Burn the Stage

There are two sides to the BTS story. The all too familiar rags to riches odyssey in which seven young South Korean boys (RM, Suga, V, J-Hope, Jin, Jimin, Jungkook) emerge from obscurity to become true superstars in the pop music universe. Of equal importance was the relationship between the wide-eyed group members and the forward-thinking head of their record company, Bang Si-hyuk, which resulted in newfound freedom and a new way of creating the K-Pop sound. Both of these elements and more are the subject of the book *Burn the Stage: The Rise of BTS and Korean Boy Bands* by New York Times bestselling author Marc Shapiro. This timely look at BTS and the K-Pop genre, told in quotes and anecdotes from BTS, delves into the history of K-Pop music, its pivotal twists and turns, insights into the modern K-Pop training and audition process, as well as the rise of BTS and their personal and professional development on the road to worldwide popularity. Author Marc Shapiro acknowledges that making the BTS story more than a mere rehashing of familiar material was a challenge. "This was an opportunity to follow the story of what many considered 'The Next Big Thing' hand in hand with the group in fairly real time. Seeing what they experienced as it happened rather than looking back on their lives years later. There was a sense of immediacy that appeared more in tune with the way the world turns now. Which is fast." As with the current state of pop culture, BTS and the K-Pop world are constantly evolving and presenting new challenges and ideas. *Burn the Stage: The Rise of BTS and Korean Boy Bands* chronicles BTS in the now. There will certainly be a future.

Bts the Review

The largest portion of this book is dedicated to the examination of sixteen albums that BTS has released. It was an unquestionable, obvious organization for me, albeit it may be demanding for the readers. To write this book, I replayed BTS' entire discography ad nauseam, though I am already familiar with the songs from previous repeated listens. I re-analyzed all the tracks in all of their singles, albums, solo albums, and activities in their entirety from scratch. I replayed same songs too many times to the

point of blanking out occasionally. To elaborate the meaning and the appeal of their songs in musical terms, and to formulate a guide for those who listen to their music for the first time, I kept repeating the songs to develop a new framework. As a result, this book became compilation of critiques, reviews, and liner notes. It is my answer to how BTS came to be the sensation they are to-day. You will not find it in a few sentences or an article, but throughout the analyses of all the songs, lyrics, and the steps of the journey that BTS has taken. As you read this book, I wish you will put on your favorite speakers or headsets and enjoy BTS' music again as you recap their career from the beginning. You may as well compare and contrast your impression with a music critic's perspective. When you turn the final page, I hope you are satisfied with my answer on the essence and the secret of BTS' success.

Hallyu Namaste: Korean Waves on the Indian Shores

The current phenomenon of Hallyu wave lashing the world shores with its cornucopia of cultural products is truly a cultural "dynamite" that has impacted a massive revisioning of all the accepted ideas of popular culture that existed prior to its entrance on the stage of world imagination. Its influence ranging from novel culinary habits to new ways of looking at gender has garnered the attention of researchers to closely look into the various nuances of the new popular culture.

Popular Music in East and Southeast Asia

Popular Music in East and Southeast Asia: Sonic (under)Currents and Currencies presents contemporary perspectives of the music discipline in East and Southeast Asia. It considers global influences, national industries, and regional genres with examples from Malaysia, Indonesia, Singapore, Taiwan, the Philippines, Hong Kong, Japan, South Korea, and the United States. This book contains local perspectives on the conceptualisation of music genres, scenes, and industries, offering a comprehensive inter-Asia matrix for popular music studies. This book is suitable for educators and music enthusiasts.

