We Were Now Alone and on that Idea a Sudden Fit of Trembling Seized Me I Was So Afraid without a Precise Notion of Why and What I Had To Fear that I Sat on the Settee by the Fireside Motionless and Petrified without Life or Spirit Not Knowing How To Look or How To Stir but Long I Was Not Suffered To Remain in this State of Stupifaction the Monster Squatted Down by Me on the Settee and without Further Ceremony or Preamble Flings His Arms about My Neck and Drawing Me Pretty Forcibly towards Him Obligated Me To Receive in Spite of My Struggles To Disengage from Him His Pestilential Kisses Which Quite Overcame Me Finding Me Then Next to Senseless

And Laid all Open There to His Eyes and Hands Still I Endured All without Flinching till Emboldened by My Sufferance and Silence for I Had Not the Power To Speak or Cry Out He Attempted To Lay Me Down on the Settee and I Felt His Hand on the Lower Part of My Naked Thighs Which Were Crossed in Which He Endeavored To Unlock Oh Then I Was Roused out of My Passive Endurance and Springing from Him with an Activity He Was Not Prepared for Threw Myself at His Feet and Begged Him in the Most Moving Tone Not To Be Rude

He Was Unbuttoned both Waistcoat and Breeches Yet I Only Felt the Weight of His Body upon Me whilst I Lay Struggling with Indignation and Dying with Terror but He Stopped all of a Sudden and Got Off Panting Blowing Cursing and Rehearsing upon Me Old and Ugly for So I Had Very Naturally Called Him in the Heat of My Defense the Brute Had It Seems as I Afterwards Understood Brought On by His Eagerness and Struggle the Ultimate Period of His Hot Fit of Lust Which His Power Was Too Short-Lived To Carry Him through the Full Execution of of Which My Thighs and Linen Received the Effusion

Which I Listened to with More Pleasure than Ever Fond Woman Did to Protestations of Love from Her Darling Minion for Incapable as I Was of Receiving any Addition to My Perfect Hatred and Aversion to Him I Looked on this Railing as My Security against His Renewing His Most Odious Caresses Yet Plain as Mrs Brown's Views Were Now Come Out I Had Not the Heart or Spirit To Open My Eyes to Them Still I Could Not Part with My Dependence on that Beldum So Much Did I Think Myself Hers Soul and Body or Rather I Sought To Deceive Myself with a Continuation of My Good Opinion of Her and Chose To Wait the Worst at Her Hands Sooner than Being Turned Out To Starve in the Streets Without a Penny of Money or a Friend To Apply to these Fears Were My Folly whilst this Confusion of Ideas Was Passing in My Head and I Sat Pensive by the Fire with My Eyes Brimming with Tears My Neck Still Bare and My Cap Fallen Off in the Struggle so that My Hair Was in the Disorder You May Guess the Villain's Lust Began I Suppose To Be Again in Flow at the Sight of All that Bloom of Youth Which Presented Itself to His View a Bloom Yet Unenjoyed and in Course Not Yet Indifferent to Him You May Guess the Villain's Lust Began I Suppose To Be Again in Flow at the Sight of All that Bloom of Youth Which Presented Itself to His View a Bloom Yet Unenjoyed and in Course Not Yet Indifferent to Him after some Pause He Asked Me with a Tone of Voice Mightily Softened whether I Would Make It Up with Him before the Old Lady Returned and all Should Be Well He Would Restore Me to His Affections at the Same Time Offering To Kiss Me and Feel My Breasts but Now My Extreme Aversion My Fears My Indignation all Acting upon Me Gave Me a Spirit Not Natural to Me so that Breaking Loose from Him I Ran to the Bell and Rang It before He Was Aware with Such Violence and Defect Has Brought Up the Maid To Know What Was the Matter or whether the Gentleman

But Now My Extreme Aversion My Fears My Indignation all Acting upon Me Gave Me a Spirit Not Natural to Me so that Breaking Loose from Him I Ran to the Bell and Rang It before He Was Aware with Such Violence and Defect Has Brought Up the Maid To Know What Was the Matter or whether the Gentleman Wanted Anything and before He Could Proceed to Greater Extremities She Bounced into the Room and Seeing Me Stretched on the Floor My Hair all Disheveled My Nose Gushing Out Blood Which Did Not a Little tragedized the Scene and My Odious Persecutors Still Intent of Pushing

