The Ultimate Catholic Quiz

This book offers a fun and challenging way to see how well you know Catholic teachings, practices, and history. Karl Keating, best-selling author and founder of Catholic Answers, presents a multiple-choice quiz with 100 questions about a wide variety of subjects connected with Catholicism. Each of the 100 intriguing questions gives five possible answers. Only one of the answers is completely correct. The book is laid out in an easy-to-read format with the question and five possible answers on one page, and the analysis of each of the five answers, noting the correct one, on the next page. The questions, and the possible answers, are written with thought, precision, and sometimes a little humor to make for engaging reading. The quiz does not pretend to be comprehensive, but the questions cover multiple areas—doctrines, morals, and customs, as well as historical events and personalities—and should provide your mind and soul with a good workout. Catholic Answers to Fundamentalists' Questions

It offers clear, accurate, and easy-to-read answers to many questions that sincere Christians ask about the Catholic faith.

What Would You Like to Know about the Church Now?

Whether about morality or matters of doctrine, hundreds of questions a year are posed to the average priest, with vast spiritual significance hinging on each answer — conversions and reconversions, children's formation, the survival of marriages, new vocations to the priesthood, and the eternal destiny of those on their deathbeds. Yet there remain few good Q&A compendiums published over the past half century. In response to this need, Fr. John Trigilio and Fr. Ken Brighenti, hosts of EWTN's Web of Faith, draw on their years of pastoral experience to compile a comprehensive list of the best questions ever asked of them, responding to each with the same natural warmth, intellectual heft, and spiritual acuity that has earned them such a large international following. As on the Web of Faith television program, their conversational style opens fresh lines of questioning to which Fr. Trigilio and Fr. Brighenti provide clear, insightful answers. The result

Radio Replies - Catholic Answers Edition: Classic Answers to Timeless Questions about the Catholic Faith (Catholic Answers Edition- Comp)

"Where Is That in the Bible?" Fundamentalists and many other Protestants use this question all the time, particularly when they're dealing with Catholics. When they are being trained how to talk with Catholics, Fundamentalist evangelizers are taught to use this question. They see it as the "master key" to defeating Catholics. Countless Catholics are absolutely stumped by the question and don't know what to say in response. This is a very important principle in Protestant thought. It's the idea

that we should do our theology "by Scripture alone." It even has a fancy Latin name "sola scriptura." It's time for Catholics to stop being beaten up with the Fundamentalists' favorite question. That's why Catholic Answers has published the book 100 Biblical Arguments Against Sola Scriptura by well-known apologist Dave Armstrong. This powerful new book contains just that Biblical arguments. These are the kind that you need to get through to a Fundamentalist. After all, if they're locked into the "Bible only" view, they won't even listen to appeals from other sources. That's why you need the kind of precise, Biblically-based takedown of sola scriptura that Armstrong provides.

Question Time

The popular blogger and publisher of Envoy magazine offers 10 key reasons why he loves being Catholic (and you should too). Drawing heavily on poignant anecdotes from his own experience as a life-long Catholic born in 1960s, Madrid offers readers a way of looking at the Church--its members, teachings, customs, and history--from perspectives many may have never considered. Growing up Catholic during a time of great social and theological upheaval and transition, a time in which countless Catholics abandoned their religion in search of something else, Patrick Madrid learned a great deal about why people leave Catholicism and why others stay. This experience helped him gain many insights into what it is about the Catholic Church that some people reject, as well as those things that others treasure. Drawing upon Madrid's personal experiences, *Why Be Catholic?* offers a deeply personal, fact-based, rationale for why everyone should be Catholic or at least consider the Catholic Church in a new light.
