Dear Mom, Dad & Ethel

"I enjoyed Dear Mom, Dad & Ethel so much I could hardly put it down. It ought to be widely read as an excellent way of recalling World War II." -Hans L. Trefousse Distinguished Professor Emeritus of History Brooklyn College and Graduate Center of the City University of New York "Dear Mom, Dad & Ethel paints an absorbing picture of the daily life of America's greatest generation. Vets will find themselves reliving their own experiences-the boredom, the loneliness, the fear, and the role of fate in life and death. For the rest of us, Dear Mom, Dad & Ethel is social history at its best." -Dr. Stanley J. Michalak Senior Associate, Foreign Policy Research Institute, Philadelphia Professor Emeritus of Government, Franklin and Marshall College "A vivid story brought to realistic life." -Midwest Book Review "Dear Mom, Dad & Ethel delicately mixes fiction and history to tell the story of an American air corpsman during World War II. His precious letters enhance a grand book deserving warm appreciation. People from my hometown will be as moved and fascinated as many Americans who will, no doubt, eagerly read it." -Jacques Wynants, Belgian Historian Author of Verviers 1940 and Verviers Libéré PLOT SUMMARY On October 7, 1942, Don Quix enlists in the Air Corps. He's slated to be an aerial gunner, but his flying dreams are shattered when he's caught AWOL with buddy Ken Jackson. Don manages to become a radio truck supervisor in a fighter control squadron while Ken goes to a demolition unit. As an army engineer, Ken barely survives D-Day on Normandy's "Bloody Omaha." During a baseball game in a French forest, Don moves his head slightly, saving himself from a sniper's bullet. Arriving in Verviers, Belgium in September 1944, Don and his fellow radio men endure frequent buzz bomb attacks. Due to a miscalculation in army strategy, they find themselves on the front lines during the Battle of the Bulge. Don's reunion with Ken, now a tech sergeant with a bomb disposal outfit, is marred by tragedy, dampening Don's torrid love affair with beautiful seamstress Denise Vervier. Denise's husband, sent to a forced labor camp in 1940, is presumed dead. When he unexpectedly returns, Don and Denise face a heartbreaking choice.

There have been many remarkable women who served British Intelligence during the Second World War. One whose dubious claim to have worked for them is a fascinating tale involving three marriages – the first, to a spurious White Russian prince; the second to a playboy-turned-criminal involved in a

major jewellery robbery in the heart of London's Mayfair in the late 1930s. After the war she became romantically involved with a well-known British Fascist, but finally married another notorious criminal whom she had met earlier during the war. The descriptions variously ascribed to her ranged from 'remarkable' and 'quite ravishing' to '...a woman whose loose living would make her an object of shame on any farm-yard'. Until now, very little has been recorded about Stella Lonsdale's life. She doesn't even merit a mention in the two official histories of MI5, even though she managed to tie them up in knots for years. This book will explore the role this strange woman may or may not have played in working for British Intelligence, the French Deuxième Bureau, or the Abwehr – German military intelligence – during the Second World War, using her MI5 files as a primary source.

Agent Provocateur for Hitler or Churchill?

Much has been written both about and by people who feel they were assigned the wrong body at conception, exploring the struggles and too often the tragedies that result from that mismatch of nature. Very little has been written, however, to chronicle the lifelong struggle of people to understand and come to terms with two distinct sets of emotions, one male and one female – a single soul, at times divided, at times united, by two clearly identifiable spirits. *Dear Mom and Dad: You Don't Know Me, But ...* traces the life of George through the eyes of Georgia, the female half of their soul, from early childhood in the post war Texas oil fields through the innocence of his early school years in northeastern Oklahoma. With the onset of puberty, Georgia watches the omnipresent feeling of not being normal cast a destructive pall over nearly everything George attempts. After the collapse of his lifelong dream, George begins again with hopes, new dreams and the love they've both longed for. Georgia finally emerges, but understanding her part in their soul comes slowly and is complicated by a tragedy of profound proportion. *Dear Mom and Dad* considers the ultimate understanding of God's will for both George and Georgia and its unusual conclusion, sharing a story of struggle and self-acceptance.

Dear Grandchildren

In this treasure of a book, a child shares a more profound understanding of the most enduring and sometimes toughest aspects of child-rearing. Filled with wise anecdotes that will strike a chord with all parents, this keepsake book is an inspirational instructional guide that shows mothers and fathers how much children need them to be patient, understanding, and most of all, loving role models. *Dear Mom and Dad?* is an ideal gift book parents and children can learn from and share together time and again.