Beyond the Story

THE FIRST EVER OFFICIAL BOOK—Published in celebration of BTS's 10th Anniversary, stories that go beyond what you already know about BTS, including unreleased photos and all album information. After taking their first step into the world on June 13, 2013, BTS will celebrate the 10th anniversary of their debut in June 2023. They have risen to the peak as an iconic global artist and during this meaningful time, they look back on their footsteps in the first official book. In doing so, BTS nurtures the power to build brighter days and they choose to take another step on a road that no one has gone before. BTS shares personal, behind-the-scenes stories of their journey so far through interviews and more than three years of in-depth coverage by Myeongseok Kang, who has written about K-pop and other Korean pop culture in various media. Presented chronologically in seven chapters from before the debut of BTS to the present, their vivid voices and opinions harmonize to tell a sincere, lively, and deep story. In individual interviews that have been conducted without a camera or makeup, they illuminate their musical journey from multiple angles and discuss its significance. In addition, portrait photos that show BTS as individuals and artists open the book, and throughout there are concept photos, tracklists of all previous albums, and over 330 links to videos. As digital artists, BTS has been communicating with the world through the internet and this book allows readers to immediately access trailers, music videos, and more online to have a rich understanding of all the key moments in BTS history. Complete with a timeline of all major milestones, **BEYOND THE STORY** is a remarkable archive—truly everything about BTS in one volume.

How to Love Yourself

This is not an average love story where girl meets boy or boy meets girl, this is a love story of you loving yourself... Self-love isn't an easy job. Do you know the moments when you are lying in your bed, your eyes start to water and all you think is "I hate myself" or "I am worthless?" You avoid mirrors and if you have to pass one, you feel heartbroken? Deep inside of you, you know all of this is ridiculous, but you just can't get out of the hamster wheel of negative thoughts around yourself....Why? Because there is this weird thing in society where we are told that the more we beat ourselves up, the more we will achieve in life. If you think about it, how does this make any sense to you? You are too beautiful, too special and too unique to hide. Every person no matter where they are in life right now, has a unique value to the rest of the world. Self-love is not selfish. It is selfish to not love yourself and hide your gifts. Author and self-love expert Jennifer Butler Green has broken it down in easy to digest lessons that will make you love yourself like you've never done before. Self-love can seem elusive or sound like

another "2019 trendy word" celebrities like to use to make people, like you, feel even worse because you are not there yet. Everyone keeps on saying "I love myself"

How to Love Yourself

An inspiring guide to self-love from bestselling author and modern spiritual leader Teal Swan, who has over 2.8 million followers across Youtube, Instagram and Facebook. The journey to self-love can seem treacherous, especially in times of struggle. In this book, spiritual leader and bestselling author Teal Swan reveals that self-love is always achievable, whatever the circumstances. Through a comprehensive self-love toolkit, she shows you how to love yourself and heal your life. In this revised and updated edition of the popular *Shadows Before Dawn*, Teal bares her own experiences as an alienated extrasensory child and victim of abuse, revealing how she turned her life around, overcame self-hate and transformed her suffering into self-love and joy. To guide you on your own journey of healing and transformation, Teal shares the 29 extraordinary methods and techniques that she used to find self-love. These life-changing tools will help you to develop self-worth, practice self-love, learn to "fill your own cup"

Love Yourself

It's true that there are a great many people who dislike themselves and find it difficult to reconcile that fact. They cannot honestly answer the question; are you able to honestly admit that you truly love yourself? For some there can seem that there is no hope, that this is something that you should accept and just get on with it. But there is help on the horizon and it comes in the shape of this amazingly insightful book. *Love Yourself The 30 Day Challenge to "Self Love" Love Yourself Like Your Life Depends On It* Inside these pages you will discover a new you, all in just 30 short days. Each short chapter is divided into 5 days so that you don't have to face a full month of this life-changing method all at once. Things which include: Processes which help identify the things you don't like about yourself How to turn these into something positive How to become your biggest fan and love who you are today How to create and use a self-love mantra And much more See for yourself the big difference this book can make to your life, and get *The 30 Day Challenge to Self Love* now!"

