He Holds My Hand

2018 Christian Book Award finalist (Devotion and Gift category) *He Holds My Hand* is a page-per-day 365-day devotional. Based on Scripture, this devotional is written as if God the Father is speaking His words of comfort and protection directly over you. When Carol Kent's son was sentenced to life in prison without parole, Carol was consumed with grief, sadness, and despair. She was distraught wondering why God permitted this to happen. She had prayed for her son since he was a small child. He had been raised with biblical principles and daily prayer. As Carol tried to make sense of everything, she couldn't help asking, Where's God when it hurts so much? In the middle of her sorrow, Carol turned to the place where she had always gone for comfort--the Bible. She was desperate to hear God's voice. She soon discovered that the best way for her to "listen" to His voice was to meditate on Scripture and then write out what she believed He was saying. She wrote it as if it was His prayer over her life, and it comforted her. It was as if He took her by the hand, as a father would guide a child, and He gently led her in the direction of unconditional love, renewed hope, and fresh faith. Know without a doubt that God is with you and stands ready to protect and guide you. He holds your hand, and He won't let go. Listen to God's voice and put your hand in His. He is your Comforter, your Healer, your Teacher, and your Joy. Remember He holds your hand, and He won't let go.

31 Days of Psalms

The picture of God as a loving father may for some be a puzzle especially given that religion has painted God as a diety similar to Zeus waiting on the edge of his seat to raid a shower of lightning bolts to put us in our place. Or, we want to believe that God is indeed an incredible God of love yet, we wonder if he really loves us or sees us as worthy. However, God even in his majesty and might is a God of lavish love whose heart is turned towards you in devotion. For this purpose, I created *31 Days of Psalms - Revealing God's Heart*. I wanted to draw you, the reader, into a deeper understanding of God's lavish love towards you, and the truth that he is intricately involved in the everyday moments of your life. Here you will find thirty-one Psalms and verses to meditate on and include in your daily time with God. In many ways, it is akin to a devotional book. Join me and a variety of other passionate Jesus writers as we explore the book of Psalms together.

The Prayer That Moves the Hand of God

"O Lord it is because of your mercies which are new every morning, why we are not consumed" --- Jean Jean was a prayer warrior and had experienced the power of prayer on many occasions. Yet, it was her son Jim who was about to have a surreal encounter with God. Jim was just sixteen years old when he travelled from the Caribbean to the USA on a Missionary Trip. It was on that trip, that Jim had his first encounter with God. During his missionary trip, Jim developed a medical condition that could've been easily resolved, if only medical attention had been available. In addition, the remote location of the campsite impeded all efforts to get Jim to the nearest hospital on time. What was seemingly a simple

medical problem was quickly turning into a disastrous situation. With Jean miles away from her son and upon learning of his fate, she engages in praying in such a way that it moved the hand of God to heal her son. This story reveals a series of encounters that unveil the power a mother's prayer ministry and Jim's desire to know and prove that the love of God is so powerful that it can find us even in the most remote of situations. There's no place where God cannot find us, no circumstance that He cannot save us from and no illness that He cannot heal and restore. Prayer is the key in the hand of faith that unlocks the boundless treasures of heaven. A true, heartwarming and profoundly bible based doctrinal story; it serves as a reminder to the reader that Alfred Tennyson was correct by saying; "more things are wrought by prayer than this world can ever dream of"

Desiring God

From indie author Berenice Aguilera comes a book that will help every reader find words to express their desire for God. Written in a raw, unrefined style, these prayers strike at the very heart of every believers deepest longing. Ms Aguilera has put into modern language the Psalmists' heart as he wrote; As the deer pants for streams of water, so my soul pants for you, my God. My soul thirsts for God, for the living God. When can I go and meet with God? This is a book of prayers. There are no bullet points, prayer starters or suggestions, just pure, unadulterated prayer.

She Prays

One of the most wonderful things about walking with God is that we can have an intimate and real relationship with him. He wants us to know him so well that we are comfortable talking to him about anything and everything. Yet, there are times when we feel disconnected and insecure. We desire to grow in prayer, but we don't know where to begin, what to say, or how to listen for his voice. In She Prays, Debbie Lindell invites you on a 31-day journey to experience a confident and conversational relationship with your heavenly Father. She shows you how to replace the pressure to perform in prayer with a faith-filled expectation--trusting that God is delighted with every conversation and every word we whisper to him. Her desire is that your soul will be transformed as your confidence in prayer grows, and that your faith will be strengthened as you see God work through your prayers in ways you never imagined possible.

God Heard That!

As a theology professor, I've become convinced that many people are frustrated with their failure to establish and maintain a consistent prayer life. Can you imagine any of the Christians that you know saying something like "Man, I've gotta cut back on my prayer life" or "you know, I'm spending way too much time with the Lord"? Of course not. This devotional book addresses that frustration by introducing the idea overheard prayers. I have often had the experience of hearing a fellow believer pray and of sensing that she or he had just put into words exactly what I was feeling at that moment but could not express. This book collects those experiences, the overheard prayers that have allowed me to borrow a brother or sister's faith, to participate in their loneliness, to learn from their devotion, to be inspired by their praise, to feel their pain, to glow in their heart's aspiration, or to join in their repentance. I pray that your Christian life will be enriched as you overhear these overheard prayers.

