The Return to Pemberley Manor: A Pride and Prejudice Variation

They thought their lives were finally free... Fitzwilliam and Elizabeth Darcy have happily started their lives as a true married couple, sharing time at Pemberley and Elizabeth's beloved Maplewood Stables in Meryton. As they joyfully anticipate the arrival of their first child, it seems that their life is as close to perfect as it can be. And then, one rainy afternoon, they receive a letter that forces them to question every wonderful thing they have built. She has been holding a grudge for over a year and she is not prepared to let it go... While everyone expected that Anne de Bourgh would be pleased to be free of her mother's influence, she finds that she is quite aimless without the very stern direction of Lady Catherine de Bourgh. And right or wrong, she holds her cousin Fitzwilliam responsible for her current state of misery. Now, Anne has made it her mission to destroy the happiness he has established with Elizabeth Bennet, no matter what she must do... The Return to Pemberley Manor is Book 2 in the Maplewood

Stables series, which is a collection of *Pride and Prejudice* variations. This entry in the series features intrigue, mystery, danger, joy, and a guaranteed happy ending *Our Dear Couple*!

The Darcys Return to Pemberley

The Darcys Return to Pemberley is the second in multipart series about Fitzwilliam Darcy and Elizabeth Bennet. The first in the series is "The Luck of Fitzwilliam Darcy". In the first novel in this *Pride and Prejudice* Variation sequence, Elizabeth and Darcy meet. The novel is set in London and Hertfordshire. In this second installment, Elizabeth and Fitzwilliam--now married--return to Pemberley, where most of the novel takes place. Georgiana and a new beau are a centerpiece of this part of the story. New characters are introduced and beloved characters often appear, as well as the standard Darcy/Elizabeth nemeses.

An Encounter at Pemberley

While touring Derbyshire with her aunt and uncle, Elizabeth Bennet is horrified to discover they intend to visit Pemberley, the home of Mr Darcy. She had hoped never to meet him again after rejecting his proposal months before. But assured that he is not home, Elizabeth decides to take the opportunity to explore Pemberley Woods while her aunt and uncle are out. There, alone in the woods, she is the victim of an accident. Mr Darcy discovers her lying unconscious and must think quickly to get her to shelter before a storm begins. He takes her to his hunting lodge to tend to her injuries, realising he will have compromised her reputation and be obliged to marry her if word gets out. But Elizabeth is suffering from amnesia as a result of her accident and is intrigued by the kind, generous man who tends to her. Is this Mr Darcy's last chance to show her the man he can be? And as for Elizabeth, she is astonished to discover that the warm, caring man she's starting to fall in love with was someone she disliked intensely before her accident. But just why was her dislike for him so strong? When word gets out of them spending the night together, Lizzy's reputation is compromised and the only way out is to agree to marry Mr Darcy. But can she accept him for the man he is now? And can she truly love a man she cannot remember?

Letters from Pemberley: A *Pride and Prejudice* Variation

What if an unexpected guest at the Meryton ball entirely changed the course of Elizabeth Bennet and Fitzwilliam Darcy's relationship? Much to her chagrin, on the evening of the Meryton ball, Elizabeth Bennet finds herself acting as a companion to Miss Agnes Taylor, a family friend with no name, no land, and almost no inheritance to speak of. While at the ball, Agnes spies Mr. Darcy and becomes enamored of him, but Mr. Taylor knows that his only daughter has no chance with a gentleman of Mr. Darcy's quality. In an act of desperation, he begs Mr. Bennet to intercede on his miserable daughter's behalf. Overwhelmed with his own daughters' fancies and his wife's incessant matchmaking, he gives Elizabeth permission to write to Fitzwilliam Darcy and sign her father's name. What follows is a story of mistaken identity, familial obligation, and the kind of love that can only bloom in the absence of prejudice. "Letters from Pemberley" is a sweet, clean standalone *Pride and Prejudice* variation novel that is suitable for all lovers of Jane Austen's *Pride and Prejudice*.

Rescuing Pemberley

On a long overdue visit to Derbyshire, Elizabeth Bennet anticipates a relaxing journey punctuated with visits to the places her aunt remembers so well from her childhood. But one such place has been allowed to fall into disrepair. Elizabeth is stunned to learn that it is Pemberley--and that the master of the estate has been absent for quite some time. Determined to see such a great estate brought back to its former glory, Elizabeth promises to find Mr. Fitzwilliam Darcy and bring him back to Pemberley... but will the gentleman be willing to return to a house so full of memories that he is all too eager to forget? *Rescuing Pemberley* is a sweet and clean *Pride and Prejudice* variation that is suitable for all lovers of Jane Austen's romantic classic.