Love Yourself And Start Living A Happy Life

Of all the forces in this great, wide Universe, Love may be one of the most powerful - and confusing. There are many forms of love, from the adoration we feel to our family and friends to the all consuming passion we may develop for a spouse. Yet when it comes to the love of self, many of us stumble, either from fear, self-doubt or even an odd sense that we are not worthy of truly loving ourselves. Loving yourself, deeply and fully, is fundamental to living a life that brings you happiness and joy. This book tackles this tricky concept and explores the ins and outs of what being true to yourself and honestly loving who you are really means. Small daily steps can add up to a more joyful existence, one where you treat yourself with the love and compassion you already show your friends and family. From finding 'me' time to forgiving yourself, the journey to self-worth and confidence begins with being kind to yourself and learning to love who you are - this guide will show you how.

Algorithms of Resistance

How global workers, influencers, and activists develop tactics of algorithmic resistance by appropriating and repurposing the same algorithms that control our lives. Algorithms are all around us, permeating more and more aspects of our daily lives. While accounts of platform power tend to come across as bleak and monolithic, *Algorithms of Resistance* shows how people can resist algorithms across a variety of domains. Drawing from rich ethnographic materials and perspectives from both the Global North and South, authors Tiziano Bonini and Emiliano Treré explore how people appropriate and reconfigure algorithms to pursue their objectives in three domains of everyday life: gig work, cultural

industries, and politics. They reveal how forms of algorithmic agency and resistance are endemic and mundane and how the platform society is a contested battleground of contrasting forces. Bonini and Treré begin by outlining their key theoretical framework of moral economies. This framework argues that algorithms exist on a continuum. At its two extremes are two competing moral economies: the user moral economy and the platform moral economy. From here, *Algorithms of Resistance* chronicles the various inventive ways that individuals can work to achieve agency and resist the ubiquitous power of algorithms. Casting a wide net with a diverse range of case studies, Bonini and Treré reveal the moral imperative for all of us—from delivery drivers to artists to social movements—to resist algorithms.

Beyond the Story

LE TOUT PREMIER LIVRE OFFICIEL ! Publié à l'occasion du 10e anniversaire de BTS, ce livre dévoile des anecdotes qui vont au-delà de ce qui a déjà été dit sur BTS et comprend des photos inédites, des QR codes vers des vidéos, et toutes les informations sur la discographie complète du groupe. Après avoir fait leurs premiers pas dans le monde le 13 juin 2013, BTS célébrera le dixième anniversaire de leurs débuts en juin 2023. Le groupe de K-Pop emblématique, qui a su se hisser au sommet, est devenu une icône mondiale. Dans ce tout premier livre officiel, ils reviennent sur leur parcours. Ce faisant, BTS choisit de faire un pas de plus sur une voie que personne n'avait empruntée avant, et espère ainsi apporter sa contribution pour un avenir plus lumineux. BTS y partage des histoires personnelles, les coulisses de leur parcours, à travers des interviews étalés sur plus de trois ans de travail en immersion complète par Myeongseok Kang, qui a déjà écrit sur la K-pop et sur d'autres pop-culture coréennes dans divers médias. Présentées par ordre chronologique en sept chapitres, des débuts de BTS jusqu'à aujourd'hui, leurs voix saisissantes et leurs opinions s'harmonisent pour raconter leur histoire sincère, vivante et profonde. Au cours d'entretiens individuels réalisés sans fard et sans caméra, les BTS abordent leur parcours musical sous de multiples angles et discutent de ce que cela signifie pour eux. Le livre s'ouvre sur des portraits montrant les garçons de BTS en tant qu'individus et artistes, mais il présente également des photos conceptuelles, ainsi que la tracklist de tous les albums et plus de 330 QR codes. En tant qu'artistes connectés, les membres du groupe BTS ont communiqué avec le monde entier sur Internet et ce livre permet aux lecteurs d'accéder immédiatement aux trailers, aux vidéos de leurs chansons, et plus de contenu encore, pour mieux comprendre tous les moments clés de l'histoire du groupe. Complet, avec la chronologie de toutes les grandes étapes de leur parcours, *BEYOND THE STORY* constitue une remarquable archive – tout ce qu'il faut savoir à propos de BTS réuni dans un seul livre. Traduit du coréen par Kyungran Choi, Yumi Han, Yeong-Hee Lim, Mihae Son. Le prix de lancement du livre est de 24,99 € jusqu'au 31 juillet 2023, il passera à 27,99 € à partir du 1er août 2023.

