A Light on the Hill (Cities of Refuge Book #1)

Seven years ago, Moriyah was taken captive in Jericho and branded with the mark of the Canaanite gods. Now the Israelites are experiencing peace in their new land, but Moriyah has yet to find her own peace. Because of the shameful mark on her face, she hides behind her veil at all times and the disdain of the townspeople keeps her from socializing. And marriage prospects were out of the question . . . until now. Her father has found someone to marry her, and she hopes to use her love of cooking to impress the man and his motherless sons. But when things go horribly wrong, Moriyah is forced to flee. Seeking safety at one of the newly-established Levitical cities of refuge, she is wildly unprepared for the dangers she will face, and the enemies--and unexpected allies--she will encounter on her way.

In a bicentennial history of the University of North Carolina at Chapel Hill, William D. Snider leads us from the chartering and siting of a charming campus and village in 1795 through the struggles,

innovations, and expansions that have carried the school to national and international prominence. Throughout, Snider provides fine portraits of individuals significant in the life of the university, from William R. Davie and Joseph Caldwell to Harry Woodburn Chase, Frank Porter Graham, and William C. Friday. His book evokes for all who have been part of the Chapel Hill community memories of their own associations with the campus and a sense of the greater history of the institution of which they were a part.

Tupac Amaru Shakur, is unquestionably hailed as one of the most influential rappers of all time. Known to many by his stage names 2pac and Makaveli, his contributions to the entertainment industry and the world as a songwriter and actor consciously shaped the destiny of scores of generations through his unapologetic activism and efforts to shed light against a backdrop of an America in search of justice for all. Born June 16, 1971, in East Harlem, New York, NY as the son of Black Panthers, Tupac's destiny was to challenge societal norms that far too often justified inequality and systemic oppression. The Lights on the Hill

Jesus is calling his church to be a multiethnic and missional people who listen and learn from the many voices of world Christianity. Graham Joseph Hill issues a moving call for churches to be missional by being conformed to the image of Jesus Christ. Hill does this by exploring the thinking of twenty-five Asian, African, Latin American, Indigenous, African American, diaspora, Caribbean, Oceanian, Eastern European, and Middle Eastern pastors and theologians. These are as diverse as Melba Padilla Maggay, Emmanuel Katongole, Lamin Sanneh, Oscar Muriu, Ruth Padilla DeBorst, Pope Francis, Richard Twiss, Lisa Sharon Harper, Willie James Jennings, Ada María Isasi-Díaz, Soong-Chan Rah, and Mitri Raheb. These voices show us the future of missional churches in world Christianity. When churches are conformed to Christ they make disciples, heal a broken world, and witness to Jesus and his gospel. Jesus forms us in his image and moves us to be a people of shalom, humility, character, justice, peace, wisdom, prayer, beauty, and witness. The church has had a Reformation but now it needs a Conformation. Hill explores biblical themes and the voices of world Christianity to show that a missional church is conformed to the image of the incarnate, crucified, resurrected, and glorified Christ. Conformity to Christ is the heart of missional ecclesiology and discipleship.

The Light on the Hill

The last name spoken on their deathbeds by R. R. Lee and Stonewall Jackson was that of their great subordinate, A. P. Hill. Lee's final words, "Tell A. P. Hill to come up" keynote the story of the Culpeper redhead and his hard hitting light division. For the Light Division always did come up at the critical moment to save the day for the Army of Northern Virginia. The gallantry and dash of Powell Hill's Cavalier ancestors characterized his own career and death on the battlefield. He and his officers and men saw more frontline action than most of Lee's army. But their dreadful losses and other vicissitudes of campaigning left a searing imprint on the former U.S. Army captain whose normally friendly spirit had to be submerged by the stern requirements of combat leadership. In less than three years he rose to the rank of corps commander and at the end was Lee's closets adviser. Hill's officers and men returned the loyalty and esteem which he gave them and, responding to the flame of his unquenchable fighting spirit, gave their utmost in battle. Hill's Light Division bore the brunt on the Peninsula when Jackson faltered, saved the day at Slaughter's Mountain, withstood formidable assaults on the army's flank at Second Manassas, saved the day at Antietam. It distinguished itself in every major battle from Mechanicsville to Five Forks. Up Came Hill is more than a combat story. Up Came Hill will afford deep satisfaction to the many Civil War buffs and others who value a clear account of the overall course of the war in the eastern theater together with a detailed exposition of some phases which have long been relatively obscure. It constitutes, to, an admirable and overdue tribute to an outstanding leader and to one of the grandest fighting units in which Americans have served.