Darcy's Determination

After Mr. Darcy's insulting proposal of marriage at Rosings, Elizabeth Bennet returns to Longbourn. Mr. Atherton, a handsome gentleman newly arrived in Meryton, captures her attention – although she hopes that he and Jane will suit. Ever since Mr. Bingley deserted Jane, and broke her heart, Lizzy has wished for something or someone to spark Jane out of her despondency, and Mr. Atherton might be the

one to do so! But when Darcy warns Lizzy that Mr. Atherton is not the charming, debonair gentleman everyone in Meryton thinks he is, she does not believe him, and accuses him of jealousy. Darcy is determined to save Lizzy from Mr. Atherton's designs – for it is not Jane he is attracted to, but Lizzy herself! – and finds proof that he was right about Mr. Atherton all along. But when Lizzy realizes her feelings for Darcy have changed since his proposal at Rosings, and she has fallen in love with him, Lydia elopes with Wickham! Can Darcy save the day? Or will he take Lizzy and her whole family in disgust once more and return to Pemberley – alone? This is a Pride and Prejudice Variation novella of 33,000 words.

Assumed Engagement

This story continues after Chapter 36 in Jane Austen's "Pride and Prejudice." On his return trip to Pemberley from Rosings after his offer of marriage was refused by Miss Elizabeth Bennet, Mr. Darcy's carriage overturns, and he is rendered unconscious. Having written Georgiana previously that he was going to ask for her hand, Georgiana, thinking they are engaged, writes to Elizabeth, begging her to come to Pemberley, thinking she may be able to help draw him out. Visit Kara Louise's website at www.ahhhs.net, Jane Austen's Land of Ahhhs, to read additional stories.

Pemberley

England is overrun by dragons of all shapes and sizes. Most people are blissfully unaware of them and the Pendragon Treaty that keeps the peace between human and dragon kind. Only those born with preternatural hearing, like Fitzwilliam Darcy and Elizabeth Bennet are able to hear and converse with dragonkind. When the first firedrake egg laid in a century is stolen from Pemberley, the fragile dragon peace teeters on collapse. Darcy has no choice but to chase down the thief, a journey that leads him to quaint market town of Meryton and fellow Dragon Keeper, Elizabeth Bennet. Elizabeth shares a unique bond with dragons, stronger than anything Darcy has ever experienced. More than that, her vast experience and knowledge of dragon lore may be the key to uncovering the lost egg. But Elizabeth can't stand Darcy's arrogance and doesn't trust him to care properly for a precious baby firedrake. After all, he already lost the egg once. What's to prevent it from happening again? Can he win her trust and recover the stolen egg before it hatches and sends England spiraling back into the Dark Ages of Dragon War?"

Master of Pemberley

After the death of his wife, the former Anne de Bourgh, Fitzwilliam Darcy knows it is his duty to marry again and provide a male heir for Pemberley. He knows exactly what sort of woman he wants until he meets Elizabeth Bennet. With her clever mind and fine eyes, Elizabeth challenges him and inspires strong emotions that threaten to undo his careful plans.

Darcy by Any Other Name

At Netherfield, a glorious evening of music and dancing... But out in the garden two men are arguing, while a ferocious rainstorm swirls round. And then the unthinkable happens: a lightning bolt from heaven strikes. In that instant everything changes. Jane Austen's heartthrob hero becomes the bumbling Reverend Collins. Shorn of his fortune, his social standing, and his good looks, Mr. Darcy is trapped in Mr. Collins' body. And Mr. Collins wakes up to discover that he is master of Pemberley. Could there be anything worse? But the inner man is still Darcy. He is in love with Elizabeth Bennet. And now he is living in her house. Discover the Pride and Prejudice 'body swap' that has readers laughing in surprise and delight.

From Longbourn to Pemberley, the First Year

The Seasons of Serendipity are four years of imagined storyline for the Bennet daughters after supposing they lost their beloved father at the beginning of Jane Austen's Pride and Prejudice. From Longbourn to Pemberley traces the first year of their lives, as each daughter of Robert Bennet fights for her own happily ever after. This is a boxed set of the previously published A Winter Wrong, A Spring Sentiment, A Summer Shame, and An Autumn Accord designed specifically for readers who want to sit down and enjoy the story as one novel as the novellas were planned to fulfill a story arc this way.

