarves battle for control of precious water—traversing a world of airborne islands on currents of elven magic and the backs of mammoth dragons. But soon great magical forces will begin to rend the fabric of this delicate land. An assassin will be hired to kill a royal prince—by the king himself. A dwarf will challenge the beliefs of his people—and lead them in rebellion. And a sinister wizard will enact his plan to rule Arianus—a plan that may be felt far beyond the Realm of Sky and into the Death Gate itself.

Dragon Wing

A confrontation with the Queen of Darkness is finally within Raistlin's reach—and Caramon will do anything to stop it—in this conclusion to the beloved Legends trilogy Defying the fate that claimed his evil predecessor, Raistlin opens the Portal to the Abyss and passes through. With Crysania at his side, he engages the Queen of Darkness in a battle for the ultimate prize—a seat among the gods. At the same time, Caramon and Tasslehoff are transported to the future. They come to understand the consequences of Raistlin's quest—and Caramon at last realizes the painful sacrifice he must make to prevent his brother's success. Old friends and strange allies come together to aid him, but Caramon must take the last, greatest step alone: the first step into the Abyss.

Test of the Twins

The only way to stop these brash interlopers lies with the five Bones of the Vektia Dragons—the five primal dragons hidden away by the dragon goddess, Vindrash, during the creation of the world. Without these dragons, one of the new gods, Aelon, cannot seize power. The only hope of the Vindrasi lies in finding the dragon bones before the followers of Aelon can use them to destroy the old gods. But the Vindrasi gods have a traitor in their midst... In the land of mortals, Raegar, a Vindraisi turned Aelon warrior-priest, searches for the spirit bones. The gods have a champion of their own—Skylan Ivorson, sea-raider and high chief of the Vindrasi clans, and sworn enemy to Raegar. But Skylan is a prisoner on his own ship. The ship's dragon, Kahg, has vanished and some believe he is dead. Skylan and his people are taken as captives to Sinaria, where they must fight in a game known as the Para Dix.
