The Deadliest Sin Series Collection Books 1-3

Can you survive wrath? His first mistake is taking her. His second mistake is thinking I won't come for her. Mine is letting wrath consume me and believing I won't have to pay for my sins. This three-book collection includes Wrath, After Wrath, and Surviving Wrath. Dive into the world of the Albanian mob in this dark mafia romantic suspense collection. "I am done [with the series] and I have to tell you that after reading Surviving Wrath: it's like I was sucker-punched, left raw and bewildered. However, the ending put me back together. One of the best stories that I have read!!!" - 5-star review

Current Catalog

First multi-year cumulation covers six years: 1965-70.

Complete preludes, books 1 and 2

These 24 works reveal the extraordinary expressiveness of Debussy's genius: "La Cathédrale engloutie," "Ondine," "La fille aux cheveux de lin," "Feuilles mortes," "Ce qu'a vu le Vent d'Ouest," "Feux d'artifice," "Danseuses de Delphes," "La fille aux cheveux de lin," and many more. Includes a helpful glossary of French terms.

East European Accessions List

The Gunpowder Epic is one of three planned publications on military technology within Dr Needham's immense undertaking. The discovery of gunpowder in China by the 9th century AD was followed by its rapid applications. It is now clear that the whole development from bombs and grenades to the invention of the metal-barrel hand gun took place in the Chinese culture area before Europeans had any knowledge of the mixture itself. Uses in civil engineering and mechanical engineering were equally important, before the knowledge of gunpowder spread to Europe in the thirteenth and fourteenth centuries. Dr Needham's new work continues to demonstrate the major importance of Chinese science and technology to world history and maintains the tradition of one of the great scholarly works of the twentieth century.

National Library of Medicine Current Catalog

Part 1, Books, Group 1, v. 21 : Nos. 1 - 135 (Issued March, 1924 - April, 1925)

Science and Civilisation in China, Part 7, Military Technology: The Gunpowder Epic

Following the wildly popular BBC America adaption of Codename Villanelle, a high-stakes, addictive installment of Jennings's acclaimed Killing Eve series. Though the cat and mouse chase between these two lethal adversaries has seemingly ended, the sophisticated, deadly thrill of Eve and Villanelle's relationship is far from over. Told in Jennings's stylish prose, Killing Eve: Endgame is another page-turning chapter in the espionage exploits of Eve and Villanelle.

Catalog of the Theatre and Drama Collections: Theatre Collection: books on the theatre. 9 v

Eve and Villanelle plan for a high-stakes showdown in this sophisticated follow-up to the spy thriller that inspired the hit TV series Killing Eve. "If you want us to remain silent -- if you want to retain your freedom, your job, and your reputation -- you need to tell us everything, and I mean everything. . ." We last saw Eve and Villanelle in a spy vs. spy race around the world, crossing powerful criminal organizations and dangerous governments, each trying to come out on top. But they aren't finished yet. In this sequel to Killing Eve: Codename Villanelle, former M16 operative Eve reveals a new side to her strengths, while coming ever closer to a confrontation with Villanelle, the evasive and skilled assassin.

Catalog of Copyright Entries. New Series

Discover one of Twentieth-Century Russia's most lauded lost classics, now in a remarkable new translation. 'Outstanding... A sparkling, supremely precious literary achievement' Telegraph 'One of the great Russian autobiographies, as fresh now as the day it was written - and the day it was lived' Julian Barnes In 1943, Konstantin Paustovsky, the Soviet Union's most revered author, started out on his masterwork - The Story of a Life; a grand, novelistic memoir of a life lived on the fast-unfurling frontiers of Russian history. Eventually published over six volumes, it would cement Paustovsky's reputation as the voice of Russia around the world, and see him nominated for the Nobel Prize in Literature. Taking its reader from Paustovsky's Ukrainian youth, struggling with a family on the verge of collapse and the first flourishes of creative ambition, to his experiences working as a paramedic on Russia's frontlines and then as a journalist covering the country's violent spiral into revolution, The Story of a Life offers a portrait of an artistic journey like no other.

Book Catalog of the Library and Information Services Division: Author-title-series indexes

Containing more than 48000 titles, of which approximately 4000 have a 2001 imprint, the author and title index is extensively cross-referenced. It offers a complete directory of Canadian publishers available, listing the names and ISBN prefixes, as well as the street, e-mail and web addresses.

