Three Plays

The first of the three extraordinary plays written by Gurcharan Das in his twenties is Larins Sahib, a historical play set in the 1840s -- a confused period after the death of Ranjit Singh when the British first arrived in the Punjab. The second play is Mira, which explores what it means for a human being to become a saint through the story of Mirabai, the sixteenth-century Rajput princess-poet. 9 Jakhoo Hill, the third play in this volume, is set in the autumn of 1962 in Simla. It examines a number of themes, including the changing social order with the rise of a new middle class (while the old class foolishly clings on to spent dreams), the hold of Indian mothers on their sons, and the eventual betrayal of sexual hurt. This trio of unusual plays will fascinate readers and theatre buffs alike

Karma

(Kar-ma - The sum of a person's actions during the successive phases of his or her existence, regarded as determining his or her destiny in future incarnations.) "Karma" it's all around us affecting our everyday lives, we're absorbed by it. It's as real as the air we breathe, and the love we share. Just like the love we feel and the air we breathe it's going on without being seen. No one is more affected by this than Christopher. After years of sexual escapades, breaking hearts, and in the end ruining good women over and over again, he thought that he had finally found the ONE. There was something different about her, she had a certain realness about herself, she was special. So special in fact that instead of her being head over heels for him like so many others before her, it was the complete opposite. It was she that had him wide open, and in the end it would be him that would have to pick up the pieces of his broken heart, and find a way to go on with his existence.

Truth and Dare

This book contains 100 "Truth or Dare?" questions for a party, at home or your vacation. How to play? We could say that this game is a variation of the game of the bottle, the kind of challenges or tests imposed on players or participants. Also, for the mechanics to choose the player must answer the challenge. Players are arranged in a circle and put a bottle turn, when this stops, who get facing the top of the bottle, that is the one who is chosen to answer the question truthfully (if s/he picks truth) or to make the challenge. This game can lead to publicize dark secrets or just better know our friends. Therefore, it is recommended to play with well-known and trusted friends so that nobody will be embarrassed. To make this very dynamic and fun game is important that we have many intelligent, innovative and curious questions, but challenges and tests of humor. The idea is that our creative ideas are put into play the most.

Too long restricted to children's storybooks and cinematic extravaganzas, the Torah -- comprising the first five books of the Bible -- is an underappreciated mother lode of divine instruction, vitally important for Christians and the church. Convinced that both those who take the Torah too literally and those who neglect it are guilty of a naïve simplicity, Johanna van Wijk-Bos presents guidelines to help ordinary Christians recover this treasure in their faith and practice. Having lived in the Netherlands during the Nazi occupation, van Wijk-Bos recognizes that after the attempted annihilation of the Jews from Christian Europe, it cannot be business as usual for Christianity. In light of the Holocaust, Christians must commit themselves to the restoration of just relations between Christians and Jews. This commitment to address all that fractures human relations undergirds van Wijk-Bos's call for Christians to reengage the Torah. Making Wise the Simple points out how God's care for and engagement with the whole world in the Torah set the tone for the entire biblical story. The book pays special attention to how our treatment of strangers lies at the heart of the Torah's teaching. Without attempting a purely Jewish reading of the Torah, van Wijk-Bos reclaims the Torah as a vibrant word for the Christian community in covenant with God. Written in a personal style conversant with current scholarship but sprinkled with anecdotes, this book is for everyone who has a hunger and enthusiasm for what the biblical text may convey, the courage to ask disturbing questions of the text, and an openness to old words that may bring forth new things, perhaps even making one wise.

Truth Or Dare? The Sexy Game of Naughty Choices

Fifty thoughtful and playful questions about the past, present, and future will inspire great family conversations.

The Billionaire's Adventurous Mistress

In her #1 NYT bestsellers, Brené Brown taught us what it means to dare greatly, rise strong and brave the wilderness. Now, based on new research conducted with leaders, change makers and culture shifters, she's showing us how to put those ideas into practice so we can step up and lead. Leadership is not about titles, status and power over people. Leaders are people who hold themselves accountable for recognising the potential in people and ideas, and developing that potential. This is a book for everyone who is ready to choose courage over comfort, make a difference and lead. When we dare to lead, we don't pretend to have the right answers; we stay curious and ask the right questions. We don't see power as finite and hoard it; we know that power becomes infinite when we share it and work to align authority and accountability. We don't avoid difficult conversations and situations; we lean into the vulnerability that's necessary to do good work. But daring leadership in a culture that's defined by scarcity, fear and uncertainty requires building courage skills, which are uniquely human. The irony is that we're choosing not to invest in developing the hearts and minds of leaders at the same time we're scrambling to figure out what we have to offer that machines can't do better and faster. What can we do better? Empathy, connection and courage to start. Brené Brown spent the past two decades researching the emotions that give meaning to our lives. Over the past seven years, she found that leaders in organisations ranging from small entrepreneurial start-ups and family-owned businesses to non-profits, civic organisations and Fortune 50 companies, are asking the same questions: How do you cultivate braver, more daring leaders? And, how do you embed the value of courage in your culture? Dare to Lead answers these questions and gives us actionable strategies and real examples from her new research-based, courage-building programme. Brené writes, 'One of the most important findings of my career is that courage can be taught, developed and measured. Courage is a collection of four skill sets supported by twenty-eight behaviours. All it requires is a commitment to doing bold work, having tough conversations and showing up with our whole hearts. Easy? No. Choosing courage over comfort is not easy. Worth it? Always. We want to be brave with our lives and work. It's why we're here.'

