Claire's Traditional Carolbook

Traditional Carols the Easy Way, in two Keys. Ideal for schools and churches. These Carols are arranged in two easy keys C and G major. No key signatures have been used, and for arrangements in the key of G, the F notes are individually sharpened. Importance has been given to practical accompaniments with easy left-hand positions. The "1 plus 2" note arrangements lead to easy sight reading and playability by students, especially young pianists. The "two note" left hand chords are designed to give maximum harmony with the right hand, with only three notes. The accompaniments are also designed to maintain a steady rhythm while maintaining harmonic interest with the minimum of complexity. In pieces where there are suggestions of diminished chords or passing notes, D sharp or C sharp, the sharps may be ignored without destroying the harmony as long as the pianist remembers the F sharps !It is advised that the student pianist practise the exercise in the appendix, the "left hand pairs" are designed to introduce the left hand style. In pieces where there are 4 crotchet pairs to the bar, for example "Angels from the realms of glory\

The School Musician Director and Teacher

The Hawaiian word for slack key guitar, *k+ hM alu*, means to "loosen the key" or retune some of the strings to create a harmonious sound with an open or alternate tuning. Slack key is a fingerpicking style characterized by strong alternating bass lines played with the thumb. While slack key can be played on any guitar, most players prefer a nylon- or steel-stringed acoustic instrument. This book presents 25 intermediate to advanced traditional and original tunes in the Hawaiian slack key style. Melodies are often harmonized in sixths or thirds played with or without double stops. Techniques like syncopated bass lines, hammer-ons, pull-offs, slides, and harmonics are tastefully employed to evoke the images of ocean breezes, swaying palms, hula dancers and white sandy beaches. The author writes, "Unless you grew up playing slack key, it's hard to get from the material presented in most books and DVDs to a fluid, play-it-your-own-way style." This book seeks to reveal the insights the author has gleaned from studying and jamming with some of the giants of the slack key style, and help you develop a style all your own. Includes access to online audio tracks of all 25 relaxing but challenging Hawaiian slack key tunes.