Catalog of Copyright Entries. Third Series

She thought she was prepared for the end of the world... until it actually came. Alex Duncan is a mother, a sister- and the daughter of a doomsday prepper. She always thought her father was insane, raving about an apocalypse she never believed in, but when a plague hits the United States and the dead no longer stay dead, Alex discovers heeding her deceased father's advice is what will keep her family alive. Before he died, Alex's father created a compound in Montana just in case situations like this arose. Hell has arrived on earth. The dead walk, hungry for human flesh. Living in a highly populated city like Las Vegas makes the reality of the plague imminent to Alex. With little time to spare, Alex must make split-second decisions to prevent her family from being devoured. Facing the end, Alex

has three goals. Escape Las Vegas. Get to the compound. Survive. As the outside world crumbles and grows darker, Alex faces adversity from not just the infected, but the uninfected as well. Government assistance is nowhere in sight, and rumors fly that the nation's only solution to the growing plague is execution. Not everyone will outlast the plague. Doomsday is here. Will Alex be up to the challenge, or fall, and rise again as one of the undead?

Some doors are better left unopened. Some doors, you don't want to find out what lies behind them. In the Forbidden Doors series by bestselling author Bill Myers, teenager Rebecca "Becka" Williams, her younger brother Scott, and her friend Ryan Riordan are swept into heart-stopping encounters with an all-too-real invisible world—a world fraught with deception and spiritual adversaries that promise goodness and enlightenment but will stop at nothing to destroy life, sanity, and human souls. Witchcraft. Reincarnation. Ouija Boards. UFOs. Shamanism. Counterfeit spiritualities are widespread and popular with spiritually searching young adults such as Becka's peers. What's the harm? Find out. Join Becka, Scott, and Ryan as they head for mind-bending clashes between the forces of darkness and the kingdom of God. Combining meticulous research, realistic settings, and masterful storytelling, the Forbidden Doors novels take you from the mountains of New Mexico to the inner workings of a secret society—and into the truth of God's Word, which exposes lies and reveals the reality of spiritual warfare. Each volume in the series contains three books that center around a particular kind of Forbidden Door. Book One: Dark Powers contains The Society, The Deceived, and The Spell; Book Two: Invisible Terror contains The Haunting, The Guardian, and The Encounter; Book Three: Deadly Loyalty contains The Curse, The Undead, and The Scream; Book Four: Ancient Forces contains The Ancients, The Wiccan, and The Cards

Homecoming Queen

With six teenage girls living under one roof, things are bound to get interesting. Mix six teenaged girls and one '60s fashion icon (retired, of course) in an old Victorian-era boarding home. Add guys and dating, a little high-school angst, and throw in a Kate Spade bag or two ... and you've got The Carter House Girls, Melody Carlson's new chick lit series for young adults! The Carter House experiences a shake-up as one of its own returns home after an unnerving disappearing act. Then, friction grows as a school Homecoming Queen race heats up, turning friends and housemates against one another. DJ, Eliza, Taylor, Kriti, Rhiannon, and Casey show they have plenty of lessons to learn as the votes roll in. Some grow smarter and closer to God, while others seem to make the same mistakes over again. Despite all their differences and disagreements, the Carter House girls continue to grow together, forging a bond that strengthens through hardship. Hearts CAN change and friendship paves the way for at least one girl to move closer to God.

Deadly Loyalty Collection

Some doors are better left unopened. Some doors, you don't want to find out what lies behind them. In the Forbidden Doors series by bestselling author Bill Myers, teenager Rebecca "Becka" Williams, her younger brother Scott, and her friend Ryan Riordan are swept into heart-stopping encounters with an all-too-real invisible world—a world fraught with deception and spiritual adversaries that promise goodness and enlightenment but will stop at nothing to destroy life, sanity, and human souls. Witchcraft. Reincarnation. Ouija Boards. UFOs. Shamanism. Counterfeit spiritualities are widespread and popular with spiritually searching young adults such as Becka's peers. What's the harm? Ripple Effect

The Time Thriller Trilogy delivers gripping, fast-paced mystery that intrigues and captivates through hours, seconds, and centuries. A long history of strange disappearances and unexplainable occurrences leave clues that the town of Fawlt Line may actually sit on a time fault—a portal to alternate times and unexpected time travels—a twist of fate that puts all of Fawlt Line's citizens in serious danger. Will they find the faith to hold on to the town and time where they belong? After Elizabeth falls through a mysterious time warp, will she ever make it back home? Elizabeth stayed home to take a bath and plan on how she could escape her parents by running away. But after she almost drowns when the bathtub fills with muddy water, she emerges to find that her world, and everyone in it, has changed. Elizabeth

has dropped into another girl's existence—a questionable life full of untrustworthy relationships and secrets that threaten her life. Is she dreaming or is she an amnesiac as everyone suspects? Will she find the faith to uncover the truth and make her way back to her own reality? Previously published as *Sudden Switch*.