Mr. Darcy's Refuge: A Pride & Prejudice Variation

The river isn't the only thing overflowing in Hunsford when a natural disaster forces Elizabeth Bennet and Mr. Darcy to work together.

Darcy's Angel

When disease strikes Longbourn, sixteen-year-old Elizabeth Bennet and thirteen-year-old Kitty are sent to London to live with an old friend of their father's. While Kitty relishes in the change, Lizzy feels lost in her new world, constrained by society's expectations, and dreadfully homesick. That changes when she meets Georgiana Darcy, a girl even more in need of a friend than Lizzy herself. As weeks turn to months, however, Elizabeth begins to wonder if she will ever be able to go home--and if she will have to take matters into her own hands to make it happen. Fitzwilliam Darcy has lost his father and inherited a great deal of responsibility, all thanks to a man he once called his friend. Most challenging of his new duties is caring for his younger sister, Georgiana. When she befriends another young lady, Darcy cannot decide if Elizabeth Bennet is an angel or an imp, but he cannot get her out of his mind. Should he banish her from Georgiana's company before her impulsive ways affect his sister, or make an offer that would keep her in their life for good? Thrown together in a remarkably different situation than Jane Austen's original, Darcy and Elizabeth face challenges both new and familiar, influenced in part by the difference in their ages. She lacks wisdom; he is less jaded--and both of them are struggling to adapt to a new life. Can they find their way to happily ever after even so?

Pride and Proposals

A Pride and Prejudice variation What if Mr. Darcy's proposal was too late? Darcy has been bewitched by Elizabeth Bennet since he met her in Hertfordshire. He can no longer fight this overwhelming attraction and must admit he is hopelessly in love. During Elizabeth's visit to Kent she has been forced to endure the company of the difficult and disapproving Mr. Darcy, but she has enjoyed making the acquaintance of his affable cousin, Colonel Fitzwilliam. Finally resolved, Darcy arrives at Hunsford Parsonage prepared to propose--only to discover that Elizabeth has just accepted a proposal from the Colonel, Darcy's dearest friend in the world. As he watches the couple prepare for a lifetime together, Darcy vows never to speak of what is in his heart. Elizabeth has reason to dislike Darcy, but finds that he haunts her thoughts and stirs her emotions in strange ways. Can Darcy and Elizabeth find their happily ever after?

His Good Opinion

Mr. Darcy speaks from his heart: Pride and Prejudice from Darcy's point of view Though tired of Society's manipulations, Darcy never thought to be enchanted by a country maiden. However, on a visit to rural Hertfordshire, Elizabeth Bennet captivates him. Lovely and vivacious, she is everything he is not, and everything he longs to have. Unfortunately, her connections put her decidedly beneath him, and the improprieties he observes in her family do not win his favor. Putting her firmly out of his mind, Darcy returns to London, but Elizabeth is not so easily forgotten. When chance throws them together, Darcy can no longer deny his love, but Elizabeth, put off by his manners, refuses him. To change her mind, he must set aside his proud ways and learn how to please a woman worthy of being pleased. It takes a serious incident for his true character to shine, and for Elizabeth to learn just how valuable is... His Good Opinion

The Persuasion of Miss Jane Austen

"What if the tale that Jane Austen told in her last, most poignant novel was actually inspired by momentous events in her own life? Did she in fact intend Persuasion to stand forever in homage to her one true love? While creating Persuasion, Jane Austen also kept a private journal in which she recorded the story behind the story--her real-life romance with a Navy captain of her own...the official record says that Jane Austen died at 41, having never been married. But what if that's only what she wanted people to believe?"--Back cover.

Mr. Darcy Takes a Wife

What readers are saying "Whoa, Darcy!" "Some parts are hilarious and some a walk on the wild side for Austen characters. Curl up and enjoy!" "Tells the tale I always wanted to hear...how the Darcys lived happily ever after..." "The only fault I found with this book was that it ended." Every woman wants to be Elizabeth Bennet Darcy-beautiful, gracious, universally admired, strong, daring and outspoken-a

thoroughly modern woman in crinolines. And every woman will fall madly in love with Mr. Darcy-tall, dark and handsome, a nobleman and a heartthrob whose virility is matched only by his utter devotion to his wife. Their passion is consuming and idyllic-essentially, they can't keep their hands off each other-through a sweeping tale of adventure and misadventure, human folly and numerous mysteries of parentage. Hold on to your bonnets! This sexy, epic, hilarious, poignant and romantic sequel to *Pride and Prejudice* goes far beyond Jane Austen.