The Viking and The Mayflower

Ethics, morals, and society in general have been spiraling downward for more than 50 years. Life simply was different up through the 1940s and the decade that followed. Christian thought today is discredited on the university campus, and traditional Christian piety now is viewed by the majority of the public as "old fashioned." Postmodernism has become entrenched. In Christian circles, the question often is asked: "How does the unbeliever cope?" As believing Christians, we know that the Word of God provides all of the answers. Perhaps *LETTERS TO AND FROM A CHRISTIAN MOTHER AND MORE* will be of some assistance to both the believer and the unbeliever, who as the parent of a young child or children, or of young adult children, must advise and counsel that child as they navigate through their religious, social, and academic decisions. Dr. Terry L. Johnson stated that the letters "are remarkable and show clearly what a devout and accomplished woman your mother was...They are wise and devotionally rich, and may deserve a wider readership." (From the Preface). Dr. Johnson continued: "Their literary quality was outstanding. More importantly, they were filled with sound, shrewd, bold, Biblical counsel for her boys, particularly in the years between the beginning of college and the birth of Si and Suzanne's first child, Carey. I wanted to read more and became convinced that others, particularly parents, could benefit from hearing the strong counsel of a Christian mother to her beloved sons." (From the Foreword).

Dear Mom and Dad

Letters written by William Kincaid Newman and his parents while he was an undergraduate at Princeton University, 1927 to 1931.

Dear Mom and Dad

My book spans six decades of life in America. It is a Jewish Forest Gump and describes my adventures incorporating the political and historical events of the time. I am 68 years old.

Letters to and from a Christian Mother and More

Love and Betrayal in Texas, Connie Nanasy's recent suspense-filled novel will finally be in the hands of eager readers. This is storytelling at its highest degree with all of the elements that an exciting novel should have: love, hate, trust, suspense, Texas traditions of the '50s, out-of-control dysfunctional families, influential and controlling parents, kidnapping and custody trials, vivid settings in Texas, New York, Europe, the Wild West and California. The fascinating characters are all unforgettable. Laura adored her parents when she left for college. There, she began to spread her wings and gained a little independence, necessary because she was still Daddy's Little Girl. When she met Jim at the university, her life changed in ways she never imagined. They married and her beloved husband had an unfortunate fatal accident, partially due to her parents' sabotage. Though distraught, Laura and their two children began life again. Her father Will, an attorney, introduced her to his client Dr. Paul Duff, whom she later married. The doctor was accused of kidnapping his small son. After a series of strange and astonishing events, Laura was thrown into jail and her children were taken from her by her parents. Her life became a nightmare, and she had to find a way to get her children back. What were the secrets that caused these devastating events? Her once-loving parents feared to reveal their shocking past, which led to their destructive actions against their daughter. Would their daughter discover their reasons and could she ever forgive them? Books can be ordered through Trafford and most of the large book stores, including Borders and Barnes and Noble.

Dreams for Stones Book One Dreams Saga

Utterly original, deeply moving and very funny, Ethel & Ernest is the story of Raymond Brigg's parents' marriage, from their first chance encounter to their deaths told in Brigg's unique strip-cartoon format. Nothing is invented, nothing embroidered - this is the reality of two decent, ordinary lives of two people who, as Briggs tells the story, become representative of us all. The book is also social history; we see the dark days of the Second World War, the birth of the Welfare State, the advent of television and all the changes which were so exhilarating and bewildering for Ethel and Ernest. A marvellous, life-enhancing book for all ages.

A Student At Princeton

Dear Mom and Dad for Kids are letters to parents written through the eyes of a child about issues some children face everyday. Although no two situations can be exact, these letters can be used as an opening to conversations about similar situations in your own family. I have left blank pages with lines between each situation in this book so you can write your own letters to each other to describe your own feelings. Love and Betrayal in Texas

Have you ever thought about hats? Nearly everybody has at least one, so there must be millions of them about. This is the story about one special hat and his adventures when he loses his Owner.

Jewish Book World

An illuminating account of the history-making friendship between RFK and the chief of staff to JFK—a bond built on shared ideals, but severed by tragedy. When they first met at Harvard in 1946, young Bobby Kennedy and Kenny O'Donnell could not have imagined where their lives would take them. Teammates on both the football and debate teams, they formed a partnership that would sustain them through the years, from Robert Kennedy's tenure as attorney general to O'Donnell's years as John F. Kennedy's chief of staff. Together they lived, worked, and struggled through some of the most pivotal moments of the twentieth century, including the assassination of JFK in Dallas. Their harmonious relationship was cut short only by Bobby's own tragic death. With full access to the Kennedy family archives, Helen O'Donnell brings an inspiring personal and political alliance to life. With *A Common Good*, she amply fulfills the promise she made to her late father to honor and preserve his memories of Robert F. Kennedy for future generations. Kirkus Reviews hails *A Common Good* as "a moving and intimate study of a unique friendship but also of the time and place, now long ago, in which this friendship formed and blossomed." O'Donnell "set out to write 'a good book about two good men.' In this she has succeeded."