His Brutal Point Unmoved by All My Cries in Distress She Was Herself Confounded and Did Not Know What To Do As Much However as Martha Might Be Prepared and Hardened Two Transactions of this Sort all Womanhood Must Have Been out of Her Heart Could She Have Seen this Unmoved besides that on the Face of Things She Imagined that Matters Had Gone Greater Lengths than They Really Had and that the Courtesy of the House Had Been Actually Consummated on Me and Flung Me into the Condition

My Health Returned to Me though I Still Retained an Air of Grief Dejection and Languor Which Taking Off the Ruddiness of My Country Complexion Rendered It Rather More Delicate and Affecting the Landlady Had All this While Officiously Provided and Taken Care That I Wanted for Nothing and As Soon as She Saw Me Retrieved into a Condition of Answering Her Purpose One Day after We Had Dined Together She Congratulated Me on My Recovery the Merit of Which She Took Entirely to Herself and All this by Way of Introduction to a Most Terrible

But She Believed There Was a Friend To Be Found in the World Who Would Make Up Matters to both Our Satisfactions and that She Would Bring Him To Drink Tea with Us that Very Afternoon When She Hoped We Would Come to a Right Understanding in Our Affairs to All this Not a Word of Answer I Sat Mute Confounded Terrified Mrs Jones However Judging Rightly that It Was Time To Strike while the Impressions Were So Strong upon Me Left Me to Myself and to All the Terrors of Imagination Wounded to Death by the Idea of Going to a Prison and from a Principle of Self-Preservation Still I Continued in a State of Stupidity or Melancholy Despair as My Spirits Could Not Yet Recover from the Violent Shocks They Had Received and the Commode Landlady Had Actually Left the Room and Me Alone with this Strange Gentleman before I Observed It and Then I Observed It without Alarm for I Was Now Lifeless and Indifferent to Everything the Gentleman However no Novice in Affairs of this Sort Drew near Me and under the Pretence of Comforting Me First with His Handkerchief Dried My Tears as They Ran Down My Cheeks Presently He Ventured To Kiss Me on My Part neither Resistance nor Compliance I Sat Stockstill

And Bore Me without Life or Motioned to the Bed on Which Laying Me Gently Down and Having Me at What Advantage He Pleased I Did Not So Much As Know What He Was about till Recovering from a Trance of Lifeless Insensibility I Found Him Buried in Me whilst I Lay Passive and Innocent of the Least Sensation of Pleasure a Death Cold Corpse Could Scarce Have Less Life or Sense in It As Soon as He Had Thus Pacified a Passion Which Had Two Little Respected the I Was in He Got Off and after Recomposing

I Lay Passive and Innocent of the Least Sensation of Pleasure a Death Cold Corpse Could Scarce Have Less Life or Sense in It As Soon as He Had Thus Pacified a Passion Which Had Two Little Respected the I Was in He Got Off and after Recomposing the Disorder of My Clothes Employed Himself with the Utmost Tenderness To Calm the Transports of Remorse and Madness at Myself with Which I Was Seized Too Late I Confess for Having Suffered on that Bed The Embraces of an Utter Stranger I Tore My Hair Wrung My Hands and Beat My Breasts like a Madwoman but When My New

Master for in that Light I Then Viewed Him Applied Himself To Appease Me as My Whole Rage Was Levelled at Myself

No Part of Which I Thought Myself Permitted To Aim at Him I Begged of Him with More Submission than Anger To Leave Me Alone that I Might At Least Enjoy My Affliction in Quiet this He Positively Refused for Fear as He Pretended I Should Do Myself a Mischief Violent Passions Seldom Last Long and those of Women Lease of any a Dead Still Calm Succeeded this Storm Which Ended in a Profuse Shower of Tears Had any One but a Few Instants Before Told Me that I Should Have Ever Known any Man but Charles I Would Have Spit in His Face or Had I Been Offered Infinitely a Greater Sum of Money than that I Saw Paid for Me I Had Spurned the Proposal in Cold Blood

