Chosen

'Chosen' brings together writing and poetry by over 50 adopted adults born between 1934 and 1984. Some are established writers, others are new and emerging whilst some have never been published before. They capture a broad range of perspectives: adoption within the extended family; late-discovery adopted adults; transracial and transnational adoption; those who have searched for birth family, and those who did not search but were found by a relative. The themes of identity and belonging, roots and searching and acceptance and healing permeate these accounts.

The Special Chosen One

If you are an adoptee, have you felt alone in the world with no one to talk to; wondered how other adoptees deal with their emotions; or wondered WHY you were placed for adoption? If you are a birthparent, have you ever wondered how your child might feel towards you; what their life was like growing up; or how you would react if they ever showed up on your doorstep? If you are an adoptive parent, are you puzzled with how to deal with your child's feelings towards adoption but don't know what to say; thought about helping them search for their birth parents; or how you would handle the situation if they contacted their birth mom? If you are someone who knows someone who is adopted, have you ever been curious what it was like to be adopted; you don't know what to say to them about being adopted; or you don't know how to support them if they are searching? If you answered yes to any of the above questions, then this book, The Special Chosen One, is for you. An adopted woman's journey back to her roots. This memoir peers into the mind and emotions of an adoptee who wonders about her birth parents. The torment of being questioned by physicians as to your medical history, when all an adoptee can answer is, "I don't know." The eventual fear of hurting adoptive parents when deciding to search for birth parents. The difficult aspect of searching for records about yourself, but they are sealed forever. This book is helpful to all members of the adoption triad; the adoptee, adoptive parents and birth parents, or anyone thinking of adoption or in the process of adopting. This book brings forth the theme that adoptees are not alone. The author never knew another adoptee until age 24. Her self-imposed feelings of guilt were always associated with being adopted. What the author didn't know until later in life is that other adoptees went through the same emotions. Also included is valuable information and

suggestions for adoptees, birth parents and adoptive parents, tips for beginning a search, other books recommended for reading, helpful links, and reading group questions.

We Chose You

Every Family is Created by God God forms families in many different ways and sizes, but all are equally important and special. When adopted son Calvin needs to tell about his family for a class assignment, he discovers his parents were praying for him long before they chose him. Not only that, but God chose them for Calvin. It wasn't by chance and it wasn't an accident. It was according to His plan. We Chose You was written to communicate to all children, whether birthed or adopted, that they are chosen. That they are secure. That they are loved. This is a message every child needs to hear. Let this book give you the words to tell your child about your family's unique story.

Chosen

Children need to feel loved, wanted, and accepted. Adopted children may wonder if they really belong, what to do about curious questions, or even why God allowed this. Chosen addresses all of the above, in specialized sections for different stages. The whimsical, fun pictures in this book will make your child smile, and the words will fill them with truth to hold in their heart all their lives. Positive, Joyful, Affirming - for Christian families who adopt. Chosen is in 3 parts, each with purpose. Main Book Read-to-me, Early Readers Positive, joyful, reassuring Extra Stuff Middle Readers Ideas, showing love, verses, and how to deal with Curious Carla. For Difficult Days Advanced Readers If a child struggles with the harder questions that hurt, such as why God allowed this or how to deal with enduring feelings of rejection or abandonment. Chosen resources parents and children with the words, ideas, and opportunities to express the love and acceptance both need. It made me feel loved. - Kirra, adopted daughter The pictures are so bright and beautiful and the words are perfect. - Judy, adoptive mom Emphasis on the importance of family and family acceptance is great. Reading this gave us a warm, happy feeling. - James and Wanda, adoptive parents

Chosen for Greatness

A book to challenge the status quo, spark a debate, and get people talking about the issues and questions we face as a country!

ADOPTING FOR LIFE

Adopting For Life, is a book for parents to use to help explain adoption to their child. It is a story about a Mother explaining to her child how and why she came to be adopted. It promotes adoption in the most positive light emphasizing how the child is a precious gift from God and His plan for our lives. It is intended to enhance the bond between parent and child and leave the child feel feeling valued and special.

You Have Been Chosen

Adoption affects the birth parents, the adoptive parents and the adopted children in many different ways, some positive and some negative. Each party within this triad has many un- answered questions, but discussing them helps to lighten the burdens for everyone. Mary Muchiri and her adopted son share their journey and try to answer their individual questions. They hope to inspire all who are asking similar questions, by comparing human adoption with the much greater and more lasting adoption into the eternal family of God.

