Many realize the significant role that an intimate, tightly knit circle of friends plays in creating a more fulfilling life, but with hectic schedules, frequent moves, and life changes, it's more important than ever for women to establish natural, meaningful friendships that will contribute to their overall wellbeing. In Friendships Don't Just Happen!, Shasta Nelson, friendship expert and CEO of GirlFriendCircles.com, reveals the most important proven steps, processes, and secrets vital to establishing the five different levels of friendships, or Circles of Connectedness, that women—no matter their age or relationship status—are

longing for in today's stressful and mobile culture. This revolutionary, engaging guide will also benefit women who already feel rooted to fabulous friends, with insightful principles that will help them maintain and enhance their current friendships. Full of practical how-to tips, fun activities, guiding questions, and step-by-step instructions, *Friendships Don't Just Happen!* highlights several areas of developing lasting friendships, teaching women how to: Evaluate their current circle of friends Recognize what types of friends they are seeking based on career, interests, location, and relationship status Create a prioritized friendship action plan Find extraordinary friends—where to look and how to approach them Take initiative to jumpstart friendships and face fears of rejection Establish “frientimacy,” trust, and happiness through conversation and activities Maintain meaningful friendships and determine which ones are worthwhile

Excerpt from *Friendships Don't Just Happen*: There is a lie out there that real friendship just happens. When I was new to San Francisco eight years ago, I remember standing at a café window on Polk Street watching a group of women inside, huddled around a table laughing. Like the puppy dog at the pound, I looked through the glass, wishing someone would pick me to be theirs. I had a phone full of far-flung friends' phone numbers, but I didn't yet know anyone I could just sit and laugh with in a café. It hit me how very hard the friendship process is. I'm an outgoing, socially comfortable woman with a long line of good friendships behind me. And yet I stood there feeling very lonely. And insecure. And exhausted at just the idea of how far I was from that reality. I knew I couldn't just walk in there and introduce myself to them. “Hi! You look like fun women, can I join you?” I would have been met with stares of pity. No one wants to seem desperate, even if we are. We don't have platonic pick-up lines memorized. Flirting for friends seems creepy. Asking for her phone number like we're going to call her up for a Saturday night date is just plain weird. All the batting of my eyelashes wasn't going to send the right signals. And so I turned away from the scene of laughter and walked away. No, unfortunately, friendships don't just happen. We Value Belonging Friendships may not happen automatically, but what we crave about them sure seems to! We all want to belong—that need to be connected to others is an inherent desire. We live our entire lives trying to fit in, be known, attract acceptance, and experience intimacy. We desperately want to have others care about us. This book is about that hunger. And more pointedly, it is about listening to it and learning how to fulfill it.

Oliver and Smalley help women distinguish between self-centered, insecure, childish relationships and other-centered, healthy, "grown-up" relationships. Using personal anecdotes and scriptural principles, they explain ten characteristics of a grown-up friend and offer ideas on how readers can develop these attributes in themselves. Finally, they tackle the tough issues of friendships, such as how to support a friend in crisis, how to work toward forgiveness when a friend has injured you, and how to determine when it is best to let a friendship go.

THE TABLECLOTH

BJ Slone is always "moving it and doing it" in life. Her story begins in her adolescent years when she first received her gifts from God in the form of friendships. Pia, Lester, DeBorah, Vanna, Neetha, Brocklyn, Kodi, Elle, and Pamela Moonface, one by one, came into her life. She cherishes and protects all nine of her girlfriends with every ounce of power in her soul. She proved that no force on earth could come between them. Though led by their faith in their friendships, the girls' number one rule is to take all their secrets to their graves. Their secrets are only for them and will remain between them. They share everything in their lives, from first loves, to careers, to firstborns, to forever loves. These friendships' shared common denominators are spirituality, faith, support, loyalty, love, and secrets. God brought them together. Therefore, they plan on staying together. They cannot and will not live without each other. BJ Slone could not entertain her girlfriends without first laying down her favorite tablecloth, then creating the most extravagant table setting on top of it. The only thing that rivals her table settings is the best food on the planet, prepared by one of her lifetime best friends, Pia. Each food stain, wine stain, and tear stain on BJ's tablecloth tells a story of love, laughter, life, success, friendships, and, of course, secrets. Journey with these girlfriends and feel the supernatural forces that thread their souls together for eternity. And experience the forces that struck their lives and tried to tear them down.

Best Friends

Best Friends provides the missing link to understanding and recognizing the impact of some of the most important relationships in girls' and women's lives. Every woman remembers the sting of betrayal of a girlfriend, and every parent of a daughter has seen her come home from school in tears because a girl she thought was her best friend suddenly and inexplicably became her enemy. While boys hash out differences with fists and kicks, girls' societies are marked by secrets and whispers and shifting affection. The lessons learned as an adolescent girl are often carried into adulthood, making women fear confrontation--especially with other women. But the intensity of the struggles reflects the support

and healing to be found within these friendships. Girls find themselves in the mirror of other girls, hence the power each has to influence the other. Ruthellen Josselson and Terri Apter's many years of working with hundreds of girls and women have given them insight into the emotionally important relationships that are integral to a girl's self-image. *Best Friends* explores the bonds of friendship between girls and between women and the sorrows and joys they experience together, from early adolescence and throughout their lives.