Everyone knows the playboy with the movie star looks. They also know he goes through women with barely a second thought. So what does she do when he appeals to the literature teacher in her? She gives him a book, of course. What about when he doesn't stop at one? Maybe the Colin everyone thinks they know is really much deeper than anybody gives him credit for. If she looks, really looks at him, will she find the man of her dreams or that same playboy she thought he always was? Colin is a successful attorney with a different woman every week, but what he really wants is the one woman he can't have. All he has wanted since that fateful day in the swimming pool six years ago is to be her hero, but there was always a reason holding him back. Will this finally be his chance to prove to her that he can be the man she needs? If he has to read every damn book in the bookstore, he's going to fight this time for that right.

Truth Or Dare

"The Motivation Manifesto is a poetic and powerful call to reclaim our lives and find our own personal freedom. It's a triumphant work that transcends the title, lifting the reader from mere motivation into a soaringly purposeful and meaningful life. I love this book." —Paulo Coelho The Motivation Manifesto is a pulsing, articulate, ferocious call to claim our personal power. World-renowned high performance

trainer Brendon Burchard reveals that the main motive of humankind is the pursuit of greater Personal Freedom. We desire the grand liberties of choice—time freedom, emotional freedom, social freedom, financial freedom, spiritual freedom. Only two enemies stand in our way: an external enemy, defined as the social oppression of who we are by the mediocre masses, and an internal enemy, a sort of self-oppression caused by our own doubt and fear. The march to Personal Freedom, Burchard argues, can be won only by declaring our intent and independence, stepping into our personal power, and battling through self-doubt and the distractions of the day until full victory is won. Recalling the revolutionist voices of the past that chose freedom over tyranny, Burchard—at times poetic yet always fierce—motivates us to free ourselves from fear and take back our lives once and for all.

The Big Book of Drinking Games

Are you tired of hearing the same questions being asked over and over again during drinking games? Want to add some originality? As a British university student, nothing gets me more excited than going to my friends' houses for pre-drinks before heading out for the night. Every student has their favorite drinking games! But let's face it; they can get a little repetitive... especially when you're out 3 nights a week! In this book, you'll find 3 different drinking games with 1000 questions in total. We all love getting to know our friends a little better, right? So, here's your chance to ask the questions you'd love to know the answers to... Never Have I Ever Everybody's heard of this game before, right? A statement is read aloud, and if you've done what the statement says before, you take a drink! Take it to the next level, with 600 statements split over 25 different rounds! It's the best way to discover things you never knew about your friends, whether they're dirty, illegal, or just plain embarrassing! There's also an added twist... The reader has the ability to make a player tell the story behind their confession only three times every round. Refuse to tell? Take a drinking punishment. Tell the truth? You can punish any player of your choice! Truth or Dare Truth or Dare; everybody's childhood favorite! With a total of 200 extremely uncomfortable questions split over 10 rounds, you might not be able to see by the end of the book! If a player truthfully answers the question they are asked, they have the power to make any player of their choice take a sip of their drink. If they refuse, they take a more severe punishment that is pre-determined at the beginning of the round. Simple! Would You Rather? A traditional favorite. There are 200 questions, each with 2 possible alternatives. Players must answer which option they'd prefer by either raising their hand or keeping it down. Players that disagree with the reader must take a drink. But it's not just as simple as that... If only one player disagrees with the reader, they face a stronger punishment. To make it even better, if everybody disagrees with the reader, the reader must face an even stricter punishment! If you're ready to add some originality to your drinking games and bring your parties to life, scroll up and click the "Add to Cart" button now! Note: This book contains adult content and is not recommended for anybody under the legal drinking age.

No designer clothes, when I really need them. A pokey flat, and a horrible new school. No wonder I keep bunking off . . . Still, it will have to do until my real mum comes and gets me. And until then, no-one is going to be better at the Dare Game than me!