Read "I AM CHOSEN" to visualize your life as Christ views it and shift your thinking with positive vigor.

Adoption Conversations

A practical guide to talking about adoption to a child adopted from overseas. It is essential that parents communicate openly with their adopted children, but discussing birth parents and background demands real courage and it can be difficult to know how and when to broach these subjects. This book explores what to tell children at different times in their lives, using example dialogue and suggested questions and answers. Written from the perspective of an adoptive parent, it also teaches parents how to recognise and handle their child's adoption-related grief.

The Chosen Baby

How Peter and Mary are adopted into a home where they are wanted and loved. Grades 1-3.

Life Gave Me The Gift Of You (Love Makes a Family)

A large blank lined journal (with a blank date space in the corner of each page), with a beautiful quote on the cover to celebrate the new child in your life. The Whole Life Adoption Book

Authors Jayne E. Schooler and Thomas C. Atwood share insights into every aspect of adoption. This powerful resource addresses the needs and concerns facing adoptive parents, while offering encouragement for the journey ahead.

Chosen by Love

Adoption is both a gift and a blessing, but it can also come with difficulties. In Chosen By Love, young Chloe experiences ridicule from other kids because she is adopted. Seizing the opportunity, Chloe's mom shares a secret with her that helps Chloe see just how special adoption is and how it points to an even bigger blessing! TOM JASKI is an attorney and a pastor of Grace Community of Topsail in Hampstead, NC. Chosen By Love is his first book, birthed through his family's journey through adoption (twice) as well as his own adoption experience. The adoption journey also inspired Tom's wife, Christy, to help found A Sea of Hope, an adoption ministry that promotes adoption and assists families through

the process (www.aseaofhope.org). Tom and Christy have four daughters. You can find out more about what Chloe's mom shared with her at www.tomjaski.com. STEPHEN SOU is with Youth With A Mission and a member of Pick A Pocket in Herrnhut, Germany. Stephen is a fine artist and illustrator, traveling around the world to highlight issues of extreme poverty through the arts.

Chosen, Wanted, and Loved

A young girl delights in all of the stories her mother tells her, but her favorite is the adventure of how a young couple found each other, and how they completed their family by adopting her. Chosen, Wanted & Loved touches on many aspects of adoption that can become questions for a child later in life. The colorful illustrations and fun story keep children entertained while providing a casual opportunity for discussion between child and parent. Most important is a reinforcement that love is what creates a family.

The Chosen Ones

Four babies are given up for adoption under very different but nevertheless heartbreaking circumstances. Meet the parents, whose stories are not what you might imagine, and find out what has happened in the lives of four couples who desperately want to adopt these children. Follow the children into adulthood and find out if they, like the author, search for their birth parents to ask the question every adopted child wants to know. Why?

They Chose Me

Raw and informative, They Chose Me: An Adoption Story shares the gripping story of Denise Defoe who was relinquished for adoption at birth. Adopted at the age of 2 by a loving family, Denise still struggled intensely with feelings of grief, abandonment, lack of self identity, and resentment about being adopted. Join the author on her journey to healing, peace, contemplation of search and reunion, and exploration of tools to deal with the challenges of not knowing where she truly belonged. Whether you are an adoptee, adoptive parent, or birth parent this story has something for you.

Chosen

What would happen if we made love the foundation of every conversation? "Chosen: Real Life Talk in a Gentle Way (Adoption)" is part of a series of books which were written to help create a safe environment for children to express themselves. In this book, Joy talks to her family about some of her questions and concerns about being adopted. When Joy tells her brother how she feels, Joy learns that he was adopted, too. This book can help adopted children understand how much they are loved. Jennifer's desire is for adopted children to learn that being adopted has nothing to do with rejection and everything to do with being chosen and loved.

Chosen & Adopted

"This is the author's true, life story. After living in a children's home for 4 days, he was taken by a couple to be their son. He was 16 months old at the time. He lived with them and was adopted by them at the age of 18. This story is one of many blessings that were his by the grace of God." --

Chosen Families

A large blank lined journal (with a blank date space on the corner of every page), with a beautiful quote on the cover to celebrate the new child in your life. Makes a lovely gift for a loved one, sure to put a smile on their face. SIZE: 8.5x11 inches (approximate a4) PAPER: Lined Journal Paper With a Date Space PAGES: 100 COVER: Soft Glossy Cover. LoveFamily Publishing make beautiful and modern journals and notebooks to celebrate family life! Titles Include: Wanted, Chosen, Loved, Adopted Look At You Adopting a Child and Sh*t! Wanted, Chosen, Loved, Adopted

