

The New Poetry

[#modern poetry](#) [#contemporary poets](#) [#poetic innovation](#) [#free verse](#) [#literary movements](#)

The New Poetry refers to significant shifts in poetic form, style, and subject matter, typically emerging from the late 19th and early 20th centuries and continuing into contemporary times. This movement is often characterized by a break from traditional meter and rhyme, embracing experimental language, diverse perspectives, and a focus on individual experience or social commentary, profoundly revolutionizing the landscape of verse.

These articles serve as a quick reference for both beginners and advanced learners.
