A World of Artist Journal Pages

By nature, art journaling is a private activity. But when Dawn Sokol's first book, 1000 Artist Journal Pages, broke the fourth wall and shared the work of artists all over North America and parts of Europe, it created a ripple of inspiration throughout the art journaling community. In this much-anticipated follow-up, Sokol features more than 1,000 new, captivating pages, this time—by popular demand—from artists across the globe. Lists of techniques and materials used for each page, plus behind-the-scenes interviews, give readers a glimpse inside the minds of new and established artists, making this a stimulating compilation sure to inspire beginners and seasoned art journalers alike.
