A Night Without Armor

One of the most respected artists in popular music today, Jewel is much more than a music industry success with her debut album selling more than 10 million copies. Before her gifted songwriting comes an even more individual art: Poetry. Now available in paperback, A Night without Armor highlights the poetry of Jewel taken from her journals which are both intimate and inspiring, to be embraced and enjoyed. Writing poems and keeping journals since childhood, Jewel has been searching for truth and meaning, turning to her words to record, to discover, and to reflect. In A Night Without Armor, her first collection of poetry, Jewel explores the fire of first love, the lessons of betrayal, and the healing of intimacy. She delves into matters of the home, the comfort of family, the beauty of Alaska, and the dislocation of divorce. Frank and honest, serious and suddenly playful, A Night Without Armor is a talented artist's intimate portrait of what makes us uniquely human.

Chasing Down the Dawn

Already a legendary performer in the music industry, Jewel has been writing poetry, short stories, and prose since she was young. She's also a bestselling author, poet, and actress. Now this uniquely talented artist opens the pages of her most intimate journals to give readers, fans, and friends a glimpse of her magical, turbulent life. Drawn from life on the road during her Spirit World Tour, Jewel captures unforgettable moments from her childhood in Alaska, her beginnings as a struggling artist, and her challenges as a daughter, sister, and woman. With acutely observed, eloquent depictions of the musicians, lovers, bikers, strangers, celebrities, and characters that inhabit her world -- and illustrated throughout with candid, never-before-seen photos of Jewel and her own photojournalism and drawings

-- Chasing Down the Dawn is more than a collection of vignettes, observations, and stories. It is a finely wrought mosaic in prose and poetry, set to the rhythms of life.

Blinking with Fists

The hit poetry collection from the creative force behind The Smashing Pumpkins Having risen to fame during the grunge era in the early nineties, Billy Corgan is among the most respected figures of the alternative rock world--a visionary artist who, more than a decade later, still commands a devoted following. Long admired for his evocative songwriting, Corgan embarks on a deeper exploration of literary terrain as a poet. Full of "the regretful melancholy of his music [and] the rhythmic, angular wordplay of his best Pumpkins lyrics" (Jeff Vrabel, Chicago Sun-Times), the poems in this collection form an imagistic journey through the intensely personal as Corgan throws into sharp relief issues of love, loss, identity, and loyalty. Crafted with a thoughtful and cadenced approach that shares the same allegiance to thunder and quiet found in his music, these writings further solidify Corgan's place as the voice of a generation.

Never Broken

New York Times bestselling poet and multi-platinum singer-songwriter Jewel explores her unconventional upbringing and extraordinary life in an inspirational memoir that covers her childhood to fame, marriage, and motherhood. When Jewel's first album, *Pieces of You*, topped the charts in 1995, her emotional voice and vulnerable performance were groundbreaking. Drawing comparisons to Joan Baez and Joni Mitchell, a singer-songwriter of her kind had not emerged in decades. Now, with more than thirty million albums sold worldwide, Jewel tells the story of her life, and the lessons learned from her experience and her music. Living on a homestead in Alaska, Jewel learned to yodel at age five, and joined her parents' entertainment act, working in hotels, honky-tonks, and biker bars. Behind a strong-willed family life with an emphasis on music and artistic talent, however, there was also instability, abuse, and trauma. At age fifteen, she moved out and tasked herself with a mission: to see if she could avoid being the kind of statistic that her past indicated for her future. Soon after, she was accepted to the prestigious Interlochen Arts Academy in Michigan, and there she began writing her own songs as a means of expressing herself and documenting her journey to find happiness. Jewel was eighteen and homeless in San Diego when a radio DJ aired a bootleg version of one of her songs and it was requested into the top-ten countdown, something unheard-of for an unsigned artist. By the time she was twenty-one, her debut had gone multiplatinum. There is much more to Jewel's story, though, one complicated by family legacies, by crippling fear and insecurity, and by the extraordinary circumstances in which she managed to flourish and find happiness despite these obstacles. Along her road of self-discovery, learning to redirect her fate, Jewel has become an iconic singer and songwriter. In *Never Broken* she reflects on how she survived, and how writing songs, poetry, and prose has saved her life many times over. She writes lyrically about the natural wonders of Alaska, about pain and loss, about the healing power of motherhood, and about discovering her own identity years after the entire world had discovered the beauty of her songs.

