Cutely illustrated and passionately written, Surf Legends Alphabet is sure to make a splash with any young, or not so young, lover of the greatest water sport known to woman and man.

Alphabet of Waves

There's nothing quite like those magical waves that roll in from the horizon, filled with energy from far, far away. Like snowflakes, no two are the same, leading surfers and sea-lovers to create a special language to describe them, depending on shape, size, power and location. That's what this surf-themed ABC book is about. From "A-Frames" that look like the first letter alphabet, to famed breaks like J-Bay and Trestles, 26 waves are playfully depicted and described with a wink that will make surfy parents smile.

Surfing the Alphabet

A 216mm x 216mm, 56 page, full colour paperback book for younger children that teaches the alphabet using basic surfing terminology, ie: B is for bottom turn, etc. Written and illustrated by Australian cartoonist Buddy Ross.

Surfing: A Beginner's Guide

Surfing: A Beginner's Guide has been the go-to surf book for beginners since 1996. This third edition, now with the endorsement of Surfing England, takes you through all the vital steps to become a surfer: you will learn where to surf, when to surf and how to surf safely. You will learn the foundations such as choosing the correct equipment, which is essential to make any progress as a beginner; pre-surf preparation, including getting fit with tips and advice; and your first surfer steps on the beach and in the ocean. All these stages lead up to you catching your very first wave and the surfing bug. The sea is renowned for its beauty, but infamous for its dangers. Alf provides you with transferable skills to safely enjoy your new hobby. Safety features heavily in the book, and you will learn all the basic common-sense aspects of surfing that even the most experienced surfer forgets.

Surf Life

Le surf n'est pas qu'un simple sport, c'est aussi un art de vivre. Véritable passionné de surf, Thierry Organoff transmet son enthousiasme pour ce mode de vie unique. Initiez-vous à la culture surf et son univers en 50 mots-clefs illustrés de photographies et d'illustrations uniques. Découvrez son histoire, ses codes, ses tendances et apprenez à utiliser son vocabulaire : qu'est-ce qu'un thruster ? Êtes-vous goofy ou regular ? Maîtrisez-vous le cut-back ? Du mythique Duke à Kelly Slater, des plages de sable blanc de Hawaï à celles de la côte basque, le monde du surf n'aura plus de secret pour vous !

This edition has been updated with the latest information on equipment, technique, and resources.

Surfing

S Went Surfing

What does the alphabet do on its day off? From the title, we know S goes surfing, but what about A? C? L, M, N, O, and P? Kids will absolutely love finding out and following each letter throughout their Hawaiian holiday off from school. Written with a fun rhythm and alliteration, learning the alphabet has never been so fun! Kids of all ages will enjoy reading this book aloud and have it read to them. Each page is wonderfully inventive and includes additional objects that begin with that letter. In the process, kids also get to explore Hawaii from Hanalei Pier, to Volcanoes National Park. S Went Surfing is a whimsical, imaginative alphabet book sure to become a collector's item and a family favorite.

120pages college ruled Paperback Size 8,5" x 11" inch Surfer Paradis with the waves to ride. Water sports at its finest. Notebook for every surfer and surfer. Bodysurfing in the best surf zone. Only the thick crushers are something for you, then grab your board and get on the water

Surf Lesson Tips

Surfing is a surface water sport in which an individual, a surfer, uses a board to ride on the forward section, or face, of a moving wave of water, which usually carries the surfer towards the shore. Do you remember your thundering heartbeat on that first BIG day? Or the pure joy of those early morning paddle-outs with your original set of surf buddies? Or the uncertainty of splashing into a 45-degree winter ocean while encased in more rubber than the Creature from the Black Lagoon? Then spin your board around and drop into this captivating set of surf stories. But don't worry if you've never climbed into a Michelin Man-like layer of neoprene for a wintertime wave fix. All you need to enjoy Surf Lessons is your sense of adventure and a sense of humor. And be ready to shake the sand from your trunks and the water from your ears as you turn the final page.

Secrets to Progressive Surfing

Secrets to Progressive Surfing is not your average learn to surf book aimed at getting beginners up and riding. And what better pro to demonstrate the required skills in beautifully photographed sequences than Kelly Slater, 11 times World Champ, who plays a starring role in this incredible book that has something for every surfer on the planet.

Agissons pour protéger les milieux marins !

Life Comes in Waves #4

Mal du pays, regrets du passé. Ou regrets dans le passé. Sur l'axe temporel, Elle ne se définit qu'une fois. Un indice ? Nous parlons et enterrons le présent dans l'instant qui lui appartient. Sarcophage que nous laissons divaguer dans l'espoir de retrouver sa trace sur les bords d'un cours d'eau. La nostalgie ! Vous avez deviné ! Tout ne serait que pure coïncidence sans elle. Même les gestes les plus rudimentaires. L'homme divaguera au gré de ses humeurs. Sans constance, sans joie, sans projection vers l'avenir. Cette variable nécessaire priverait pêle-mêle, les enfants de l'amour des parents. Le monde professionnel de ses règles et de ses impondérables. Les banquiers et leurs clients d'une camaraderie au-dessus du « zéro euro ». Les politiciens de leurs appartenances idéologiques etc.... On se rappelle, et c'est tant mieux. Non sans y mettre à chaque fois une masse d'affect bien pesée. Mais c'est à l'école que nous devenons citoyen... Alors ! Que dire après cela ? Peut-être ai-je tort de choisir entre le roman et l'autobiographie ? Mais peut-être pas, en fin de compte. Car, ne parle-t-on pas de dimension romanesque, lorsque nous évoquons nos souvenirs d'antan ? Il n'y a qu'à écouter cette splendide chanson de Gilbert Bécaud, « La vente aux enchères » : « Moi qui ai des souvenirs à ne plus savoir qu'en faire. Venez assister messieurs, mesdames, à ma vente aux enchères ».