We all have our own views and perspectives about what adoption is and isn't. Some of them come from what we have seen and heard throughout the life experiences of someone that is adopted or has adopted in real life, or even documentaries and books like this one. Others are just simply vague "ideas" that people plant into our minds based almost entirely on hearsay and fallacy. These myths are everywhere and there are tons of them out there. Over in this book, we have organized a very straightforward summary of everything you need to know covering the fundamental basics of the process of adoption and debunking your fears with all the worry and anxiety you might have built up over time as you consult more of your friends or even "strangers" for their opinions. Sometimes preparation would go a long way when you do your research properly and your mind arrives at the destination before you do. That way, you can reduce a lot of unwanted wasted energy on the things and people that don't matter or participate in the role of raising this child. At the end of the day, you hold the key to your life decisions and this would be one of those times that would change your entire world forever. We are here with you every step of the way in this book. "Adopting one child might not change the world overnight, but for the child, their world would never be the same." Colette Hotchner

Book Content Includes: Chapter 1 - So What Do I Do First? Chapter 2 - Nine Adoption Myths Debunked Chapter 3 - How To Get Ready To Adopt A Baby Chapter 4 - Getting On The Same Page As Your Partner Chapter 5 - Top 7 Reasons To Use An Adoption Agency Chapter 6 - Ideas To Help With The Cost of Adopting Chapter 7 - The Pros & Cons of Adoption Chapter 8 - The Future of Adoption

One Life Decision Away to Saying, I Choose You.

"Who makes adoption a success? We do: the kids and parents in the new family as we change shape to accommodate each other." With more than 70 real life stories, revealing moments of vulnerability and moments of joy, this book provides an authentic insight into adoption. These stories take the reader on a journey through every stage of the adoption process, from making the initial decision to adopt to hearing from adoptees, and offer an informative and emotive account of the reality of families' experiences along the way. It includes chapters on adopting children of all ages as well as sibling groups; adopting as a single parent; adopting as a same sex couple; adopting emotionally and physically abused children; the nightmare of adoption breaking down; contact with birth parents; tracing and social media and more. Adopting: Real Life Stories will be an informative and refreshing read for adopters, potential adopters, professionals and all those whose lives have in some way been touched by adoption or want to know more about it.

Chosen Children

Born to a fourteen-year-old girl and an eighteen-year-old high school dropout, the odds of Mark Molzen being in prison, dying young or becoming a drug addict were far more likely than any other outcome. So how did he beat the odds - becoming a successful, highly regarded public relations professional for an \$18 billion, Fortune 150 Company? It's all because of the plan God had for him - a plan that started when his understanding of adoption radically changed. Mark Molzen's debut explores the stigma surrounding adoption, delves into what the Bible says about this issue, and examines the inherent power of choosing to accept that adoption is part of God's plan for our lives. Adopted into the "United Nations of Adoption," a family consisting of two biological children as well as four adopted children of Native American, Asian American, and African American descent, Molzen's life circumstances changed dramatically the day he was adopted. But his adoption isn't really the story. This life-altering book will teach adopted children, young and old, and their parents that to change how they feel about adoption, they must first understand how God feels about adoption and then choose to accept what that means for their life. And the good news is, the power to do this is already theirs - the power to choose to believe is available to all. Exploring identity, biblical adoption and salvation as well as other adoption issues, Molzen's debut should be viewed as just the beginning, a resounding blast of personal honesty and biblical perspective designed to foment a fundamental wave of change in how adoption is viewed. Written to encourage adopted children and their adoptive parents, Chosen With Purpose: A Story of Adoption and Identity is as enlightening as it is uplifting, demonstrating how the word of God can change everything.

Adopting

This is a story based on real life experience. Two women of very different backgrounds finally meet through adoption. Isabel, married but infertile, adopts Francesca's baby, Laura. Her wish is to provide the child with a happy, loving home and future, and to be fulfilled in motherhood herself. As the years go by, life generally and the path of adoption are far from smooth. Isabel cannot comprehend her

daughter's anger and 'distancing' before, during and well after adolescence. Something deep within Laura is disturbing her, and creating this hostility. Nancy Newton Verrier's research into 'the primal wound' and separation trauma sheds light on the reasons for these problems in adopted children, hitherto unexplained. And what of Francesca? This is a book with a mission, particularly for those considering adoption.