Through the Darkness, I Will Love Myself

Through the darkness, I will love myself is an anthology written in response to, and inspired by, BTS' Love Yourself era. BTS are a seven member K-pop group from Seoul, South Korea who formed in 2013. Since then, they have become one of the most influential artists of the decade. This book exists to show the lasting impact of BTS' trilogy of albums *Love Yourself: Her* (2017), *Love Yourself: Tear* (2018) and *Love Yourself: Answer* (2018); subsequent tours of *Love Yourself* (2018-2019) and *Speak Yourself* (2019); BTS' Love Myself campaign to end violence towards children with UNICEF and; BTS' speech at the 73rd session of the UN General Assembly in 2018 where leader RM said: "I have many faults and I have many fears, but I am going to embrace myself as hard as I can, and I'm starting to love myself, little by little." The message of self-love woven throughout BTS' work has deeply and profoundly impacted the lives and experiences of their fan base, ARMY. *Through the darkness, I will love myself*, is a testament to how BTS' message lives on to this day and is interpreted in a multitude of unique ways by each contributor from around the world. BTS say "Love yourself," but what exactly does that mean? What self-love is can be hard to define, and often even harder to practice. *Through the darkness, I will love myself* is a collection of creative works from 18 writers and poets, all ARMY, that seeks to examine what self-love, and self-hate, looks and feels like. Channelling lived-experience through characters, prose and redacted lines, this book doesn't aim to define self-love, it shows self-love and self-hate as a never-ending journey towards self-actualisation. From moments of joy, to the depths of despair, each contributor shares a unique perspective that speaks to a universal truth: the only way to survive whatever darkness we may be facing is to go right through the middle, one step at a time. Self-love isn't a destination, it exists and permeates through the darkness alongside us in every moment of the journey. It exists on the other side of self-hate, and often there is a give and take, one which is

encapsulated within these pages. Through the darkness, I will love myself is a letter to the world: loving yourself isn't easy, but let's try anyway. One step at a time, into the darkness once more, together.

Love Yourself First

Beyond the story: 10 ani de poveste BTS

PRIMA CARTE OFICIAL — Publicat pentru a sărbători cea de-a 10-a aniversare a trupei BTS, cartea ne dezvăluie povești pe care nu le ținem inclusiv fotografiile nepublicate până acum, coduri QR ale videoclipurilor și toate informațiile despre albumul aniversar BTS. După debutul din 13 iunie 2013, BTS sărbătorește în iunie 2023 cea de-a 10-a aniversare. În această perioadă semnificativ, trupa a ajuns la apogeu, devenind un artist iconic la nivel mondial, iar în prima sa carte oficială privește înapoi la drumul parcurs. Astfel, BTS continuă să construiască zile mai luminoase și alege să facă încă un pas pe o cale neabordată de nimeni până acum. Membrii BTS împart povești personale, din culise, despre cariera lor de până acum, prin interviuri și mai mult de trei ani de documentare aprofundată realizată de către Myeongseok Kang, care a scris în diferite publicații despre K-pop și alte culturi pop coreene. Prezentate cronologic în apte capitole de la debutul BTS până în prezent, vocile și opiniile lor luminoase se armonizează pentru a spune o poveste sinceră, plină de viață și profundă. În interviurile individuale care au fost realizate fără camere sau machiaj, ei își explică parcursul muzical din mai multe unghiuri și discută semnificația acesteia. În plus, albumul este deschis cu portretele membrilor trupei BTS ca indivizi și artiști, iar pe tot parcursul volumului sunt fotografiile conceptuale, liste cu melodiile tuturor albumelor anterioare și peste 330 de coduri QR. Ca trupă de artiști digitali, BTS a comunicat cu lumea prin intermediul internetului și această carte le permite cititorilor să acceseze online imediat trailere, videoclipuri și multe altele pentru a avea o înțelegere complexă a tuturor momentelor cheie din istoria BTS. Completat cu o cronologie a tuturor reperelor majore, **BEYOND THE STORY** este o arhivă remarcabilă – conține cu adevărat totul despre BTS într-un singur volum.

