The McClane Apocalypse:

"The end of the world doesn't happen with a bang. It takes slightly longer than that but not by much. Research projects, Gross Anatomy class, tests and fancy coffee drinks will cease to be important. The fight for her life will become the only thing that matters." Reagan McClane is a prodigy med school student on the brink of a brilliant career, but the United States and the rest of the world are headed towards total economic and social collapse. And it doesn't take more than a few hours for mass crime, looting and pillaging to spread across the country like a plague. A brutal attack at her university leads to a fight for her life before Reagan barely makes it home to the safety of her awaiting grandparents and sisters on their family farm in Tennessee. Three sexy Army Rangers, one of whom is married to Reagan's eldest sister, will join the McClane family to build their farm into an impenetrable fortress that they will fight to keep, no matter the cost. Reagan will find that defending her hardened, scarred heart against ever letting anyone in again will prove even more difficult than survival as one Ranger, in particular, tries to invade it. The McClane Apocalypse is a story of love, survival and the importance of family during the worst of times imaginable. Look for Book 2 of the trilogy coming in July!

The McClane Apocalypse Book Seven

As the McClane saga continues, the family is forced to aid General Robert McClane in his travels to Fort Knox where he will meet up with the rest of his people from the bunker. The strength of the group will be tested, and hard choices met head-on. The family will face a new threat in the area that is wiping out innocent people near their farm, and some will be put in perilous situations. Cory and Paige will need to confront a difficult decision of their own, but can she let go of her fears to do so? Sam has given up all hope that Simon will come to his senses, but has he given up on her and is he willing to let her go so easily? And a fight for survival none of them saw coming will knock on their door. Can the family survive their toughest adversary yet?

The Mcclane Apocalypse Book Ten

As the McClane saga continues, the family realizes that someone in their trusted, inner circle may just be the person who has leaked precious information about them, Fort Knox, and their community allies to the men who were running the highwaymen and ultimately to whoever they were reporting. It becomes a quest for vengeance, a vengeance of the innocent people murdered for months on end by the highwaymen. Will time run out before they can stop the damage being done to their family and allies or will they sniff out the traitors in time to save everyone? And while the manhunt continues, Simon, who has finally reconciled his feelings for Sam, must find a way to win her over after the pain he has caused her fragile heart for rejecting her. However, it proves more difficult than he anticipates as she has made

a promise to herself to close Simon out of her life forever. Little does she know, Simon has finally come into his own and is up for the challenge. When the story concludes, the McClane family will be put to the biggest test of their lives since the fall, and they are faced with drastic changes to their family dynamic when General McClane calls them to a meeting at Fort Knox to discuss their fates. And all Herb wants to do is hold his family together, keep them safe, and protect them. But at what cost will that come?

The McClane Apocalypse Book Nine

As the saga continues, the McClane family must deal with the highwaymen for good, but despite their well-planned strategies and meetings, they find that time and again the group is one step ahead of them and will not be so easily defeated. Finding their hidden lairs will prove only half the battle, and in the end, they discover that others could be conspiring against them and working with their enemy to defeat them. The arrival of Robert McClane's doctors and scientists will significantly improve their chances of finding a cure for the Scarlet Fever ravaging the children of their village, but with more people comes significant complications that could potentially upset the balance of the family. And the conflict between Cory and his best friend lingers as he tries to find a way to help Simon learn to forgive him and resolve their issues. Except for the only problem Simon has isn't just Cory. His own struggles to win back Sam and convince her to return to the farm is the most difficult task he's faced yet. It leaves some of them wondering if harmony will ever visit their farm again.

The McClane Apocalypse Book 5

Follow the next generation of the McClane family as they fight to overcome the nightmares of their pasts and press forward toward a new future together. As Paige struggles to fit in with the family, Simon must deal with his feelings for Samantha, feelings he would just as soon forget. With Cory's return, everyone fears that he will never recover from the loss of his little sister. Once again, the McClane family comes up against conflict and hardship in book five of the series. They will take on an unforeseen threat, welcome new people into their small town and discover potential betrayals within the community. Important new alliances are made, which will aid in securing and defending the family and their expanding town. Relationships are deepened while others are severed. And Reagan's courage will be tested as she must face her most difficult adversary yet.