Searching for Pemberley

"History, romance, and even a little mystery all combined in one wonderful book." -Best Sellers World, Five Star Review Maggie went in search of a love story, but she never expected to find her own... Desperate to escape her life in a small Pennsylvania mining town, Maggie Joyce accepts a job in post-World War II London, hoping to find adventure. While touring Derbyshire, she stumbles upon the stately Montclair, rumored by locals to be the inspiration for Pemberley, the centerpiece of Jane Austen's beloved *Pride and Prejudice*. Determined to discover the truth behind the rumors, Maggie embarks on a journey through the letters and journals of Montclair's former owners, the Lacey family, searching for signs of Darcy and Elizabeth. But when the search introduces her to both a dashing American pilot and a handsome descendant of the "Darcy" line, Maggie must decide how her own love story will end. Perfect for fans of *Death Comes to Pemberley*. Praise for *Searching for Pemberley*: "A shining addition to the world of historical fiction."- *Curled Up With A Good Book* "A resounding success on all levels."- *Roundtable Reviews* "A precious jewel of a novel with a strong love story and page-turning mystery. Absorbing, amusing, and very cleverly written."- *The Searcher*

The Unthinkable Triangle

All is fair in love and war - or is it? What if Mr. Darcy's rival for Elizabeth Bennet's hand and heart is not some inconsequential stranger, but his dearest, closest friend? How is he to reconcile the claims of loyalty and kinship with the urge to pursue his heart's desire? "Eyes tightly shut against the horrifying future, Darcy dug his fingers in his hair. Lost to him forever. Not merely lost, but promised to his cousin - firmly in his life, but never his! How in God's name was he to bear it and not become unhinged? How was he to have her at his table as Richard's affianced, and not betray himself? How was he to see her, time and again, and give no sign that he wanted her more than he had ever wanted any woman? How was he to keep up the pretence, day after excruciating day? There was no escape from the hell of his own making, and it burned like molten lead to know he could have spoken months before Fitzwilliam had even met her. He could have spoken last November, and by now they might have already been wed. She would have been his, not Richard's. And if his cousin should have had the horrible misfortune of falling in love with his wife, then it would have been Fitzwilliam's hell, not his. It would have been for him to be torn asunder between loyalty and a need so deep that it burned its way into his very soul."

Rosings Park

A decade ago, groundbreaking novel *THE THREE COLONELS* began the epic Jane Austen's *Fighting Men* series and transformed Austenesque literature with its blend of Regency romance and historical fiction. *ROSINGS PARK* is its long-awaited conclusion! The Napoleonic Wars are finally over, and Britain seeks to rebuild after a generation of war. Gone is the "green and pleasant land" of the early Regency. In its place, a natural disaster on the other side of the world exacerbates the country's woes: economic depression, widespread hunger, industrialization, and civil unrest. Great Britain faces ruin and revolution. Fitzwilliam and Elizabeth Darcy agree to take in the young and spirited daughter of Lydia Wickham, and all the while, their beloved Pemberley is being endangered by riotous Luddites. Colonel Sir Richard Fitzwilliam marries Anne de Bourgh but finds the management of Rosings Park no easy matter, especially with Lady Catherine de Bourgh ready and eager to offer advice. Haunted by despair and gravely wounded in body and spirit, a bitter Colonel Sir John Buford returns to England to be nursed by his wife, the former Caroline Bingley. Then, an evil out of the past returns to wreak vengeance on Rosings Park, and the Darcys, Fitzwilliams, Bufords, and their friends face a devastating truth: **HAPPILY EVER AFTER MUST BE EARNED.**

Fitzwilliam Darcy in His Own Words

What was Mr. Darcy's life like before he met Elizabeth Bennet? - before he stepped onto the *Pride and Prejudice* stage at the Meryton assembly? More importantly, where is he and what is he doing all the time he's absent from the page thereafter? And what is his relationship to a woman named Amelia? With

"Fitzwilliam Darcy, in His Own Words," the iconic literary hero finally tells his own story, from the traumas of his early life to the consummation of his love for Elizabeth and everything in between. This is not a variation but a supplement to the original story, chronicled in Darcy's point of view - a behind-the-scenes look at the things Jane Austen didn't tell us. As it happens, Darcy's journey was more tortuous than she let on, his happy ending with Elizabeth in jeopardy at every turn in his struggle between duty and his heart's desire, between the suitable lady he has promised to marry and the woman he can't stop thinking about.

