Secrets And Seduction: Playing With Fire: Playing with Seduction (Pleasure Cove) / His Illegitimate Heir / Pregnant by the CEO

In New York Times bestselling author Jennifer McQuiston's enticing new Seduction Diaries entry, a mysterious journal may provide a potential spinster with instruction—or lead her to her heart's desire. Free-spirited Lucy Westmore isn't yet a spinster, although she fully intends to be. Fortunately, an eccentric aunt has left her both a diary detailing the secrets to spinsterhood and a cottage in Cornwall. Unfortunately, an insufferable marquess is angling for her prize! Turning Lord Thomas Branston down flat should be easy. So why does this man who won't take no for an answer make Lucy's body and soul sigh yes? Thomas knows the real value of Heathmore Cottage, and he has no intention of letting some silly Society miss get her hands on it. He'll simply have to charm Lucy into selling. But the clever young woman he encounters, first in London, then en route to Cornwall, stands stubbornly on her own two (quite lovely) feet. And now, Thomas can think only of sweeping her off them.

Secrets, Lies...and Seduction

Sabrina Fairleigh arrives at an exclusive country soiree with marriage in mind. How shocking-and intriguing-to discover her host is an infamous ladies' man known for his indecent (and, ah, inspiring) poetry! They call him The Libertine, and his poetry is just as scandalous-and irresistible-as he is. But after one duel too many forces Rhys Gillray, Earl of Rawden, from lively London to his country estate, he's in desperate need of a cure for boredom. And the proper but beautiful vicar's daughter seems like the perfect test of his sensual skills. With wit and wiliness, Rhys strips away Sabrina's defenses. But as he teaches her pleasure, the emotional stakes of their sensual duel go beyond anything Rhys has ever known. For deep in his past lies the missing clue to the crime that destroyed Sabrina's family. And all The Libertine's seductive secrets may not be enough to save their future and their hearts.

The Secret to Seduction

For the first time together in one bundle, Valerie Bowman's Scandalous Brides series: a secret pamphlet, an unlikely elopement, and a woman on trial for murder—scandalous marriages are far more interesting... **SECRETS OF A WEDDING NIGHT:** Lily Andrews, Countess of Merrill, is young, widowed, penniless, and has strong opinions on marriage; she refuses to allow another hapless girl to fall prey to a man, so she anonymously writes and distributes a pamphlet entitled "Secrets of a Wedding Night" to stop the wedding for the scoundrel who broke her heart five years ago. Except when the man in question, Devon Morgan, the Marquis of Colton, learns that his former fiancée is the author, he offers her a scandalous challenge impossible to resist. **SECRETS OF A RUNAWAY BRIDE:** With her overprotective family out of the country, nothing can prevent Miss Annie Andrews from eloping to Gretna Green with the man she loves—nothing that is, except for her brother-in-law's best friend Jordan Holloway, the Earl of Ashbourne. Trusted with Annie's protection, Jordan spirits her away to his country house to prevent her elopement, but as they spend time together, Jordan realizes he wants to run away with her himself... **SECRETS OF A SCANDALOUS MARRIAGE:** Awaiting trial for her husband's murder, Kate Townsends is surrounded by gossipmongers who have no interest in her side of the story. But when the handsome James Bancroft, Viscount Medford, offers to publish her side of the story while arranging for a barrister to take her case, Kate is tempted by more than the chance to defend herself and James realizes he's willing to risk more than his reputation to save Kate and make her his wife...

The Scandalous Brides: Books 1-3

With the scandalous nature of her birth to live down, Isabella Fairmont dreams of a proper marriage—even if it must be passionless. She saves her deepest desires for the novel she dares to pen, wherein she is seduced by a handsome lord with dark powers. But then her courtship with an appropriate suitor is threatened by the sudden attentions of the reclusive Earl of Black—whose pale blue eyes and brooding sensuality are exactly as she described in her book. Isabella tries to resist the mysterious earl. Yet as he pursues her, with inexplicable knowledge of her past and kisses that consume her, Isabella fears she will succumb. If only the earl could tell Isabella the truth. With very real, and treacherous, thieves endangering her life, Black will need to protect Isabella from the very people she trusts most . . .

The Skilled Seduction

A lady on the brink of disaster... Lady Philippa Latham is determined to avoid scandal at all costs. When her mother's outrageous behavior threatens their family's reputation, Philippa attempts to curtail her activities. Unwittingly, she follows her to a party no unmarried Society girl would risk attending, where she locks lips with England's most notorious scoundrel. She should stay far away from him, but a night of danger and kisses ensures they will be linked, at least for a short time. A scoundrel in need of seduction... Lord Ambrose Sevrin is famous for having ruined his brother's fiancée and refusing to marry her. Now celibate, he doesn't deserve to stand next to Lady Philippa, let alone touch her. Yet when she needs his help to secure a husband before her mother ruins them all, he can't resist offering his assistance. He must not, however, succumb to her charms because he can't tolerate redemption—or love.

A pragmatic existential therapist exposes a suggestive underworld of clinical experience, not only disclosing direct experience of the erotization of the clinic, the erotization of the clinician, and the erotization of clinical confession, but also showing by example that these enchantments facilitate psychological healing if managed well. Addressing clinical and cultural concerns, the philosophically-minded dialogical therapist also offers a vigorous critique of the clinical nihilism that defines psychotherapeutic practice in the postmodern clinic.

The Playboy Billionaire (The Romero Brothers - Billionaire Romance, Book 3)

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.