The McClane Apocalypse Book Seven

As the years have gone by on the McClane farm, the family has suffered losses, brought forth new life and celebrated the return of old friends. They work with their community to restore unity while offering medical services at Doc's old practice in town. But some of them wonder if going to town will always be what's best for their personal safety and the security of the whole family. The teenagers are no longer kids but working, contributing adults who run patrols, hunt, fish and forage for supplies from neighboring towns for the betterment of the group. Making those trips sometimes comes at a price, however, and eventually even the ultimate one. When tragedy strikes and one of their own leaves the farm for good, how will they continue on? And in this next chapter of the family saga, a radio message may just put a wrench in their plans and ruin all hopes of maintaining a peaceful existence on their hidden sanctuary.

The McClane Apocalypse Book 4

When a viral apocalypse kills 97% percent of the people on the planet, the survivor's humanity is hanging by a thread. Fighting over the leftovers of civilization, what's needed is a hero that's more killer than saint. The people he finds become family and that is very bad news for those who think they are running things. This is the first book in new series from the author of the Eden Chronicle's "A Bright

Shore" and "Come and Take it." The author is a former CIA operations officer who has decided that his lifelong writing habit/hobby/obsession is more fun than "real" work. "Finally an author that doesn't pull punches..." Amazon Reviewer "Not going to work tomorrow, it's 4 am and I just finished one of the best books I've read in years.." Amazon Reviewer

If you tried to run, you know what would happen, Winter. I would hunt you down and burn the world to find you... The world has gone to shit. All that's left are a few bands of rogue survivors, more dangers than ever, those violence-loving rotters, and me and my dog, Cleo. Well, it should just be Cleo and me. And it was, until--I found them. A group of mercenaries in this plagued, wintry world. Once high-ranking soldiers, something has turned them dark in this new life we all lead. And my darkness calls to theirs... Leo saves my life, Castle keeps me safe, and I'm torn between the two. Only, it's more than returned feelings that have them watching over me, and I quickly learn that my place in this group is not optional. I can't leave any time I want. I've been taken captive. And I see no way out. Not without breaking my own heart in the process. Winter Plague is the complete (books 1 - 4) collection of the Winter Plague series, second edition. Warnings for explicit scenes, love triangle, dark romance, and graphic violence.

The McClane Apocalypse Book Six

Seven years ago, a chemical spill brought the U.S. Army to rural Penn County, Iowa, where soldiers established a long-term, medically maintained quarantine. Officially, it's called the PennCo Containment Area. But to the people trapped inside, their bodies tainted with chemicals that give off a sweet smell, it's known simply as Flowertown. The quarantine was supposed to save their lives, but many of the survivors have grown suspicious of the government's real motives. But not Ellie Cauley--her rage long ago burned down to hard, cynical pessimism. When a series of deadly events forces Ellie out of her apathy, she must prepare to face an enemy powerful enough to unleash her greatest nightmare.

Flowertown

In the third installment of this epic saga, The McClane family faces new challenges. They will combat a deadly disease that could kill them all, outside complications from an embattled nearby city, and potentially dangerous strangers living on their farm. Their safe haven of security and isolation that they've worked so hard to preserve could come to an end. While Reagan and Doc work tirelessly with their ill patients, tensions mount between the Rangers and the unwanted guests. Even though the McClanes have established rules, boundaries will be violated which further incenses the soldiers. Relationships deepen, secrets are exposed and the family is forced to make an important decision. Their bond will strengthen as they experience love, tough decisions and a deepening commitment to each other. John's feelings for Reagan intensify, but will he ever break down the protective barrier around her heart? Follow this story all the way to its climactic ending full of twists and surprises around every corner.