Light on a Hill

Description: Enormous challenges and opportunities face the Christian church in our globalized, rapidly changing world. It is becoming increasingly clear that the church and its leaders need a missional self-understanding. In this volume, Graham Hill asks: "What does it mean for the church to be truly missional?" This book outlines the thought of twelve leading thinkers, and puts their thinking into conversation with a missional understanding of the church. Most of the missional literature of the past twenty years is practical, telling us how to be a missional church, rather than why certain theological themes compel the church toward a missional self-understanding and existence. This book takes a different approach. It outlines a basic missional understanding of the church by engaging theology and Scripture. It examines some of the key theological themes that are foundational for a missional church, and does this in conversation with twelve leading thinkers. This book provides indispensable foundations for a Christ-centered, gospel-shaped, theologically informed, and systematic missional view of the church. Endorsements: "Graham Hill ranges far and wide in order to construct a viable ecumenical, but distinctly missional, ecclesiology. In so doing, he provides us with a classy, intelligent, and passionate contribution to one of the defining issues of our time." --Alan Hirsch Author of *The Forgotten Ways: Reactivating the Missional Church* "It is increasingly clear to me that Christian understandings of both the nature and the mission of the church are in considerable disarray today. Graham Hill's highly important book offers the beginnings of a profoundly important exploration of both questions, together. *Salt, Light, and a City* is must reading." --David P. Gushee Mercer University "Graham Hill writes from a Protestant evangelical perspective, but this is a broadly based study, drawing on insights from all the historic traditions as well as biblical understandings and on case studies that highlight the experience of those who are operating on the missional edge today. This is a significant contribution to the ongoing discussions about missiology and ecclesiology that will take the conversation forward in creative and well-informed directions." --John Drane Author of *After McDonaldization: Mission, Ministry, and Christian Discipleship in an Age of Uncertainty* "Salt, Light, and a City is no cloying attempt at a simplistic universal model for the missional church. Graham Hill insists we do the hard work of engaging Trinitarian theology, contemporary missiology, and broad understandings of ecclesiology to find a way forward. In brief, it is an invaluable addition to any library of research into the missional paradigm." --Michael Frost Morling College (Sydney, Australia) About the Contributor(s): Graham Hill is Professor of Leadership and Pastoral Theology at Morling College in Sydney, Australia (affiliated with the MCD University of Divinity). His ministry experiences include

church planting, pastoring in a large growing congregation, and coaching pastors and planters of missional experiments.

Facing the Light

"I used to be a lesbian." In *Gay Girl, Good God*, author Jackie Hill Perry shares her own story, offering practical tools that helped her in the process of finding wholeness. Jackie grew up fatherless and experienced gender confusion. She embraced masculinity and homosexuality with every fiber of her being. She knew that Christians had a lot to say about all of the above. But was she supposed to change herself? How was she supposed to stop loving women, when homosexuality felt more natural to her than heterosexuality ever could? At age nineteen, Jackie came face-to-face with what it meant to be made new. And not in a church, or through contact with Christians. God broke in and turned her heart toward Him right in her own bedroom in light of His gospel. Read in order to understand. Read in order to hope. Or read in order, like Jackie, to be made new.

History of Acworth

When many voices are joined together, with courage, change can happen. In 1966, more than two hundred courageous Aboriginal people walked off the Wave Hill Cattle Station in the Northern Territory. Led by Vincent Lingiari, these stockmen and their families were walking together to fight for equal pay and land rights. Exquisitely illustrated and designed, this non-fiction picture book brings a landmark historical event to a new generation. Many people have seen the iconic photograph of Gough Whitlam pouring a handful of red soil into the hands of Vincent Lingiari – a symbol of the legal transfer of Gurindji land back to the Gurindji people – and recognise this as a key moment in the ongoing land rights movement. *Freedom Day* delves into the events that led up to this moment, and makes a rallying cry for the things that still need to change in its wake. Thomas Mayor co-authors this book with Rosie, Vincent Lingiari's granddaughter, to bring this vital story to life. The story has been written in close consultation with the Lingiari family.

My Best Friend is truly a wonderful adventure and love story between a young man and the living God of the Bible. It will encourage and inspire a wide audience. The book ministers in a special way to teenagers and youth who may be in that difficult season of their lives, when they are seeking an identity and true meaning and purpose. My Best Friend has also a special appeal to grandparents, who may find themselves taking on the responsibility of fathering and mothering a teenager in their later years instead of the retirement they had planned. And a troubled teenager at that! Kingsley Hill writes, "A real God for me could not be some supreme being who is light-years away and unreachable in some place called heaven, unable to be known and only imagined by the mind. If this is God, He could never be my God." But to his surprise and delight, the author experiences a personal encounter with the Lord Jesus Christ, and his life is changed forever. He finds that God is as close as he will allow Him to be, even coming into his own heart to live. This is a story of how God is willing to reach out to a person who is lost

and meet them right where they are at in their lives. Kingsley finds that God is not far away, indifferent, and uncaring, as the world in its blindness portrays Him to be. No, God is an altogether lovely Being, full of mercy, truth, and light, willing and ready to forgive a sinner and give them a whole new life! God delivered Kingsley, from being a thief on the streets, and miraculously healed him in a hospital bed, after a life threatening motorcycle accident, and even overruled two governments in bringing him from his home in Great Britain, to the west coast of Vancouver Island. The promised land. God came to him in the darkness of what he once called life. Once he met Jesus, he realized that his old life was merely an existence. And having a personal relationship with Jesus Christ is real life! Kingsley, like so many young people today, was a victim of a broken home. He tried everything to soothe his pain and fill the hole of his broken heart, but nothing seemed to work. And then he met Jesus, who brought him light and love. It is no wonder Kingsley has named his book *My Best Friend*, for that is who God has revealed Himself to be, and so very much more!

Michelle wants her daughter and her life back, and the only clue to what has happened is a man named Pink.
