Standing instead of sitting - Encourage your employees to break up long stretches of sitting by standing and stretching. Invest in a few standing desks to make it more convenient.
Talking instead of emailing - Urge employees to physically walk to another employee's desk to discuss projects. Not only will this promote physical activity, but it can also help build stronger working relationships and reduce miscommunication.
Take the stairs instead of the elevator - You can burn more than 100 calories by walking up and down the stairs for 10 minutes.