Ethel & Ernest

Volume Four of Noël Coward's plays contains a selection of Coward's plays from the thirties and forties which includes *Blithe Spirit*, a comedy that centres around the spirit medium Madame Arcati. The play that mocks sudden death was produced at precisely the moment when bombs were bringing it to Britain "I shall ever be grateful, for the almost psychic gift that enabled me to write *Blithe Spirit* in five days during one of the darkest years of the war." The play was for years the longest-running comedy in the history of British theatre. *Present Laughter* follows the life of Garry Essendine, a world-weary, middle-aged projection of the dilettante, debonair persona - self-obsessed and dressing-gowned who struts through the play like an educated peacock. It is a comedy about the 'theatricals' that Noël best knew and loved, and was originally a star vehicle for himself. It is the closest to an autobiographical play that Coward ever wrote. *This Happy Breed* is a saga of a lower middle-class family; and three shorter pieces from *Tonight at 8.30* - is a farce set in the South of France, and serves as an oblique tribute to Frederick Lonsdale; *The Astonished Heart* is about the decay of a psychiatrist's mind through personal sexual obsession. *Red Peppers*, which closes the volume, was a cynical tribute to the lost music halls of the First World War.

Dear Mom and Dad for Kids

Would you accept yourself to find your humanity.? Ellie Cooper comes from a long line of witches but wishes she could be normal. When she nearly kills herself cursing a vampire, her dislike of her heritage deepens. She must find a way to accept her magic or forsake her family. After feeding on a witch, 693-year-old vampire Charles Dumphrey wakes to find he is living a human teenage life, complete with parents, school and girls. He must adjust to his new life as a human and find a way to break the curse Ellie put on him. Lee is a werewolf who is not yet shifting regularly. He worries about who he will be when he regulates. Lee searches for the balance between his humanity and the wolf before the wolf takes over. All three have to overcome their uncertainties and accept themselves in order to save Ellie's life. NB: This is not your usual vampire story. A lot of stories take a human character and turn them into a vampire early on, this is the opposite. If you're looking for a typical vampire/witch romance (e.g.

'the Vampire Diaries'), this book might not be for you. Please be aware that this story uses Australian English spelling and syntax.

Dear Mom and Dad,

Here is the chronicle of the Anderson family, Post Bellum (Civil War) Scandinavian settlers to America. They were the author's grandparents and triggered this interesting story of the three following generations over a span of 150 years. The story is compelling, forthright and, indeed quite readable and witty. Grandpa Olander leads the parade of memorable family. His seven offspring included Navy Chaplain, Captain Paul, an exuberant fellow who charted new paths around the world aboard the SS Boise during WW II and emulated St Paul in his post-war missionary work in Greece and Turkey. Author Anderson narrates an unusual family history based on a varied community banking career laced with many collateral and cultural interests in music, travel, church, sailing, camping and gardening. Their multi -9 home- residency to accommodate the author's career provided lots of color for the many vignettes of their personal lives. Then there are those wonderful three children and five 'above average' grandchildren who play an integral role in the family and world. The author's wife, Claire, is a pleasant and comely – but quiet – supporter of all that activity from her first unusual introduction that led, ultimately, to the altar and many years of marital bliss. That saintly partner introduced the author, nee husband, to quite interesting characters who garnish this story in spades. Those 'walk-ons' provide a compelling, and often, humorous backdrop to the 'larger picture'. Joie de vivre abounds with incredible and diverse photos that follow each chapter. Their composition and captions are well thought out and interesting. Thus, the whole work is a delightful journey of two people in love – hubby Roy and dearest partner, Claire – for over 60 years and still counting.

The nameless man

Squire's Legacy is a lovely story of a family that did not know the meaning of "defeat" and the still larger story of southern West Virginia communities that have been described often but rarely understood. Missionaries, such as the late Jack Weller, have called them "yesterday's people," fundraisers seeking charity from outside the region have demeaned them as "our contemporary ancestors;" and, sociologists have called their folkways an "analgesic subculture" wedded to fatalistic ways. Refreshingly, "Appalachia," code for we're-poor-help-us, never appears on these pages. In this shining tapestry of remembrances, facile generalization so common to much of the writing about the region gives way to a finely woven and warm description of living, loving, and toiling in the coal fields at the very nadir of the Depression. A son and daughter-in-law tell the story of "Squire," a coal miner paralyzed by a slate fall, and his family as they scratched a living from an environment that sapped the souls of all but the hardiest. Tempered by tough times, character emerges from these pages as rock-hard and lustrous as the coal they mined. The White's accomplish in 300 pages what William Bennett has not yet done in two tomes on the subject.

Dear Mom and Dad

First Published in 1994. Routledge is an imprint of Taylor & Francis, an informa company.

PORTSEA

Swamp Mystery by Valerie Stetson Good and evil are both in this world. According to the Bible, ghosts are evil. But there are also spirits, such as angels, that are good. The occult is a very deep subject to get into, but it does exist. In Swamp Mystery, author Valerie Stetson wants to remind us that there is a higher power, God, Jesus Christ, and the Holy Spirit, Who will comfort and aid us in our journey through life.
