A History of the French Novel: From the Beginning to the Close of the 19th Century (Complete)

A single mom and her seventeen-year-old daughter learn how to let go in that precarious moment before college empties the nest.

Good-bye My Fancy

In the aftermath of a devastating wedding day, two families, the Tetherlys and the Copakens, find their lives unraveled by unthinkable loss. Over the course of the next four summers in Red Hook, Maine, they struggle to bridge differences of class and background to honor the memory of the couple, Becca and John. As Waldman explores the unique and personal ways in which each character responds to the tragedy--from the budding romance between the two surviving children, Ruthie and Matt, to the struggling marriage between Iris, a high strung professor in New York, and her husband Daniel--she creates a powerful family portrait and a beautiful reminder of the joys of life. Elegantly written and emotionally gripping, RED HOOK ROAD affirms Waldman's place among today's most talented authors.

November Boughs

From the bestselling author of Snow Falling on Cedars, a dazzling, darkly funny, compulsively readable retelling of Sophocles's Oedipus Rex that takes us from the 1962 Seattle World's Fair to the twenty-first century headquarters of an Internet search giant. 'Superbly organised and sophisticated ... Excellently entertaining' Sunday Times 'A great story and a riveting read' Daily Mail In 1962, when Walter Cousins sleeps with his British au pair, Diane Burroughs, he can have no sense of the magnitude of his error:

this brief affair sets in motion a tragedy of epic proportions, upending Sophocles's immortal tale of fate, free will, and forbidden desire. At the centre is Ed King, an infant given up for adoption who becomes one of the world's most powerful men. But beneath the gripping story of Ed's seemingly inexorable rise to fame and fortune is a dark and unsettling destiny, one that approaches with ever-increasing suspense as the novel reaches its shattering conclusion.

### The Mystery of the Woods

'Deeply affecting ... exquisite' Washington Post 'Subtle and truthful' Sadie Jones 'Acutely observant ... heartbreaking' Daily Telegraph Ever since her boyfriend Gus was killed in 9/11, Billy has been pretending. She finds it easier to stay silent and go through the motions of grief than tell the truth: that she was planning to leave Gus, and that his death left her feeling a mixture of ambivalence and anguish that she is still struggling to resolve. Drawing from her experience, Billy writes a play: 'The Lake Shore Limited'. The opening night brings together three people whose lives intersect and interweave with Billy's: Leslie, Gus's older sister, haunted by his death and constantly aware of what could have been; Rafe, the actor who brings the joy and sadness of his own marriage into his role; and Sam, a recently divorced man who is irresistibly drawn to Billy's distinctive, enigmatic beauty. Together these four voices create a mesmerizing novel of entanglements, connections and inconsolable losses. What readers are saying about *The Lake Shore Limited*: 'Sue Miller at her best ... Beautiful, moving, enriching' 'A multi-layered story that exposes the dark and light side of the human condition' 'So real, intimate and honest' 'Dazzling' 'Miraculous' 'Sue Miller's writing is outstanding and beautiful. Definitely five stars' 'One of the best books I've read in a long time' 'I loved it' 'Original and transformative' 'I adore this book, and can't recommend it strongly enough'

### The Lake Shore Limited

From the O. Henry Award–winning author of the story collection *The Bostons*—a New York Times Notable Book, Los Angeles Times Book of the Year and winner of the PEN/Robert Bingham Fellowship for Writers—an exquisite first novel set at a disintegrating New England prep school. It's 1968. The prestigious but cash-strapped Goode School in the town of Cape Wilde is run by its aging, philandering headmaster, Goddard Byrd, known to both his friends and his enemies as God. With Cape Wilde engulfed by the social and political storms of integration, coeducation and the sexual revolution, God has confidently promised coeducation "over my dead body." And then, through a clerical error, the Goode School admits its first female student: Carole Faust, a brilliant, intractable fifteen-year-old black girl. What does it mean to be the First Girl? Carolyn Cooke has written a ferociously intelligent, richly sensual novel about the lives of girls and women, the complicated desperation of daughters without fathers and the erosion of paternalistic power in an elite New England town on the cusp of radical social change. Remarkable for the precision of its language, the incandescence of its images, and the sly provocations of its moral and emotional predicaments, *Daughters of the Revolution* is a novel of exceptional force and beauty.

#### Power + Faith + Image

In the gentrifying neighborhood of Greenpoint, Brooklyn, rests a huge rose-colored apartment building called *The Astral*. For decades it was the happy home of the poet Harry Quirk, his wife, Luz, and their two children: Karina, now a fervent freegan, and Hector, now in the clutches of a cultish Christian community. But when Luz finds poems that ignite her long-simmering suspicions of infidelity, Harry is summarily kicked out, leaving him to reckon with the consequence of his literary, marital, and parental failures. With tremendous grace and acute perception, Kate Christensen details Harry's floundering attempts to find his way back into Luz's arms—and back to his better self—in a novel that is funny, bittersweet, and terrifically moving.

### The Astral

A piercing collection of short stories set in the Pacific Northwest from the PEN/Faulkner Award-winning writer of *Snow Falling on Cedars* Guterson's beautifully observed and emotionally sharp short stories are set largely in the Pacific Northwest, an area he knew very well. They remember their mistakes, their lies and their first loves with intense and lingering recollections. With prose that stings like the scent of gunpowder, this is a collection of great power.
