Chosen Ones

The mega-selling author of the Divergent franchise delivers her masterful first novel for adults.

The Chosen Ones

The Am Spiegelgrund clinic, in glittering Vienna, masqueraded as a well-intentioned reform school for wayward boys and girls and a home for chronically ill children. The reality, however, was very different: in the wake of Germany's annexation of Austria on the eve of World War II, its doctors, nurses, and teachers created a monstrous parody of the institution's benign-sounding brief. The Nazi regime's euthanasia program would come to determine the fate of many of the clinic's inhabitants. Through the eyes of a child inmate, Adrian Ziegler, and a nurse, Anna Katschenka, Steve Sem-Sandberg, the author of the award-winning *The Emperor of Lies*, explores the very meaning of survival. An absorbing, emotionally overwhelming novel, rich in incident and character, *The Chosen Ones* is obliquely illuminated by the author's sharp sense of the absurd. Passionately serious, meticulously researched, and deeply profound, this extraordinary and dramatic novel bears witness to oppression and injustice, and offers invaluable and necessary insight into an intolerable chapter in Austria's past.

The Chosen Ones

THERE IS MAGIC BEYOND THE REALWORLD . . . EFFIE TRUELOVE has learned to travel through magical books to the Otherworld. MAXIMILIAN UNDERWOOD, Effie's classmate, is more interested in

the dark and forbidden Underworld. When Effie and Maximilian both mysteriously vanish, their friends Raven, Lexy and Wolf don't know where to turn for help. Raven is a witch and her horse, Echo, has revealed that Effie is in deep danger and time is running out. To make things worse, Raven's mother, the author Laurel Wilde, is caught up in a plot with the ruthless billionaire Albion Freake, who will stop at nothing to become invincible . . . Where are Effie and Maximilian? Are their disappearances connected? And can Albion Freake's deadly plan be stopped?

The Chosen One

Thirteen-year-old Kyra has grown up in an isolated community without questioning the fact that her father has three wives and she has twenty brothers and sisters. That is, without questioning them much - if you don't count her secret visits to the Mobile Library on Wheels to read forbidden books, or her meetings with Joshua, the boy she hopes to choose for herself instead of having a man chosen for her. But when the Prophet decrees that she must marry her sixty-year-old uncle - who already has six wives - Kyra must make a desperate choice in the face of violence and her own fears of losing her family forever.

The Chosen Ones

In *The Chosen Ones*, sociologist and feminist scholar Nikki Jones shares the compelling story of a group of Black men living in San Francisco's historically Black neighborhood, the Fillmore. Against all odds, these men work to atone for past crimes by reaching out to other Black men, young and old, with the hope of guiding them toward a better life. Yet despite their genuine efforts, they struggle to find a new place in their old neighborhood. With a poignant yet hopeful voice, Jones illustrates how neighborhood politics, everyday interactions with the police, and conservative Black gender ideologies shape the men's ability to make good and forgive themselves—and how the double-edged sword of community shapes the work of redemption.

The Chosen Ones

The Chosen Ones: An Addicts Guide to Their True Purpose By: Dr. Nicole Ouzounian Feel great and be free from addiction! Why do some people escape the slavery of addiction and others do not? The Chosen Ones of Egypt

The Chosen Ones are three men and three women who has powers to fight evil supernatural beings. They are thrown back to ancient Egypt to stop a demon from trying to control the time frame so evil can control in the present. They are accompany by their protector who helps guide them through this world. Together the Chosen Ones and their protector must work together to save not only ancient times but the modern day world.

The Chosen One

This memoir filled with “overwhelming emotions and power” (The Mary Sue) testifies to the disappointments and triumphs of a Black first-generation college student in this exploration of the first-year experience. There are many watchers and they are always white. That's the first thing Echo notices as she settles into Dartmouth College. Despite graduating high school in Cleveland as valedictorian, Echo immediately struggles to keep up in demanding classes. Dartmouth made many promises it couldn't keep. The campus is not a rainbow-colored utopia where education lifts every voice. Nor is it a paradise of ideas, an incubator of inclusivity, or even an exciting dating scene. But it might be a portal to different dimensions of time and space—only accessible if Echo accepts her calling as a Chosen One and takes

charge of her future by healing her past. This remarkable challenge demands vulnerability, humility, and the conviction to ask for help without sacrificing self-worth. In mesmerizing personal narrative and magical realism, Echo Brown confronts mental illness, grief, racism, love, friendship, ambition, self-worth, and belonging as they steer the fates of first-generation college students at Dartmouth. The Chosen One is an unforgettable coming-of-age story that bravely unpacks the double-edged college transition—as both catalyst for old wounds and a fresh start. Finalist for the Ohioana Book Award A Mary Sue Best YA Novel of the Year 2022 Catalyst Award Nominee for Best Memoir A Junior Library Guild Selection “Powerful and vulnerable”—Booklist, starred review

