buying certified pre-owned vehicles or used vehicles from a private party

setting your budget for your car

check the full report of the car

making a purchase of your first used vehicle

start off by talking about setting your budget for a used vehicle

work with them on securing financing

figure out financing on your own

putting a good amount of money down on any vehicle

recommend putting at minimum 10 down on the vehicle

securing financing

skim through consumer reports

purchasing a used vehicle in your specific state

look in your local newspaper for any classified ads

put in the specifics of that vehicle including the make model

send me the vin number for this vehicle

steer clear of any salvage titles

purchasing a vehicle right off the bat
check engine light is on or any maintenance lights
take a test drive
set up a time for the test drive
get a certified bank check that you hand write to the seller
looking for any major major body damage or rust
take a look at the tires
check the tires
inspect the front and back seats
turn the ignition on
run for two minutes
fluid leaking from the car
assuming the car has been running for about two minutes
drive the car for a solid five to ten minutes
operate the vehicle
begin the negotiation
move on to the formal negotiation
look for the vin number on the title
match up the vin number from the title to the car
complete the bill of sale
remove the plates from that vehicle
take the plates off the car
driving the car under their insurance with their plates
insurance on a vehicle