Pulse and Prejudice

This adaptation of *Pride and Prejudice* follows the cursed Mr. Darcy as he strives to overcome both his love and his bloodlust for Miss Elizabeth Bennet. Faithful to the original in many ways, it focuses on Darcy's story as he descends into the seedier side of London, introducing Elizabeth to a world of passion and the paranormal she never knew about before.

Elizabeth Bennet's Excellent Adventure

The Last Man in the World She Wishes to Marry is the One Man Who Owns Her Heart! ELIZABETH BENNET adamantly refused Fitzwilliam Darcy's proposal, but when Maria Lucas discovers the letter Darcy offers Elizabeth in explanation of his actions, Elizabeth must swallow her objections in order to save her reputation. She follows Darcy to London and pleads for the gentleman to renew his proposal. Yet, even as she does so, Elizabeth knows not what she fears most: being Mr. Darcy's wife or the revenge he might consider for her earlier rebuke. FITZWILLIAM DARCY would prefer that Elizabeth Bennet held him in affection, but he reasons that even if she does not, having Elizabeth at his side is far better than claiming another to wife. However, when a case of mistaken identity causes Darcy not to show at his wedding ceremony, he finds himself in a desperate search for his wayward bride-to-be. Elizabeth, realizing Society will label her as "undesirable" after being abandoned at the altar, sets out on an adventure to mark her future days as the spinster aunt to her sisters' children. However, Darcy means to locate her and to convince Elizabeth that his affections are true, and a second chance will prove him the "song that sets her heart strumming." "Jeffers' books are like a fine banquet in a tasteful location, warmly detailed ambiance, several courses, freshly prepared and appealingly presented, each taste to be savored; each course, complimented, an experience to remember purely for its contents, relished even as, perhaps more as, a single diner." - BCM

The Darcys of Pemberley

A sequel faithful to Jane Austen's beloved masterpiece, *Pride and Prejudice*. Elizabeth and Mr. Darcy have been married for almost a year, and their heated arguments are a thing of the past. All that passion is now directed into more satisfying pursuits. But how long can the honeymoon last? The couple's idyllic life together at Pemberley is jeopardized by the secrets they begin keeping from each other, the troubles of their closest friends, and the threat of a villain in their midst. Layers of seemingly innocent deception are building between Darcy and Elizabeth, threatening their relationship. He is conducting some covert business dealings that he's unwilling to share with his wife, and she likewise begins keeping things from him against her own better judgment. The couple also becomes embroiled in the tribulations of Mr. Darcy's younger sister, Georgiana, and his friend and cousin, Colonel Fitzwilliam. Fitzwilliam falls victim to their aunt, Lady Catherine de Bourgh, as the object of her latest scheme to make a noble match for her daughter. The arrangement satisfies the ambitions of the couple's parents, but appears to hold little prospect of happiness for Anne and Fitzwilliam, who each harbor other romantic interests. During this same period, Georgiana runs the gamut of emotions as she comes of age. Her elation at her birthday ball soon crumbles when she learns the man she secretly admires is engaged to another. The excitement of a London season and the attention of two other eligible suitors cannot make her forget her disappointment over her lost first love. As the story progresses, the menacing shadow of Mr. Darcy's life-long nemesis looms ever-larger. By carelessness and design, Mr. Wickham and Lydia painfully intrude into the lives of the Darcys and the Bingleys, with disastrous results. The Darcys of Pemberley is the tale of two romances: the continuation of Darcy and Elizabeth's story, and the courtship of Miss Georgiana. For those of us who didn't want *Pride and Prejudice* to end, this charming novel gives the opportunity to learn what happens after the wedding, to revisit all our old friends and foes, and to share the next chapter of their lives. Ms. Winslow carries on the saga much as Jane Austen herself might have - true to her style, her sensibilities, and the delightful characters she created.