Beyond the story - Edizione Italiana

IL PRIMO LIBRO UFFICIALE pubblicato per celebrare il 10° anniversario dei BTS, contiene storie che ancora non si conoscono sul gruppo, tra cui foto inedite, link ai video e tutte le informazioni sugli album. Dopo aver fatto il loro ingresso nel mondo musicale il 13 giugno 2013, i BTS celebrano il decimo anniversario del loro debutto nel giugno 2023. Hanno raggiunto la vetta come icone globali e in questo momento particolarmente significativo ripercorrono la loro storia passo dopo passo nel loro primo libro ufficiale. Così, scegliendo di muoversi su un terreno mai battuto prima, alimentano la loro speciale capacità di illuminare le giornate. I BTS condividono storie personali e i dietro le quinte del loro viaggio fino a ora, raccolte in tre anni di approfondimenti e due di interviste da Myeongseok Kang, che ha scritto di K-pop e di cultura pop coreana su vari media. In sette capitoli che si sviluppano in ordine cronologico, da prima del debutto a oggi, le voci vivide e le opinioni dei BTS si armonizzano per raccontare una storia sincera, vivace e profonda. Nelle interviste individuali, condotte lontano dalle telecamere e senza filtri, chiariscono il loro percorso musicale da più angolazioni e ne discutono il significato. Inoltre, in apertura del volume, foto-ritratto mostrano i BTS, come individui e artisti, mentre all'interno sono presenti foto concepts, tracklist di tutti gli album e oltre 330 link a contenuti online. Dato che, come artisti digitali, i BTS comunicano con il mondo attraverso Internet, in questo libro i lettori possono accedere immediatamente a trailer, video musicali e altri materiali online per avere una comprensione dettagliata di tutti i momenti chiave della loro storia. Arricchito infine da una timeline di tutte le principali tappe della loro carriera, **BEYOND THE STORY** è un racconto straordinario: tutto quello che riguarda i BTS in un unico volume.

The Answer Is Simple

Having observed thousands and thousands of people from virtually every walk of life, with every advantage or disadvantage, Sonia Choquette can confidently say that the only ones who genuinely succeed, who find peace and joy in their hearts and take great pleasure in their experiences, have a different way of going about things. Rather than relying solely on their egos—their defended, insecure personalities—suffering the assaults life renders them, they turn to a higher aspect of their nature, the Spirit within, and let this direct their lives. The ten simple yet necessary steps outlined in this book will allow you to make that connection to your authentic Spirit and experience your truth. As Sonia says, "These aren't just metaphysical theories, but are tried-and-true, grounded practices that will lead you directly back to you: the best, holiest, most delightful and delighted you, free of fear and filled with light." The most exciting part is that learning to love yourself and live your Spirit is actually quite simple when you realize the truth revealed herein: that you are not the ego, but rather are Divine, Holy Spirit. Once you do, everything will come alive in light and joy. Love yourself and live your Spirit, and your life flows peacefully. It really is that simple

I Am ARMY

The identity of ARMY, the dynamic global fanbase of Korean music group BTS, is complex and nuanced. I Am ARMY locates, documents, and celebrates just some of the unique identities within the diverse fandom. A collection of autoethnographic essays, each chapter in this book contains an ARMY experience which transcends the personal entirely. As such they sit as part of a broader socio-political examination and critique of the world we live in today. I Am ARMY gives the reader a chance to immerse themselves in the world of an ARMY living an entirely different life, and the opportunity to understand just how socially constructed and influenced our lived-experiences truly are. Co-editor Eaglehawk frames the socio-political stories in I Am ARMY as accounts of 'practicing revolutionaries' and introduces BTS as 'participatory revolutionaries'. Drawing upon universal truths detailed throughout the book, Eaglehawk develops a set of components for what she calls the 'Love Yourself, Speak Yourself Revolution' which is currently underway. Within this book, you will find the answers to questions such as: "why are fandoms devalued?"