Fingal, an Ancient Epic Poem, in Six Books: Together with Several Other Poems, Composed by Ossian, the Son of Fingal

Book of Life: Poems for the Journey is a book of poetry that tells a story--a human story and a divine story. Many themes are visited, including writing, creativity, nature, relationships, loving ourselves, purpose, surrender, soul, change, grief, awakening, empowerment, and more. The poems showed up as the poet stepped into a life that allowed room for them. Difficult decisions were made so as to keep the pen from running dry. Grief and growing pains made way for risk, newness, adventure, and spontaneity, and these things subsequently made for something to write about. The writings are fueled by the poet's fire and are intended to light the divine spark within the reader. Often, the poems show up as a pondering and then come full circle to a resolution of sorts, one that can potentially serve us all as we journey, always, Home.

Book of Life

"This is the greatest fucking book of poetry ever!" is how Beau would have described this book ten years ago. In truth, this collection of poems from 1997-2005 simply reflects a time when he was wrestling with the power he'd given his ego, struggling to break from the idealizing of love, and beating himself up for his shame and insecurities. He allows us into places most poets would edit out, exposing his

limitations in his choices and in what's absent from each selection. Unafraid to live in fear, willing to share the empty of glory, and pushing to include the minutia as integral parts of one's process, these poems bring a mirror to his past, sans heroic declarations and beautiful decorations. Beau Sia's new collection of old work seeks to give a fuller picture for the reader who is looking for glimpses of the dark places growth begins, and who wants to feel like they are beautiful, without having to lie in the extremes of tragedy or enlightenment. Beau Sia swings gravity like a bat (aluminum, whiffle ball, and fruit). I hope to experience everything in this life, but if I leave this world before I get to hang glide the high points, it won't matter... I read Beau Sia. -Buddy Wakefield, "Live for a Living" Beau Sia mixes serious commentary, outrageous theatrics, and downright outrage into a potent, entertaining, and memorable cocktail. He is both the spoonful of sugar and the medicine, and he goes down in the most delightful way. - Taylor Mali, "Last Time As We Are" Beau Sia has forged a poetic voice unlike any other-- a 7th level hybrid of deep-sea-mind-diving and hip-hop-spelunking and time-travel-reporting that is once riveting, humbling and inspiring; a fiery worship of the life you have to live. - Mindy Nettifee, "Rise of the Trust Fall"

Night Without Armor

"I'm sure I never said to myself: 'Now, Jim--why don't you sit down and write a poem.' It's still a mystery to me, but I think probably it's something that happened by accident--like a lot of things have happened in my life." So begins this delightful collection of poetry by America's best-loved actor, Jimmy Stewart. Interspersed with vivid recollections and charming illustrations, the poems document a life that isn't too different from yours or mine. Jimmy Stewart won the hearts of generations of movie viewers with a confused innocence and stammering delivery that made his acting seem genuine and effortless. Somehow he managed to make the boy next door into a national hero. Now, in Jimmy Stewart and His Poems, the consummate Everyman shares tales from his everyday life. From fishing trips and dog stories to a hilarious account of a photo safari where the camera was lost to a hungry hyena, the poems are related in Jimmy Stewart's inimitable voice and are enlivened with charming illustrations. The book confirms what we all expected--that the real Jimmy Stewart is every bit as endearing as the film characters he's portrayed. Jimmy Stewart and His Poems is a perfect gift, one that fans will treasure as much as Jimmy Stewart's timeless performances.

This is a book about love. Visceral and astonishing, Paul Tran's debut poetry collection, All the Flowers Kneeling, charts the rebuilding of a self in the wake of extremity. How, it asks, can we reimagine what we have been given in order to make something new: an identity, a family, a life, a dream? These rich, resonant poems of desire, freedom, control and rebirth reach back into the past - the tale of Scheherazade, US imperial violence, a shattering history of personal abuse - to show how it both scars and transforms. Innovative poetic forms mirror the nonlinear experiences of trauma survivors, while ambitious sequences probe our systems of knowledge-making and the power of storytelling as survival. At once virtuosic and vulnerable, confessional and profoundly defiant, All the Flowers Kneeling revels in rediscovering and reconfiguring the self, and ultimately becomes an essential testament to the human capacities for resilience, endurance and love.