The Chosen One

Fort and his friends face more perilous ancient magic as they race towards the final battle to save humanity in this fifth and final installment in the fantastical series from the author of the New York Times bestselling *Story Thieves*! Fort Fitzgerald is finally reunited with his father and wants nothing more than for life to return to normal, the way things were before magic burst back into the world. But normal isn't an option anymore. Not when the Old Ones could still return to enslave humanity and Damian is dead set on making that happen. Convinced he's the Chosen One the prophecy says will save the world, Damian has mastered all six books of magic and plans to summon the Old Ones to destroy them. Fort knows better though—Damian has no chance of defeating the Old Ones once they arrive. Maybe Fort could stop Damian if he could use the magic from the dragon dictionary, but he's consumed with strange visions each time he tries. The only hope left is for Fort, Jia, and Rachel to recruit the help of old friends—and enemies. But how can they know who to trust? Because unless they can find the truth behind the web of secrets and lies surrounding the prophecy of the Chosen One, Fort's visions, Arthurian legends, and even magic itself, they've already lost.

The Rise of the Chosen Ones

Joseph C. Parker, radio host of "Program Your Life Radio" airing in 30 countries bi-weekly. The show focuses on creating a positive media source in our negative media world. Joe is also a full-time, cyber-security expert for the U.S. Navy. After spending 25 years in high technology, Joe set out to transform the media industry with ideas gained from PSYCH-K, PSI Seminars, Andy Dooley, Bob Proctor, and Burklyn Global. In his new book *Rise of the Chosen Ones*, Joe uses the transformational ideas to help people transform their lives and choose themselves for the greatness they were destined for.

The Chosen Ones

Lorivals' is an exclusive boarding school for the daughters of nobility. Its doors are now open to the more ordinary girls and Nancy Graham is one of the chosen ones'.

The Chosen Ones

Four friends find themselves thrown into a different dimension after a visit to a local cemetery. They are told that they had been chosen to be guardians of the past and future. They now must travel through time to save select people from dying before their destined time. Unknown to the friends, they will have to fight against a presence of evil that will do anything to stop them.

The Chosen Ones

The Chosen Ones

They're born. They're adopted. Why? Nobody knows except the biological mother. Years later, Michelle and Asia run away from their parents because something different was going on. Something weird. The two girls go to their friends Jennifer and Sarah's house. They plan and do something and then join the Police Department. The girls are too young to work but they do it anyway. As a case is going on, Jennifer meets a boy named Adam. Later on, the five children find out they have a stronger bond than just being friends. From there, things start to change making their normal life turn totally upside down and unsafe. They find out who they are and what they have to do. Especially the Chosen Ones. The Chosen Ones have a bigger job. They have to fight to protect two worlds - The Wizardry and The Mortals. Why are they the Chosen Ones? What is their duty as the Chosen Ones? How big are the

irresistible fights they have to fight in order to keep themselves alive, along with the million of others? The five children now live with their biological parents. That is when things start to come together. Their enemy is growing stronger. He needs to be stopped before he destroys lives. The five children have a friend named Damian. He helps them through everything. Everything that happens connects to other things and everyone, in a way, as their lives move on.

Dragon's Green

Life is bleak but uncomplicated for sixteen-year-old Tess, living in a not-too-distant future where the government, faced with humanity's extinction, created the Chosen Ones, artificial beings who are extraordinarily beautiful, unbelievably strong, and unabashedly deadly. When Tess begins work at Templeton, a Chosen Ones training facility, she meets James, and the attraction is immediate in its intensity, overwhelming in its danger. But there is more to Templeton than Tess ever knew. Can she stand against her oppressors, even if it means giving up the only happiness in her life?