True Love

In Jennifer Lopez's first ever book, *True Love*, she explores one of her life's most defining periods—the transformative two-year journey of how, as an artist and a mother, she confronted her greatest challenges, identified her biggest fears, and ultimately emerged a stronger person than she's ever been. Guided by both intimate and electrifying photographs, *True Love* an honest and revealing personal diary with hard-won lessons and heartfelt recollections and an empowering story of self-reflection, rediscovery, and resilience. Completely full-color, with photos throughout and lavishly designed, *True Love* is a stunning and timeless book that features more than 200 never-before-seen images from Lopez's personal archives, showing candid moments with her family and friends and providing a rare behind-the-scenes look at the life of a pop music icon travelling, rehearsing, and performing around the world.

BTS on the Road

In just a decade since their debut in 2013, BTS has achieved remarkable impact beyond the music and entertainment activities of a K-pop group. They have succeeded in gaining interest and popularity as an icon of the contemporary global youth generation, not as fictional characters but as real people with Asian faces who are facing difficulties in the uncertain current and future conditions. At the same time, their actions have world-historical significance beyond the realm of popular culture. This is not only what BTS means, but also what K-pop and Hallyu mean. In this respect, BTS have faithfully fulfilled their role as pioneers.

He's My Mom!

My Mom's name is David. He used to be a she but now he is a he! Last year he did this thing called transition. He took some medicine which made his voice deeper and he started wearing different clothes. When Benjamin's cousin accidentally misgenders his mom David, Benjamin explains why misgendering is hurtful and why we need to treat trans people with respect. Benjamin speaks with confidence about transitioning and gender identity, and helps to educate and empower others with trans relatives or friends. This brightly illustrated book for children aged 3 - 7 will aid discussion with children about a loved one transitioning or about trans people in general. Featuring a child with a mom who has transitioned, this book passes on an important message about acceptance and respect, and covers pronouns, dysphoria, family diversity and misgendering.

**** PRE-ORDER NIGHTS OF PLAGUE, THE NEW NOVEL FROM ORHAN PAMUK **** Winner of the Nobel Prize for Literature 'Dazzling ... Turns the detective novel on its head.' Independent on Sunday 'Pamuk's masterpiece' Times Literary Supplement A brilliantly unconventional mystery and a provocative meditation on the weight of history in modern Istanbul. Galip's wife has disappeared. Could she have left him for Celál, a popular newspaper columnist? But Celál, too, seems to have vanished. As Galip investigates, he gradually assumes the enviable Celal's identity, wearing his clothes, answering his phone calls, even writing his columns. But despite pursuing every clue the nature of the mystery keeps changing, and Galip never feels himself to be any closer to finding his beloved Ruya. When he receives a death threat, he begins to fear the worst . . .

Turn Around Bright Eyes

Once upon a time I was falling apart. Now I'm always falling in love. Pick up the microphone. When Rob Sheffield moved to New York City in the summer of 2001, he was a young widower trying to start a new life in a new town. Behind, in the past, was his life as a happily married rock critic, with a wife he adored, and a massive collection of mix tapes that captured their life together. And then, in a flash, all he had left were the tapes. Beyoncé , Bowie, Bon Jovi, Benatar . . . One night, some friends dragged him to a karaoke bar in the West Village. A night out was a rare occasion for Rob back then. Turn around Somehow, that night in a karaoke bar turned into many nights, in many karaoke bars. Karaoke became a way out, a way to escape the past, a way to be someone else if only for the span of a three-minute song. Discovering the sublime ridiculousness of karaoke, despite the fact that he couldn't carry a tune, he began to find his voice. Turn around And then the unexpected happened. A voice on the radio got Rob's attention. The voice came attached to a woman who was unlike anyone he'd ever met before. A woman who could name every constellation in the sky, and every Depeche Mode B side. A woman who could belt out a mean Bonnie Tyler. Bright Eyes Turn Around Bright Eyes is an emotional journey of hilarity and heartbreak with a karaoke soundtrack. It's a story about finding the courage to move on, clearing your throat, and letting it rip. It's a story about navigating your way through adult romance. And it's a story about how songs get tangled up in our deepest emotions, evoking memories of the past while inspiring hope for the future.

