Catalog of Copyright Entries. Third Series

"Douglas Brinkley and American Heritage have done a grand job. This is a first-rate book: fair, clear, and enormously welcome." - David McCullough "Douglas Brinkley's one-volume history is a riveting narrative of unique people who have come to call themselves American. There is no dust on these pages as the author brilliantly tells our national story with skill and brevity." In this rich and inspiring book, acclaimed historian Douglas Brinkley takes us on the incredible journey of the United States - a nation formed from a vast countryside on whose fringes thirteen small British colonies fought for their freedom, then established a democratic nation that spanned the continent, and went on to become a world power. This book will be treasured by anyone interested in the story of America.

The American Heritage New Illustrated History of the United States: America Today

The missional church conversation continues to make a vital contribution to thinking about congregations and their contexts, addressing the essential question What does it really mean to be church? This book offers substantial, clarifying insights into that ongoing dialogue. Contributors: Mark Lau Branson James Tzu-Kao Chai Mary Sue Dehmlow Dreier Terri Martinson Elton Scott Frederickson Joon Ho Lee Gary M. Simpson Craig Van Gelder

The American Heritage New Illustrated History of the United States: The frontier

A narrative account of the Civil War

The American Heritage New Illustrated History of the United States: World War I and the twenties

Is secession legal under the United States Constitution? "One Nation, Indivisible?" takes a fresh look at this old question by evaluating the key arguments of such anti-secession men as Daniel Webster and Abraham Lincoln, in light of reason, historical fact, the language of the Constitution, and the words of America's Founding Fathers. Modern anti-secession arguments are also examined, as are the questions of why Americans are becoming interested in secession once again, whether secession can be avoided, and how an American state might peacefully secede from the Union.