The Darcy Monologues

"You must allow me to tell you..." For over two hundred years, Jane Austen's Mr. Darcy has captivated readers' imaginations as the ultimate catch. Rich. Powerful. Noble. Handsome. And yet, as Miss Austen's "Pride and Prejudice" is established through Elizabeth Bennet's fine eyes, how are we to know what his tortured soul is indeed thinking? How does Darcy progress from "She is tolerable: but not tolerable enough to tempt me" to "I thought only of you"? In this romantic anthology, sixteen Austen-inspired authors assemble to sketch Darcy's character through a series of re-imaginings, set in the Regency through contemporary times--all faithful narratives to the fanciful. Herein "The Darcy Monologues"

A Fair Prospect: Disappointed Hopes

In the first volume of this three-book retelling of the classic novel, Mr. Darcy's heart is broken when Elizabeth Bennet rejects his offer of marriage. Fitzwilliam Darcy returns to London a devastated and humbled man following his rejection by Elizabeth Bennet. The lady, meanwhile, is battling the unprecedented feelings stirred by having endured an innocent but intimate encounter with the gentleman in the aftermath of his proposal. Soon on her way to Town herself for an unanticipated stay, Elizabeth is comforted by the presence of an old family friend, one Nicholas Harington—the son of a wealthy family whose position in society rivals that of the Darcys of Pemberley. Harington soon emerges as a potential suitor for Elizabeth's hand, a union that is viewed as a fair prospect by all—except, perhaps, Darcy himself . . . Inspired by Jane Austen's *Pride and Prejudice*, *A Fair Prospect* is an introspective, character-driven re-imagining of the literary classic. (Please note: this is one story told across three volumes and there is, therefore, no conclusion to the main storyline in this volume.)

Disenchanted

As a renowned wizard, Fitzwilliam Darcy thinks he is familiar with most of the spells, enchantments, and magic practised in the wizarding world. When he reluctantly joins his friend Bingley in Meryton, a small town not known for its magic, he is startled to stumble upon the rare gift possessed by Miss Elizabeth Bennet. The daughter of a poor country squire, she possesses a singular talent: she is not only immune to magic, but she can counter enchantments as well. Despite their initial dislike of each other, the two draw closer as the threat from the Thieving Necromancer, a dark wizard stealing people's magic, grows more dangerous. As Darcy battles nefarious wizards and Elizabeth unravels ever more difficult spells, they uncover dark secrets and break mysterious enchantments. But love may prove the most important magic of all.

Accepting Mr. Darcy

Due to exigent circumstances, Elizabeth Bennet believes the best way to help her family is to marry a man of means. When Fitzwilliam Darcy proposes at Hunsford, she sets aside her dislike of him and accepts, although she fears that getting married will be much easier than being married. *Accepting Mr. Darcy* is a *Pride and Prejudice* Variation, a long novella

Fortune and Felicity

In this *Pride & Prejudice* variation, Elizabeth and Darcy have a second chance to get things right. Will they be able to come together this time, or will pride intervene yet again? Seven years after Darcy's disastrous proposal, Darcy is in need, not of a wife, but of a governess for his young daughter. Imagine his surprise when he discovers Elizabeth Bennet on the list of possible candidates provided by the employment agency. The question is, should he take her on as a governess, or would he be playing with fire? Elizabeth Bennet is forced by her reduced circumstances to take on a position. However, when Mr. Darcy invites her for an interview, she is embarrassed and humiliated. How could she possibly live under the same roof as the man she had rejected so strongly seven years ago? Whatever decision she makes, there will be a high price to pay... one way or the other. ***A Jane Austen what-if variation.

The Falmouth Connection

Just as Mr Darcy finally decides to propose to the enticing Miss Elizabeth Bennet, she is summoned to Falmouth, to meet a relation she never knew she had. Thus, the ill-starred Hunsford proposal is avoided - but before he could even begin to understand his luck, adverse circumstances hasten to conspire against him, and Fitzwilliam Darcy is compelled to follow the woman he loves to the far reaches of

Cornwall, into a world of deceit and peril, where few - if any - are what they seem to be... (New cover. Content unchanged)

Any Fair Interference

To be a fool is one thing, to be a fool for love is something else altogether. SHORTLY AFTER THE PRECIPITOUS DEPARTURE of Mr Bingley and his party from Netherfield Park, disaster strikes Miss Elizabeth Bennet's family. Not only is Mr Bennet ill, Longbourn and indeed all of Meryton is struggling through one of England's worst winters. Elizabeth draws on every strength to care for her family, but faces the alarming prospect of losing both her father and her home. Her lonely struggles lead her to revise her opinion of a certain gentleman, and she finds unexpected solace in dreams of Mr Darcy. FITZWILLIAM DARCY BELIEVES HE CAN ESCAPE his attraction to Elizabeth by leaving Netherfield. He soon finds himself snowbound at Pemberley, where forced isolation compels him to contemplate his duty, and contrast it with dreams of his heart's desire. No matter how he considers it, though, he feels he cannot have Elizabeth, the one he truly loves. FORTUNATELY DARCY'S FRIENDS and his family-Georgiana, Colonel Fitzwilliam, and the Hursts-feel far differently than he, and soon even the most unlikely allies have come together to help him see that happiness is the highest consideration of all. But will he and Elizabeth find the courage to follow their hearts before it is too late? ANY FAIR INTERFERENCE is a Pride and Prejudice variation.