The McClane Apocalypse Book Three

"If you're searching the horror horizon for a dark star, your next must-read, the silhouette you see coming your way is Jonathan Janz." - Josh Malerman, New York Times best selling author of Bird Box and Malorie Fearing that mankind is heading toward nuclear extinction, a group of geneticists unleash a plot to save the world. They've discovered that mythological creatures such as werewolves, vampires, witches, and satyrs were once real, and that these monstrous genetic strands are still present in human DNA. These radical scientists unleash the bestial side of human beings that had been dormant for eons, and within months, most people are dead, and bloodthirsty creatures rule the earth. Despite the fact that Dez McClane has no special powers, he is determined to atone for the lives he couldn't save and to save the woman he loves. "Solid adventure, intrigue and speculative space-tech, from a rising star in military science fiction."- DAVID BRIN, Hugo and Nebula Award-winning author of 'EXISTENCE,' 'THE POSTMAN,' and 'STARTIDE RISING' HUMANITY IS NO LONGER ALONE IN THE UNIVERSE. AN UNKNOWABLE THREAT APPROACHES EARTH . . . AND WE ARE COMPLETELY UNPREPARED TO FACE WHAT'S COMING. Aerospace tycoon Gordon Elliot Lee cannot stand idly by while a mysterious alien presence from Delta Pavonis bears down upon mankind's only home. Shut out from NASA and military support, Gordon is forced to go it alone, to sow the seeds for an entirely new sort of planetary defense: a space-based naval force. Joined by Nathan Kelley -- a bloodied naval warrior, scarred by his own actions in the waters off North Korea -- and Kris Munoz -- an avant garde scientific genius with more ideas than sense -- these three will scour the very edges of fringe science and engineering to attempt development of Earth's first space navy in time to oppose the Deltan invasion. Beset by ridicule, government obstruction, industrial espionage, and their own personal demons, it will take a miracle just to get off the ground. But the challenges on Earth are nothing compared to what awaits them in space. Against an unknown alien enemy with vastly superior technology, a handful of human scientists and warriors must become the sword that holds the darkness at bay. MISSILES WILL FLASH, RAILGUNS WILL RUMBLE, LASERS WILL BURN, AND DEFENDERS WILL DIE. IF THEY FAIL, OUR END IS AT HAND. "There are brilliant first contact stories, great space combat stories, and amazing stories of technological discovery. Rarely do you find all three in the same novel. Remember the name Thomas A. Mays. You're going to be seeing it on the bestseller list."- JEFF EDWARDS, Award-winning author of 'SEA OF SHADOWS,' and 'THE SEVENTH ANGEL' "Sharply written, suspenseful and tightly plotted, A SWORD INTO DARKNESS reads like the best Tom Clancy novels, with a science fiction heart provided by Arthur C. Clark. Can't wait to read more from Thomas Mays "- GRAHAM BROWN, #1 New York Times Bestselling author of 'ZERO HOUR,' 'BLACK RAIN,' and 'THE EDEN PROPHECY'

End Time

A Sword Into Darkness

The adventures of Samak, a trickster-warrior hero of Persia's thousand-year-old oral storytelling tradition, are beloved in Iran. Samak is an ayyar, a warrior who comes from the common people and embodies the ideals of loyalty, selflessness, and honor—a figure that recalls samurai, ronin, and knights yet is distinctive to Persian legend. His exploits—set against an epic background of palace intrigue, battlefield heroics, and star-crossed romance between a noble prince and princess—are as deeply rooted in Persian culture as are the stories of Robin Hood and King Arthur in the West. However, this majestic tale has remained little known outside Iran. Translated from the original Persian by Freydoon Rassouli and adapted by Prince of Persia creator Jordan Mechner, this timeless masterwork can now be enjoyed by English-speaking readers. A thrilling and suspenseful saga, Samak the Ayyar also offers a vivid portrait of Persia a thousand years ago. Within an epic quest narrative teeming with action and supernatural forces, it sheds light on the lives of ordinary people and their social worlds. This is the first complete English-language version of a treasure of world culture. The translation is grounded in the twelfth-century Persian text while paying homage to the dynamic culture of storytelling from which it arose.