And He Was Now over the Bar I Thought I Had No Longer a Right To Refuse the Caresses of One That Had Got that Advantage over Me No Matter How Obtained Conforming Myself Then to this Maxim I Considered Myself as So Much in His Power That I Injured His Kisses and Embraces without Affecting Struggles or Anger Now that They as Gave Me any Pleasure or Prevailed over the Aversion of My Soul To Give Myself Up to any Sensation of that Sort What I Suffered I Suffered out of a Kind of Gratitude and as a Matter of Course after What Had Passed He Was However So Regardful Is Not To Attempt the Renewal of those Extremities

Any Other Man Would Have Been Just the Same to Me as Mr Age That Stood in the Same Circumstances and Had Done for Me and with Me What He Had Done There Are Not on Earth At Least Eternal Grievs Mine Were if Not at an End At Least Suspended My Heart Which Had Been So Long Overloaded with Anguish and Vexation Began To Dilate and Open to the Least Gleam of Diversion or Amusement I Worked a Little and My Tears Relieved Me I Sighed

My Heart Which Had Been So Long Overloaded with Anguish and Vexation Began To Dilate and Open to the Least Gleam of Diversion or Amusement I Worked a Little and My Tears Relieved Me I Sighed and My Sighs Seemed To Lighten Me Up a Load That Oppressed Me My Countenance Grew if Not Cheerful At Least More Composed and Free Mr H Who Had Watched Perhaps Brought on this Change Knew Too Well Not To Seize It He Thrust the Table Imperceptibly from between Us and Bringing His Chair To Face Me He Soon Began after Preparing Me by All the Endearments of Assurances and Protestations To Lay Hold of My Hands To Kiss Me and Once More To Make Free with My Bosom

I Gently Complained and Begged Him To Let Me Alone Told Him I Was Not Well However as He Saw There Was More Form and Ceremony in My Resistance than Good Earnest He Made His Conditions for Desisting from Pursuing His Point that I Should Be Put Instantly to Bed whilst He Gave Certain Orders to the Landlady and that He Would Return in an Hour When He Hoped To Find Me More Reconciled to His Passion for Me than I Seemed at Present I neither Assented nor Denied but My Air and Manner of Receiving this Proposal

And that He Would Return in an Hour When He Hoped To Find Me More Reconciled to His Passion for Me than I Seemed at Present I neither Assented nor Denied but My Air and Manner of Receiving this Proposal Gave Him To See that I Did Not Think Myself Enough My Own Mistress To Refuse It Accordingly He Went Out and Left Me When a Minute or Two after Before I Could Recover Myself into any Composure for Thinking the Maid Came In with Her Mistress Service and a Small Silver Porringer of What She Called a Bridal Posit and Desired Me To Eat It as I Went to Bed Which Consequently I Did and Felt Immediately a Heat a Fire Run like a Hue and Cry through every Part of My Body I Burnt My Glowed and Wanted Even Little of Wishing for any Man the Maid As Soon as I Was Laying Down Took the Candle Away and Wishing Me a Good Night

I Could Recover Myself into any Composure for Thinking the Maid Came In with Her Mistress Service and a Small Silver Porringer of What She Called a Bridal Posit and Desired Me To Eat It as I Went to Bed Which Consequently I Did and Felt Immediately a Heat a Fire Run like a Hue and Cry through every Part of My Body I Burnt My Glowed and Wanted Even Little of Wishing for any Man the Maid As Soon as I Was Laying Down Took the Candle Away and Wishing Me a Good Night Went out of the Room and Shut the Door after Her She Had Hardly Time To Get Downstairs before Mr H Opened My Room Door Softly and Came in Now Undressed in His Nightgown and Cap with Two Lighted Wax Candles and Bolting the Door Gave Me though I Expected Him some Sort of Alarm He Came a Tiptoe to the Bedside and Said with a Gentle Whisper Pray My Dear Do Not Be Startled I Will Be Very Tender

He Came a Tiptoe to the Bedside and Said with a Gentle Whisper Pray My Dear Do Not Be Startled I Will Be Very Tender and Kind to You He Then Hurried Off His Clothes and Leaped into Bed Having Given Me Openings Enough whilst He Was Stripping To Observe His Brawny Structure Strong Made Limbs and Rough Shaggy Breasts the Bell Shook Again When It Received this New Load He Lay on the Outside Where He Kept the Candles Burning no Doubt for the Satisfaction of every Sense for As

Soon as He Had Kissed Me He Rolled Down the Bedclothes