Stealing Bradford

The Carter House girls are just getting to know one another when the subject of boys comes up. Rhiannon's dating Bradford, the most popular jock in school, Eliza's seeing Harry, and even DJ has dated Conner, although now he acts as if he doesn't like her. Boys aren't always easy to understand, but every girl in the house wants a boyfriend—and will do just about anything to get one. So when Taylor decides to put the moves on Bradford, Rhiannon is shocked and hurt. Mistakes are made and feelings battered ... there is forgiveness for some and bitterness for others ... but at the end of the day, the girls learn a valuable lesson about what it means to be a family.

New York Debut

Mrs. Carter announces that it's time to get ready for Spring Fashion Week. A designer friend has invited the girls to participate in the big New York event. Only God can catch those who fall this time.

The Owling

This is the story of Oriannon, a very human-looking girl with an extraordinary gift: the ability to record what she sees and experiences like the hard drive of a computer. When the mysterious Jesmet, thought to be a Magician in the Old Order, begins to connect with Oriannon, he is banished to Corista's Shadowside. On another planet, the new faith of its first Believers is tested in the shadow of evil. In book two, readers can contemplate how biblical truths translate in another world. The planet of Corista has been thrown off its axis, and the bright side has been plunged into perpetual darkness. Are the Owling people of Shadowside to blame? With both sides of the planet in chaos, the world becomes even more confusing for 15-year-old Oriannon when her former music mentor Jesmet miraculously returns from the dead and promises his followers a special power called the Wind. But his is not the only offer of hope. Sola, Corista's charismatic head of Security, proposes the "ultimate solution" for peace, and she recruits Oriannon to help her carry out a seemingly perfect plan. But Oriannon's closest friends are skeptical and try to convince her that the plan involves evil acts against the Owling. Should Oriannon trust the feelings of her friends? Will she embrace Sola's solution as the answer to the world's dilemma? Or will she believe the promise of an Owling holy man before she can no longer discern between light and darkness?

Terror and the Postcolonial

Terror and the Postcolonial is a major comparative study of terrorism and its representations in postcolonial theory, literature, and culture. A ground-breaking study addressing and theorizing the relationship between postcolonial studies, colonial history, and terrorism through a series of contemporary and historical case studies from various postcolonial contexts. Critically analyzes the figuration of terrorism in a variety of postcolonial literary texts from South Asia, Africa, and the Middle East. Raises the subject of terror as both an expression of globalization and a postcolonial product. Features key essays by well-known theorists, such as Robert J. C. Young, Derek Gregory, and Achille Mbembe, and Vron Ware.

The Haunting

The Ascension Lady comes to Rebecca for help in holding a séance to free the spirit of a little girl that has been haunting an old mansion in town.

Beyond the Reflection's Edge

Sixteen-year-old Nathan Shepherd has a great life traveling where the careers of his father, an investigator, and mother, a renowned violinist, take him ... until his parents are found murdered. Left with only a mirror and notes from his father's last case, Nathan goes into hiding at the remote country home

of Tony, his father's college buddy, and Tony's teenage daughter, Kelly. The mysterious mirror must be a clue to what happened to his parents, and when images appear in it---people and things that don't exist---Nathan and Kelly painstakingly gather evidence. But the killers want the mirror too, and danger threatens the teens at every turn. As it becomes evident that Nathan's father had stumbled upon dark forces at work in the world, several questions arise. Could it be that the mirror is a portal to a parallel world? Could this technology be used for evil purposes? And could his parents still be alive, trapped in another dimension? Nathan and Kelly struggle to solve the mystery before they too become victims. This chilling, hair-raising adventure is jam-packed with action in a fantastical world where nothing is as it seems, and even mirrors tell lies.