Samak the Ayyar

High atop a Los Angeles skyscraper, an office Christmas party turns into a deadly cage-match between a lone New York City cop and a gang of international terrorists. Every action fan knows it could only be the explosive big-screen blockbuster *Die Hard*. But before Bruce Willis blew away audiences as unstoppable hero John McClane, author Roderick Thorp knocked out thriller readers with the bestseller that started it all. A dozen heavily armed terrorists have taken hostages, issued demands, and promised bloodshed — all according to plan. But they haven't counted on a death-defying, one-man cavalry with no shoes, no backup, and no intention of going down easily. As hot-headed cops swarm outside, and cold-blooded killers wield machine guns and rocket launchers inside, the stage is set for the ultimate showdown between anti-hero and uber-villains. Merry Christmas to all, and to all a good fight... to the death. Ho ho ho!

The Mutineer's Daughter

From USA Today bestselling author Rebecca Hefner The next generation of Etherya's Earth begins... Calinda, daughter of Darkrip and Arderin, has never quite fit in the immortal world. Raised alongside humans, she returned to the realm as the subject of a cryptic prophecy. Feared by some and shunned by others, Callie struggles to understand her place in the kingdom. When a handsome suitor begins to court her, she is taken by his ardent gestures, even if she has doubts. Stoic Vampyre soldier Brecken grew up far from royal castles and wealthy aristocrats and understands he and Callie are worlds apart. Silently, he guards her and her suitor, falling for her more each time he hears her silken laugh and observes her kindness toward his little sister. He might not deserve her, but he vows to keep her safe. When Callie's suitor betrays her by aligning with their enemy, Brecken is there to pick up the pieces. As the final battle with Bakari draws near, Brecken continues to protect Callie, knowing a future between them is uncertain. But Callie is determined to defy the prophecy and prove to her heroic soldier that destinies are never set in stone... **The Etherya's Earth fantasy romance series is best read in order although each book does have its own featured hero/heroine and HEA. Project Hail Mary

Had everyone bitten tonight caught this? The other bites had not looked like vampire bites. They'd been zombie, or human looking. Was this infection something that vampires and shapeshifters could catch? If it was, then it was something new. Some zombies are raised. Others must be put down. Just ask me, Anita Blake, Vampire Hunter. Before now, I figured I could handle them. Before now, I had never heard of any of them causing human beings to perish in agony. But that's all changed. Micah's estranged father lies dying, rotting away inside from some strange ailment that has his doctor's whispering about 'zombie disease'. I make my living from zombies - but these aren't the kind I know so well. These creatures hunt in daylight, and are as fast and strong as vampires. If they bite you, you become just like them. And round and round it goes ... Where will it stop? Even I don't know.

Affliction

Mary Doria Russell, the bestselling, award-winning author of *The Sparrow*, returns with *Epitaph*. An American Iliad, this richly detailed and meticulously researched historical novel continues the story she began in *Doc*, following Wyatt Earp and Doc Holliday to Tombstone, Arizona, and to the gunfight at the O.K. Corral. A deeply divided nation. Vicious politics. A shamelessly partisan media. A president loathed by half the populace. Smuggling and gang warfare along the Mexican border. Armed citizens willing to stand their ground and take law into their own hands. . . . That was America in 1881. All those forces came to bear on the afternoon of October 26 when Doc Holliday and the Earp brothers faced off against the Clantons and the McLaurys in Tombstone, Arizona. It should have been a simple misdemeanor arrest. Thirty seconds and thirty bullets later, three officers were wounded and three citizens lay dead in the dirt. Wyatt Earp was the last man standing, the only one unscathed. The lies began before the smoke cleared, but the gunfight at the O.K. Corral would soon become central to American beliefs about the Old West. *Epitaph* tells Wyatt's real story, unearthing the Homeric tragedy buried under 130 years of mythology, misrepresentation, and sheer indifference to fact. Epic and intimate, this novel gives voice to the real men and women whose lives were changed forever by those fatal thirty seconds in Tombstone. At its heart is the woman behind the myth: Josephine Sarah Marcus, who loved Wyatt Earp for forty-nine years and who carefully chipped away at the truth until she had crafted the heroic legend that would become the epitaph her husband deserved.