The Chosen Ones

Earl Woods, the father of young Eldrick "Tiger" Woods, was widely ridiculed in 1996 when, in an article anointing his son as Sports Illustrated's Sportsman of the Year, he likened Tiger's potential impact to that of a messiah. This unseemly proclamation appeared to embody all the worst elements of the dreaded sports-parent who seeks financial windfall and personal validation by pushing his child to excel on the diamond, the gridiron, the court, or the fairways. But in light of all we know now about Tiger Woods, David Owen asks in *The Chosen One*, who is to say that it wasn't Tiger's transcendent greatness all along that induced his father to guide him, rather than the father pushing the son? Not since the dawn of competitive tournament golf has anyone distanced himself from the rest of the world the way Tiger has. He is the best there is at nearly every aspect of the game: the longest driver, the strongest iron player, the most creative around the greens, and so sharp a clutch putter that when he putts well the tournament is over, and when he putts badly he often wins anyway. He is a breakthrough athlete in a sport remarkably resistant to them; in every tournament, Tiger has to beat a hundred-plus competitors, any of whom can take away a title with a four-day hot streak. When Michael Jordan won all his back-to-back championships, each night he only had to beat one team. Tiger is also a breakthrough athlete as one of the first true multicultural icons. There are African-American, Asian, Native American, and Caucasian elements to his roots; he carries with him parts of so many ethnicities that he not only shatters stereotypes but renders the whole notion of racial classification irrelevant. It is ironic that such an athlete would emerge in golf, America's most tradition-bound and racially insensitive sport. In *The Chosen One*, gifted essayist David Owen ponders the social, economic, and athletic implications of this amazing young man. We are only beginning to see all the ways that Tiger Woods might reshape the world. Owen's thoughtful, incisive, elegant, and provocative work examines this phenomenon unlike any the fields of play have ever seen, in a book that will stand alongside John McPhee's *A Sense of Where You Are* (about Princeton forward Bill Bradley) among the classic works of sports philosophy.

Chosen Ones

Eva Dunbar wakes in a large metal box. She has no idea who has taken her. She has no way out. She isn't the first young woman to disappear. And with no leads Detective Ian Bradshaw has precious little time. When at last a body is found, the police hope the tragic discovery might at least provide a clue that will help them finally find the kidnapper. But then they identify the body - and realise the case is more twisted than they ever imagined . . . THIS STORY WILL CAUSE NIGHTMARES, IT IS THAT GOOD Daily Mail 'DARK, CLEVER AND ENGROSSING' C. L. TAYLOR 'I WAS HOOKED FROM START TO FINISH' LJ ROSS

The Chosen One

Only beloved storyteller Christina Dodd could deliver such explosive paranormal excitement with Aleksandr Wilder's story of finding redemption...and love... As a young man, Aleksandr Wilder abandoned his duty—and for that lapse, he has been tortured, tormented ... and transformed. Now he prowls the tunnels beneath the city, fighting on the frontline against the forces of hell, never daring to dream that he can live as a man again. After seven years fighting the world's ultimate evil, Chosen One Charisma Fangorn has become a tough, strong warrior without illusions or joy...even her gift of hearing the earthsong has faded. Deaf to her own instincts, she never suspects that a monster lurks in the dark underneath the streets. When Aleksandr finds Charisma under attack, he rescues and cares for

her, and hope stirs once more in his heart...and in the world. But in the secret recesses of his soul, he knows the truth. A woman so exceptional could never love a beast...could she?

The Chosen Ones

This suspense filled autobiographical fiction, has many twists and turns; a love story, drama, suspense, mystery, magic, with a dark edge of conspiracy and betrayal intertwined. Unbeknownst to her, Chantelle was born one of the many "Chosen Ones"

The Chosen Ones

Johnny was raised in the Larchwood Public Housing projects of Southwest Philadelphia in the 1980s and 90s. All he wants to do is use his God-given intellect to become a successful businessman and escape poverty. However, it seems most people he encounters fight him tooth-and-nail in his journey to greatness. Johnny and his cousins, Kobe and Tamir, are affected in different ways by what they experience when dealing with their relatively young, somewhat reckless caregivers. They are exposed to drugs, extreme violence and alternative forms of spirituality one minute; but are traveling and rubbing shoulders with celebrities and politicians the next. The three boys were born with great gifts which will shape the course of their lives. Unfortunately, they also have trauma to bear. Will Johnny and his cousins survive their trials long enough to achieve greatness without succumbing to the dark forces surrounding them? Dive into "The Chosen Ones," a retelling of true events, to find the answer to that question, and so much more!

Wilder

A fundamentalist Islamic army is on the march in the Middle East, and the fight to stop the spread of madness will take everything the American military can muster, in this novel from the author of *The Red Line*. Two months ago, a new leader arose in the Islamic world, the Mahdi—or the Chosen One. He has rallied fundamentalist Muslim forces across the Middle East who have driven deep into Saudi Arabia and Egypt. Standing against them is an allied force made up primarily of the American military. It's a desperate fight. From armored battles in the desert to American carriers desperately dodging waves of cruise missiles, the Mahdi proves to have many tricks up his sleeve. Marine Lieutenant Sam Erickson is in the thick of the fighting. He and his company have fought their way from a landing on the Mediterranean shore to the outskirts of Cairo. Now he finds himself at a critical juncture, but can he make the sacrifices necessary for the greater good?