The Fall of Candy Corn

In the second book of the Sweet Seasons series, Candace has decided to spend another season at The Zone amusement park. But while working as a screaming mascot in the maze is fun, the park has more than a few serious twists—and scares—to offer. Candace never thought she'd sign up for another season at The Zone, but the allure of working with her boyfriend, Kurt, and spending time with her new friends has made the job easier to bear. Though once she finds out her new job is working as Candy in the newest Halloween maze—a role based on her harrowing night in the park that summer that shifted into a wild story she was chased by a killer—things don't look quite as promising. Her friend Josh makes things slightly easier to bear, but soon the stress of her family's potential financial hardships, a suddenly strained relationship with Kurt, and the exhaustion of running and screaming each night begin to take their toll. Then dangerous things start happening inside the maze, and Candace starts wondering if maybe her urban myth is becoming a reality—which means her life may be in danger. *The Fall of Candy Corn*: is a YA contemporary novel with a fun, rom-com feel is written by New York Times bestselling author Debbie Viguié contains a suspenseful plotline with light chills is a coming-of-age story that mixes humor with real-life struggles is a clean read for young adult fans of any age

The Prophecy

Five gifted teenagers find themselves in the middle of a battle for mankind between the angelic forces of heaven and hell.

The Winter of Candy Canes

In the third book of the Sweet Seasons series, Candace continues her job at her local amusement park—and the coming Christmas season (and her elf costume) has her in good spirits. But she soon realizes serving as Santa's helper at work is just the start of her holiday journey. After surviving Halloween at The Zone, Candace feels like she can do anything—but working as one of the elves during their huge Christmas celebration may still be a challenge for reasons beyond screaming kids and endless candy canes. Elf work proves more dangerous than expected, and Candace realizes she may not know her boyfriend Kurt as well as she thought she did—making finding the perfect present for him almost a full-time job. At the same time, she finds herself getting closer to her good friend Josh. Though when Candace stumbles on a friend's secret, everything changes, and she realizes she may have been made a Christmas helper for a reason. *The Winter of Candy Canes*: is a YA contemporary novel with a fun, rom-com feel is written by New York Times bestselling author Debbie Viguié goes beyond the Christmas season, providing a coming-of-age story with a humorous angle is a clean read for young adult fans of any age

Trion Rising

What would it be like if Jesus had come to another planet? Oriannon is living the good life on the bright side of Corista, a small planet circling three suns. But things get crazy for the teen when a new music teacher arrives at her school with strange songs and even stranger ideas. Soon Oriannon is pressured to spy on her teacher, Jesmet, by using her powers to record everything she sees and hears. Could Jesmet really be a faithbreaker, like Oriannon's friend Margus says? She's not so sure, but her life is turned upside-down when she loses her way on the dark side of the planet and is taken in by an odd, cliff-dwelling people. And when her new friends face a deadly threat, can the once self-centered Oriannon follow her heart. . . and save half the planet? *Program Summary* Field: Those who live in lush comfort on the bright side of the small planet Corista have plundered the water resources of Shadowside for centuries, ignoring the existence of Shadowside's inhabitants, who are nothing more

than animals. Or so the Brightsiders have been taught. It will take a special young woman to expose the truth—and to help avert the war that is sure to follow.

Viva Vermont!

As Mrs. Carter becomes increasingly distracted by General Harding, her boardinghouse girls find more opportunities to get into trouble, especially during a weekend getaway to a luxurious Vermont ski lodge, to which some of the girls have invited boys.

Encounter

Supernatural-themed shows fill the TV schedule, and today's teens are curious--but is it safe? Best-selling author Bill Myers uses this thriller mystery series to demonstrate the allure and danger of the occult. Kids ages 10-14 will follow teens who find themselves drawn toward these forbidden doors of seances, reincarnation, and spells. Myers shows how faith can combat spiritual darkness. Originally released in 1994, this timely series, with over 300,000 copies sold, features fresh cover art that will appeal to today's teens. In book 8, The Undead, Becka and Ryan explore whether or not vampires exist.

Invisibility in Visual and Material Culture

The essays in Invisibility in Visual and Material Culture contribute pioneering and revelatory insights into the phenomenon of invisibility, forging new and multi-disciplinary approaches at the intersection of aesthetics, technology, representation and politics. Importantly, they acknowledge the complex interaction between invisibility and its opposite, visibility, arguing that the one cannot be fully grasped without the other. Considering these entanglements across different media forms, the chapters reveal that the invisible affects many cultural domains, from digital communication and operative images to the activism of social movements, as well as to identity, race, gender and class issues. Whether the subject is comic books, photographic provocations, biometric and brainwave sensing technologies, letters, or a cinematic diary, the analyses in this book engage critically and theoretically with the topic of invisibility and thus represent the first scholarly study to identify its importance for the field of visual culture.