Mr. Fitzwilliam Darcy

What if... The last man in the world she could be prevailed upon to marry...is her husband? In Jane Austen's Pride and Prejudice, Elizabeth Bennet tells the proud Mr. Fitzwilliam Darcy that she wouldn't marry him if he were the last man in the world. But what if she never said the words? What if circumstances conspired to make her accept Darcy the first time he proposes? In this installment of Abigail Reynolds's acclaimed Pride and Prejudice Variations, Elizabeth agrees to marry Darcy against her better judgment, setting off a chain of events that nearly brings disaster to them both... What readers are saying "A highly original story, immensely satisfying." "Anyone who loves the story of Darcy and Elizabeth will love this variation." "I was hooked from page one." "A refreshing new look at what might have happened if..." "Another good book to curl up with... I never wanted to put it down."

The Cambridge Companion to 'Pride and Prejudice'

This informative Companion offers a combination of original readings and factual background information.

Perfect Bride for Mr. Darcy

If the two of them weren't so stubborn... It's obvious to Georgiana Darcy that the lovely Elizabeth Bennet is her brother's perfect match, but Darcy's pigheadedness and Elizabeth's wounded pride are going to keep them both from the loves of their lives. Georgiana can't let that happen, so she readily agrees to help her accommodating cousin, Anne de Bourgh, do everything within their power to assure her beloved brother's happiness. But the path of matchmaking never runs smoothly... Praise for Searching for Pemberley: "A precious jewel of a novel with a strong love story and page-turning mystery. Absorbing, amusing, and very cleverly written." -The Searcher, Newsletter of NEPA Genealogy Society "An amazingly unique and engrossing tale...without a doubt a must read for any fan of Pride and Prejudice." -The Long and Short of It "Fans of historical fiction and Austen should savor this leisurely read." -Publishers Weekly "This was such a sweet, lovely read, with such rich characters and it was with much regret that it had to end." -A Bibliophile's Bookshelf

Bargain with the Devil

An alternative story based on Jane Austen's Pride & Prejudice. What if Mr. Darcy had demanded a reward from Elizabeth Bennet in exchange for helping her find her sister?

The Unexpected Miss Bennet

Pride and Prejudice's Mary Bennet gets her own story... The third of five daughters, Miss Mary Bennet is a rather unremarkable girl. With her countenance being somewhere between plain and pretty and in possession of no great accomplishments, few expect the third Bennet daughter to attract a respectable man. But although she is shy and would much prefer to keep her nose stuck in a book, Mary is uncertain

she wants to meekly follow the path to spinsterhood set before her. Determined that Mary should have a chance at happiness, the elder Bennet sisters concoct a plan. Lizzy invites Mary to visit at Pemberley, hoping to give her sister a place to grow and make new acquaintances. But it is only when Mary strikes out independently that she can attempt to become accomplished in her own right. And in a family renowned for its remarkable Misses, Mary Bennet may turn out to be the most wholly unexpected of them all...

Jane Austen on Film and Television

Jane Austen's career as a novelist began in 1811 with the publication of *Sense and Sensibility*. Her work was finally adapted for the big screen with the 1940 filming of *Pride and Prejudice* (very successful at the box office). No other film adaptation of an Austen novel was made for theatrical release until 1995. Amazingly, during 1995 and 1996, six film and television adaptations appeared, first *Clueless*, then *Persuasion*, followed by *Pride and Prejudice*, *Sense and Sensibility*, the Miramax *Emma*, and the Meridian/A&E *Emma*. This book traces the history of film and television adaptations (nearly 30 to date) of Jane Austen manuscripts, compares the adaptations to the manuscripts, compares the way different adaptations treat the novels, and analyzes the adaptations as examples of cinematic art. The first of seven chapters explains why the novels of Jane Austen have become a popular source of film and television adaptations. The following six chapters each cover one of Austen's novels: *Sense and Sensibility*, *Pride and Prejudice*, *Emma*, *Mansfield Park*, *Persuasion*, and *Northanger Abbey*. Each chapter begins with a summary of the main events of the novel. Then a history of the adaptations is presented followed by an analysis of the unique qualities of each adaptation, a comparison of these adaptations to each other and to the novels on which they are based, and a reflection of relevant film and literary criticism as it applies to the adaptations.

