A Scholar's Deep Dive Into UFOs & Religion | Diana Pasulka - A Scholar's Deep Dive Into UFOs & Religion | Diana Pasulka by Theories of Everything with Curt Jaimungal 208,531 views 1 year ago 3 hours, 13 minutes - Professor of Religion Diana Pasulka discusses Jung, Heidegger, the Dark Night of the Soul, and the recent UFO hearings.

Introduction

Diana's journey from "atheist" Ò "agnostic" (with respect to the phenomenon)

Nuns who saw orbs, every night, then prayed...

What are "beliefs"?

Atheists who believe in God

Spiritual vs Religious (and the Secularization thesis)

UFOs (or the belief in) are like a religion

Psychedelics and religion

Getting flack because of covering the phenomenon

To the skeptics: it's rational to believe in UFOs

Atheism is NOT like a religion, though it can be dogmatic

It's false to say "religions tell you what to think"

The case for dogma

Heidegger on technology not being just another tool

Heidegger and Jacques Vallée

Why do those who study the phenomenon tend to be Catholic?

How the Vatican views UFOs

Are religious stories interpreting UFOs, or are we interpreting UFOs materialistically?

Near Death Experiences, UFOs, and Dean Radin

How the CIA / DOD / etc. work (the nefarious strategies)

Graham Hancock

What Diana uncovered, that she shouldn't have

Roswell and the Promethean myth

The dangers (and reality) of CE5

Bob Lazar is considered credible by many, behind the scenes

Protecting yourself against disinformation

Academic Openness vs. Governmental Closedness

SpaceX (does Musk know?) / Writing in Latin for "them"

Images of the "patches" and Latin

The president is a "short timer" (this is why he / she isn't told the truth)

Who is Tyler? Why is he significant?

Does the gov't believe they understand what's behind UFOs?

We're dealing with MULTIPLE phenomenon, not just one

Biblically accurate angels

Physical evidence pertaining to purgatory

What's the point in collocating UFOs with religion?

Who is the modern Heidegger?

Jung and UFOs

Plato's Cave and the view that certain people have shackled us

Sangha as The Answer to deception

Proposition vs Participatory knowledge

Rediscovering meaning, Heidegger, Weinstein, and the TOE project

Experiential vs Analytical approach to understanding God

Lovecraft, and the perils of an "open mind"

Epistemic Shock vs Ontological Shock

The importance of Sangha

[Juliano Vargas] Reconciling religion with ET (and does ET believe in a Supreme Creator?)

[Numb Her Two] How has Diana's faith been affected?

Why does the Hitchhiker effect occur?

Angels... Demons... What is the THIRD (religiously interpreted) option?

Rosicrucianism and Gnosticism

Kurzweil's Singularity / Omega Point / UAPs

Jung and the UFO archetype (continued)

UFO hearings (May 2022)

[Tupacabra] Catholic Church, Remote Viewing, Thomas Campbell, and Jacques Vallée