The Guardian

A killer at large in a remote Basque Country valley , a detective to rival Clarice Starling, myth versus reality, masterful storytelling – the Spanish bestseller that has taken Europe by storm.

The Invisible Guardian (The Baztan Trilogy, Book 1)

"A refreshing collection of essays that offers a range of critical and radical voices which are generally marginalized in the critical social studies 'mainstream' ... This collection is a good read with valuable insights that can impact teaching practice."— Canadian Social Studies - Canada's National Social Studies Journal - Volume 45 Issue 1

Critical Theories, Radical Pedagogies, and Social Education

Sarah Maguire's rich and lyrical poems have been highly praised for the ease with which they ground precise, sensual detail within the wider context of world events. In this remarkable new collection, her poems travel greater distances than ever before. The title poem laments the devastation visited upon Afghanistan following decades of war. Other poems consider the casualties of political unrest: would-be migrants in Tangiers gazing northwards at the longed-for phantasmagoria of 'Europe'; and packs of wolves on the loose in post-Soviet Kazakhstan. But there are intimate poems too, often using scientific vocabularies to offset a personal moment, as in 'Landscape, with Dead Sea' where the erosion of the poet's skin is connected to geological transformations at the earth's core.

The Pomegranates of Kandahar

"There is something at work in my soul which I do not understand..." Mary Shelley: literary queen of the Romantic era, deeply influenced by the Gothic tradition, and arguably the matriarch of the Science Fiction genre. Her works, though composed in the 1800s, contain elements straight out of today's headlines: the tension between what science can do vs. what it should do, cryonics, contagion, apocalypse and other dark futuristic themes. Shelley introduced the world to the first "mad scientist" character in her most popular work, *Frankenstein*, inspiring generations of horror stories, films, and comic books. This collection includes: *Novels* *Frankenstein*, or the Modern Prometheus *Mathilda* *The Last Man* *Valperga* *Lodore* *Falkner* *The Fortunes of Perkin Warbeck* *Children's Literature* *Proserpine* & *Midas* *Short Stories* *The Dream* *The Mortal Immortal* *The Evil Eye* *The Invisible Girl* *The Heir of Mondolfo* *Transformation* *Non-Fiction* *Notes to the Complete Poetical Works of Percy Bysshe Shelley* *Biography* *Mrs. Shelley* by Lucy Madox Rosetti *Audiobook Links*: Links to download free, full-length audiobooks for some of Mary Shelley's works can be found at the end of the book. About this Digital Papyrus edition "Experience the Digital Papyrus Difference!" We are devoted book lovers and formatting fanatics. Our team has experience producing thousands of ebooks since 2011 for discerning authors and readers alike. We know what readers expect from their ebook purchases. We avoid distracting formatting inconsistencies and annoying glitches too often found in ebooks. We adhere to the highest standards in producing our ebooks—regardless of the sale price. (Low or value pricing should never be an excuse for second-rate work!) We want readers of our ebooks to get lost in the story just as easily as readers of print books. Our promise is a pleasant reading experience. 10% of all Digital Papyrus profits are donated to charity every month.

Mary Shelley: The Ultimate Collection (All 7 Novels including Frankenstein, Short Stories, Bonus Audiobook Links & More)

When Cook's newborn baby entered the world, he had nothing but hope for its future. However, it was immediately clear that this was no ordinary child—it's murderous screams seemed a dark portent. As it grew, things only got worse, and the child's mother began to despair. The new parents hoped their child would grow out of it, but soon came to realise that its inauspicious beginnings were only a sign of things to come. Herbert George Wells (1866 - 1946) was a prolific English writer who wrote in a variety of genres, including the novel, politics, history, and social commentary. Today, he is perhaps best remembered for his contributions to the science fiction genre thanks to such novels as "The Time Machine" (1895), "The Invisible Man" (1897), and "The War of the Worlds" (1898). "The Father of Science Fiction" was also a staunch socialist, and his later works are increasingly political and didactic. Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this book now in an affordable, modern, high-quality edition complete with a specially commissioned new biography of the author.

The Holy Terror

A dazzling collection of essays that unpacks our unruly bodies and minds and questions why we are taught to fear and punish them, from an exciting and award-winning new author. We live in a world that

expects us to be constantly in control of ourselves. Our bodies and minds, though, have other ideas. In this striking debut, artist and writer Sarah Walker wrestles with the awkward spaces where anatomy meets society: body image and Photoshop, phobias and religion, sex scenes and onstage violence, death and grief. Her luminous writing is at once specific and universal as she mines the limits of anxiety, intimacy and control. Sharp-witted and poignant, this collection of essays explores our unruly bodies and asks how we might learn to embrace our own chaos.