I Am Jael

After her traumatic experience at Ramsgate, Georgiana Darcy finds strength and inspiration in the story of Jael, a warrior woman of the Bible. Determined to protect her fellow women from the depredations of George Wickham, she descends on Meryton and Netherfield with righteous determination to see the man pay for his crimes. Fitzwilliam Darcy is bewildered by his young sister's resolve to stop Wickham from harming other women. With some reluctance, he joins with his sister and cousin Colonel Fitzwilliam to bring Wickham to justice. Elizabeth Bennet, initially charmed by the handsome George Wickham, is shocked to discover that the man has a dark past. When she discovers the truth, she is determined to assist in ensuring that the handsome and silver tongued military man does not harm those around her. Elizabeth and Darcy find themselves strongly attracted to one another, though Elizabeth questions whether the wealthy owner of Pemberley is willing to set aside his pride to wed a woman whose sometimes vulgar family has ties to trade. In the end, Georgiana's courage brings much needed change in the lives of the Bennets, the Bingleys, the de Bourghs, and Mr. George Wickham himself. This is a low angst, clean, sweet Regency romance of 50,000 words. Warning: this book includes a non-explicit description of a sexual assault against a minor, original character.

Haunting Mr Darcy

What happens to the happily ever after when the ever after has already happened? A 'spirited' courtship indeed! Jane Austen's much adored *Pride and Prejudice* is transfigured in this Regency adaptation. That fickle friend Fate intervenes when an unexpected event threatens the happily ever after of literature's favorite love story. The gentlemen from Netherfield have left, winter is upon the land, and after a horrifying carriage accident, Elizabeth Bennet finds her spirit transported as if by magic into Mr. Darcy's London home. Paranormally tethered to the disagreeable man, it doesn't help that he believes she is a phantasm of his love-struck mind and not the real Elizabeth. Somehow they must learn to trust, learn to love and learn to bring Elizabeth back to her earthly form before it is too late.

A Civil Contract

If you love *Bridgerton*, you'll love Georgette Heyer! 'The greatest writer who ever lived' ANTONIA FRASER '[My] generation's Julia Quinn' ADJOA ANDOH, star of *Bridgerton* 'One of my perennial comfort authors. Heyer's books are as incisively witty and quietly subversive as any of Jane Austen's' JOANNE HARRIS _____ Adam Deveril returns from the Peninsula War a hero, only to find his family on the brink of ruin and his much-loved ancestral home mortgaged to the hilt. It is Lord Oversley, father of Adam's first love, who introduces him to Mr. Chaleigh, a City man of apparently unlimited

wealth, with his eyes firmly fixed on a suitable match for his one and only beloved daughter. Though this civil contract may work on paper, saving one from ruin and bringing the other desired social status, there is only one way to find out if it can really work . . . _____ 'Elegant, witty and rapturously romantic' KATIE FFORDE 'Utterly delightful' GUARDIAN 'Absolutely delicious tales of Regency heroes. . . Utter, immersive escapism' SOPHIE KINSELLA 'Georgette Heyer's Regency romances brim with elegance, wit and historical accuracy, and this is one of her finest and most entertaining ... Escapism of the highest order' DAILY MAIL 'If you haven't read Georgette Heyer yet, what a treat you have in store!' HARRIET EVANS _____ Readers love A Civil Contract ... ***** 'A wonderful tale - recommended for those who want some variation in the romances they read.' ***** 'A Civil Contract is a departure from her usual formula, and it knocked my socks off.' ***** 'Very touching, with a dose of humour.' ***** 'One of my all-time favourites among her many brilliant and enduring books.' ***** 'Amazingly good characters, lots of interior dialogue and character development, lots of humour.'

Is Mr Darcy's Pemberley Really Inspired by Chatsworth House? [Intro]

Why this Jane Austen theory exists: Physical Resemblance

Pride and Prejudice's Description vs the Duke of Devonshire's Estate

Chatsworth is already mentioned in the book

Did Jane Austen visit Derbyshire?

What was 1806 Chatsworth like?

Can Mr Darcy afford Chatsworth?