Back in print for the first time in decades, Auden's National Book Award–winning poetry collection, in a critical edition that introduces it to a new generation of readers *The Shield of Achilles*, which won the National Book Award in 1956, may well be W. H. Auden's most important, intricately designed, and unified book of poetry. In addition to its famous title poem, which reimagines Achilles's shield for the modern age, when war and heroism have changed beyond recognition, the book also includes two sequences—"Bucolics" and "Horae Canonicae"—that Auden believed to be among his most significant work. Featuring an authoritative text and an introduction and notes by Alan Jacobs, this volume brings Auden's collection back into print for the first time in decades and offers the only critical edition of the work. As Jacobs writes in the introduction, Auden's collection "is the boldest and most intellectually assured work of his career, an achievement that has not been sufficiently acknowledged." Describing the book's formal qualities and careful structure, Jacobs shows why *The Shield of Achilles* should be seen as one of Auden's most central poetic statements—a richly imaginative, beautifully envisioned account of what it means to live, as human beings do, simultaneously in nature and in history.

My Alexandria comprises a series of eloquent meditations on the essential themes: mortality and life, beauty and loss. The collection is haunted by the spectre of AIDS, but is transfigured by Mark Doty's ranging imagination, effortless stylistic skill and huge emotional power.

The extraordinary new poetry collection by Tracy K. Smith, the Poet Laureate of the United States. Even the men in black armor, the ones jangling handcuffs and keys, what else are they so buffered against, if not love's blade sizing up the heart's familiar meat? We watch and grieve. We sleep, stir, eat. Love: the heart sliced open, gutted, clean. Love: naked almost in the everlasting street, skirt lifted by a different kind of breeze. —from "Unrest in Baton Rouge" In *Wade in the Water*, Tracy K. Smith boldly ties America's contemporary moment both to our nation's fraught founding history and to a sense of the spirit, the everlasting. These are poems of sliding scale: some capture a flicker of song or memory; some collage an array of documents and voices; and some push past the known world into the haunted, the holy. Smith's signature voice—inquisitive, lyrical, and wry—turns over what it means to be a citizen, a mother, and an artist in a culture arbitrated by wealth, men, and violence. Here, private utterance becomes part of a larger choral arrangement as the collection widens to include erasures of *The Declaration of Independence* and the correspondence between slave owners, a found poem comprised of evidence of corporate pollution and accounts of near-death experiences, a sequence of letters written by African Americans enlisted in the Civil War, and the survivors' reports of recent immigrants and refugees. *Wade in the Water* is a potent and luminous book by one of America's essential poets.

Kahlil Gibran's *The Prophet* is a modern classic. Written in English and first published in 1923, the book has gradually become a global bestseller, its wise words a favourite. Beautifully produced in a

traditional Chinese binding and with a timeless design, *The Prophet* is an accessible yet spiritual book to be cherished.

The Prophet

Two time-traveling agents from warring futures, working their way through the past, begin to exchange letters—and fall in love in this thrilling and romantic book from award-winning authors Amal El-Mohtar and Max Gladstone. In the ashes of a dying world, Red finds a letter marked “Burn before reading. Signed, Blue.” So begins an unlikely correspondence between two rival agents in a war that stretches through the vast reaches of time and space. Red belongs to the Agency, a post-singularity technotopia. Blue belongs to Garden, a single vast consciousness embedded in all organic matter. Their pasts are bloody and their futures mutually exclusive. They have nothing in common—save that they’re the best, and they’re alone. Now what began as a battlefield boast grows into a dangerous game, one both Red and Blue are determined to win. Because winning’s what you do in war. Isn’t it? A tour de force collaboration from two powerhouse writers that spans the whole of time and space.

This Is How You Lose the Time War

Nick Faldo is considered one of the world's most complete golfers. For years he analysed his game in search of the perfect swing. In this extensive book—the fully updated and revised version of a timeless golf classic—he shares his experience and the skills of that game. Faldo explains the principles behind his flowing, consistent swing—a swing to apply to every club in the bag. He discusses driving strategy, short-game technique, bunker play, and the art of putting, and includes new information on fitness, equipment, his philosophy of golf, new developments in his swing, and more. Supporting these principles are 250 superb photographs that illustrate how to swing, no matter what part of the course you’re on. For experienced golfers, Faldo’s strategy on “working the ball” will surely fascinate, as will his philosophy of “taking your game to the course.” He stresses that practice and confidence go together—and in this essential book, filled with the same drills and exercises he personally uses for tournament preparation, will help readers create their own “swing for life.”