The Chosen Ones

'The battlefield-sized room suddenly became a real battlefield. "DIE!" Nacuzen boomed as he disappeared. Cold laughter echoed within the walls of the room.' Edmond and Buzz were carried off by an alien named Naeron from their school picnic site. Naeron told them that Edmond was the Chosen One, and he had to save the Xurius Ruby from the Nacruzian aliens and their ruthless chief, Nacuzen. He took them to his planet Xurius. What will Edmond and Buzz do? Will they be able to save the ruby and defeat Nacuzen?

The Chosen Ones

Without so much as a warning, humanity in its entirety was suddenly moved to another dimension. Every person without exception. But this new world with all its opportunities and gifts of wondrous abilities, was a stadium. A deadly arena of an unimaginable scale. And Humanity were to be its latest gladiators. Every man, woman and child was given a weapon and ordered to fight. Stuck in this dimension without a way out, only two options existed for the would be hunters: Fight with monsters to complete the many trials ahead, or perish. Faced with hordes of powerful monsters, thrown into battle with complete strangers at random, the unfair game of survival began. And from the very beginning, billions of lives were extinguished in mere moments. But even within this abyss of despair was a small ray of hope: If even one person were to complete every raid, then humanity would be redeemed and restored back to its former glory. No save points, no revives, no retries. Everyone had just one life to make their way through the gauntlet of raids prepared to test their mettle. Within this marathon of death, one man becomes aware of an exception to the rules of the game.

The Chosen One

Selkor has gained three of the four keys that the Warders have kept secret for untold years. The Shandese Magician is desperate to get the final key and become 'The Chosen One' prophesied by the Oracle, Drehboor Perdimonn, Warder of the Earth Key, must somehow find a way to stop him.

THE CHOSEN ONE

Fate of the Fallen is the start of a brand new adventure from New York Times bestselling author Kel Kade. Not all stories have happy endings. Everyone loves Mathias. Naturally, when he discovers it's his destiny to save the world, he dives in head first, pulling his best friend Aaslo along for the ride. However, saving the world isn't as easy, or exciting, as it sounds in the stories. The going gets rough and folks start to believe their best chance for survival is to surrender to the forces of evil, which isn't how the prophecy goes. At all. As the list of allies grows thin, and the friends find themselves staring death in the face they must decide how to become the heroes they were destined to be or, failing that, how to survive. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Initialization

By the Gods demand Lady Elesee gave birth to three daughters, when never in their history had an elf bore more than two children. Yet the sisters were special for the Gods had gifted them minds linked to each other. They thought as one, acted as one and fought as one, their prowess growing as the years sped by. Yet gifts from the Gods are rarely free. They were born for a quest to fight the one the Gods were powerless against. To lose would mean the destruction of their world for the Gods would destroy all life and rebuild it afresh. When the quest came upon them the sisters powers were greater than any elves before them, yet they lay down their arms and refused the fight, even knowing the wrath the Gods would rain down on the world for their failure.

The Chosen One

At the start of the twenty-second century, the earth has become an uncivilized place, where the devil rules and corruption and debauchery are commonplace among the majority of humans. But not everyone has given in to evil. Twenty-year-old Princess Anakia is the chosen leader of a group called the White Angels and of a new planet called Aashirya. God has given her powers in order to save those on earth who still follow the ways of the Bible--a mission she shares with her family. - Through her sister Berry, Anakia learns of the return of demons among humanity, an event that will place all believers on earth in peril. Now the White Angels must face the demons in battle with the help of a group of divinely chosen teenagers--each bearing a powerful ring designed to help them face the present evil threat. But soon they learn of yet another child blessed with the power of God--at only eight years old. Will this girl - fight with them, or will she side with demons and the devil? Only time will tell. In this novel, a group of chosen warriors with the power of God face off against an army of demons working on earth to serve the devil.

Fate of the Fallen

Convict Chris Brandin, by chance, writes to an overseas address that will change his life forever and make him The Chosen One. He meets a Korean beauty who's looking for a pen pal but finds love... Chan Que is a South Korean businessman getting up in age who needs to find a son-in-law to expand and take over his empire... Brandin considers himself the luckiest man on earth after Chan gets him released, offers him his only daughter and his business, only to find himself in the middle of a war and in the sights of one of the world's most feared hit men....