My Best Friend's Girlfriend

Big Friendship

A close friendship is one of the most influential and important relationships a human life can contain. Anyone will tell you that! But for all the rosy sentiments surrounding friendship, most people don't talk much about what it really takes to stay close for the long haul. Now two friends, Aminatou Sow and Ann Friedman, tell the story of their equally messy and life-affirming Big Friendship in this honest and hilarious book that chronicles their first decade in one another's lives. As the hosts of the hit podcast *Call Your Girlfriend*, they've become known for frank and intimate conversations. In this book, they bring that energy to their own friendship—its joys and its pitfalls. Aminatou and Ann define Big Friendship as a strong, significant bond that transcends life phases, geographical locations, and emotional shifts. And they should know: the two have had moments of charmed bliss and deep frustration, of profound connection and gut-wrenching alienation. They have weathered life-threatening health scares, getting fired from their dream jobs, and one unfortunate Thanksgiving dinner eaten in a car in a parking lot in Rancho Cucamonga. Through interviews with friends and experts, they have come to understand that their struggles are not unique. And that the most important part of a Big Friendship is making the decision to invest in one another again and again. An inspiring and entertaining testament to the power of society's most underappreciated relationship, *Big Friendship* will invite you to think about how your own bonds are formed, challenged, and preserved. It is a call to value your friendships in all of their complexity. Actively choose them. And, sometimes, fight for them.

The Girlfriends Guidebook

Text Me When You Get Home

"Text Me has the thrills and laughs of a romantic comedy, but with an inverted message: 'There just isn't only one love story in our lives,' Schaefer writes. If you're lucky, friends will be the protagonists in these multiple love stories. It's high time that we start seeing it that way."—NPR.org A personal and sociological examination—and ultimately a celebration—of the evolution of female friendship in pop culture and modern society For too long, women have been told that we are terrible at being friends, that we can't help being cruel or competitive, or that we inevitably abandon each other for romantic partners. But we are rejecting those stereotypes and reclaiming the power of female friendship. In *Text Me When You Get Home*, journalist Kayleen Schaefer interviews more than one hundred women about their BFFs, soulmates, girl gangs, and queens while tracing this cultural shift through the lens of pop culture. Our love for each other is reflected in Abbi and Ilana, Issa and Molly, #squadgoals, the acclaim of *Girls Trip* and *Big Little Lies*, and Galentine's Day. Schaefer also includes her own history of grappling with a world that told her to rely on men before she realized that her true source of support came from a strong tribe of women. Her personal narrative and celebration of her own relationships weaves throughout the evolution of female friendship on-screen, a serious look at how women have come to value one another and our relationships. *Text Me When You Get Home* is a validation that has never existed before. A thoughtful, heart-soaring, deeply reported look at how women are taking a stand for their friendships and not letting go.

Girlfriends are Lifesavers

Alice has a very low boredom threshold. But she never gets bored with Franny, her best friend since they met at nursery school. Friends are for ever. Ain't nothing going to come between them. Girls rule, boys drool is their motto. Well, it's Alice's motto, Franny doesn't have much time for boys; they're all totes immature and only interested in one thing. But then there's Louis Allen, lead singer of Thee Desperadoes, the best band in Merrycliffe-on-sea (though that could be because they're the only band in Merrycliffe-on-sea). He's a tousle-haired, skinny-jeaned, sultry-eyed manchild, the closest thing that Franny's ever seen to the hipsters that she's read about on the internet and she's been crushing on him HARD for the last three years. She's never worked up the courage to actually speak to him but she's sure on some deeper level that goes beyond mere words, Louis absolutely knows that she's his soulmate. He just doesn't know that he knows it yet. It's why he cops off with so many other girls. So, when Alice, bored with callow youths, sets her sights on Louis it threatens to tear the girls' friendship apart, even though they're better than fighting over a boy. They strike a devil's deal - may the best girl win. Best friends become bitter rivals and everything comes to an explosive conclusion on their first trip to London. Can true friendship conquer all?

Along with real-life scenarios and humor expect to be highly entertained, educated, and informed on how to become a better girlfriend to your friends. *The Better Than Best Friend Guide* can be used to strike up honest conversations with your girlfriends. What would you do if you caught your girlfriend's man out with another woman? Is it okay to share your girlfriend's personal business with your man? Do you feel like you are a good girlfriend? Would your girlfriend agree with you? Well, there's only one way to find out the answer to these questions. Pull up a comfortable chair and let's tal