Dubbed by his fellow Futurists the “King of Time,” Velimir Khlebnikov (1885-1922) spent his entire brief life searching for a new poetic language to express his convictions about the rhythm of history, the correspondence between human behavior and the “language of the stars.” The result was a vast body of poetry and prose that has been called hermetic, incomprehensible, even deranged. Of all this tragic generation of Russian poets (including Blok, Esenin, and Mayakovsky), Khlebnikov has been perhaps the most praised and the more censured. This first volume of the *Collected Works*, an edition sponsored by the Dia Art Foundation, will do much to establish the counterimage of Khlebnikov as an honest, serious writer. The 117 letters published here for the first time in English reveal an ebullient, humane, impractical, but deliberate working artist. We read of the continuing involvement with his family throughout his vagabond life (pleas to his smartest sister, Vera, to break out of the mold, pleas to his scholarly father not to condemn and to send a warm overcoat); the naive pleasure he took in being applauded by other artists; his insistence that a young girl’s simple verses be included in one of the typically outrageous Futurist publications of the time; his jealous fury at the appearance in Moscow of the Italian Futurist Marinetti; a first draft of his famous zoo poem (“O Garden of Animals!”); his seriocomic but ultimately shattering efforts to be released from army service; his inexhaustibly courageous confrontation with his own disease and excruciating poverty; and always his deadly earnest attempt to make sense of numbers, language, suffering, politics, and the exigencies of publication. The theoretical writings presented here are even more important than the letters to an understanding of Khlebnikov’s creative output. In the scientific articles written before 1910, we discern foreshadowings of major patterns of later poetic work. In the pan-Slavic proclamations of 1908-1914, we find explicit connections between cultural roots and linguistic ramifications. In the semantic excursions beginning in 1915, we can see Khlebnikov’s experiments with consonants, nouns, and definitions spelled out in accessible, if arid, form. The essays of 1916-1922 take us into the future of Planet Earth, visions of universal order and accomplishment that no longer seem so farfetched but indeed resonate for modern readers.

Collected Works of Velimir Khlebnikov: Letters and theoretical writings

Vowing at an early age "to be a poet or nothing at all," Hermann Hesse rebelled against formal education, focusing on a rigorous program of independent study that included literature, philosophy, art, and history. One result of these efforts was a series of novels that became counterculture bibles that remain widely influential today. Another was a body of evocative spiritual poetry. Published for the first time in English, these vivid, probing short works reflect deeply on the challenges of life and provide a spiritual solace that transcends specific denominational hymns, prayers, and rituals. The Seasons of the Soul offers valuable guidance in poetic form for those longing for a more meaningful life, seeking a sense of homecoming in nature, in each stage of life, in a renewed relationship with the divine. Extensive quotations from his prose introduce each theme addressed in the book: love, imagination, nature, the divine, and the passage of time. A foreword by Andrew Harvey reintroduces us to a figure about whom some may have believed everything had already been said. Thoughtful commentary throughout from translator Ludwig Max Fischer helps readers understand the poems within the context of Hesse's life. From the Trade Paperback edition.

Elegy in a Country Church-Yard

She has been called "one of the most richly idiomatic female pop singers of her generation" by Rolling Stone magazine. Translation: Jewel speaks to millions of fans of all ages through her award-winning music and bestselling poetry books. Now, get to know this supertalented performer for the down-to-earth, savvy, and unpretentious person she is -- a dynamic young woman who, her friends all agree, is "too normal to be a rock star." Revealing Jewel pieces together a remarkable portrait, through the words of those who know her best: her family and close friends, her band, and her colleagues on the road, in the studio, and on the movie set -- including Moby, producer Arif Mardin, actor/director Billy Bob Thornton, Jewel's father, singer/ songwriter Atz Kilcher, and her mother and manager, Lenedra J. Carroll. This one-of-a-kind compilation gets up close and personal on: Jewel's childhood...the hard times...her rise to fame...paying her dues...the recording experience...the touring life...superstardom...artistic pursuits...her passions...her causes...her friendships...her love life...her personal style...her sharp wit and hard-won wisdom. Also included are trivia questions, candid photos, and sidebars in Jewel's own words. Delve into Revealing Jewel and celebrate the heart and soul of an artist who constantly challenges our assumptions and defies our expectations.

TikTok poet Shelby Leigh presents a moving and inspirational collection of poetry about growing up and embracing all the beauty life has to offer. The perfect gift for fans of Rupi Kaur, Connor Franta, and Cleo Wade. Shelby Leigh breaks up her poignant and reflective poetry collection into two themes: the anchor and the sail. While the anchor explores issues of insecurity, heartbreak, and anxiety, the sail

focuses on healing and hope after the storm. With an emphasis on self-empowerment, changing with the tides is an evocative and celebratory set of poems for anyone who dreams of following their heart and embracing their true self.