The Beautiful Work of Learning to Pray

Prayer is not easy, yet learning to pray can be learned. *The Beautiful Work of Learning to Pray* is a brief but probing guide into the life of prayer. James Howell examines the many barriers to prayer (such as our busyness, how uncomfortable with silence we are, our doubts and fears) and invites the reader to take a fresh approach to the devotional life. Each lesson begins with a scripture passage and the author

draws comfortably and appropriately from a rich array of other sources (Annie Dillard, St. Augustine, Henri Nouwen, Kathy Mattea, Madeleine L'Engle, Dietrich Bonhoeffer, St. Francis, Oscar Romero, and the movie *Good Will Hunting* are a sampling.) The author's own engaging writing style, including his ability to illumine his ideas with the shared wisdom of others, is a major strength of this book. While each "lesson" is only two book pages long, the author draws from a deep well of wisdom about prayer. Howell leads the reader through the "subjects" of prayer (e.g. praise, confession, giving thanks), and digs deeply into theological issues such as whether prayer works, prayer and suffering, and forgiveness. According to the author, "In the end, prayer draws us into community with others-- out of our "curved in" lives and into the world in service." *The Beautiful Work of Learning to Pray* will be helpful to the novice in spiritual life as well as long-time Christians who are striving for a more profound relationship with God. Includes Study Guide, List of Sources, and Scripture Index.

365 Days of Power

In this smaller version of his 1,000-page devotional, "Sparkling Gems from the Greeks," Renner gives readers a powerful collection of prayers and confessions for every day of the year.

The Secret to Prayer

Everyone wants to know how to talk to God and get answers to their prayers. Yet most people are skeptical of prayer, or convinced they're doing it wrong. Is there a secret to talking with God? God is more concerned about the condition of our hearts than the words we use. He cares more about the posture of our hearts than the posture of our bodies. And what is the right heart posture? Humility. *The Secret to Prayer* will take readers on a 31-day journey, examining the heart and actions of biblical characters whose prayers were answered. On the other side of the journey, readers will have a more vibrant prayer life, and a more intimate relationship with the God to whom we pray.

Finding Serenity in Prayers

Through this book, the author would like to share how powerful prayers are, how God answers prayers, told from the authors own experience, and how God can pull us out from emptiness, darkness, and sadness to complete joy. For a prayer to be effective, we just have to be simply true to God when we pray. Speak your heart out. Cry if you think you feel like crying. Or even burst out into a cry. Just say a heartfelt, soulful, sincere prayer. Also together in this book are Gods stories of His amazing power, unconditional love, forgiveness, mercy, saving grace, healing, awesome miracles, and provision that

helped me strengthen my trust, hope, faith, and love to our heavenly Father. James 5:16: The prayer of a righteous man is powerful and effective.

40 Days

Physical health influences spiritual and emotional health as well as the ability to minister effectively. As Ellen White said so succinctly: "The misuse of our physical powers shortens the period of time in which our lives can be used for the glory of God. And it unfits us to accomplish the work God has given us to do" (Christ's Object Lessons, p. 346). In this volume Dennis Smith invites you to spend 40 days continuing the work God has given you while exploring a holistic view of health, the importance of caring for mind, body, and soul, and the integral role of the health message during these last days of earth's history.

The Power of Prayer Devotional

Continue earnestly in prayer, being vigilant in it, with thanksgiving. Colossians 4:2 We cannot afford not to pray. We cannot survive without praying. Prayer is our lifeline. Do not be anxious about anything, but in everything, by prayer and petition, with thanksgiving, present your requests to God. Philippians 4:6 The ultimate key to spiritual growth is spending time alone with God. This means taking the time to speak with God about whatever is on your heart and, even more importantly, allowing Him to speak to you. The most intimate communication is to pray to the only true and living Savior, Jesus Christ. We are wise if we choose to spend time alone with God in prayer—in a place without distractions or interruptions. This is a period suitable for us to relax completely and focus our attention fully upon the Father and His Word. In this journal you'll find much to enhance your prayer time: How to use this journal, Daily Prayers, Space to meditate and journal, The Names of God

Lift Thine Eyes

31 Prayers for 31 Days

Thirty-one prayers, in as many days, began with apprehension concerning retirement. Working had grown into my hobby. Each morning, I looked forward to going into the main post office on Brook Road, standing behind the counter, and asking the customers, "May I help you, please?" Such joy came from serving the public. Now I stood perplexed with indecision about my continued future--which drew me into continual prayer. In fact, each time I logged into the computer with my password, "LORDhelpmetoholdout66," the Lord was invoked. Before leaving home, I read devotionals, then I prayed. One morning, I typed a prayer in text form. I took a chance and sent it to a couple of friends. Their responses empowered me to do it the next day, and soon it became my morning ritual. My son, Thomas, and his family presented me a book of my prayers as a Christmas gift in 2019. Then my daughter, Teah, saved each one daily beginning 2020. So I told her I think I should become published. She had saved thirty-one prayers. Thus, the title was born.