In the gripping second installment of Christina Matson's thrilling trilogy, "The Chosen Ones," Jo and her community grapple with the consequences of a lawless world. As they fight for survival against ruthless armies, haunting abductions, and dwindling resources, they must unite as the "Chosen Ones" to shape their destiny. With resilience, sacrifice, and the power of community, this gripping tale will leave you breathless, yearning for the next chapter. In a world where chaos reigns and hope flickers, Jo's journey takes her through harrowing challenges and unexpected alliances. From the depths of darkness, they rise, facing daunting obstacles while discovering the strength within themselves. "The

"Chosen Ones" is a riveting story of resilience and the enduring spirit of humanity, reminding us that even in the face of adversity, hope can prevail.

The Chosen Ones

Chosen Ones is a comprehensive monograph on the work of German painter Bendix Harms (born 1967), spanning over 15 years of work. A repertoire of motifs recurs throughout the nearly 400-page volume: birds, trees, airplanes, cars and the artist's profile--all rendered in loose, exuberant strokes of gray and muddy orange. Drawing on elusive autobiographical references, the paintings--whether of grotesque figures or more surrealistic scenes--are often humorous and suggestively narrative, compelling in their apparent disregard for and liberation from concept. "I love artists' late works," he has said, "when they display a completely free style because it no longer matters whether their work will earn them applause or a rap over the knuckles." The first major monograph on the artist, Chosen Ones features texts by Gisela Corleis and Grace Dunham as well as black-and-white photographs by Harms, in addition to reproductions of more than 300 paintings.

The Chosen One

Chosen Ones

When Peter and Julia go to stay with their grandparents in Oxford, England, they discover a mysterious garden, which serves as a portal to a world where they are greeted as the saviors of a people enslaved by evildoers.

The Chosen Ones

The soldiers of Christ are on the march in the Australian Anglican Church. The appointment of Peter Jensen as Anglican Archbishop of Sydney was the triumphant culmination of a struggle for power within this influential diocese. He and his supporters are implementing reforms leading the Church away from traditional forms of worship and progressive policies, towards extreme conservative evangelism - not just in Sydney, but across Australia and internationally as well. Chris McGillion tells the inside story of the take over of Sydney's Anglican Church, arguing it is nothing less than a new Reformation. He explains why the Sydney diocese has been receptive to the evangelical mission, the role of the brothers Jensen and other leading church figures, and how their aggressive proselytising could open up a deep cultural divide in this country. He also examines the international impact of these changes in the richest Anglican diocese in the world. 'Perceptive, incisive and absorbing. Quite the best study of the modern Anglican Church scene.' - Alan Gill, former religion writer and columnist for the Sydney Morning Herald 'McGillion describes the inner workings of one of the powerhouses of the Anglican Church - Sydney Diocese... Told with the clear eye of an outsider... this is a very readable story [with] a wider appeal to those who seek to understand a key player in this time when conservative Christianity is increasing its influence in Australia and elsewhere.' - From the Preface by Professor Gary D. Bouma

The Chosen Ones

In this novel, a group of chosen warriors with the power of God face off against an army of demons working on earth to serve the devil.

Chosen Ones

You have a story to tell, don't you? Or maybe you simply want to try your hand at fiction writing. Perhaps you've given it your best effort, but simply didn't have enough tools in your tool box to finish that first draft. Wherever you're at with this novel-writing thing, popular bloggers Stephanie Morrill, Jill Williamson, and Shannon Dittmore totally understand. They know it's hard to finish a first draft. To stay motivated until the end. To feel like a "real" writer. They know because they've been there too. In *Go Teen Writers: Write Your Novel*, you'll learn: There is no such thing as one right way to write a novel. How to take an idea and give it a beginning, middle, and end. What story structure means and how it strengthens a book. Different approaches to plotting a novel. How to develop characters worth reading about. Strategies for creating memorable storyworlds and settings. What theme is and how to use it to enrich your story. What to do when your first draft is finished. There's no doubt about it. Learning to write a novel from beginning to end is a challenge. But with this book as your guide, you'll see that when you're in possession of the right tools, you're capable of finishing what you start. You'll be empowered and encouraged-as if you had a writing coach (or three!) sitting alongside you.

The Chosen Ones

Guardians: Angels who watch over mankind. Chosen Ones: A select few born to save mankind from evil, aka Satan. Abby McDonald is the very last in a line of Chosen Ones and Satan's greatest earthly adversary. Born with unique abilities, she is the only person walking the face of the earth powerful enough to stop Satan from putting his plans into motion. In fact she did so on the day she was conceived, sending him into an uncontrollable rage, for he knows how strong an adversary she is. With angels as her constant companions and guides the very final battle for the salvation of mankind begins. If Abby fails, life as we 'All' know it ceases to exist, and Satan will finally get what he has been longing for all these centuries, a new place to call Home/Hell; Earth!