The Seasons of the Soul

A bilingual collection of 25 newly translated odes by the century's greatest Spanish-language poet, each accompanied by a pair of exquisite pencil drawings. From bread and soap to a bed and a box of tea, the "odes to common things" collected here conjure up the essence of their subjects clearly and wondrously. 50 b&w illustrations.

A FINALIST FOR THE PEN/WEST TRANSLATION AWARD The 100th Anniversary Edition of a global classic, containing beautiful translations along with the original German text. While visiting Russia in his twenties, Rainer Maria Rilke, one of the twentieth century's greatest poets, was moved by a spirituality he encountered there. Inspired, Rilke returned to Germany and put down on paper what he felt were spontaneously received prayers. Rilke's *Book of Hours* is the invigorating vision of spiritual practice for the secular world, and a work that seems remarkably prescient today, one hundred years after it was written. Rilke's *Book of Hours* shares with the reader a new kind of intimacy with God, or the divine—a reciprocal relationship between the divine and the ordinary in which God needs us as much as we need God. Rilke influenced generations of writers with his *Letters to a Young Poet*, and now Rilke's *Book of Hours* tells us that our role in the world is to love it and thereby love God into being. These fresh translations rendered by Joanna Macy, a mystic and spiritual teacher, and Anita Barrows, a skilled poet, capture Rilke's spirit as no one has done before.

[Zagajewski] is in some sense a pilgrim, a seeker, a celebrant in search of the divine, the unchanging, the absolute. His poems are filled with radiant moments of plenitude. They are spiritual emblems, hymns to the unknown, levers for transcendence. --Edward Hirsch, *Doubletake*. Zagajewski deserves the attention of readers accustomed to swerve away from poetry. And moreover, he is good: the unmistakable quality of the real thing -- a sunlike force that wilts clichés and bollixes the categories of expectation -- manifests itself powerfully through able translation. --Robert Pinsky, *The New Republic*.

Limited edition (#32 of 101), signed by poet. Already well known as a film and TV actress, Grace Zabriskie's talents are myriad. And luckily for us, they include the poems in her simply titled first book, *POEMS*. In it, unfettered by poetic or any other convention, Zabriskie has created a collection that is witty, clever and provocative, and above all, original. That her poems--untainted by sentimentality--are also at times hard, dark and skeptical, will paradoxically lift and delight her readers. --Rosemary Daniell An impassioned potpourri of images and speech rhythms, of places and figures, spiced by independent wit and indelible memories choreographing choruses of contradictions. *The Castle Builds Itself*, says one poem; in that spirit Grace Zabriskie has built herself from her father's New Orleans café

to LA. This visual artist and poet of three decades so loves life that she makes all kinds of games of its parts and pieces, projecting her womb as a cupboard, a scene shop as the world, a house as a man's woman, and even herself as the East Pacific Rise. Her social satire is quick and clever; her dramatic irony is as bright as sunlight. She's too spritely a spirit and too accomplished an artist to leave anything human out.--F.D. Reeve.

"Wear poetry as both perfume and armor." Wong's words and artistry are both vibrant with color, richly textured, defiant, and unapologetic in their boldness. Her speaker begins her spiritual journey of remembrance that transcends body, tradition, or even nation in the pursuit of authentic art that is constructed through the radical acceptance of the past in order to leave it all behind. Turning to Wallpaper is a story where no wounds are left un confronted or softened. It is beautiful, without beauty. There is "pain, but no victimhood."

The movie

A reporter named Wallace Cook tries to redeem himself by finding a big story about a girl named Hazel Flagg

A newspaperman visits a small town in search of Hazel Flagg, but encounters resistance from the locals.

Hazel is grateful to Enoch for saving her life and is offered a trip to New York by Wallace Cook. Hazel Flagg is excited about her upcoming trip to New York, but worries about being used as a guinea pig for scientists and the fake wrestlers in town.

Hazel Flagg attends a show and reflects on her impending death.

Hazel plans to commit suicide to save herself and Wally from being exposed as frauds.

Hazel Flagg is believed to have committed suicide, but she is actually alive and hiding with Wallace Cook.

Oliver discovers that Hazel Flagg is a fraud and is not actually dying.

A man named Max is trying to get a sick girl back to the office as ordered, while dealing with his brother Moe and the boss Oliver Stone.

A woman fakes an illness to get out of going to jail, but her plan backfires when her boyfriend catches on.

Hazel Flagg fakes her illness and causes chaos in the town.