How has Hanguk (South Korean) hip hop developed over the last two decades as a musical, cultural, and artistic entity? How is hip hop understood within historical, sociocultural, and economic matrices of Korean society? How is hip hop represented in Korean media and popular culture? This book utilizes ethnographic methods, including fieldwork research and life timeline interviews with fifty-three influential hip hop artists, in order to answer these questions. It explores the nuanced meaning of hip hop in South Korea, outlining the local, global, and (trans)national flows of musical and cultural exchanges. Throughout the chapters, Korean hip hop is examined through the notion of buran—personal and societal anxiety or uncertainty—and how it manifests in the dimensions of space and place, economy, cultural production, and gender. Ultimately, buran serves as a metaphoric state for Hanguk hip hop in that it continuously evolves within the conditions of Korean society.

Hanguk Hip Hop

After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. "We cannot change the cards we are dealt, just how we play the hand." —Randy Pausch A lot of professors give talks titled "The Last Lecture." Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—"Really Achieving Your Childhood Dreams"—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because "time is all you have . . . and you may find one day that you have less than you think"). It was a summation of everything

Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

The Last Lecture

Who's the real victim here? This tense and gripping novel explores of the consequences of cyberbullying. Late at night Tori receives a random phone call. It's a wrong number. But the caller seems to want to talk, so she stays on the line. He asks for a single thing—one reason not to kill himself. The request plunges her into confusion. Because if this random caller actually does what he plans, he'll be the second person connected to Tori to take his own life. And the first just might land her in jail. After her Facebook page became Exhibit A in a tragic national news story about cyberbullying, Tori can't help but suspect the caller is a fraud. But what if he's not? Her words alone may hold the power of life or death. With the clock ticking, Tori has little time to save a stranger—and maybe redeem herself—leading to a startling conclusion that changes everything...

Beyond summarizing the three volumes on Persona, Shadow and Ego in the Map of the Soul series, this latest book explores the entire BTS album, start to finish, revealing profound insights into the collective psyche of BTS. The title of BTS's latest album, Map of the Soul: 7, captivates the mind with its suggestive and alluring imagery. It came as a surprise to many fans. Expected was an album that would follow upon Map of the Soul: Persona with songs about Shadow or Ego. While the new album does indeed include songs with these themes, it is much more complex and broader in vision than expected. The number 7 suggests mystery. It catches the mind's attention with its symbolic significance. What does this number mean in relation to the idea of a "map of the soul?" This book dives into this mystery and explores the unconscious reaches of our mind. Fans of BTS from around the world will marvel at the depth of meaning in the songs contained in Map of the Soul: 7. They take the listener into deep reflection upon the meaning of striving and ambition, the dangers of worldly success, and the amazing resiliency of the human spirit to recover and go on despite the pitfalls on life's journey. The songs themselves function as a map for souls who are setting out in life and engaging in challenging relationships. The songs are reflective, mirroring what we find within ourselves in our struggles to become and to thrive. When you stand on the threshold of a new land, it is useful to have a map as your guide. The great psychologist of the 20th Century, Carl Jung, created a Map of the Soul that many people in his time found more than a little helpful, even lifesaving. It is even more so now, for people in the 21st Century, caught in the profound complexities of modern life. Armed with this map, people are better able to find their way successfully through life's journey. Today, BTS is putting this map into the hands of their fans. For this great service we are profoundly very grateful.