Chosen with Purpose

Debra J. Garner was given up for adoption when her birth parents realized they did not have the means to raise her and her three siblings. In *Picked Placed and Chosen* she tells how she came to understand the love her birth and adoptive parents have for her. This is a picture book for all ages for people who have gone through many of the stages of adoption; giving up a child for adoption, adopting a child and being an accepted person who wonders how they came to be adopted.

When Love is not Enough...

A lovely gift for an older child/teen whose adopted to help them express their feelings about being adopted and celebrate their new forever family. It's a large blank lined journal with a blank date space on the corner of every page, so they can write in it when it suits them. Wanted, Chosen, Loved, Adopted: Me and My Forever Family!

All My Children actress Jill Larson moved mountains as a single mother to adopt her daughter from China. George Fadok, a former Navy commander, grappled with “changing the rules” eighteen years after placing his daughter in a closed adoption. Angela Paxton, Texas state senator and an adoptee, never thought she would ever meet her birthmom, but when she did, it changed her life. Embarking on an adoption journey can be daunting, but now you are not alone! This collection of true, beautiful accounts, including Larson’s, Fadok’s, and Paxton’s, takes an honest look at the process, the struggles, and the undeniable joy that comes with adoption. With insights from all three adoption triad viewpoints, Adopting Hope shares a wealth of lessons learned and tips for every person contemplating an adoption journey. How to have the courage to adopt How to decide on an open vs. a closed adoption How to handle a foreign adoption How to survive the agonizing wait to become parents How to tell your adopted child “the story” How to make your adopted child feel loved How to negotiate a relationship with your child’s birth parents How to help your child work through feelings of loneliness or rejection How to dispel negative attitudes you will encounter about adoption And so much more, including suggestions from birthparents and adoptees! From Lorri Antosz Benson, author of To Have and Not to Hold, this heartfelt compilation is ultimately a message of hope, love, and destiny as each family discovers the truth that a child doesn’t need to be blood to be truly yours.

Chosen, Wanted & Loved

Adoption affects the birth parents, the adoptive parents, and the adopted children in many different ways, some positive and some negative. Each party within this triad has many un- answered questions, but discussing them helps to lighten the burdens for everyone. Mary Muchiri and her adopted son share their journey and try to answer their individual questions. They hope to inspire all who are asking similar questions, by comparing human adoption with the much greater and more lasting adoption into the eternal family of God.

Adopting Hope

Sixteen essays ranging from lyric essays to narrative journalism address how we make sense of what we cannot know, how we make change in the world, how we heal, and how we know when we are home. Collectively, these essays convey the longing for agency and connection, particularly among women. They will resonate with readers of all ages, but perhaps especially with women in the second half of life, those dealing with aging parents, retirement, illness, and accompanying vulnerabilities. Here readers will find comfort within keen reflection upon life’s ambiguities.

You Have Been Chosen

The softer side of the abortion debate ... In contrast to the front line war of words that emanate with most protest views, Doris takes us behind the scenes into real life drama. The stories contained in this book will make you smile, cry, and find a place in your heart for hurting people that are usually blurred out of the media headlines. As a Pastor, I appreciate the caring way she approaches the issues and the caring hands that she reaches out with to touch hurting hearts. Pastor Rudy Bond New Life Worship Center, Tyler, Texas Doris has gathered a treasury of hope and joy surrounding the adoption process, including Scriptural encouragement and honesty about the fears and challenges involved. This book is a testament to the hand of God with even the least of these. Sara Maynard is a Texas attorney, specializing in representing children. She is Board Certified in Juvenile Law. **ADOPTION JOYS, THEY EXPECTED A MIRACLE**, explains God's plan for unplanned pregnancies through moving testimonies of families who have experienced the joy of adoption. As the mother of two adopted children and one adopted grandson, I found myself rejoicing with the families through their stories. This book will be an effective tool to encourage couples to consider adopting children to complete their family. Birth parents will also understand the joy their baby will bring to the adoptive couple; and, perhaps, cause them to consider releasing their baby for adoption. God patterned adoption by adopting us into His family through His Son Jesus Christ. May this book challenge birth and adoptive parents to allow children to experience God's unconditional love through the gift of adoption. Judith E. Shallcross, Retired Christian School principal.

The Grammar of Untold Stories

Based on the author's personal experience as a mother who lost a child through adoption and her experience as a social worker who has worked extensively in the area of post-adoption counselling with adults, this resource graphically describes the disenfranchised grief associated with adoption and suggests ways in which that hidden grief can be acknowledged and confronted.

ADOPTION JOYS

A large notebook with story paper (each page has a large box space to draw at the top and dotted mid lines especially for young kids to write).