Bowker's Complete Video Directory

Bestselling author Rebecca Solnit reminds us that activism has changed the world in remarkable ways.

The First Time I Thought I Was Dying

Shadow Lives reveals the unseen side of the "9/11 wars": their impact on the wives and families of men incarcerated in Guantanamo, or in prison or under house arrest in Britain and the US. Victoria Brittain shows how these families have been made socially invisible and a convenient scapegoat for the state in order to exercise arbitrary powers under the cover of the "War on Terror." A disturbing expose of the perilous state of freedom and democracy in our society, the book reveals how a culture of intolerance and cruelty have left individuals at the mercy of the security services' unverifiable accusations and punitive punishments. Both a "j'accuse" and a testament to the strength and humanity of the families, Shadow Lives shows the methods of incarceration and social control being used by the British state and gives a voice to the families whose lives have been turned upside down. In doing so it raises urgent questions about civil liberties which no one can afford to ignore.

Hope in the Dark

Winner, 2015 USC Book Award in Literary and Cultural Studies, for outstanding monograph published on Russia, Eastern Europe or Eurasia in the fields of literary and cultural studies The Ethics of Witnessing investigates the reactions of five important Polish diarist-writers—Jaroslaw Iwaszkiewicz, Maria Dabrowska, Aurelia Wylezynska, Zofia Nalkowska, and Stanislaw Rembek—during the period when the Nazis persecuted and murdered Warsaw's Jewish population. The responses to the Holocaust of these prominent prewar authors extended from insistence on empathic interaction with victims to resentful detachment from Jewish suffering. Whereas some defied the dehumanization of the Jews and endeavored to maintain intersubjective relationships with the victims they attempted to rescue, others self-deceptively evaded the Jewish plight. The Ethics of Witnessing examines the extent to which ideologies of humanism and nationalism informed the diarists' perceptions, proposing that the reality of the Final Solution exposed the limits of both orientations and ultimately destroyed the ethical landscape shaped by the Enlightenment tradition, which promised the equality and fellowship of all human beings.

Shadow Lives

The Politics of Horror features contributions from scholars in a variety of fields—political science, English, communication studies, and others—that explore the connections between horror and politics. How might resources drawn from the study of politics inform our readings of, and conversations about, horror? In what ways might horror provide a useful lens through which to consider enduring questions in politics and political thought? And what insights might be drawn from horror as we consider contemporary political issues? In turning to horror, the contributors to this volume offer fresh provocations to inform a broad range of discussions of politics.

The Ethics of Witnessing

Winner • National Book Critics Circle Award (Biography) Winner • Edgar Award (Critical/Biographical) Winner • Bram Stoker Award (Nonfiction) A New York Times Notable Book A Washington Post Notable Nonfiction Pick of the Year Named one of the Best Books of the Year by Entertainment Weekly, NPR, TIME, Boston Globe, NYLON, San Francisco Chronicle, Seattle Times, Kirkus Reviews, and Booklist In this "thoughtful and persuasive" biography, award-winning biographer Ruth Franklin establishes Shirley Jackson as a "serious and accomplished literary artist" (Charles McGrath, New York Times Book Review). Instantly heralded for its "masterful" and "thrilling" portrayal (Boston Globe), Shirley Jackson reveals the tumultuous life and inner darkness of the literary genius behind such classics as "The Lottery" and The Haunting of Hill House. In this "remarkable act of reclamation" (Neil Gaiman), Ruth Franklin envisions Jackson as "belonging to the great tradition of Hawthorne, Poe and James" (New

York Times Book Review) and demonstrates how her unique contribution to the canon “so uncannily channeled women’s nightmares and contradictions that it is ‘nothing less than the secret history of American women of her era’ ” (Washington Post). Franklin investigates the “interplay between the life, the work, and the times with real skill and insight, making this fine book a real contribution not only to biography, but to mid-20th-century women’s history” (Chicago Tribune). “Wisely rescu[ing] Shirley Jackson from any semblance of obscurity” (Lena Dunham), Franklin’s invigorating portrait stands as the definitive biography of a generational avatar and an American literary genius.

The Politics of Horror

Clock the Chaos Mage. A stranger out of time, hidden in the folds of shadow.