The Adventures of Apocalypse AI

The Amazon Best-Selling Series is available in one book! "5 Hearts for Alexis & Blake" - Romance Between the Sheets
Zombies are on the loose in New Orleans and of all the End of the World scenarios, Alexis Winter wasn't prepared for this one. But, an apocalypse is an apocalypse and she should have

this covered. She has been "prepping" for the last three years. The problem is location and timing. She's stuck downtown and she has to get to her house on the outskirts of the city so she can get her supplies and bug-in (for the "non-peppers" this means hole up and stay safe). Agreeing to work on a Saturday is now coming back to bite her on the ass big time. Hopefully, it won't be a literal bite by the walking dead. Luck favors the prepared, and as luck would have it, it comes in the form of the ridiculously hot Blake Miller and his business partner Zach James. Former military men, current mercenaries, Blake and Zach have everything a girl needs to survive the zombie apocalypse. SHTF. RUN. FIGHT. LIVE. JUSTICE. HONOR. The entire NOLA Zombie series. The stories follow a group of survivors and their quest to stay alive in a world gone to Hell. And in that process of survival to find a little bit of hope and maybe even love. Can there be a happily ever after in the NOLA Zombie world? You'll have to read to find out... Zombies, sex, romance and carnage... you can't get any better than this. Be warned, there will be monsters, living and dead, there will be very intense sex scenes (m/f, m/m/f) and there will be a lot of violence. **This book contains all 5 books + the prequel of the NOLA Zombie series. This is a zombie apocalypse with a lot of romance, including a menage romance within books 1 through 3.

Mycroft Holmes

In the long-awaited follow up to DEAD SEA, it has been several months since the disease known as Hamelin's Revenge decimated the world. Civilization has collapsed and the dead far outnumber the living. The survivors seek refuge from the roaming zombie hordes, but one-by-one, those shelters are falling. Twenty-five survivors barricade themselves inside a former military bunker buried deep beneath a luxury hotel. They are safe from the zombies... but are they safe from one another? As supplies run low and despair sets in, each of them will find out just how far they're willing to go to survive.

"If you're searching the horror horizon for a dark star, your next must-read, the silhouette you see coming your way is Jonathan Janz."— Josh Malerman, New York Times best selling author of Bird Box Book 2 in The Raven series Three years ago the world ended when a group of rogue scientists unleashed a virus that awakened long-dormant strands of human DNA. They awakened the bestial side of humankind: werewolves, satyrs, and all manner of bloodthirsty creatures. Within months, nearly every man, woman, or child was transformed into a monster...or slaughtered by one. A rare survivor without special powers, Dez McClane has been fighting for his life since mankind fell, including a tense barfight that ended in a cataclysmic inferno. Dez would never have survived the battle without Iris, a woman he's falling for but can never be with because of the monster inside her. Now Dez's ex-girlfriend and Iris's young daughter have been taken hostage by an even greater evil, the dominant species in this hellish new world: Vampires. The bloodthirsty creatures have transformed a four-story school building into their fortress, and they're holding Dez's ex-girlfriend and Iris's young daughter captive. To save them, Dez and his friends must risk everything. They must infiltrate the vampires' stronghold and face unspeakable terrors. Because death awaits them in the fortress. Or something far worse. Cynical, foul-mouthed veteran Antony Johnston (Umbral, Wasteland) gets partnered with fresh-faced idealist Justin Greenwood (Wasteland, Resurrection) for a new crime series with serious attitude!

NOLA Zombie

When the zombie apocalypse started, Xander Barnes by hunkering down in a Costco with family and friends, fighting off both the living and the dead. Then they were evacuated to a nearby Army base and it looked like everything would be better. However, while personal safety increased, life got tougher with long hours of grueling work. limited food, and spending his remaining time in a tent in a shantytown filled with desperate refugees who often had lost everything and sometimes, everyone

they cared about. Those long cold nights were just a taste of things to come, because winter was also fast approaching. Just when he thought things couldn't get any worse, he got drafted to fight against the legions of the undead, but that was difficult when he and his fellow soldiers were under-equipped, poorly-trained, and on its own with little support from regular Army troops. Before he knew it, his unit was cut off and surrounded by hundreds of zombies desperate to feast on him and his fellow troopers.
